Area Digs Out Of Worst Snow Storm in Years

12 INCHES OF SNOW IN 8 HOURS; 40-MILE-AN-HOUR WINDS PILE UP DRIFTS

Kewaskum and southeastern Wisconsin dug out of its worst snow storm in years Thursday and Friday. The raging blizzard, which left about 12 inches of snow on the ground on the level in an eight hour period, was accompanied by 40-mile-an-hour winds which piled up huge drifts.

The blinding storm paralyzed traffic, left many persons snowbound, and left activity at a standstill. The snowfall was so heavy and wind so severe that it was almost impossible to see ahead and made impossible and driving difficult and hazardous. The storm began with rain Wednesday evening, followed by sleet and the snow began falling shortly before 9 p. m. It snowed hard until about daybreak Thursday.

Highways and streets were already covered with deep snow before midnight, visibility was very poor in the driving snow, and traffic was almost at a stand-

Spring Turns Into Winter

After a very mild winter and when we thought spring was here for sure we get clobbered with a severe snowstorm this week. The weather was unseasonably warm throughout January and February. The temperature was in the low 60's over the past, beautiful week end, when March really came in like a lamb.

Many golfers took advantage of the bare, dry ground over the week end and played a round or two at Hon-E-Kor. Twenty some golfers played the course on Sunday afternoon. Sunday seemed like a day in May. Children flew kites, played ball, drove tricycles, jumped rope and roller skated. Winter golfing has been common this year. Everyone was out walking, putting in their yards, driving with tops down. Even bees were seen flying about. And this in February and on the first day of March.

still. Many night shift workers in factories were snowbound. Some 30 of them spent the night at the Labor Center in the village where they sipped coffee and played cards throughout the night. Others stayed at taverns and in private homes. Some motorists made it home while many others were stalled on the road, ran into snowdrifts and ditches and abandoned their cars. Some walked home, some hiked back to the village and were exhausted in the raging storm, some took refuge in farm homes and others hooked rides with other motorists. Very many stalled cars which were abandoned by their drivers were seen on highways all around Kewaskum Thursday morning.

Local schools were closed Thursday and there was much absentee-

Kewaskum's Second AFS Week End is Huge Success

Kewaskum's second AFS Night on Saturday, Feb. 29, was a huge success and well attended. The program at 8 o'clock in the high school gym climaxed a busy week end for the foreign students, who were guests of our local AFS high school club.

The purpose of the program was to give the community an opportunity to hear these ambassadors of foreign lands and to stimulate interest in future homes for AFS students in Kewaskum. Laura Laghi, Forli, Italy, is Kewaskum's third student attending high school and living with the Gregor Nighs.

Charles Miller, local AFS chapter president, welcomed the group, told of the week end activities, and introduced the guests, the local families with whom they stayed, and Mr. and Mrs. Nigh. Laura presented each student guest, who told about their family, country and schools.

Some displayed their talents in folk song and dance. Haruko Hasegawa of Japan (Kiel) was beautifully attired in a kimono and wooden shoes and told about her costume which is worn only for special occasions today. Cherdak Choomnoom (Chilton) and Baw Tananone (West Bend) both of Thailand, performed native dance movements, the latter in costume with swords. Laura sang two Italian songs, one folk and one popular.

Shown in the above photo are the foreign students who were guests at the AFS week end here and, in parenthesis, the names of the people in whose homes they stayed. They are, left to right: Abraham Agonafir, Ethiopia (Charles Miller home); Atanur Demirelli, Turkey (Marvin Martin home); Cherdak Choomnoom, Thailand (Roger Reindl home); Christa Marin-Selle, Venezuela (Ernest Mitchell home); Mabel

Pozzoni, Argentina (Robert Kroneke home); Laura Laghi, Italy (living at the Gregor Nigh home); Hakan Ljungkvist, Sweden (Robert Schlamer home); Haruko Hasegawa, Japan (Walter Timmerman home); Baw Tananone, Thailand (Earl Kohler home); Christianne Mattney, Switzerland (Desmond Smith home); Aziz-AI Rahman, Afghanistan (Sylvester Schmidt home).

The Kewaskum AFS Chapter wishes to thank all who attended. A special thanks to all the families who opened their homes to the week end guests; to the officials of Regal Ware, Inc. and Fairmont Foods Co., and to Karl Schultz of Riverbranch farm for the educational tours on Saturday; and to high school club members who planned and participated in the activities of the week end. These young people are the moving force in our exchange program here in Kewaskum.

Grass Fires Plague Firemen; Local Dept. Answers Two Calls

11 FIRE DEPARTMENTS IN COUNTY AREA FIGHT WEEK END GRASS FIRES

Grass fires in February? This is very unusual but firemen throughout Washington county were "kept on the jump" over the week end as serious grass fires broke out throughout the area due to the extreme dryness and lack of snow cover. Flames were fanned by extremely high winds and spread rapidly. Fire departments from Kewaskum, West Bend stations No. 1 and 2, Germantown, Slinger, Hartford, Richfield, Menomonee Falls, Jackson and St. Lawrence all were called out to fight grass fires the past week end.

