Local Race Tops 5 Contests for Co. Board Seats

INCUMBENT ROMAINE HAS TWO OPPONENTS

Elwyn M. Romaine of Kewaskum, veteran chairman of the Washington County Board, in seeking nomination at the Spring Primary, March 3, for the April 7 election, advocates the policy, "we have to keep the taxpayers in mind, but still keep abreast of the times."

Romaine's District No. 9, Village of Kewaskum, is one of five of the 29 districts in the county which will hold primary elections to select two finalists for the Spring Election in April. Primaries will also be held in Districts 1 and 6 (Wards One and Six in West Bend); Dist. 11, Town of Addison, and Dist. 17, Town of Polk.

Interest in the races in the five districts is mounting as the Primary Election nears but the Kewaskum contest appears to be attracting the most comment because of the veteran incumbent county board chairman's opposition provided.

Romaine has been a member of the county board since 1939, a period of more than 30 years, and chairman of the board since 1944 as a representative of Kewaskum. His policy of keeping abreast of the times and yet keeping the taxpayers in mind follows the conservative progressive administration he has advocated as head of the board. Romaine also heads the Agricultural, Health and Insurance Committees and is in the insurance business, in addition to his duties as board chairman.

Romaine is being opposed for the Kewaskum seat on the county board by Francis Bohn and Mrs. Marlene Shepherd.

Bohn opposed Romaine in the 1966 election but was defeated by a final tally giving Romaine 166 votes compared to 100 for Bohn. A native of West Bend, Bohn moved to Kewaskum in 1942. He is presently superintendent of construction for the Eden Construction Corp. of West Bend and also operates a liquor store in Kewaskum. He is familiar with construction work, road building and grading, and is interested in affairs of the village as well as county activities. He is seeking an opportunity to serve the community.

Mrs. Shepherd, a Kewaskum housewife, is an ardent supporter of increased welfare aids and has become involved in court actions due to her participation in welfare marches and demonstrations. She advocates more support for college campuses and greater publicity for county affairs and encouragement of participation in county government, as well as county participation in obtaining more and lower cost housing to solve the housing shortage.

Mrs. Shepherd, a strong supporter of welfare programs, says "we cannot starve our fellow citizens" and urges the county to send representatives to the legislature to "right this wrong" to be sure area residents have sufficient food by the end of the month, if the program cannot be corrected on the county level. She contends that cutting welfare programs does not save tax dollars, merely "shifts

Kewaskum Frozen Foods Featured in National Magazine

The Kewaskum Frozen Foods locker plant was featured in two items in the January issue of "Freezer Provisioning and Portion Control," the national magazine for the 8,500 freezer meat processors published in St. Louis, Mo. The plant is owned and operated by Mr. and Mrs. Greg Nigh.

The magazine carried a 4½-page spread feature entitled "Emphasis on Sanitation at Kewaskum Frozen Foods," which includes 17 photos of the exterior and interior of the plant, and its employees at work. In another section the magazine also carried a double-page combination news story-advertisement under the heading "It cost me \$1,000 to find out how NOT to package ground beef," as related by Greg Nigh, which also includes five photos showing Nigh and some of his employees operating the ground beef making machinery in the plant.

The accompanying photos in the feature item show the modern building, overhead track over platform for unloading of meat, sanitary processing room and modern equipment, a closeup of the owners, steel and concrete unloading dock, state inspector stamping approval on carcass, hams coming out of the smokehouse being checked, slaughterhouse with holding pens and knocking chute, portable blood trap with large plastic funnel and sanitary tub, electric handsaw to open up beef brisket section of cattle, beef splitter which quickly separates carcass and saw for cutting hogs, ground beef and sausage double-action mixer, water pressure stuffer, sausage kitchen, linker machine to tie sausages, cooler for aging, and chill room.

Ice Skating Races At School Rink

Ice skating races will be held Saturday, Feb. 21, for children ages 4-14 if weather permits.

The races for children between these ages who live in the Kewaskum school district will be held at the Kewaskum Elementary School playground rink, starting at 9:30 a. m. on Saturday.

Four-year-olds will start at 9:30 a. m. sharp and ages 5-14 will follow in order. Children may sign up at the rink.

Blue and red ribbons will be given for first and second places. You don't have to be a good skater to enter, so come on over and have some fun.

If weather does not permit the races, there will be a sign at the rink.

SNOWMOBILE MEETING

The Kewaskum area snowmobile group will meet Sunday, Feb. 22, at Barney's hall, Wayne, at 2 p. m. to decide on a name for the club and transact other business. Anyone interested in joining is welcome to attend.

the burden." She advocates proper training programs to help persons on welfare become self supporting.

Area Girl Scouts Plan International Fair at West Bend

KEWASKUM TROOPS TO PARTICIPATE

The Kettle Moraine Girl Scout Association is having an International Fair on Saturday, Feb. 21, from 2 to 4 p. m. at St. Frances Cabrini gym, West Bend. The public is cordially invited to attend and there will be no admission charge. The Fair is being sponsored by all Brownie, Junior, Cadette and Senior Girl Scouts in the West Bend, Jackson and Kewaskum areas. Twenty-six different troops are participating and representing twenty-three countries.

The purpose of the Fair is threefold: to acquaint our Girl Scouts with their sister Scouting countries, to make the public more aware of Girl Scouting in the community, and for the Scouts to earn funds for the Juliette Low World Friendship Fund. This fund was established in 1928 as a living memorial to Juliette Gordon Low, founder of Girl Scouting in the United States. It perpetuates the belief held by Mrs. Low that Girl Scouting could make a positive contribution to peace through the friendship of young people of the world who have a common bond of Scouting. The fund supports international friendship projects between Girl Scouts in the U.S.A. and other members of the World Association.

