Much Fall Moving Activity in Village

There was quite a bit of fall moving activity in the village over the Oct. 1 week end and during the past month as many persons changed residences. Among those reported to this office were the following:

Mr. and Mrs. Herbert Backhaus and daughter rented their home at the north village limits to Mr. and Mrs. Warren Doman and family of Oshkosh, who moved here. Doman is manager at Kewaskum Industries, Inc. The Backhaus family has moved to Long lake where they purchased a year-around home from Jack Borchert.

Mr. and Mrs. Merlin Dreher and family have moved from the former Art. Schultz home on Roseland Dr., recently purchased by Mr. and Mrs. Ervin Ramthun of the town of Kewaskum, who sold their farm northeast of the village to the state, into one of the Marlin Schneider homes on R. 2, Kewaskum, about two miles west of town. Mr. and Mrs. Ramthun are moving into their home vacated by the Dreher family.

Mrs. Margaret Pierce recently moved from the lower apartment of the Frank Krueger home on Elm st. into the front apartment of the Walter Mathis building (formerly owned by Cal Bowe) on Fond du Lac ave.

Mr. and Mrs. Myron Backhaus last week end moved from the rear apartment of the Walter Mathis building on Fond du Lac ave. to West Bend. Mr. and Mrs. William Harbeck and daughters moved from the Mrs. Selma Rupp home on Fond du Lac ave. into the Mathis apartment vacated by Mr. and Mrs. Backhaus. Mrs. Rupp who has been staying with Mr. and Mrs. Roman Keller, is moving into her home vacated by the Harbecks. Her mother, Mrs. Engelmann, who has been living with another daughter in Milwaukee, will make her home with Mrs. Rupp.

Mr. and Mrs. Butt moved from the upper apartment of the Louis Schaefer home on North ave. into their new home on Hwy. 45 on the Kewaskum hill south of the village. Mr. and Mrs. Charles Jones and family of Wauconda moved into the Schaefer apartment vacated by the Butts. Jones is employed at Kewaskum Industries, Inc.

Sylvester Muckerheide and sons moved from one of the flats in the Doms rural home west of the village to West Bend. The Muckerheide twins, Bruce and Pat, first team members of the Kewaskum High school football team, have enrolled at West Bend High school.

Mr. and Mrs. Byron Bunkelman and family recently moved from the apartment above Miller's Funeral home on Forest ave. into the home they purchased from Schultz Bros. on Meadow Lane.

Mr. and Mrs. Carl Rosenau of Richland Center moved into the front upper apartment of the Elroy Egerer apartment home on Main st. He is a teacher in the Kewaskum Public schools.

Wisconsin is well on its way to breaking the 1956 corn production record with a predicted 178 million bushels. This is nearly 27 per cent above last year.

Girl Scout News

On Oct. 6 the Girl Scouts opened their meeting with the Pledge of Allegiance and our promise. We talked about doing a good deed every day.

Patty Mitchell is working on her game badge so we played a game. Sue Marx won the game.

We are planning to take a hike around Mauthe lake if the weather is nice. Any Girl Scout mother who can drive may. Bring a slip to say you can go. The patrols are going to plan the whole trip. The PPMQ Quartet will clean up, the Chatter Boxes will take care of the food, the Wee Four Elves are the fire builders and the Hiawathians will plan what to do while hiking.

We hope that all the Girl Scouts can have badges by our potluck.

This year we are going to sell Christmas cards. Anyone wishing to buy cards or wrapping call the nearest Girl Scout or 87-R or 128-M.

We ended the meeting with taps. Diane Schmidt, Scribe

N. Fondy Trims Indians In Loop Opener, 27-0

The Kewaskum Indians absorbed a 27-0 thrashing in their Scenic Moraine conference opener Friday night on the Oriole gridiron as Loren Blossmore put on a one-man show for the winners.

The victory was Fondy's third in a row and the first in regular conference play. The setback was Kewaskum's second in three games, having been trampled by Kohler the week previous, 38-7, in a non-loop contest. Lacking scoring punch the Indians have scored only 7 points in their last two tilts.