Kewaskum firemen were called out at 5 p. m. Saturday to put out a grass fire on land owned by "Bud" Korth south of the Hon-E-Kor Country club on the west side of the Milwaukee river along the Chicago & North Western railroad right of way. The fire burned over a large area of grass and

PTA MEETING TUESDAY

The regular monthly meeting of the Kewaskum Elementary PTA will be held Tuesday, March 10, at 8 o'clock at the cafeteria. Homework will be the main topic of discussion. Refreshments will be served.

HOSPITAL NEWS

some trees and fence posts also burned. After getting the flames under control firemen cut down one hollow tree that was ablaze with their chain saw. The firemen remained at the scene about an hour. Cause of the fire was not determined although two boys had been seen in the area earlier.

Local firemen also answered an early morning call at about 5:45 a. m. Wednesday to the Alban Nigh farm home in the town of Auburn, R. 2, Campbellsport. It was a chimney fire which the firemen extinguished. There was no damage.

Judicial Primary Election Tuesday

Residents of Kewaskum and Washington county will cast their ballots next Tuesday, March 10, in the state-wide judicial primary election. A very light vote is expected to be cast in the village as the only balloting will be for justice of the supreme court. Some other cities and villages will vote for local candidates as well as on referendum issues.

The three candidates in the race for the position on the state supreme court are Harry E. Larsen, Horace W. Wilkie and Howard H. Boyle, Jr. Larsen, 53, of Superior, is a practicing attorney, former assistant attorney at Superior and a former Douglas county supervisor. Wilkie, 47, the incumbent, was appointed by former Gov. Gaylord Nelson in June of 1962 to fill the vacancy created by the death of former Chief Justice Grover Broadfoot. He is a member of the Dane County Bar association and a former two-term state senator from Madison. Boyle, 42, a practicing attorney in Milwaukee, and his home town, Beaver Dam, is a former educator

Local Cyclist, 9, Is Struck By Car

Leslie Ludwig, 9, son of Mr. and Mrs. Glenn Ludwig, 1139 Midland ave., was injured slightly when the bicycle he was driving was struck by an auto on Fond du Lac ave. at the intersection with First st. at approximately 7:55 a. m. on Thursday, Feb. 23.

Driving east, the boy was crossing Fond du Lac ave. at the center of the intersection when his bike was struck by a car driven by Robert W. Becker, 24, of R. 2, Kewaskum, according to the police report. Leslie complained of a headache and back pains after being struck. The front fork of the bicycle was damaged.

Gerald E. Buchel, 20, of West Bend suffered possible chest and hip injuries Tuesday night when his car crashed on Hwy. 28 about 4.5 miles east of Kewaskum when the brakes failed. Buchel said he attempted to shift the vehicle into a lower gear in a futile effort to halt the auto. Buchel was removed to St. Joseph's Community hospital, West Bend, in the Kewaskum firemen's ambulance.

FAMILY, COUPLE MOVE INTO SCHMITT HOME

Mr. and Mrs. Ralph Fellenz moved March 1 from the upper apartment of the Belger home on E. Main st. into the upper apartment of the John Schmitt residence at 130A Prospect st.

Mr. and Mrs. Walter Sorrel and two daughters moved March 1 from the upper apartment of the Mrs. Novotny home on Fond du Lac ave. into the lower apartment of the John Schmitt residence at 130 Prospect vacated by Arnold Martin who moved to the home of his mother, Mrs. Anna Martin, on N. Fond du Lac ave.

WOMAN'S CLUB TO HAVE PROGRAM ON CERAMICS

When the Kewaskum Woman's club meets next on Saturday, March 14, Mrs. Maston L. Zuber will present a program on "Basic Ceramics." Being a teacher of ceramics in the vocational school at West Bend and having a studio in her home, Mrs. Zuber comes to share her talents and will delight her audience with her creative ability.

The business meeting will be held at 2:30 followed by the 3 o'clock program. Mrs. Norman Held, Mrs. E. E. Miller and Mrs. Charles Ogi will be hostesses.

COUNTY LEGION COUNCIL TO MEET IN KEWASKUM

The Washington County Council of the American Legion will meet at 8 p. m. Monday, Mar. 9, at the Kewaskum Legion clubhouse. Highlight of the meeting will be the election of new officers of the council for the new term. Attending the meeting will be Armin Grosenick of Juneau, commander of the 2nd district of the Legion.

at the Universities of Minnesota and Marquette.

Local balloting will be in the municipal building and the polls will be open from 9 a. m. to 6 p. m.

25 Years Ago

March 3, 1939

A number of little girls met with Miss Katherine John and Mrs. L. C. Brauchle at the public school to form a Brownie pack. Girls who have shown a desire to become a Brownie are: Mary Ellen Miller, Rita Schmidt, Jean Rosenheimer, Betty Ann Rose, Barbara Schaefer, Elsbeth Gadow, Gladys Weddig and Bernice Bunkelman. Jean Rosenheimer was chosen pack leader.

