NUMBER 45

Local Schools Open With Record Total Enrollment of 1,191 Pupils

486 in High School and 450 in Grades Set All-Time High

Kewaskum Community High school opened last Tuesday (freshmen) and Wednesday (upper classmen) with an enrollment of 486 students, largest in the history of the school. The 486 figure topped last year's total enrollment of 465 by 21 students. Freshmen entering high school numbered 126, which is 11 below last year's class of 137 and 12 under the record-breaking freshman class of two years ago of 138.

Enrollment in the elementary schools also set a new record with 450 children registered, 28 more than last year. The previous high enrollment was 442 set two years ago. Mainly responsible for the enrollment surge in the grades is the large number of kindergarten pupils, 61, and 23 transfers here from other schools.

Total enrollment in high school and the grades is 936 and draws nearer each year to the 1,000 mark. This 936 figure far exceeds last year's total of 887, an increase of 49 pupils. Adding this number to the enrollment of 255 in Holy Trinity Catholic school brings the total number of children attending school in Kewaskum to 1,191.

High School

The enrollment by classes in high school is as follows:

Freshmen	126
Sophomores	130

Enrollment at Holy Trinity School Is 255

Holy Trinity Catholic school opened last Wednesday morning with an enrollment of 255 pupils, a decrease of three from last year's total of 258 on opening day. Enrolled are 136 boys and 119 girls. There was only a half day of school on opening day.

Thirty-six children started school in the first grade, a decrease of two from last year's 38. Seven of last term's pupils have transferred to other schools and six new pupils have transferred from other schools to Holy Trinity.

The enrollment by grades is as follows:

Grade 1	36
Grade 2	36
Grade 3	31
Grade 4	30
Grade 5	28
Grade 6	36
Grade 7	31
Grade 8	27

Woman's Club Opens Season on Sept. 21

When the Kewaskum Woman's club opens its 1963-64 season on Saturday, Sept. 21, members will have the privilege of hearing ways to improve one's community. "Civic Improvement" is the message to be presented by Mrs. George Mueller of Shorewood, who is state civic improvement chairman of the Wisconsin Federated Women's Clubs. An invitation has been extended to a representative of the village board to be present to answer any questions that may arise in regard to local civic improvement.

The constitutional committee will present a revised constitution for adoption and all members are requested to bring to this meeting their copy of the constitution.

Hostesses for the meeting, which is scheduled for 2:30 in the public library, are Mrs. John R. Tessar, Mrs. Clyde Brehm and Mrs. E. M. Gnacinski. Guests are welcome.

AMBULANCE CALLS

Tuesday, Sept. 10—Mrs. Otto Hinn removed from Beechwood Rest Home to St. Joseph's Community hospital, West Bend.

Becomes 13 on Friday, the 13th

Debra Jean Schlosser, daughter of Mr. and Mrs. Harold Schlosser of 1209 Meadow Lane, Kewaskum, had the rare occasion to celebrate her 13th birthday on Friday, the 13th of September. Debbie is an

eighth grade pupil at Holy Trinity school, where she is a cheerleader and is interested in all sports. She has a two year old brother, Richard.

3rd Annual Water Fight Tournament Here on Sunday

20 FIRE DEPARTMENTS OF AREA EXPECTED TO PARTICIPATE

The third annual water fight tournament will be held in the Kewaskum village park this Sunday, Sept. 15, beginning at 2 p. m. The event was held at Random Lake the past two years.

Members of 20 area and surrounding fire departments are expected to participate in the tournament. Hamburgers, bratwurst and refreshments will be sold and the public is invited to attend. There will be no admission charge for the water fights.

The event will be an elimination tournament. Winning teams will move up toward the finals and losing teams will be eliminated. Numbers will be selected to pair the teams. Each fight will be two out of three falls and will have a three minute time limit.

Three trophies will be awarded to the first, second and third place teams.

FIREMEN ARE SUMMONED WHEN CAR CATCHES FIRE

Kewaskum firemen received a call to Wally's Mobil station on South Fond du Lac ave. at 10:10 p. m. on Tuesday when an auto caught fire outside of the station. Work was being done with a torch around the motor of the vehicle when gasoline ignited, causing the motor to burn. Attendants at the station had the blaze out when the firemen arrived. Most of the damage was confined to burned wiring.

Milwaukee, State Beagle Clubs Hold Field Trials Here

The 41st annual licensed field trial of the Wisconsin Beagle club was held last week at Kewaskum, with hounds from Missouri, Indiana, Illinois and Michigan, as well as Wisconsin, attending.

Eberle's Bugle Ann, owned by Joe Eberle, Kewaskum, won first place in the female class. She now has her three firsts and only needs five points for her field championship to become a field champion, according to Eberle.

The Milwaukee Beagle club's 19th annual licensed trial will be held this Saturday and Sunday at the club grounds, seven miles north of Kewaskum on Hwy. 45. Any registered beagles 15 inches or smaller are eligible. Drawing will be at 8 a. m. Saturday.

LEE HONECK IS DELEGATE TO NATIONAL CONVENTION

Mr. and Mrs. Lee Honeck of this village are attending the national convention of the American Legion at Miami, Fla. this week. Lee is a delegate of the 2nd district of Wisconsin and is also representing Robert E. Romaine Post 384 of Kewaskum at the session. Mr. and Mrs. Honeck expect to be gone about three weeks, attending the convention, visiting friends in Florida, and touring places of interest.

Garbage Notice

There will be no pickup of garbage in the village on Mondays after Monday, Sept. 16. Thereafter garbage will be collected once a week only during the winter months, on Friday of each week. Rubbish will be picked up every other Wednesday as usual.

