1,200 to See Packer Game Here Sunday

GAME COMPLETE SELL-OUT, NO TICKETS SOLD AT DOOR; RESIDENTS URGED TO WALK

The Green Bay Packer All-Stars vs. Kewaskum Educator basketball game scheduled for this Sunday afternoon, Feb. 18, has definitely been labeled a sell-out. There will be NO tickets sold at the door. A capacity crowd of 1,200 ticket holders will jam the high school gym. Hundreds of tickets more could have been sold.

The high school parking lot will be closed when filled to capacity. Therefore ticket holders living within walking distance are urged to walk, weather permitting. The doors will be open at 1:30 with game time at 2:30. To make seating more comfortable, everyone is asked to please hang their coats on the racks provided.

The high school gym will be an active, noisy place next week. Tonight (Friday) the high school team hosts rival Campbellsport and tomorrow (Saturday) the Indians entertain leading North Fondy to round out the Scenic Moraine conference season. Sunday afternoon is the big Packer game and next Friday and Saturday evenings the WIAA district tournament will be played here.

The Kewaskum Educators (teachers) have rounded up 18 players to make up their team and they'll most likely need all of them against the huge 6-foot, 4-inch, 250 pound Packers. Teachers Jackie Meyer and Kyle Seitz will do the cheer leading for the Educators.

Sports announcer John Schaller of WBKV radio will introduce the Packer players before the game. A brass sextet comprised of high school students will blast off the activities and play the National Anthem. Halftime will bring on the high school drill team in a precision marching routine. The announcer, score officials, referees, etc. are all ready. See you at the game.

Fire Dept.'s New Ambulance, Tanker Put Into Use

The Kewaskum fire department's newly purchased 1967 Chevrolet ambulance to replace the former 1950 model was recently put into use. Because of an increase in the number of calls and added duties, the ambulance service has been kept busy. Therefore better, more dependable and modern equipment was necessitated.

The new ambulance and equipment was purchased for approximately \$5,000 with funds raised wholly from the annual summer picnic sponsored by the firemen and from funds collected on patient calls.

The volunteer fire department started the ambulance service 18 years ago. Kewaskum was the first fire department in Washington county to offer a service of this kind, during the time when Harry J. Schaefer served as fire chief.

The 1967 model is completely equipped with modern life-saving equipment. This includes an ample supply of oxygen, stretchers, cots, first aid kits and other necessary equipment for first aid

and rescue work. It is also equipped with a two-way radio. The attendants are in contact with the police and sheriff's department.

31 Fire Calls

Chief Armin Oppermann reported this week that the Kewaskum fire department answered 31 calls during 1967, 13 of which were in the village and the remaining 18 in surrounding townships.

Only two of the fires were serious, one of them at the Gerald Stoffel farm in the town of Kewaskum, where a large hay storage barn was destroyed on Aug. 3, and the other at the rural home owned by Lee Honeck west of the village which was gutted by fire last winter. The worst blaze in the village was at the Lee Feltenz home on First st. on June 2, when a damage amounting to \$1,036.46 was caused by fire.

at all times, if in need of an escort or additional help.

The fire department also purchased a 2,500 gallon tanker,

shown in the lower photo, which replaces an older tanker having a capacity of 1,600 gallons. The new tanker was received and put into use in January.

The new stainless steel tanker will be used to fight rural fires where water is at a minimum. This tank, being stainless steel and completely sanitized, also enables the department to haul water for human consumption at anytime in any emergency.

This unit was purchased for \$4,200 with funds raised entirely through the annual firemen's picnic except for \$1,500 of the cost which was paid by the village.

Both of the above pieces of equipment were purchased by the department's equipment committee after much study and investigation for the needs of the community. Members of this committee are shown in the photos. In the top photo they are, left to right: Chief Armin Oppermann, Engineer Lee Honeck, Bob Ours, Willard Manthei, Lieut. Harry Heinecke and Ted Rohlinger. (Miller Studio photos)

State Fair Park flower show in Milwaukee.