Forty-four sportsmen met at the high school to organize a Kewaskum Rod and Gun club. Myron Perschbacher was elected president and Paul Landmann secretary and treasurer. A committee of three, composed of Elwyn Romaine, chairman, Charles Miller and Armond Schaefer, was appointed to propose a name for the club.

Another new home is being built in the village, by Mr. and Mrs. Clayton Kohn, in the Stark addition. Mr. Kohn's brother Lester also had a home erected in the same section.

High school news—When approached on the subject of modern feminine hats we find that our boys have much to say. Byron Bunkelman said, "Hats, is that what they are? I used one of my sister's for a pie plate." It is Russell Belger's opinion that if the hats contained more material and less fruit and feathers it might be recognized as a hat and not as a fruit salad or pheasant. Marlin Dreher pities the birds who have to lose their tail feathers for girls' hats. Another strong dislike was the present style of make-up. Ralph Krautkramer, Alfred Holzmann, Donald Seil and Roger Reindl strongly objected to the

great amount of lip rouge the girls use and bright fingernail polish with the look of blood dripping from their fingertips. Reuben Harter and Henry Backhaus think the girls would look lots better if they wore stockings above their knees, especially now when the dresses are so short. The boys reached the conclusion that girls should wear more sport clothes like sweaters and skirts rather than "dressy" dresses.

Auburn Heights lake resort in the town of Auburn, operated by Mrs. Amanda Kleinke-Baker the past nine years, was sold to a Milwaukee party, who will take possession April 1. Until then the resort and tavern will be kept open and run by Alpheus Kleinke under the same name of Mandy's Home Palace.

Misses Ruth Schleif and Audrey Koch, Harry Koch, Willard Bartelt, Louis Bath, Jr. and Harold Bartelt of this village, all students at Fond du Lac Commercial college, were at Milwaukee to attend the basketball game between their school and Spencerian college. All of the boys mentioned are members of the team, which was defeated by Spencerian. The group banqueted at a Milwaukee restaurant after the game.

50 YEARS AGO

March 1, 1914

Reports were circulated Tuesday that Jacob Honeck of the town of Kewaskum had been found unconscious on the road near Allenton and that his team of horses had run away and were not found. Honeck, with his son Kilian, were returning from Allenton when Kilian went in advance of his father and arrived home unawares of the accident.

About 3 1/2 miles northeast of Allenton, the tugs on the harness of the team became unhooked and the wagon tongue dropped out of the neckyoke, frightening the horses, which ran away, throwing Mr. Honeck forcibly to the ground near a fence. He crawled to a nearby farm where Peter Moritz assisted him into the house and summoned medical aid. Honeck suffered two broken ribs and internal injuries.

Miss Edna Guth successfully passed a Civil Service examination for clerk for her father, L. D. Guth, who is income tax assessor.

At the annual meeting of the fire company the following officers were elected: Foreman, Jacob Schlosser; first assistant, H. W. Meilahn; second assistant, Fred Martin; secretary, John Muehleis; treasurer, Herman Krahn.

SPRING MILLINERY MADE AT SCHOOL ON DISPLAY

A display of spring millinery will be in the Tri-County Office Equipment company show windows from Friday, March 6 through March 13.

These lovely hats are made by the millinery classes at the West Bend Vocational and Adult school. The materials used are different kinds of plain and lacy straw braid in pastels, navy and black. Straw cloth is used on other hats in various weights and colors, one being a porcupine straw cloth. Trims in flowers, moline and veiling complete the colorful array of spring hats.

The only way to save money is to have low pockets and short arms.

SNOW STORM

(Continued from page 1)

ism at factories and other places of employment. Some business establishments remained closed. People couldn't get their cars out nor get to work. Telephone and electric service was disrupted in some areas. Even a county snowplow became stuck in the snow and was left on the highway a short distance west of town. Numerous truckers were marooned and had to stay over.

County and village snow removal crews worked day and night plowing open roads and streets Thursday and Friday. Most residents took off to spend Thursday shoveling and plowing out their walks and driveways. This was very hard, back-breaking work because of the deep snow. After the main streets were plowed out the snow was piled so deep and far out into the street that two lanes of traffic could barely pass each other. Where autos were parked only one lane could pass at a time.

Mail service was delayed and rural carriers were unable to cover their routes. Numerous meetings and activities were called off.

This was the only real snowstorm of the entire winter in this area. The winter has been one of the warmest and driest on record. There has been no snow on the ground for some time. Just last

week end the temperature was in the low 60's and like spring. The snow will give badly needed moisture to the ground. Mild weather following the storm and rain Friday melted some of the snow.

Edward Seefeld Dies on Sunday

Edward August Seefeld, 87, of the town of Scott, Sheboygan county, died at Sheboygan Memorial hospital at 10 p. m. Sunday, March 1, after an illness of several weeks.

He was born May 10, 1876, in the town of Kewaskum, the son of the late Gottlieb and Johanna Rachow Seefeld. Mr. Seefeld farmed in the town of Scott for 63 years before going to live with a son-in-law and daughter, Mr. and Mrs. Charles Schemmel, in that township.