Annual Kiwanis Club Live Turkey Shoot on Sept. 22

EVENT AT BAR-N RANCH WILL INCLUDE TROUT FISHING, TRAP & DEER SHOOTING, MAGIC PERFORMANCE

The Kewaskum Kiwanis club will sponsor its eleventh annual Live Turkey Shoot on Sunday, Sept. 22, at the Ban-N Dude Ranch, 6 miles northeast of Kewaskum on County Trunk GGG, the beautiful Kettle Moraine Drive.

Patterned after the historic turkey shoots which were so popular in frontier days, this fascinatingly interesting annual event has become an outstanding attraction. Thousands of men, women and children from all over the state attend as participants and spectators.

The Turkey Shoot is handled as follows: Large live turkeys are protected behind an earthen bunker at the end of the rifle range with only their heads exposed to the marksman. For a fee of \$1.00 for three shots, (four shots for a dollar on advance sale tickets) the marksman attempts to hit the turkey's head from the firing line, using a .22 rifle. The turkey he hits is the turkey he gets for the family larder. Rifles and ammunition are furnished.

A live trout fishing contest is another popular attraction. It offers fine sport for the pro and amateur alike. The angler keeps all the fish he catches. Additional prizes are offered for those catching the most fish.

Other events include trap and deer target shooting. Sportsmen desiring to enter these events may bring their own shotguns, rifles and ammunition. An authentic cross-bow direct from Switzerland will be used in a target event. Here's an opportunity for Robin-hood admirers to test their skill. In addition, there are games for every member of the family to enjoy. Shelter, hot and cold food and beverages will be available.

As a special feature this year, Fritzie, the Magic Man, whose slogan is, "Have Rabbit—Will Travel," will perform throughout the afternoon. Your children will be delighted by the antics of Russell, the invisible rabbit, who tries to steal the spotlight from Fritzie.

The shoot is sponsored by the Kewaskum Kiwanis club with all profits going to their youth and community benefit funds.

Hospital News

John Schmitt, Kewaskum, returned home last Wednesday after being a patient at Wood Veterans hospital, Milwaukee, for the past several months.

Sandra Jackson, daughter of Mr. and Mrs. Fred Jackson, R. 1, Alenton, entered University hospital, Madison, on Wednesday, Sept. 11, for surgery. Friends of Sandra, a freshman in Kewaskum Community High school, may send cards to University Hospital, Children's Orthopedics, Madison, Wis.

25 Years Ago

Sept. 9, 1938

The public schools opened Sept. 6 with an enrollment of 122 in high school and 98 in the grades as follows: Primary room, 26; intermediate room, 40; grammar room, 32; freshmen, 38; sophomores, 34; juniors, 25; seniors, 25. The 38 freshmen are: Harriet Backhaus, Myron Backhaus, Gladys Baumgartner, Donald Beggan, Lyle Belger, Frederic Beyer, Patti Brauchle, Sylvester Brodzeller, Fern Burke, Arleigh Ehnert, Arnold Hawig, Sylvester Karl, Helen Kirchner, Marlin Kocher, Dolores Kocher, Alexia Mayer, LeRoy Muckerheide, Thomas Mulvey, Rosemary Nigh, Edith Pagel, Ruth Pagel, Lloyd Petermann, Bruce Petri, George Petri, Edna Schaefer, Lucille Schoofs, Virginia Staeger, Roger Stahl, Dolores Mae Stoffel, Monica Strupp, Arlene Terlinden, La Verne Terlinden, Elmer Teschendorf, Wayland Tassar, Dolores Vorpahl, Ray Vyvyan, Evelyn Weddig, Lillie Zacho. The six high school teachers are Clifford M. Rose, principal; Harry Furlong, assistant principal; Lyle E. Gibson, Margaret Browne, Eunice Ohlrogge and Florence Dachenbach. The three grade teachers are Mrs. Olga Muenck, La Verne Bratz and Viola Daley.

The Rev. Vincent Schneider of St. Michaels, who was ordained to the priesthood and read his first Solemn Mass several weeks ago, has been appointed assistant pastor at St. Michael's church in Milwaukee.

Victor Swenson died at St. Agnes hospital, Fond du Lac, eight hours after he was injured in a 40-foot fall from a scaffold while working with a crew erecting a silo on the Bernard Wondra farm at St. Kilian.

United States Postmaster-General James A. Farley passed through this village Friday while enroute to attend the Democratic convention in Fond du Lac, where he talked. Farley rode in one of a group of seven cars which comprised the party, accompanied by motorcycle police escorts with sirens screaming. Democratic notables accompanied Farley.

Harold Casper and Miss Ruth Koepsel attended the Chicago Cubs-Cincinnati Reds baseball game at Chicago Sunday in which Cincinnati's great Vander Meer of no-hit fame outpitched the Cubs' ace, Bill Lee, in a 3-1 game.

Frederic Belger, son of Mr. and

Mrs. Fred Belger of Boltonville, had a narrow escape from being fatally injured when a bolt of lightning struck the litter carrier he was working with on the Elmer Quass farm west of Boltonville. Fred was knocked to the ground. Mr. Quass and a neighbor heard his screams and hurried him home where a doctor was summoned. Fred was confined to bed a couple of days.

The Roman Strupp farm in the town of Kewaskum was the scene of a treasure hunt Sunday staged by the West Bend Motorcycle club. Those who placed in the hunt were three Barton riders: Stanley Schneider, 1st; Erwin Van Beek, 2nd, and Leonard Dricken, 3rd. Eddie Dorn of Kewaskum finished 4th.

FIFTY YEARS AGO Sept. 7, 1913

Considerable excitement was caused near the depot when a team of horses belonging to Gust Kuehl of Wayne was frightened by a freight train and started to run away. They ran against the engine but as the engine was not moving, they were unhurt.

