The hood and left front end of a 1963 Studebaker Hawk owned by Ned W. Sengpiel, 202 Forest ave., Kewaskum, and driven by his wife, Mrs. Geraldine Sengpiel, were damaged when the vehicle was backed into by another car while parked on Main st. at 3:30 p. m. last Thursday. August Buss Observes 95th Birthday

August Buss, Kewaskum's oldest resident as far as is known, had the rare distinction to celebrate his 95th birthday on Sunday, Oct. 20. Shown with him is his sister, Mrs. Herman Ullrich, of Cascade, who observed her 83rd birthday on the same day.

Mr. Buss was up and around daily before suffering a fractured hip in August which hospitalized him at St. Joseph's Community hospital, West Bend, for three weeks. On Sept. 13 he was removed to the Schneider Rest Home at Waldo, where he has

been a resident since. Although bedridden most of the time, he is again able to be up some every day.

Before his retirement, Mr. Buss was a section foreman for the North Western Railway here for 37 years. He has one son, Walter Buss, of this village.

A number of relatives visited him at the rest home Sunday to offer congratulations and best wishes and he was presented with a birthday cake, which he is shown holding on his lap.

WILLIAM S. MARTIN, COMMISSIONER

Adjourned Meeting
October 9, 1963

The Village Board of Kewaskum, Washington County, Wisconsin, met in adjourned session with President Tessar presiding and all Board Members present.

Real Estate Broker William Ruth appeared together with Mr. and Mrs. Marvin Kuehl, building contractor, from West Bend, to obtain permission to construct a house in the Rosenheimer 1963 addition even though the final plat had not yet been completed. The Board decided that, because the preliminary plat had already been approved by the State Planning Board, such permission should be granted. The commissioner was authorized to issue such permit upon proper application.

The application of William and Richard Edwards for a combina-

tion class "B" fermented malt beverage and intoxicating liquor license for the proposed Wigwam Supper Club was brought up for a vote. Without any feeling of obligation to past Boards or individuals, but only to the welfare of Kewaskum as a whole, the Board voted four (4) to three (3) against the issuance of the license. The majority feeling was that it would not be in the best interest of the village to issue another license at this time.

Upon motion by Trustee Wieter, seconded by Trustee Merwin and carried, the Board adjourned subject to call.

Judith Coulter Is Recent Bride

An 11 a. m. wedding ceremony on Saturday, Oct. 5, united in marriage Miss Judith Mary Coulter, daughter of Mr. and Mrs. Milton D. Coulter, rural Allenton, and Donald R. Kehrmeier, son of Mr. and Mrs. Alvin Kehrmeier of R. 1, Knowles. The Rev. Anthony Gundrum officiated in St. Andrew's church at LeRoy, which was decorated with lavender and white gladiolus for the service.

The bride, a granddaughter of Mr. and Mrs. Louis Schaefer of Kewaskum, was escorted by her brother, Larry Coulter. She chose a gown of pure silk peau de saou with three-quarter length sleeves and scoop neckline. The simple bodice was accented with pearl embroidered Alencon lace and a Lau Watto panel back. The skirt was bell shaped with a chapel sweep. Her four tiered veil of silk illusion was attached to a large taffeta rose mounted on a petal Alencon lace frame. She carried a cascade of lavender pom pons centered with two large white orchids with lavender throats.

Serving as maid of honor was Miss Margo Weiss of Richfield, a

friend of the bride. Bridesmaids were Mrs. Robert Daugherty and Mrs. Francis Pabich of Fond du Lac, sisters of the bridegroom. Miss Emajeau Coulter, the bride's sister, and Mrs. Betty Schellpfeffer of Mayville, the bride's cousin, served as junior bridesmaids. All were dressed alike in amethyst colored Glo-Lite satin sheath dresses with floor length overskirts which had a tucked-under shepherdess back with softly draped bow. Their headpieces were pouf veils fastened to a velvet rose to match their gowns. They carried spheres of white carnations and lavender pom pons and white ribbons.