On Wednesday of this week the 40th member was enrolled in the senior citizens group. New members are always welcome.

Nine Local Eagle Scouts Among 19 Feted at Banquet

Boys who climbed to the pinnacle of scouting and attained eagle rank during 1967 were honored along with their parents and scoutmasters last Wednesday evening in Fond du Lac. The 19 award winners were special guests at the annual Badger Council of Boy Scouts eagle recognition dinner at the 101 Club.

They heard Lewis V. Versnik of Verona, new director of the Wisconsin State Patrol, formerly of Fond du Lac, and a former chief of District 3 patrol headquarters in Fond du Lac and former member of the Headwaters District board of review.

Dinner was at 6:30 p. m. with the program following. Master of ceremonies was Barney Wanie, Horicon, council advancement chairman. Introductions were made by Al Brandenburg, Slinger, council organization and extension chairman.

Kenneth Britt, council executive, gave the closing challenge to the boys, urging them to continue their interest in scouting. Invocation was given by Rev. Donald Elverman, assistant at St. Patrick's parish. Versnik was introduced by William A. Draves, Headwaters District advancement chairman.

Nine of the 19 eagle scouts are from Kewaskum. They include Kenneth Ogi, Explorer Post 44, and the following members of Troop 44: Stuart McEwen, Kenneth Kreif, James Staehler, Brian Hron, James Gnacinski, Glen Staehler, Charles Gross and John Milewski.

Club Hosts Senior Girls, Mothers

"Be realistic when you ask yourself how can I prepare myself for tomorrow's world?" was the advice offered to Kewaskum Community High school senior girls when, along with their mothers, they were guests of the Kewaskum Woman's club at their traditional Senior Girls' Tea. About 150 members and guests attended.

Speaking at the Saturday afternoon event in the social rooms of Peace United Church of Christ, Kewaskum, was Mrs. N. P. Nelson, associate dean of students at Wisconsin State University-Oshkosh.

"As young women, you are going to be called on to make an important decision," she said. "Will you go to work? Will you receive specialized training? Will you get married?"

"You can't ask for a road map that will plot the way, that will indicate the dead ends and the danger spots," the speaker continued. "In view of the knowledge explosion, population explosion and scientific explosion, tomorrow is a world of constant changes." Someone has suggested, she said, "that we need a computer to tell us where the computer is taking us."

"How are you going to make the decision?" she asked. "School counselors can aid you to better understand your goals. Some professions are offering summer opportunities—some on a voluntary, others on a paid basis. There are trainee programs in social work in state hospitals. While all are offered to entice you, it does give you a chance to determine do I like this kind of work?"

"Industry offers an apprentice

program and there are summer trainee programs offered by our federal government," she continued.

Mrs. Nelson said that a revolution is occurring in the pattern of a woman's life. Life expectancy is now 74 years compared with 45 years in 1900.

The speaker related the story of a little boy who was telling his friend that he had a new little sister and that she cost \$300. "Gee, that's a lot," said the friend.

"Yeah, but just think how long they last," was the reply.

"More women than ever before are working. Statistics quote a figure of 26 million which is expected to rise to 30 million by 1970," she said.

"A woman's working span is greater than ever before. By the time the youngest child is in school, a mother may have 40 years before her," the speaker stated.

Women have entered all fields of endeavor to include engineering, architecture, forestry, the ministry—"the sky is the limit," Mrs. Nelson observed. "Be realistic," she urged. "Don't look upon marriage as the ultimate goal. Think ahead. What you plan to do, do it thoughtfully," was her advice.

During a brief business meeting that preceded, members paused in tribute to Mrs. Newton Rosenheimer, the last of its charter

members and a past president, who passed away Jan. 28, noting that "Mrs. Rosenheimer's influence helped to bring about the firm foundation that was built for the Kewaskum Woman's club 55 years ago." In her memory, "Christy," by Katherine Marshall has been placed in the Kewaskum Public Library.