Theodore Eisentraut and Miss Esther Raether narrowly escaped serious injury Saturday evening from an incoming passenger train. They were returning home in the former's Metz runabout and were nearing the railroad crossing when a passenger train pulled in. Several people on the platform of the depot halted Eisentraut and he turned his auto toward the sidewalk, preventing a collision.

The barn of J. P. Fellenz, two miles north of this village, was struck by lightning and burned to the ground. The Fellenz family was asleep and knew nothing of their danger until John Koepke, living 1/2 mile away, came on horseback and gave the alarm.

The Wisconsin Conservation Department says good forestry is profitable. A woodlot acre growing 125 board feet per acre each year earns as much interest as a \$100 government bond.

Mrs. Otto Hinn, Mrs. Harry Koch's Mother Pass On

Mrs. Otto Hinn, 75, nee Emma Butzke, of R. 1, Kewaskum, a farm resident of the town of Scott for the past 48 years, died at St. Joseph's Community hospital, West Bend, early Thursday morning, Sept. 12.

She was born March 17, 1888, in the town of Auburn, a daughter of the late Albert and Louisa Krause Butzke, and resided in that township until her marriage to Mr. Hinn, which took place at St. John's Lutheran church, New Fane, on Sept. 25, 1907. After their marriage the couple lived in the town of Forest for three years and then came to the town of Scott, residing there since.

Her husband preceded her in death on March 24 of this year. Surviving are three children, Edward Hinn of New Fane, Lucinda (Mrs. Ted Backhaus) of Fredonia and Harold Hinn of R. 1, Kewaskum; one grandson, Harold Backhaus; one daughter-in-law, one son-in-law, three brothers, Louis and Henry Butzke of rural Campbellsport and Arnold Butzke of Kewaskum, and many other relatives and friends.

Friends may call at Miller's Funeral home in Kewaskum from 2 p. m. Saturday until 11 a. m. Sunday and at St. John's Lutheran church, New Fane, from 12 noon until the hour of services at 2 p. m. The Rev. Arthur Haupt will officiate and burial will take place in the church cemetery.

Mrs. Edwin Clement

Mrs. Edwin Clement of 2440 Lexington st., Chicago, Ill., mother of Mrs. Harry E. (Janet) Koch of Kewaskum, passed away on Tuesday evening, Sept. 10. She had been hospitalized since Aug. 31.

Immediate survivors include her husband, two daughters, Mrs. Joseph McKinsey, of River Forest, Ill. and Mrs. Koch, and two grand-

children.

The body is in state at the Matz Funeral home, 3440 N. Central ave., Chicago, where funeral services will be held on Saturday, Sept. 14. Burial will take place in Chicago.

Mr. and Mrs. Koch and daughter Wendy left for Chicago to attend the funeral.

MRS. PAUL L. JUSTMAN

Mrs. Paul L. Justman, 77, of 438 N. 9th ave., West Bnd, died in St. Joseph's Community hospital, West Bend, on Tuesday, Sept. 10. She had been ailing for some time.

Mrs. Justman, nee Alvina Fickert, was born in the town of Theresa on June 26, 1886. She grew up there and lived in that township until the time of her marriage to Mr. Justman on Sept. 23, 1908 in St. Peter's Lutheran church in the town of Theresa. Mr. and Mrs. Justman operated a farm near Theresa for six years and then moved to a farm near Wayne, where they resided until moving to West Bend in 1930. Mr. Justman served as Washington county treasurer for a number of years.

Surviving are her husband, three children, Lawrence of R. 1, Theresa; Maranda (Mrs. Donald Wehde) of Milwaukee, and Milton of West Bend; 10 grandchildren, 21 great-grandchildren, a brother, Alfred Fickert of Theresa; two daughters-in-law and a son-in-law. A sister and three brothers predeceased her.

Funeral services with the Rev. C. Meyer officiating, were held at Trinity Lutheran church, West Bend, at 2 p. m. Friday, Sept. 13, with burial in Washington County Memorial Park. Prior to the services the body was in state at the Schmidt Funeral home from 2 p. m. Thursday and at the church from noon to the time of services.

Man owes it to himself to become a success—a successful man owes it to the tax-collector.

Mrs. Tessar at 6th District Meeting Of VFW at Oshkosh

The September meeting of the 6th District, Veterans of Foreign Wars, Dept. of Wisconsin, was held at Oshkosh Sunday with Commander Gilbert M. Sauer of West Bend presiding. In attendance were 62 post commanders and delegates with 18 of the 21 posts represented.

The session was highlighted by the visit of the national auxiliary president, Lillian Campbell of Neenah; Lorinda Tessar, Kewaskum, national flag bearer, and Grace Goff, department senior vice-president. Each spoke briefly, urging close cooperation between the VFW posts and their auxiliaries. Mrs. Tessar and her sister, Lorena Petermann, also attended the meeting of the ladies auxiliary of the 6th district. A number of other VFW and auxiliary members from West Bend attended the sessions.

Attending the reception at Neenah Saturday night for the national president of the ladies auxiliary of the VFW, Lillian Campbell, were Mrs. Tessar in company with Mr. and Mrs. Gilbert Sauer, Susan Werner, Ethyl Edgar and Mr. and Mrs. Arnold Korth of West Bend.

Mrs. Tessar, immediate past president of the state of Wisconsin VFW Auxiliary, recently returned from the national convention in Seattle, Wash., where she served on the credentials committee during the convention. There she was appointed national flag bearer and will serve in that capacity for the coming year. For her outstanding work in the hospital program and her successful year as state president, Mrs. Tessar received manual citations and a copy of the Declaration of Independence.