He was a past president of the St. John's Evangelical United Brethren church in Beechwood and held other offices in that church.

His wife, the former Christine Staehler, preceded him in death in August, 1946. Surviving are four daughters, Viola (Mrs. Oscar Reinke) of Plymouth, Golde (Mrs. Schemmel), Frances (Mrs. Harold Rose) and Lillian (Mrs. Oscar Heinke), both of Fond du Lac; a sister, Mrs. Fred Klein of Kewaskum; five grandchildren, and three great-grandchildren. Four sisters and four brothers predeceased him.

Funeral services were held at 3 p. m. Wednesday at St. John's church in Beechwood. The Rev. Duane Budach officiated and interment was in Beechwood Union cemetery. Friends called at Miller's Funeral home, Kewaskum, from 3 p. m. Tuesday and at the church from noon to the hour of services.

Pallbearers were the Rev. David Blanke, the Rev. Martin Koehler, Wade Schemmel, James Blanke, Bryan Henke and Reuben Schultz.

JACOB MONTAG

Jacob H. Montag, an employee of St. Joseph's Community hospital, West Bend, the past 11 years, died at the hospital Wednesday morning, March 4, after a day's illness.

He was born in the town of Trenton on April 25, 1887 and lived on the Montag homestead until 1948. He continued to reside in the area until moving to the hospital where he lived as well as worked.

Surviving are a sister, Mrs. Regina Metz, R. 2, Kewaskum, a brother, Math Montag of Niles, Ill., a sister-in-law, a brother-in-law, nieces and nephews.

Funeral services will be conducted at the Schmidt Funeral home, West Bend, at 9 a. m. Saturday and at Holy Angels church at 9:30 a. m. The Rev. R. Hausmann will officiate and burial will be in the parish cemetery. Friends may call at the funeral home.

RAYMOND E. CAMPBELL

Raymond E. Campbell, 53, of Stockbridge passed away at St. Agnes hospital, Fond du Lac, on Feb. 9. He was a son of the late John and Anna Walsh Campbell and his father was born on the Campbell homestead in the town of Kewaskum. He moved to Stockbridge as a young man.

Mr. Campbell leaves his wife, the former Alicia Herzog, to whom he was married at Stockbridge on Feb. 14, 1956; a daughter Vicki, a son William, both at home; four brothers and three sisters. A sister and brother predeceased him.

Funeral services were held at St. Mary's church, Stockbridge, on Feb. 12. Among those who paid their respects at the Schinderle Funeral home there were Mr. and Mrs. Miles Campbell of Kewaskum. Mr. and Mrs. Cyrus Campbell of Kewaskum attended the funeral.

Cub Scout News

A Blue and Gold potluck supper was held on Feb. 18 at the Catholic church basement. About 85 Cubs and parents were in attendance. Den No. 5 under Mr. and Mrs. Brenwall had the flag ceremony skit and closing. Each den made napkin holders and a centerpiece for their table. Bob Sparks led the group in singing. The following boys were presented with awards:

Daryl Ackerman, Wolf Silver Arrow; Jerome Ackerman, Bear Gold Arrow; Morris Belger, Lion Badge; Thomas Bohn, Wolf Gold; Richard Butz, Wolf; Stephen Cundy, Wolf Gold and Wolf Silver; Glen Ebersold, Wolf Silver; Glen Eichstedt, Bear Badge; Kenneth Kreif, Wolf Gold and Bear Silver; Charles McClain, Wolf Gold and Wolf Silver; Gregor Nigh, Wolf Silver; Peter Rudzitis, Lion Gold Arrow; Dean Teeselink, Lion Gold Arrow.

The March pack meeting will be on the 17th. It will be the running of the Pine Wood Derby. Ribbons will be awarded the first three winners and the first five will compete in West Bend.

Holy Trinity's Quota \$3,400 in Charities Drive

ANNUAL APPEAL OPENS SUNDAY; RICHARD BODEN IS PARISH CAPTAIN

The 1964 Catholic Charities and Seminary Fund appeal will formally open on Sunday, March 8. The annual campaign for funds in the 286 parishes in the Milwaukee Archdiocese will continue until March 22.

The goal of \$1,750,000 represents the minimum financial aid needed to continue the work of providing for the poor, needy and destitute through the 27 agencies and institutions in the archdiocese.

ARCHBISHOP COUSINS TO APPEAR ON TV, RADIO

His Excellency, William E. Cousins, Archbishop of Milwaukee, will appear on a one-half hour program on WITI-TV (Channel 6) on March 8 at 6 p. m. The program has been designed to illustrate the great work of charity accomplished through contributions to the annual campaign and includes an opening address by the Archbishop. The Archbishop will also appear on WISN-TV (Channel 12) and WTMJ-TV (Channel 4) and most of the radio stations in the Archdiocese. Please consult your newspapers to determine the time and date of such programs.

and to educate and train young men for the priesthood at St. Francis Major seminary and the DeSales Preparatory seminary.