Mrs. Richard Reigle became the group's 54th member. The Heart Fund will receive a contribution as the charity of the month and \$75 was designated for the Kewaskum Public Library.

There was a valentine and lace name tag for each guest. A red and white floral arrangement was flanked by white tapers. Hostesses were the Mmes. Richard L. Edwards, Vincent Groh, Chester Czoschke, E. A. Norton, Sr., Burns Nelthorpe and Miss Honora Norton.

Shown at the tea in the above photo are, left to right: Mrs. Edith Landmann and daughter Stephanie, Mrs. E. A. Norton and Miss Honora Norton of the hostess committee (R. 1, Kewaskum), and Miss Diane Yogerst and mother, Mrs. Hilbert Yogerst (R. 3, West Bend).

County GOP Lincoln Day Luncheon Well Attended on Friday

CONG. GODELL OF NEW YORK IS MAIN SPEAKER

A large attendance estimated at close to 200 persons attended the Washington County Republican Organization Lincoln Day luncheon held at the Moraine Supper club in West Bend on Friday, Feb. 9. Richard Becker, county GOP chairman, introduced local dignitaries who attended the function; among them were Ralph Schoenhaar, mayor of West Bend; Donald Peckenpaugh, supt. of schools, and Louis Ceci, former Republican candidate for attorney general. The luncheon meeting was also attended by many local businessmen and school executives.

Becker also introduced Congressman Charles Goodell of New York and Sixth District Congressman William Steiger of Oshkosh. The two men have worked together on legislation of far-reaching importance. Goodell, speaker of the day, praised Steiger as "the man who is THERE" who studies and knows legislation and provides leadership with a new realistic approach.

The New York congressman described the situation of the country as it is faced with an ever-mounting budget and a staggering deficit. "Why are we short of money?" Listing the war in Viet Nam as one of the factors, the legislator also deplored the lack of "first things first" planning. He described education as "no place to cut back" pointing out that teachers in Russia have the highest wage scale of any profession. The congressman received much applause when he spoke of his confidence in the many good Republicans who are now representing their districts in the Congress and

vowed that they all wished to maintain a policy of "eyes on the future, but feet on the ground."

Course in Mother, Baby Care Offered

The Red Cross Mother and Baby Care course is being scheduled by the West Bend chapter for expectant parents. The twelve hour course is being offered in cooperation with the city and county public health departments, the school of vocational, technical and adult education, and St. Joseph's Community hospital.

The class will open the series on Monday, Feb. 19, and continue on Tuesday, Feb. 20, and Friday, Feb. 23, and during the following week on Monday, Feb. 26, Tuesday, Feb. 27 and Thursday, Feb. 29. Sessions will be held in the health room of the Decorah Shopping Center from 7:00 - 9:00 p. m. The discussion leader will be Mrs. Frank Williams, registered

public health nurse, and authorized Red Cross instructor. The course will provide the opportunity to discuss with other parents and the nurse the many topics of interest, including development of the baby before birth, needs of the mother during pregnancy, labor, delivery, and the new born infant.

Movie and a tour through St. Joseph's Community hospital will conclude the series. Students from rural areas are extended a special invitation.

Interested parents who would like to attend are asked to register by calling Mrs. Frank Williams, 334-9051, or the Red Cross office, 334-5687. The course is free.

This deer hunting must have some unseen fascination. Remember how much was said, and nothing complimentary, about having to lug an M-1 up and down the countryside. We thought a guy would never do it again unless he had to.

Three Kewaskum Wrestlers Advance to Sectional Meet

CHUCK BINDRICH, LEO & TOM GUNDRUM QUALIFY

Three Kewaskum Indian wrestlers survived WAAA regional tournament competition at Port Washington over the weekend to qualify for the sectional meet at Brown Deer this Friday night and all day Saturday. Sectional winners will advance to the state meet.