Rosenheimer's RED BELL MARKET

Jolene Miller Is Bride

Yellow gladioli and bronze mums decorated the altars of Holy Trinity church, Kewaskum, for a nuptial High Mass at 11 o'clock Saturday morning, Sept. 7, during which vows were exchanged by Miss Jolene Rhae Miller, daughter of Mr. and Mrs. Joseph M. Miller, 346 Third st., Kewaskum, and Kenneth H. Kenyon, son of Mr. and Mrs. Clyde Kenyon, Park Falls, Wis. The Rev. John T. Budde performed the ceremony.

Dinner for 40 guests at the Hon-E-Kor Country Club was followed by a reception for 175 guests at the American Legion clubhouse.

The young newlyweds will be at home at 708 Market Place in Madison, where the bridegroom is a senior in chemical engineering at the University of Wisconsin. The bride is a graduate of Kewaskum Community High school and attended the University of Wisconsin, Madison.

The bride chose a gown of chantilly lace and silk organza designed with a pearl and sequin fitted lace bodice, scalloped neckline and long lace tapered

sleeves. The organza overskirt was augmented with tiny bows and fell over flounces of scalloped lace. Her hand rolled scalloped edged fingertip veil of silk illusion was held by a crown of pearls and aurora borealis and she carried yellow Fuji mums and white carnations.

Miss Nancy Hirsig served as her cousin's honor attendant. She and the bridal aides, Misses Helen Schaefer and Bonnie Butzke, friends of the bride, were identically attired in olive green satin and crepe cocktail length dresses, styled in princess lines with satin empire bodice, with bowed flowing panels at the back, scoop neckline and short sleeves. Pillbox headpieces in olive green held their face veils and they carried yellow Fuji mums.

William Kenyon served as best man for his brother, while Ronald Kenyon, a cousin, and John Kranig, a friend, acted as groomsmen. Ushering duties were performed by Gerald Mehring and Hugo Straub, Jr., cousins of the bride.

Loans Available to Rural Communities And Farm Groups

LOANS MAY BE OBTAINED FOR WATER, SOIL MEASURES

Rural communities together with neighboring farmers may now obtain loans from the Farmers Home Administration to develop the water resources they need, according to Lansing R. Stephenson, the agency's local county supervisor.

"Recent legislation has broadened this credit aid. Individual

farmers and rural residents with water problems can team up to obtain a loan for securing a good water supply and distributing the water to their farms and homes," Stephenson said.

"The construction of modern water supply systems make rural communities more attractive, encourages the growth of rural industries and aids in rural areas development," Stephenson added.

Stephenson said 346 of Wisconsin's rural communities over 100 population do not have water systems.

An association loan for water development or soil conservation purposes may be made for as much as \$1,000,000 if the funds are supplied by a private lender and insured by the Farmers Home Administration, or up to \$500,000 if made from direct funds appropriated by the Congress, Stephenson said.

The interest rate on a direct loan is 4½ percent. The interest rate on insured loans varies but may not exceed 5 percent. Loans are scheduled for repayment over periods up to 40 years.

Water development and soil conservation loans may be used to finance water supply reservoirs, rural water supply distribution systems, pumps, pumping plants, pipelines and other facilities necessary for an adequate water system.

These loans may also be made to develop or improve soil conserving measures such as the construction and repair of terraces, dikes, ponds and tanks, ditches and canals for drainage, waterways and erosion control structures.

Loans may also be made for shifts in land use to grazing, forestry and recreational purposes.

Associations applying for loans obtain and pay for the technical help they need, but Farmers Home Administration engineers will see that proposed improvements are sound and that cost estimates and plans are complete. After a loan is made, the agency periodically inspects progress to see that funds are used as agreed upon and that construction meets approved standards.

An organization desiring to ob-

tain an association loan or individuals interested in forming an association for the purpose of obtaining a loan may contact County Supervisor Stephenson.

The agency also has authority to make low-interest-rate, long-term watershed loans to organizations sponsoring plans to protect, develop, and utilize the land and water resources in small watersheds encompassing areas up to 250,000 acres. These loans may be made for periods up to 50 years and bear 3.046 per cent interest for the fiscal year ending June 30, 1964.

Invisible Rabbit, Boss Attending Magic Convention

RUSSELL AND "FRITZIE" TO APPEAR AT KIWANIS TURKEY SHOOT

Russell, an invisible rabbit, is attending the 25th annual convention of the Houdini Club of Wisconsin being held in Appleton this week end, Sept. 13-15. A member of the Magician's Assistants Club of America, Russell is attending with his boss, "Fritzie, the Magic Man" (Richard Mehling, West Bend).

During the convention Russell will perform with "Fritzie" in competition with many magicians from throughout the midwest. Judging is based on originality and

presentation. Previous awards were won by "Fritzie" in 1957 and 1961. For the past few weeks Russell has been dieting and exercising to assure that he will slip in and out of the top hat easily. He is even working on a solo effect which he describes merely as a "hare" raising number.

The Houdini Club is holding its silver anniversary gathering in Appleton in honor of its namesake, Harry Houdini, world famous magician and escape artist, who was born there. In connection with this, Governor Reynolds has proclaimed the week of Sept. 13 through 20, as "Magic Week" in Wisconsin. He urges citizens in every community to participate in enjoying magic and to foster a deeper appreciation for magical talent.

"Fritzie" and Russell try to attend several magical gatherings each year to keep their act current and have new surprises for repeat dates. Their first scheduled appearance after the convention is at the Kewaskum Kiwanis club's 11th annual Live Turkey Shoot on Sept. 22. This is being held at the Bar-N Dude Ranch, 6 miles northeast of Kewaskum on County Trunk GGG. Russell and his boss will perform several times during the early afternoon.