The quota for Holy Trinity church, Kewaskum, in the appeal is \$3,400, which is the suggested minimum effort. The real goal is 100% coverage for each parish and a day's income for each individual as requested by the archbishop. Richard Boden is drive captain for Holy Trinity parish and David Hanrahan serves as the captain for St. Bridget's mission

parish. Workers will be in the church hall after all Masses on Sunday to accept donations.

To realize the 100% participation necessary to reach the goal, the campaign organization of volunteer workers under the direction of the Catholic Charities Council has strongly recommended that parish solicitors personally visit each home in every parish of those who do not stop in to give their donations after the Masses. The workers have been provided with identification cards and if unknown by the contributor the soliciting worker should be required to present his identification.

Frank M. Surges, general chairman of the campaign, stated that 12,000 responsible, volunteer parishioners will coordinate with the parish pastors to accomplish this endeavor on behalf of those in need of charity in the archdiocese.

Membership Invited By Retarded Group

PLANS FOR ANNUAL CARD PARTY TO BE DISCUSSED AT MEETING ON MONDAY

Washington County Association for Retarded Children, a member of the National Association for Retarded Children, will be observing March National Membership Month for Retarded Children at their next meeting to be held on Monday evening, March 9, at 7:45 p. m. The meeting is being held at Fellowship hall at Immanuel church, West Bend, 501 Walnut st., in order to accommodate a tour of the workshop to be conducted by Robert Malsch, director of special education and the workshop. The workshop is adjacent to the church.

Teachers of the special education classes will present an informative part of the program as they discuss their school curriculum and display some of their students' work.

This kind of program has been planned specifically to acquaint non-members with the overall

program of the retarded in the West Bend area, as well as present up to date information to the members. All interested people are invited to attend.

Plans for the annual card party event to be held April 14 will also be discussed. This very worthwhile project has been successful in the past because of the cooperation, generous contributions and participation of the public. In order to continue the retarded children's program, it is the hope that this fine interest will again be shown this year as members approach you for your prizes, donations, or willingness to buy tickets.

A joint petition by the Chicago and North Western railroad and the state highway commission has been filed with the Wisconsin public service commission for the installation of signals at the railroad crossing on County Trunk V about three miles north of Campbellsport. A public hearing on the petition is expected to be conducted soon. At present there are only warning signs for the crossing.

Mr. and Mrs. Arthur E. Berge left for a month's vacation in Winterhaven, Fla.

Miss Barbara Barnes, a senior in the local high school, achieved the highest standing in a written homemaking examination conducted in the school. This makes her eligible to win one of the 102 scholarships that the Betty Crocker "Homemaker of Tomorrow" will award in a nationwide competition.

Miss Crystal Douglas, a recent graduate of Campbellsport High school, was graduated from the air force technical training course at Greenville, Miss. and has been assigned to the Hamilton, Calif. air force base.

Keith Becker, son of Mrs. Edwin Becker and the late Rev. Becker, has been elected secretary for Heidelberg college Sigma Tau Nu men's society at Tiffin, Ohio.

Henry J. Weld has taken out the first nomination papers at the village hall. He indicated that he will seek election as village trustee.

Mrs. Richard Hensen is a patient at St. Agnes hospital.

For the past four months Rita Luedtke, daughter of the Walter Luedtkes, has been attending the Milwaukee City College of Cosmetology. She has also attended an advanced styling course at the Plankinton building and has been enrolled in a national cosmetology sorority, Alpha Sigma Chi, of which she is an officer in her school. Rita now is approaching an advanced junior division with about five months of training remaining.

Directors of the Chamber of Commerce met at the village hall and set a date for a general meeting on March 10. One of the subjects to be discussed will be the continuation of the Customer of the Week night, some merchandising events and other business.

The infant daughter of Mr. and Mrs. Herman Theisen, R. 1, was baptized on Sunday, Feb. 23, by the Rev. Warren Schmitt at St. Matthew's church and was named Katherine Mary. Sponsors were Joseph Theisen and Mrs. Arthur Theisen.

Louis Beck was one of 31 Wisconsin dairymen, members of Wisconsin Farm Bureau, who left

Madison March 1 to visit the southern midwest on their third annual dairy tour. On this educational and goodwill tour, the group will visit dairy farms, manufacturing plants, and points of historical interest in Iowa, Missouri, Arkansas, Oklahoma and Kansas. Bearing gift boxes of boxes of Wisconsin cheese, furnished by the state department of agriculture, the group will be calling on Chambers of Commerce, Farm Bureau offices and manufacturing plants. Among scenic and historical sites to be visited are the Lake of the Ozarks in Missouri, Will Rogers Memorial at Claremore, Okla., Agricultural Hall of Fame at Kansas City, Mo. and others.

County Agent News Notes

By MAURICE J. HOVLAND
Washington County Agent

DR. SPITZER TO SPEAK

We are looking forward to hearing Dr. Robert Spitzer at the annual West Bend Rotary Rural-Urban program on Monday, March 9. It's always good to hear a first-hand, expert account of the things we usually only read about.