Final team totals and number of qualifiers in the regional were as follows: Port 94 points (7 qualifiers); Cedarburg 70 (6 qualifiers); Cedar Grove 46 (3 qualifiers); Kewaskum 45 (3 qualifiers); Grafton 30 (1 qualifier); Campbellsport 30 (1 qualifier); Homestead 26 (1 qualifier); West Bend 22 (1 qualifier); Random Lake 16 (1 qualifier); Germantown 15 (no qualifiers).

The three Kewaskum matmen who qualified for the sectional were: Chuck Bindrich, the Indians' undefeated ace, now 21-0 for the season, who beat Brochman of Cedarburg, 5-4, at 165 pounds; Leo Gundrum, runnerup at 127 pounds, bowing to Schmidt of Port, 10-0, and his brother, Tom Gundrum, runnerup at 180 pounds, losing finally to Watry of Port, 11-5.

Jerry Techtman, the Badgers' 120-pound senior ace, was the only West Bend wrestler to survive the regional. He has lost only one match all season, and defeated Villarreal of Cedar Grove in the finals, 8-3.

At the end of the first round, Port was the leader with 31 points and 8 qualifiers, followed by Cedarburg 29 (8), Grafton 24 (6), Kewaskum and Cedar Grove 19 (5), Campbellsport 18 (5), Homestead 14 (3), Germantown 13 (4), West Bend 10 (2), Random Lake 7 (2).

Leo Gundrum of Kewaskum ousted Dave DuCharme of West Bend in the first round and John Bonlender of the Indians also ousted Don Schwarts of West Bend in the first round in the heavyweight class.

Indians Clipped By Slinger, 77-57

The Slinger Owls clung to their three-way share of first place in the Scenic Moraine conference Friday night by romping over the fifth spot Kewaskum Indians, 77-57, on the Owl floor.

Slinger coach Doug Potter moved junior Chuck Krentz into the pivot and it proved to be a master stroke. The 6-foot, 2-inch ace took 15 rebounds away from Kewaskum and scored 17 points. Mike Duehning, a 6-foot, 6-inch

swished in 15.

The two teams tied for the lead with Slinger also won handily Friday over tail-end opponents to maintain a standoff in the torrid race. North Fondy plowed under Random Lake, 99-69, and Grafton handled Germantown, 74-64. In the remaining contest Pewaukee snowed Campbellsport 64-40.

center for the Owls, took scoring honors for the winners. He shot over the shorter Indians and popped in 19 points. Marv Tanck, with 15 points, and George Martin, with 10, were the only Indians to score in double figures.

Slinger outpointed Kewaskum in every quarter but the last, when each team scored 16 points. The Owls were on top at the quarter by a narrow 15-14 margin, 35-27 at halftime and 61-41 at the close of the third period. Poor shooting from the free throw line hurt the Indians, who made good on only 7 while the Owls

The Indians will bring the regular season to a close with two home games on successive nights this weekend. Tonight (Friday) they entertain Campbellsport (which team upset them earlier) and tomorrow night, Saturday, Kewaskum hosts powerful North Fondy in the finale. This tilt was moved up because of an earlier date for the district tournaments

net week. Kewaskum will host a district meet next Friday and Saturday.

Don't you wish you had electric heat?

The heat that can't make dirt!

This seldom happens in an electrically heated home. Electric heat can't make dirt. Ask any of our electric heating customers. They'll tell you that for real cleanliness you can't beat electric heat. It's as clean as sunshine itself.

You don't have to dust nearly as often with electric heat. There's far less tattle-tale dust on tables. Walls, windows, curtains and drapes stay clean longer. You save on decorating costs.

Facts explode the "high cost" myth

Some people would have you believe you have to be made of money to enjoy electric heat. Not so. In a properly insulated 6-room house you might expect to pay about \$200 a year for electric heat. That's about \$60 more than you might pay for some other kind of heat. But electric heat is so clean and trouble-free you have less decorating expense, no annual service checkup charge and practically no maintenance costs. And when you heat your whole house with electricity, you qualify for a special low bargain rate for all the electricity you use, for any purpose — even air conditioning.