Character building is almost like the weather, everybody talks about it but very few do anything about it.

Kewaskum Newspaper

Dear Editor:

It has come to my attention that the Kiwanis Club of your city is sponsoring a live turkey shoot on September 22, 1963, to earn money for some humanitarian enterprise. This club is to be commended everywhere for all the good it does. Its response to calls for aid, whether to help the mentally retarded or provide glasses for some deserving child who otherwise would go without, is usually gladly given.

The very nature of the help the club gives implies that its members must be men of the highest caliber. Knowing this to be true I can not see why their mercy can not include God's creatures who can not speak for themselves, in this case live turkeys! Isn't there some other way to earn money than to make targets of terrified live turkeys? If not, could not clay targets be used, as has been done in many cases?

There is still time to reconsider and change the nature of the fund raising venture.

Very truly,
Bessie J. Jenkins

Refreshing Summer Dessert

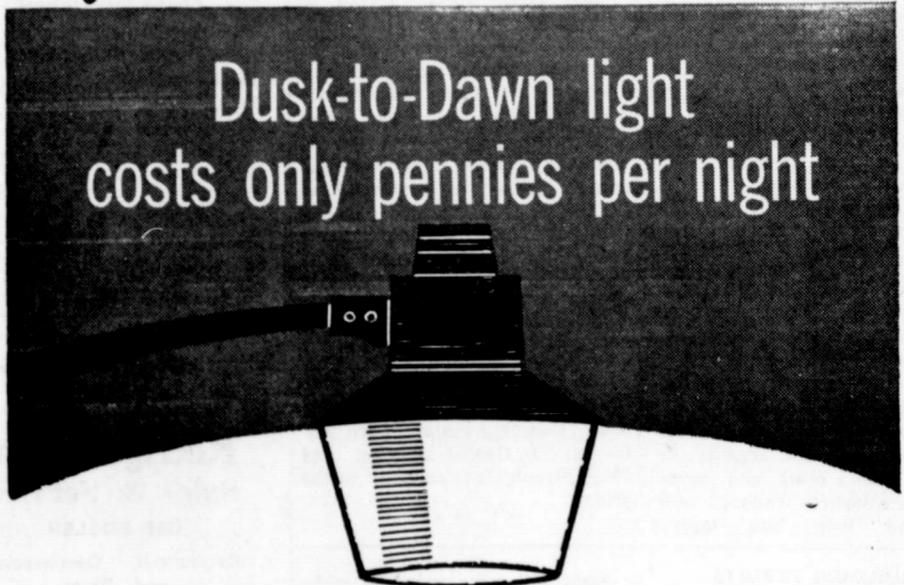

Delicate flaky piecrust combines with fresh-flavored lime filling in a new recipe developed in the Lever Homemaking Center. Swirls of luscious dessert topping made with Lucky Whip mix highlight the attractiveness and eating quality of this new Lime Chiffon Pie. The beautiful topping retains its fresh-whipped flavor and soft peaks until the last tender pie crumb has disappeared.

Here's the recipe:

- | | |
|---|---|
| Lime Chiffon Pie
(Makes one 9" pie) | |
| 1/2 cup cold milk | 1 (15 oz.) can sweetened condensed milk |
| 1/2 teaspoon vanilla | 1/2 cup lime juice |
| 1 (2-1/4 oz.) pkg. Lucky Whip Dessert Topping Mix | Few drops green food coloring |
| | 1-9" baked pie shell |

Combine cold milk, vanilla and Lucky Whip in deep 1 quart bowl. Blend; then whip at high speed with electric mixer or hand beater until topping forms soft peaks. Reserve 3/4 cup for garnish. Combine sweetened condensed milk, lime juice and green food coloring; stir to blend. Fold Lucky Whip into thickened condensed milk mixture. Lightly pile mixture into pie shell. Top with remaining 3/4 cup Lucky Whip. Chill about 2 hours before serving.

Dusk-to-Dawn light costs only pennies per night

at home dusk-to-dawn outdoor lighting makes driveways and walks easier to see, safer to use . . . prevents accidents, protects against prowlers, beautifies your premises, lengthens the "day" for outdoor recreation.

on the farm dusk-to-dawn outdoor lighting is convenient for early morning and late evening chores. Handy, too, when you need light for handling livestock, feed, machinery or making repairs after dark.

Convenient and economical . . . whenever it gets dark enough outside, your Dusk-to-Dawn light switches on automatically. Only when light is needed, will the unit turn on. It shuts off automatically at daylight so there is no chance of wasting electricity by forgetting to turn the light off. It operates for only a few pennies per night!

The Electric Company's **WIRE-ON-TIME PLAN** can be used by farm and residential customers to finance Dusk-to-Dawn outdoor lighting equipment and wiring . . . no down payment necessary and up to 36 months to pay in monthly installments on your electric bill. Parent Fair for Retarded Children

The Wisconsin Council for Retarded Children, Inc. will sponsor the 14th annual Parent Fair in the school gymnasium of the Southern Wisconsin Colony and Training school at Union Grove, Wis., on Sunday, Sept. 15, from 10:00 a. m. to 5:00 p. m. The Washington County Association for Retarded Children is a member of the Wisconsin Council and joins in their invitation to the public to attend this fair.

The entire proceeds are used for the colony children to provide supplementary education, recreational and occupational therapy not included under the state budget of the Dept. of Public Welfare. The fair will offer a wide variety of articles in toys, books, aprons, fancy work, bakery, baby clothes, Christmas items, surprises in parcel post packages and many others. Food and refreshments will be available.