DAIRY HERD MEETING

We remind the members of the Washington County Dairy Herd Improvement association that the annual meeting is scheduled for Tuesday, March 10. The banquet will be at 7:30 p. m. at the Moraine Motel just south of West Bend.

We have a fine program, and the guest speaker will be Howard Voegeli, famous Brown Swiss breeder from the area of Monticello. Ernie Kueffner tells us that he is a fine speaker, a fine person, and regardless of your beliefs about dairy cattle breeds, you will enjoy hearing Mr. Voegeli.

If you don't already have your tickets, we suggest you call my office and we will still try to reserve some for you. They are \$2.00 each. Bring your wife with you.

SWINE BREEDERS MEETING

We are calling a meeting of the Washington County Swine Breeders association to discuss the program we have scheduled for March 30 and 31. This program is to study swine carcasses and make some determinations as to what to look for when raising pigs.

This preliminary meeting will be Thursday, March 12, at 1:30 p. m. at the extension office. Swine breeders who are members of the association will receive notification; those of you who are not members are also invited to attend. We will also discuss the ear-notching system.

GRASS FIRE TROUBLE

We understand there is considerable trouble with grass fires these days, because of the dry conditions. Please watch carefully if you are burning brush or grass, because they certainly can be disastrous if they get out of control.

TAKE 4-H'ERS TO MEETING

The Washington county Holstein breeders paid tribute to 4-H young people last week as they took them to the state Holstein breeders annual meeting at Kenosha.

Barbara Linstedt, Terry Maschman, Pat Horlamus and Dale Melus were the recipients of this recognition.

These young people had a fine experience as they attended the convention, and we understand the

young people's meeting was outstanding. The county association arranged for the transportation and banquet for these folks.

Congratulations to them for doing the kind of work in their 4-H club and FFA chapter to be recognized.

DO YOU WANT A CAT?

A family called in last week to say they have five nearly grown cats they would like to see placed in good homes. If you need or want a cat for any purpose, contact our office and we will give you the family's name.

Minutes of School Board Meeting

Kewaskum Community High School Jt. District No. 2
December 17, 1963

All members of the Kewaskum Community High School, Jt. District No. 2 Board of Education attended the December 17th monthly meeting.

Minutes of the November 25th meeting were read. Roger McKenna moved that the minutes be accepted as read, Leo Bingen seconded. Carried.

It was the decision of the Board to appoint C. Ernest Mitchell as Acting Principal of the Kewaskum Community High School for the balance of the 1963-64 school year.

A number of requisitions were approved for purchase orders. A mirror for the girls' phy. ed. room is to be purchased for a cost of \$25.00 or less.

The Board approved the installation of shelving in the Biology Room and informed Mr. Mitchell to have Mr. Zemlicka do this work. An approximate cost of \$175.00 was estimated.

The members of the Board instructed Mr. Mitchell to contact schools for the possibility of finding a full time Home Economics teacher for the second semester. Mr. Mitchell gave the Board the letter of resignation he had received from Mrs. Jaeger.

Roger McKenna moved that the high school district stand the cost of the C. M. Rose Scholarship Memorial Fund mailing to all alumni, Paula Petri seconded. Carried.

Fred Spoerl moved that two work benches be purchased for the Industrial Arts Shop, Leo Bingen seconded. Carried.

Paula Petri moved that \$18,-

685.93 be approved for payment of salaries and other expenses of school operation from the General Fund for the month of December, 1963. Roger McKenna seconded. Carried.

4-H Club News

KEWASKUM 4-H'ERS

At our Feb. 13th meeting Daniel Schaefer presented a check to the 4-H club which he got for raising a calf last year.

Colleen Frank gave a report on the roller skating party which was held Jan. 23.

By April 1 dues for this year are to be paid. They are 50 cents.

The Kewaskum 4-H'ers square danced at the county Music and Drama festival which was held on Feb. 16 at 2 p. m.

At our March 12th meeting the foreign exchange student, Laura Laghi, will give the 4-H'ers a talk on her country. All the parents are invited to come.

A committee was appointed to put up the window display.

After the adjournment of the meeting we had our speaking and

poster contest. The winners of the contest will go to the county and will be judged March 9.

Our next meeting will be March 12.

Reporter, Joan Schoofs

AUBURN 4-H CLUB

The Auburn 4-H club met at the home of Lorina Petermann on Mar. 2. We recited the pledge of allegiance, then answered roll call to what story we liked best. Our secretary, Sandra Hoepner, read the minutes of the previous meeting. The treasurer's report was read and accepted.

There will be a county Music Festival and Talent Show at Roosevelt auditorium at Fond du Lac at 8 p. m. on Monday evening, Mar. 16. We all plan to attend.

Each member is to build a bluebird house by Apr. 1. The one who has the first bluebird family in their house will get a \$1.00 prize.

We voted to put up a 4-H window display in Kewaskum. The committee will be Sandra Hoepner, Linda Nigh and Mary Strassburg.

Each member is to promote some safety idea for the April meeting.

Our next meeting will be held at Lorina Petermann's on Apr. 6 at 7 p. m.