Blossmore made the big difference for North Fondy as he racked up 122 of the team's 147 yards rushing and scored three of the four touchdowns in doing so. He scored from 19, 25 and 46 yards out on runs through Kewaskum's defense. The first TD of the game was scored by Frank Lamb on a 69-yard pass play from Jim Hickey, who also made three of the extra points.

The Indians, a power in the loop last year, who dealt the Orioles two straight losses, didn't have a chance Friday. The team, with a good number of lettermen returning, was expected to be a contender again this season. Against Fondy, Kewaskum managed to gain just 59 yards on the ground and 18 in

the air for a total of 77 yards.

The North Fondy squad meanwhile put together a 147-yard ground game with 105 yards in the air for a 252-yard figure. Outstanding on defense were Blossmore and Jim Johl. The conference win was the first for the Orioles since the league started last season.

There will be no letup for the Indians this Friday night when they host another strong opponent, the rival Campbellsport Bells, who also won their first two games. The Bells routed Waldo, 27-0, in non-loop action and beat Grafton last week, 19-13. Slinger will be Kewaskum's homecoming opponent on the following Friday, Oct. 16.

Pure Milk Co-op Meets Here, Elects Directors

The meeting of the Kewaskum local of Pure Milk Products Cooperative was held at the Kewaskum Opera House at 8:30 p. m. on Monday, Sept. 21.

A new board of directors was elected as follows: President, Orrin J. Peters, R. 5, West Bend; vice-president, Carl Herriges, R. 2, Kewaskum; secretary-treasurer, Howard Proeber, R. 3, West Bend; directors, Wilmer Prost, Kewaskum; Joseph Schmitt, R. 1, Allenton; Walter Theusch, R. 1, Allenton, and Lester Strobel, R. 3, Campbellsport.

Delegates to the annual convention at Fond du Lac on Oct. 27 will include Wilmer Prost, who was also named to the by-laws committee, and Joseph Schmitt.

Carl Hervezes and Howard Proeber will serve as alternates.

The Kewaskum local drew up a resolution to present to the state convention at Fond du Lac. Due to the fact that the Department of Agriculture has discontinued the "Drink all you can for a dime" milk stand at the state fair, PMPC feels that it would be good public relations for them to set up such a concession at the state fair in 1960.

Donald Uelmen of Eden, state director of District V of PMPC, gave reports on the financial status of the organization. The members are selling more milk hence PMPC is in good financial shape.

Herbert Stillman, director of membership and service of PMPC,

4-H Club News

AUBURN 4-H CLUB

The Auburn 4-H club held its regular meeting Oct. 1 at Karen Kaschner's home. President Barbara Nigh opened the meeting. Roll call was answered by "What Grade in School Are You?" The secretary's report by Carole Ann Erdmann was read and accepted. The treasurer's report also was read and accepted.

It was decided by unanimous vote to keep all present officers in for the coming year.

Motion was made and seconded to send money to the Wakelin McNeel Memorial Fund and Thomas L. Bewick Memorial Fund. These two outstanding state 4-H club leaders passed away this year. Both have contributed much to 4-H work and a fitting memorial to them will be established at Upham Woods 4-H camp.

We plan to attend the Achievement Night program at Fond du Lac on Oct. 21.

Enrollment cards were handed

out to all members with six new members joining us.

A demonstration on "How to Make a Pieced Pillow Top with Wool Yarn Designs" was given by Karen Kahchner.

Our next meeting will be held at Polly Gruhle's home. We will have our local achievement and entertainment for parents and friends.

After singing and our Pledge to Our Flag we adjourned. A delicious lunch was served by Mrs. K. Kaschner and Karen.

Reporter, Carole Ann Erdmann

WAYNE CRUSADERS 4-H CLUB

The Wayne Crusaders held their September meeting on Sept. 14 at the Wayne Center school.

We made plans for "Parents Night" which will be on Oct. 12. Parents and families of the members are invited. We will present a

program of demonstrations, talks, skits and singing that will highlight our year's activities.

The record books were returned to the members and leaders explained how the books can be improved.

A short skit was presented by several members. This showed us why we should follow good health habits.

There were eleven visitors at our meeting. We hope that they liked it and will decide to become mem-

bers.
Lunch was served by the Gut-

Jahr family.