Jerome Eilbes, LeRoy, friend of the bridegroom, was best man, while Robert Daugherty and Earl Kehrmeier, brother-in-law and brothers of the bridegroom, acted as groomsmen. David Schaefer, Kewaskum, the bride's cousin, and Jim Kehrmeier, Waupun, nephew of the bridegroom, ushered.

The soloist was Miss Judy Waller, accompanied by Mrs. E. Vollmer at the organ.

Dinner was served to 75 guests at the Hob-Nob, followed by a reception for 350 people. A wedding dance was held at the Mayville park pavilion.

The bride is a graduate of Kewaskum High school and also of Spencerian Business college, Milwaukee. Her husband, a Mayville High school graduate, is employed by the Michels Pipeline Co. The couple is residing in Browns-ville.

July 29, 1963

After the meeting held with the members of Joint School District No. 1 Board of Education, a special meeting of the Board of Joint School District No. 2 was attended by Leo Bingen, Roger McKenna, Paula Petri and Fred Spoerl.

The minutes of the July 15, 1963, meeting were read. Roger McKenna moved to accept the minutes as read. Fred Spoerl seconded. Carried.

Janitors salaries were discussed. In keeping with the Board policy, wherein salaries of all personnel are to be discussed at budget time only, and since the budget for the 1963-1964 school year has already been approved, the salaries of the custodians which were effective July 1, 1963, will prevail through the 1963-1964 school year.

Mr. Rose mentioned that a tuition statement had been received from the Random Lake High School covering four students and that this had not been anticipated at the time the budget was proposed.

The collection of the utility taxes owed by Wayne and Auburn were discussed and the members authorized Roger McKenna to proceed with the collection of arrears payments.

Construction of the track was discussed and Mr. Rose reported that only one bid had been received, the one from Stone Service Contractors, Inc. The members of the Board stated that the Physical Education Director of the Wisconsin State College, LaCrosse, and University of Wisconsin at Madison, as well as the State Department of Public Instruction be contacted for references on contractors to construct the track so

that additional bids may be received.

Roger McKenna moved to adjourn, Leo Bingen seconded. Carried.

IN MEMORIAM

In loving memory of our beloved father, Arthur Doms, who passed away one year ago, October 23, 1963:

Today recalls a memory of a loved one gone to rest; By those who loved him best. Dear Father you are not forgotten Though on earth you are no more, But thankful to God for the years, That we had a wonderful father like you, Always tender, fond and true There's not a day, dear father, That we do not think of you. As years roll on, and days go by, In our hearts a memory is kept Of the one we loved, But will never forget.

Deeply missed by his daughters, Marion Doms and Adeline Weinhold.

CARD OF THANKS

Special thanks to Rev. Feierabend, pallbearers, donors of floral and memorial tributes, Miller's, traffic officer, sexton, and all who showed respect.

LARGEST CROWD EVER OF HUNTERS OUT SATURDAY

Either there are more small game hunters this year or more are showing up at the public hunting grounds in Washington county. It was the largest crowd of hunters that I have ever had the chance to see on an opening date. Hunting was poor for some, fair for others and those with good dogs had the highest success ratio. Due to so much posted land in the county puts an extra heavy burden on the state owned and leased land. On Sunday the number of hunters dropped about 50% and the success ratio did also. Not too many rabbits were taken, but squirrel hunters were fairly successful.

A party of seven hunters (not residents of Washington county) hunted the Eagle public hunting

grounds area and filled up on Saturday. Sunday they were at the Allenton marsh, and very angry because they did not fill up again.

Three deer were killed in the county on Sunday—a doe on 41 near Highway 28, another on 41 just north of the Waukesha county line and the third, a fawn, on CTH (Q) a mile west of 175.

The season for mink and muskrat (state wide) will open Oct. 28 at 5:26 a. m. No traps may be set out before that time. All necessary information is in the small game regulations.

Hunters Use Ancient Weapons

More hunters every year seem to be reverting to the use of ancient weapons for hunting.

