Young Plants
Every farmer knows that some plants grow better than others. Soil may be the same and seed may seem the same but some plants are weak and others strong.
And that's the way with children. They are like young plants. Same food, same home, same care but some grow big and strong while others stay small and weak.
Scott's Emulsion offers an easy way out of the difficulty. Child weakness often means starvation, not because of lack of food, but because the food does not feed.
Scott's Emulsion really feeds and gives the child growing strength.
Whatever the cause of weakness and failure to grow—Scott's Emulsion seems to find it and set the matter right.

Dragging Pains
2825 Keeley St.,
CHICAGO, ILL., Oct. 2, 1902.
I suffered with falling and congestion of the womb, with severe pains through the groin. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. What to try I knew not for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. My blood seemed to course through my veins and after using eleven bottles I was a well woman.
Wine of Cardui
Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.

WINE OF CARDUI

I Coughed
"I had a most stubborn cough for many years. It deprived me of sleep and I grew very thin. I then tried Ayer's Cherry Pectoral and was quickly cured."
R. N. Mann, Fall Mills, Tenn.
Sixty years of cures and such testimony as the above have taught us what Ayer's Cherry Pectoral will do.
We know it's the greatest cough remedy ever made. And you will say so, too, after you try it. There's cure in every drop.
Three sizes: one for an ordinary cold, one just right for bronchitis, hoarseness, hard cough, etc., and one for chronic cough, and to keep on hand.