If anyone is interested in making any kind of donation for the fair but is unable to attend, the local unit will accept these gifts and send them to the colony in time for the fair. For complete information contact Mrs. W. Kuckuk, 545 S. 7th ave., West Bend, or call FE 4-4452.

HUNTERS SHOULD GET, READ REGULATIONS

Sept. 28 is the state-wide opening for partridge (ruffed grouse) and woodcock. Next is the opening of the duck and goose season, Oct. 5, at 12:00 noon. There are three publications for the hunter to read. The big game, small game and migratory bird and waterfowl regulations. These publications are available at the office of the county clerk and all license depots in Washington county. I strongly urge each hunter to not only obtain the regulations when they purchase their license, but to read them as well.

A large doe deer was killed on US Hwy. 41 at the Kohlsville creek about 11:30 p. m. of a very foggy night late last week. A new Ford truck was so badly wrecked that it had to be towed to Menomonee Falls for repairs.

We are getting many questions on using a pistol to finish off a bear after it has been wounded with a bow and arrow.

The answer is definitely NO. The season is open for hunting bear and deer with a bow and arrow only from Sept. 21 through Nov. 19.

While the regulation has been changed and now allows the possession of a firearm while hunting during the bow and arrow only season, it does not allow the using in any manner of such a firearm to shoot any deer or bear.

FIRST DEMONSTRATION BEAR HUNT SEPT. 14-15

The first demonstration bear

hunt will be for two days, Sept. 14 and 15 in Forest county. Headquarters for the hunt will be at Crandon, Wis. The area to be hunted is bounded on the north by Highway 70, the east by Highway 139, the south by CTH (G) and Highway 32, on the west by US Forest Roads No. 2176, No. 2178 and No. 2182.

Arrangements for trained bear hounds will be made by the Conservation Congress. Other dogs will not be permitted to participate in the organized hunts. No more than three bear per day will be taken on each hunt.

Only a limited number of hunters will be permitted to carry firearms on each chase. This will be rotated to permit as many hunters as possible to carry rifles. Selections of gunbearers will be by lot on each morning of the hunt.

Only rifles will be permitted—no shotguns or other weapons.

No guns will be loader or shots

fired until bear is treed or brought to bay.

No bear will be shot until dogs are under the control of handlers.

The first gunbearer to the tree may claim the bear.

No cub bear are to be shot.

No hunting from roads and no shooting except at bear.

FINE CATTLE SALE

We congratulate Ernie Kueffner on a fine sale that he had with East Central Breeders last week. The animals averaged over \$525-00. This is an indication that good animals bring good money; we've known this for a long time and this is living proof. Cows on test that make good records under good farm conditions are still in demand by people who want to stay in dairying. Congratulations Ernie on a fine sale and to your entire staff for having the sale go along so smoothly throughout the entire day. We'd like to pay a little special attention to an idea that Ernie has. This idea is to set up a scholarship fund for boys who would like to study the dairy business at a college.

A calf, owned by Ernie, was sold for this purpose. He donated the calf, sold it at auction and it was purchased by Wm. Buske of Wauertown. He paid \$310 for this animal and this is the beginning of the scholarship fund established by Fullpail Sales for some boy to study the dairy business in years ahead. We hope there are many other opportunities to sell animals and enrich this fund so that it might be of real service to the industry.

TOUR FOR FARMERS

Plans have been made for a tour for farmers of Washington county. The tour is scheduled for Thursday, Sept. 26. It will leave

the Washington county court house annex (old court house) at 10:00 a. m. The tour will visit six places in Washington county to look at what's going on in the line of management of soil. This will include a look at some gullies that have formed, a look at real good managed woodlots, a look at the Boltonville pond and from there to see some fine examples of good land use. All farmers or others interested are invited. We hope to have a school bus take some of those who attend. If these are more than the bus can accommodate, we'll ask some of those who attend to drive their own cars. We need to have advanced registration on this tour and ask that if you would like to go, would you please call this office, telephone number FE 4-3491, extension 63, and leave word. The only charge made will be for lunch at Newburg.

FARMERS' PROGRAM

We also call attention to a program in the county agent's office on Monday, Sept. 16. In recent years we've heard people talking about the idea of picking corn when it is still quite soft, putting it into the re-cutter and then into the silo. This is to replace putting it in a corn crib. At times we wonder if this is a good idea. Yet, because so many people are doing it around the state, it certainly is an indication that it works and works to the advantage of the farmers who use it.

We are calling a meeting of farmers interested in this kind of program for Monday, Sept. 16, at 8:00 p. m. in the county agent's office, court house annex, West Bend. Orrin Berge of the College of Agriculture will meet with us and talk about the program and explain it thoroughly.

WHITE GRUBS

White grubs continue to bother us. They are the larvae of the heavy June bug that is so prevalent in May and June. You probably recall seeing many in 1962, but this year there were none. You see, last year the June bugs were laying eggs in the ground. The tiny larvae that hatched ate only a little then. During the winter,

these larvae went below the frost line in the winter of 1962-63 and in spring began to feed heavily on the grass in your lawn (they also like potatoes and strawberries). At this time they continue feeding on the grass and next spring you can expect a large number of June bugs.

The white grubs are a favorite food of possums and skunks. This means areas where the white grubs exist will possibly be dug up by these animals. I do not recommend controlling these animals; you know the penalty of killing skunks. Therefore, the only solution is to control the white grubs. The most effective means is to sprinkle the lawn with chlordane and then thoroughly water it so the chemical soaks down to where the white grubs feed.