After the 4-H pledge we sang and played games. Lunch was served by our hostess, Mrs. Petermann.

Garden Tips for 1964 (No. 2)

A LUCKY STRIKE

Bonanza means a piece of unexpected luck and this is what you'll have when you grow this gorgeous golden zinnia for its color, its size, and its general usefulness indoors or out.

It was a lucky strike for the plant breeders who developed Bonanza zinnia and you'll know you made a lucky strike when you see this huge, golden flower in your garden this summer.

This zinnia has everything—brilliant color of an unusual shade, cactus-type graceful flowers to 6 inches across and 2 inches deep, borne on long, stiff stems from big, 30-inch high plants. In addition, the foliage is resistant to mildew, a disease which often whitens the leaves of some zinnias in late summer.

If you grew the variety Firecracker, with its scarlet flowers, last year, you have an idea of what Bonanza zinnia will give your garden, for it is a counterpart of Firecracker in another color.

Both zinnias are winners of All-America Selections silver medals—Bonanza for 1964, Firecracker in 1963. Both are hybrid

zinnias of great sturdiness, with immense flowers.

The difference between them is, of course, in the colors. Whereas Firecracker is a knock-your-eyes-out scarlet, Bonanza is an unusual golden zinnia—sometimes the blooms are yellow-gold, sometimes almost tangerine-gold. Apparently the slight variation in color depends on soil and weather conditions.

But always, in any shade and in any garden, these two zinnias are outstanding. Best of all, they're easy-as-pie to grow from seeds sown where the plants are to bloom.

IN MEMORIAM

In loving memory of our dear wife and sister, Adela Wunder, who passed away one year ago, March 7, 1963:

When here our path-ways part,
We suffer bitter pain;
Yet, one in Christ and one in heart,
We hope to meet again.

Sadly missed by William Wunder and Mr. and Mrs. William Trapp.

THANK YOU

I wish to thank my many relatives and friends who thought of me with cards and visits while I was a patient at the Veterans' hospital at Wood, Wis. and especially Dr. Edwards, the American Legion and veterans of World War I for the services rendered. These kind deeds will long be remembered.

THANK YOU

We wish to thank everyone who remembered our daughter Christine with cards, gifts, prayers and visits while she was a patient at the hospital the past month. These kindnesses are deeply appreciated.

Mr. and Mrs. Bob Staehler

Landscaping adds beauty as well as comfort and convenience to buildings, says George Ziegler, University of Wisconsin landscape specialist.

CARD OF THANKS

Our sincere thanks are extended to all our relatives and friends for their kindness shown us during the time of sickness and after the death of our dear father, the late Edward Seefeld. Special thanks to Rev. Budach, organist, singers, pallbearers, donors of floral and memorial tributes, drivers, ladies who served, sexton, Miller's, and all who showed respect.

Looking Thru the Field Glasses...

By Bob Lake, Conservation Warden, Washington County

FISH REFUGES LISTED

Two deer, both fawns were killed on county highways in the past ten days, one on Highway 83 near the Waukesha county line, the other on Highway 33 west of Highway 144.

Each year the Wisconsin Conservation Department sells trees from state nurseries at cost to encourage reforestation. Trees purchased from the department may be used only for reforestation, shelterbelts, windbreaks, erosion control or wildlife plantings. Purchase for resale, ornamental or landscaping purposes is forbidden and fines up to \$1,000 can be imposed for violation.

The following is a list of fish refuges in Washington county and their effective dates. Gilbert's lake and outlet in the town of West Bend, a permanent refuge; Cedar Creek from the dam at the outlet of Big Cedar downstream to Little Cedar; the Rubicon river from 500 feet above the dam at Pike lake downstream to the Paul Railroad right-of-way, both effective from March 1 to May 9; the Milwaukee river from the Newburg dam downstream 300 feet, effective each year, March 1 to April 15.

Critical Days for Wildlife

The days from now until the spring break-up are critical days for all wildlife. Favorable weather will assist in pulling them through, bad weather will be rough on them and may take many unless man lends a helping hand.

If you have been feeding, be sure you continue to make food available. The birds have by now learned to depend on you and if

you don't continue to make it available to them, they will starve.

If you haven't been feeding, and know where there is a flock of birds, you can assist them greatly through these critical days by making food available to them.

Your local warden can advise you where you can get the necessary feed if you don't have any available.

These are critical days, not only for small birds and animals, but also for deer. Their needs however are somewhat different. Dogs will harm deer in these coming weeks more than anything else. Even without deep snow, dogs raise havoc with deer and especially at this time of the year.

Most of the dogs that cause the damage are not wild, as used to

be common belief. They are hunting dogs, farm dogs and pet dogs.

We are sure that no one wants their dog to be running or harming deer; but if you don't keep your dog confined, he might be doing just that.

Any dog that isn't confined is a potential deer killer.

Let's all pitch in and help our wild friends through these critical days. This extra effort could pay great dividends come next hunting season.