Bow and arrow hunters have increased by leaps and bounds and now each year we find more people preferring to hunt with muzzle loaders.

The same regulations apply to muzzle loading guns as apply to the more modern firearms with the following exception.

Smooth-bore muzzle-loading muskets of not less than .45 caliber may be possessed and used for the hunting of deer during the open season for deer in counties where shot guns only are legal weapons.

Confusion on Possession Limit

There seems to be lots of confusion on the question of how much game an individual may pos-

sess. The possession limit as stated in the regulation is the maximum number of each species any individual may have in his possession. Some people are of the opinion that the possession limit is the number an individual may have in a fresh condition and that he may also have others in a home freezer, locker, or canned. This is not the case. The possession limit is the maximum number you may have in your possession in any manner.

Rams Squeeze By Indians, 12-6

The Kewaskum Indians came close again but ended up on the short end of a 12-6 score at Random Lake Friday night in the Rams' homecoming game. It was the Indians' fourth defeat compared to only one victory and one tie as the team played in a homecoming game for the third week in succession.

Kewaskum again lacked an offensive attack as for the fourth time they were cheated out of a win by the inability to score points. All four were close and tough to lose. They were nosed out by league leading North Fondy, 21-20, by Germantown 13-7, tied Slinger 0-0, and now 12-6 by Random Lake. Only once has the team really broken loose and that was in clobbering Campbellsport, 51-0, for their only win. At least two of the games could easily have been won with a little scoring punch when the opportunity arose.

Random Lake spotted the Indians a first period touchdown on Mike Coulter's one foot plunge, then scored twice in the third period for victory. Dave Steuerwald went 25 yards on a pitchout and Mike Gruenwald ran one yard to score. The Rams had a 174-145 edge in yardage.

Hard to believe and unusual is the fact that the Indians in six games have outscored their opponents, 84-73, yet have won only one game. This proves the results were close in the setbacks.

In the feature game Friday for first place and the probable championship in the Scenic Moraine conference, North Fondy edged Pewaukee, 14-13, to take over sole possession of the lead.

Kewaskum brings the season to an end this Friday night by hosting second place Pewaukee and their chances to add one more victory are not too bright. They will have to pull an upset to win.

SCENIC MORAIN STANDINGS

Thanksgiving Seals To Arrive in Homes During DAV Week

Thanksgiving Day seals from the Disabled American Veterans will be arriving in the homes of Wisconsin residents during DAV Week, Oct. 27 to Nov. 2.

Governor Reynolds has proclaimed DAV Week in recognition of the services rendered by the DAV to the disabled veterans and to the communities of Wisconsin. State Commander Ray

LaBelle of Green Bay said that through contributions received from these seals, the DAV is able to carry on and expand its rehabilitation services maintained in Wisconsin since 1927. Commander LaBelle stated that no promoters or solicitors are used, and all money received is used within Wisconsin.

The DAV, whose membership consists of veterans who have been wounded, gassed or injured in service, has service officers available in 48 chapters throughout the state, free of charge to all

veterans, to help them process their claims for compensation or pension. These service officers are under the supervision of the national service officer at Milwaukee. A service officers' school will be held at Madison, Nov. 1 and 2, to acquaint them with new laws.

With the help of the DAV Auxiliary (wives, mothers and daughters of DAV members), a Christmas store is conducted at the Tomah Veterans' hospital where over 1,000 veterans are able to send gifts, gift-wrapped and mailed free, to their loved ones. Programs are also conducted at the Madison and Wood VA hospitals and State Veterans Home at King.

The DAV also supports the Governor's Committee on Employment of the Physically Handicapped by contributing to the awards for the "Ability Counts" contest for high school students.

Your contributions to the DAV, P. O. Box 1113, Milwaukee 1, Wis., will be greatly appreciated and will be used to expand and continue their services.

It's always open season on people. Firearms, warns the Institute for Safer Living of the American Mutual Liability Insurance Company, kill an average of more than 200 persons every month of the year. Inexperience, improper handling and storing, and playing with guns are among factors responsible for most shooting accidents.