GIRL SCOUT NOTICE

There will be a meeting of all Girl Scouts from 7 years to 14 years at the Kewaskum Legion clubhouse on Tuesday, Sept. 17, at 4 p. m. If you are unable to attend, please give your name to Mrs. Gnacinski.

We are in NEED of leaders. We will not be able to start an active program without adult leadership. Mrs. Gnacinski

First Round in Men's Club Championship Tourney Completed

The first round of play in the men's club championship elimination tournament, which got underway recently, has been completed. All golfers in the various flights of the tournament had to have their first 18-hole pairing completed by Sunday, Sept. 8. The second round of play is now underway, with half of the golfers already eliminated.

The club championship tourney is an annual event played at the end of the season and is the main tournament of the year. In this event the club champion in each class for the year is determined through an elimination playoff. Golfers are classed according to their handicap. Nearly all men members of the club participate in the tournament.

Results of the pairings in first round flights in the various classes of the tournament were as follows:

Club championship—Carl Wertz beat John Tessar, Mark Rosenheimer beat John Steinbach, John Pearson beat Ron Reigle, Bill Bartelt beat son Tom Bartelt, Earl Conley beat Bud Weinand, Bob Schmidt beat L. Chapman, L. N. Peterson beat Carl Kuss, Jerry Chapman beat Art Guenther.

FRED'S TITLE HOLDERS BEAT TITLE HOPEFULS
In a match played Sunday morning Fred's Title Holders, champions of the Tuesday Night Men's league this season, accepted the challenge of Fred's junior team and beat the kids by 18 strokes in the 9-hole match. Ray Keller and Merrill Krueger paired up with Ray Mariucci and Jim Korth and defeated them easily by 16 strokes. Jerry Schwartz and "Chuck" Sparks were matched with Allen Bohn and Joey Fehlhaber and barely beat them by two strokes. Bohn and Fehlhaber were ahead all the way until the ninth hole when both teed off into the rough, which lost their match for them by two strokes. Young Bohn, a grade school pupil, shot a 43.

Class B—Audrey Stier; Class C—Marion Mitchell; Class D—Dorothy Martin.

Card prize winners were as follows: Sheephead—Helen Winninghoff; Samba—Mae Miller; Bridge—Ruth Held, Laurie Schaefer and Marion Mitchell.

FOOD SHOWER GIVEN FOR SCHOOL SISTERS

On Tuesday evening at 8 o'clock a food shower was given for the School Sisters in Holy Trinity church hall, sponsored by the ladies' societies of Holy Trinity and St. Bridget's parishes. Ladies of both congregations were invited. Lunch and refreshments were served and a meeting followed the shower.

Hostesses for Holy Trinity parish were Mmes. Ray Schmidt, F. Schoofs, R. Skrentny, R. Herriges, A. Amerling and R. Bales and for St. Bridget's Mmes. D. Hanrahan, F. Volm and Elmer Strueb.

Fund-Raising Drive In County Launched By Marquette U

DINNER AT LINDEN INN SEPT. 10 STARTS DRIVE. GEHL CHAIRMAN; KEWASKUM HAS 14 MU ALUMNI

Marquette University launched a fund-raising campaign in Washington county on Tuesday, Sept. 10, as part of a \$15,000,000 long-range improvement program.

The effort started with a 6 p. m. dinner for campaign leaders and solicitors at the Linden Inn on Big Cedar lake. The principal speaker was Marquette's president, the Very Rev. William F. Kelley, S. J.

Washington county has more than 200 MU alumni, including 117 in West Bend, 48 in Hartford, 14 in Kewaskum, six in Slinger and five in Allenton.

General chairman of the Washington campaign is Albert C. Gehl, a 1931 Marquette business administration graduate and now secretary and manager of Gehl Brothers Manufacturing Co., West Bend. Assisting him is the Rev. John G. Holbrook, S. J., of MU's development staff.

The campaign will be conducted among alumni, parents and corporations. Co-chairmen of the industrial solicitation are Thomas J. Rolfs, vice president of Amity Leather Products Co., West Bend, and Douglas Ziegler, vice president of the West Bend Co.

Heading the alumni solicitation is John J. Shinnars, publisher of the Hartford "Times-Press." Shinnars is a 1929 MU journalism graduate.

Cyril A. Opgenorth, 832 Highland View Dr., West Bend, whose daughter, Diane, will be a senior this year in MU's college of liberal arts, is in charge of the solicitation of parents of MU students.

The university is seeking to raise \$15,000,000 by 1966 in the first phase of a 10-year expansion and improvement plan called the Greater Marquette program. Another \$15,000,000 will be sought in 1966-71.

About \$5½ million toward the goal, including more than \$1 million pledged by alumni, already has been raised, mainly in the Milwaukee and Chicago areas.

Washington county is the first area outside of Milwaukee or Chicago where Marquette is conducting a campaign. The county program will serve as a model for future efforts throughout Wisconsin and other states.

Funds will be used for faculty salary raises and new academic programs, purchase of land, construction of new buildings, increases in the number of student scholarships and loans, and expansion of the university's endowment.

Marquette, which has an enrollment of about 12,000 students, is the only private, independent, non-tax-supported university in the state. Founded in Milwaukee in 1881 by the Jesuits, the university is open to qualified students regardless of race, color or religion. Enrollment has tripled in the past 20 years. The university is planning on a future enrollment of 18,500.

From 40-50 students from Washington county attend MU every year. Most of them graduate and

become leaders in their communities, MU officials report.

West Bend's 117 alumni, for example, include eight physicians, 14 dentists, 14 engineers, 28 businessmen, 13 lawyers, seven nurses, 10 journalism and speech graduates, and 23 others in various fields such as teaching.