Indians Win In Mayville Regional Meet

TIP GERMANTOWN, ADVANCE IN TOURNAMENT PLAY; FACE HAMILTON HIGH ON FRIDAY

The Kewaskum Indians, second place team in the Scenic Moraine conference advanced in WIAA sub-regional tournament play at Mayville Tuesday by clobbering Germantown for the third time this season, 89-48. In the second game of the evening Hamilton High school edged Mayville, 62-60, and will face Kewaskum in the second round Friday.

The two losers, Germantown and Mayville, are eliminated from the tournament. The two winners, Kewaskum and Hamilton, will be joined Friday by two seeded teams Homestead and Cedarburg, the first and second place teams in the Braveland conference, to battle it out in the semi-finals. In the drawing for opponents, Kewaskum drew Hamilton and Homestead was matched with Cedarburg. Therefore Homestead and Cedarburg will play the first game Friday at 7 p. m., followed by the Hamilton-Kewaskum game at about 8:15 p. m. The winners Friday will face each other Saturday night for the Mayville regional championship. This regional winner at Mayville will then play the winner of another regional tourney at Grafton Tuesday in a sectional playoff game. Winner of this playoff will advance to the sectional tournament at Menomonee Falls.

Kewaskum again had an easy time of it in belting Germantown at Mayville, 89-48, a spread of 41 points. The Indians roared to a 75-38 lead after three quarters in the romp. Mike Coulter was the Indian ace again with 20 points. Bob Miller added 15 and Bob Rossow had 14. Les Haupt topped Germantown with 13 points. Kewaskum made good on 15 free throws while their opponents sank only 6. The Indians outscored Germantown by wide margins in every period.

2nd Place Indians Lose Last Game to Grafton's Champs

MIKE COULTER FINISHES SECOND IN CONFERENCE SCORING WITH 324 POINTS

The Kewaskum Indians, with second place in the Scenic Moraine conference already clinched the week before, were defeated by Grafton's champions in the final game of the season here Friday, 81-65. Kewaskum posted a fine 11-3 record for the season to cop runner-up honors.

In repeating as champion, Grafton completed its second straight unbeaten season in the conference by copping its 28th loop victory in succession without a defeat. The Blackhawks finished this season with a perfect 14-0 record.

The Indians gave Grafton a battle but the Blackhawks' speed and balanced scoring was too much for them, together with their accurate free throw shooting. Kewaskum had 28 personal fouls called on them and Grafton had 27. But the Blackhawks made good on 23 free throws while the Indians could sink only 15. This helped provide Grafton with a 16-point scoring spread in the final score. Each team lost three players on personal fouls.

Kewaskum got off to a bad start and lost the game in the first half. After a poor first quarter they

trailed 25-9, which was the margin of victory at the end of the contest. The Indians were outscored again in the second period, 25-19, to fall behind by 22 points, 50-28 at halftime. Kewaskum came back strong in the second half and at one time in the third quarter cut Grafton's lead to 12 points. They outpointed them 18-12 in the period and trailed 62-46. Poor free throw shooting in this stanza prevented them from narrowing the gap. Both teams scored 19 points in the final quarter.

Mike Coulter copped scoring honors with 28 points for the Indians, giving him a total of 324 for the season, good for second place in individual scoring. Mike came close to being conference champion but Les Teuteberg of Pewaukee came through with a big 32-point binge against North Fondy Friday to take honors with 329 points. Bob Rossow chipped in 19 points. Top scorers for Grafton were Kellner with 20 points, Arnold with 19 and Sewell with 16.

OELHAFEN NAMED LAKES DIVISION CO-DIRECTOR

Jake Oelhafen of West Bend, popular baseball umpire in the area for many years, was named co-director of the Land o' Lakes Northern division baseball league at a special meeting in West Bend.

Carl Kuss, present league director who will work with Oelhafen the first summer as co-director, said he would continue to direct the Lakes basketball league.

Arrangements were also nearing completion between the league and the Port Washington radio station to provide live broadcasts of the "game of the week" on Sunday afternoons this summer.

CHEVELLE! by CHEVROLET—a great highway performer

Malibu 4-Door Sedan

Malibu Super Sport Coupe

Malibu Super Sport Convertible

Chevelle 300 6-Passenger Station Wagon

Chevelle balanced performance is best!

Passing, cornering, threading through traffic, sudden stops—Chevelle excels all around! Chevrolet's new surprise package has what it takes to meet any driving challenge: Six or V8 engines, hefty brakes, Full Coil suspension—and a trim size that makes the most of them!

Chevelle means performance aplenty—standard 120-hp Six or 195-hp V8—and optional at extra cost, a 155-hp Six, a 220-hp V8, a new 327-cu.-in. V8! But Chevelle's performance means more. Chevelle's a foot shorter than the big cars. And the space Chevelle saves in size comes off the ends, not the middle. So it rides like you want a car to ride.

Chevelle lets you choose Powerglide*, 4-speed manual* or 3-speed manual transmission. Knowing how people like the custom touch, we wrote out a long list of extra-cost options. Knowing all this, what's keeping you from a test drive? Certainly not your Chevrolet dealer!