Hartford's 48 Marquetters include six physicians, seven dentists, three engineers, four businessmen, 10 lawyers, three in journalism or speech work, three nurses, and 15 others.

The 14 MU alumni in Kewaskum include a dentist, an engineer, five business graduates, three nurses, and four in other professions.

Allenton's five MU alumni are a physician, two dentists, a nurse, and an arts graduate. The six Slinger alumni include a dentist, an engineer, a lawyer and three nurses.

The total number of MU alumni in these communities is made up of 143 men and 47 women.

West Bend has seven "Marquette couples," that is MU men married to MU women. Hartford has four such couples, Slinger and Kewaskum each one.

There are about 20 "family situations" where MU alumni in Washington county include fathers, sons, daughters, and other relatives who have followed the tradition of attending Marquette.

"All these Marquette people," said Chairman Gehl, "are very important to their communities. They are physicians, dentists, lawyers, engineers, businessmen, journalists, nurses, teachers and many others.

"It is vital that Marquette continue to grow and improve so that present and future students can obtain the kind of higher education offered at the university.

"This is the aim of our campaign—to help make a great private university an even greater institution for the benefit of the entire region."

Over-all head of the Greater Marquette program is J. Victor Loewi, 1920 journalism graduate and chairman of Loewi & Co., Milwaukee investment banking firm.

Indians Host N. Fondy in Scenic Moraine Opener

The 1963 football season in the Scenic Moraine conference got underway with opening games played on Friday, Sept. 13. The Kewaskum Indians hosted North Fond du Lac, one of the favorites to win the championship, in the opener Friday night.

The Orioles, Grafton and Pewaukee have been picked to lead the pack in the conference this season. North Fondy and Grafton both have 17 lettermen returning. Pewaukee lost 10 of its 11 starters but still is a serious threat. Eighty candidates reported at Random Lake, including nine lettermen. Campbellsport, with a new coach, Larry Herbst, hopes to improve on its 0-7 record of last year. The Bells have five good backs returning. Germantown, 1-6, has six lettermen back. Kewaskum, which tied Grafton for third last year, could cause trouble again, although the Indians are not expected to challenge for the title. Slinger is looking to improve on its 2-4-1 record and sixth place finish.

Three conference teams already played practice games last week. Grafton lost to Cedarburg, 7-0; North Fondy was beaten by Pardeeville, 7-0, and Pewaukee was beaten by Milwaukee Cathedral, 31-0.

In opening games Friday Campbellsport played at Random Lake at 8 p. m., Pewaukee hosted Grafton, Slinger played an afternoon game at Germantown and Kewaskum entertained North Fondy at 8 p. m.

Kewaskum's schedule for the season follows:

- Sept. 13—North Fond du Lac home, 8 p. m.
- Sept. 20—Germantown away, 3 p. m.
- Sept. 27—Grafton away, 3 p. m.
- Oct. 4—Campbellsport home, 7 p. m. (homecoming).
- Oct. 11—Slinger away, 3 p. m.
- Oct. 18—Random Lake away, 8 p. m.
- Oct. 25—Pewaukee home, 8 p. m. (parents' night).
- "B" team games are: Sept. 24, Random Lake here, 7 p. m.; Oct. 1, Campbellsport here, 7 p. m.; Oct. 8, Germantown there, 3 p. m.; Oct. 15, Slinger here, 7 p. m.; Oct.

Old Timers Lose

A team of old timers baseball players of Kewaskum and area was no match for the regular Land o' Lakes league team in their exhibition game played under the lights Saturday night. Although not necessary, the Lakes nine bore down on the old boys more than expected and this took much of the fun out of the game. The final score was 12-1.

The old timers' only run was scored when Wayland Tessar singled and Bud Korth "teed off" on one of Don Meisenheimer's pitches and sent it out to the bleachers in deep left field. Bud, who forgot to yell "fore" at the left fielder, stopped running at second base.

Killy Honeck started for the ancient ones and Fred Bruhn for the Lakers. Killy pitched well but his arm had it after two innings and "Mix" Marx and "Hefty" Backhaus followed him to the mound. Meisenheimer and Al Koepke followed Bruhn on the mound for the winners. In the last innings almost everyone on both teams took a stab at pitching.

GOP Event Hears Winnebago D.A.

Speaking in a different atmosphere from a courtroom, Jack Steinhilber, district attorney of Winnebago county, pleaded "a good case" for conservative government policies at the annual GOP "brat-fry" held at Regner City park in West Bend Saturday evening. The witty and personable Steinhilber spoke to a large crowd of Republican organization members, friends and guests, which included a goodly sprinkling of Democrats and Independents.

In a hard-hitting talk, Steinhilber was sharply critical of administration policies, both state and national. Quoting J. Bracken Lee, he emphasized, "whatever the name, there are only two

kinds of political systems: either the people run the government or the government runs the people." Deploring the trend to bigger centralized government, the young D. A. alleged that this trend "has continued under the label of liberalism. I submit to you that this label is historically a different thing than it has come to mean. A liberal was once a man who believed in the most liberty for the individual. Today, a man known as a liberal is usually one who is being liberal with the taxpayer's money."

In addition to the speech the event offered the usual delicious "brats" cooked by the efficient volunteers and lively political discussions. Something new was added by Barbara Stahnke and Martha Ziegler, West Bend High juniors, who conducted a straw vote as a test of sentiment on presidential candidates. "Who would get your vote tomorrow? was the question offered. The choices were Kennedy, Goldwater, Romney and Rockefeller. The final tally showed Kennedy 7, Goldwater 83, Rockefeller 13, Romney 23, John Byrnes (write-in) 1. Not all chose to be committed on a choice of candidates, but the vote in favor of the "brat-fry" was quite unanimous.