The countries being presented at the Fair will be Mexico, France, Germany, Japan, Hawaii, Ireland, Spain, Netherlands, Denmark, Argentina, Belgium, Scotland, Switzerland, Italy, Sweden, Africa, Norway, England, Canada, Brazil, China and Australia. Each troop will have a booth representing one of these countries and will have many items on display, including flags, costumes, handicraft items, baked goods, beverages, etc. It will be very interesting and educational and fun for all, especially for the Girl Scouts participating in the Fair.

Hospital News

Arnold Zeimet, Kewaskum, returned home last Friday from St. Joseph's Community Hospital, West Bend, after being a patient there 12 days for medical treatment.

Ervin Bonlender, Sr. Kewaskum, returned home recently from St. Agnes Hospital, Fond du Lac, after being a patient there for several weeks for medical treatment.

Ambulance Calls

Tuesday, Feb. 17, 11 a. m.—Jennifer Johann removed to St. Joseph's Community Hospital, West Bend, with a broken right leg between the knee and ankle which she suffered in gym class at Kewaskum High School.

Wednesday, Feb. 18, 12 noon—Elroy Pesch removed from his home at Beechwood to St. Joseph's Community Hospital.

It takes a lot of practice for a girl to be able to kiss like an amateur.

Senior Girls and Mothers Feted at Woman's Club Tea

Senior girls at Kewaskum Community High School and their mothers were feted Saturday afternoon by the Kewaskum Woman's Club at its traditional Senior Girls' Tea.

Speaker for the event held in the social rooms of Peace United Church of Christ was Miss Dorothy Dwelle, assistant professor of English at the University of Wisconsin, Washington County Campus. "You're Lucky to be a Girl" was the title of her message. The speaker was introduced by Mrs. Wilmer Falk, a member of this season's program committee.

A Valentine Day motif prevailed throughout. Guests and members were presented with a name tag, cut from red felt in heart shape and pierced by Cupid's arrow. Each senior girl introduced herself, then her mom.

On the tea table were a red cloth and a red and white floral arrangement flanked with red tapers. Mrs. C. M. Rose presided at the tea table, Mrs. Marvin Martin at the punch bowl.

Other hostesses included co-chairmen Mrs. Robert Schmidt and Mrs. Henry Rosenheimer; and the Mes Ervin Seifert, Donald Koerble, Myron Perschbacher, Donald Wendt, T. J. Rohlinger and Eugene Panzer.

During a brief business meeting that preceded, Mrs. Marshall Boyd, Mrs. Mervin Thompson, Mrs. Walter Bade and Mrs. Perschbacher responded to a request for volunteers to conduct a telephone campaign prior to the May 6 blood bank clinic. Appointed to serve as nominating committee for the March election of officers were Mrs. Norman Held and Mrs. Martin.

Will Demonstrate Snowmobile Trail Leveler at Mauthe

Snowmobile enthusiasts and people interested in snowmobile trail maintenance are invited to attend a snowmobile trail leveler demonstration to be held at the Mauthe Lake Recreation Area on Monday, Feb. 23. The demonstration will begin promptly at 1:30 p. m.

The snowmobile trail leveler is the brain child of Hal Bruhn and Len Massie of the Ag. Engineering Department of the University of Wisconsin at Madison. The device is designed to level and remove the hummocks, or humps, that are pounded into a trail by heavy snowmobile traffic. It weighs 150 pounds, and can be pulled by a snowmobile with a H.P. rating of 20 or more. Plans are available for distribution. The public is invited.

FAHNEY—A son to Mr. and Mrs. Larry Fahney, R. 3, Campbellsport, Monday, Feb. 16.

Pre-Registration Process Now on At High School

STUDENTS SELECT COURSES FOR NEXT SCHOOL YEAR

Students are currently participating in pre-registration procedures at Kewaskum High School. During the pre-registration process, students select courses they wish to study for the following school year. The information collected as a result of pre-registration is turned over to data processing equipment which develops the student's schedule for the next school year.

As a result of curriculum changes this year, students will be able to select from a larger number of elective courses. The number of specific courses required for graduation has been reduced and the number of elective courses has been increased. These modifications have been enacted in order to make education more relevant to the individual student. The number of credits required for graduation, however, has not been changed.

Students who have not previously been enrolled at Kewaskum High School but plan to attend the next school year should have received pre-registration materials Thursday, Feb. 12. If you plan to enroll but have not received your materials, please stop by the high school as soon as possible.

'Room for One More'
Topic for Meeting
Of Jr. Woman's Club

The Feb. 12 meeting of the Kewaskum Junior Woman's Club was held at the Kewaskum Public Library with Miss Honora Ann Norton, club president, presiding.

The evening's program was "Room for One More." Guest speaker was Miss Geraldine Beyersteadt, adoption coordinator from the Milwaukee Department of Health and Social Services.

Club members and guests were magically impressed with her effective personality as she stated, "her agency finds homes for children—not children for homes." Miss Beyersteadt went on to explain, "the need of any child is to have proper environment to grow. Couples seeking adoption and the foster parent plan can nourish a child's needs by giving them the right for the closeness in family living. The adoption pro-

gram of today is not so strict, they have found out that regulations are making rules to include just everyday people."

Special guests visiting in behalf of the West Bend Junior Woman's Club were the club president, Jean Mehring; Joanne Russell, Pat Ellis and Dottie Degnitz.

Other guests included Bev Depies, Barbara O'Brien and Ceil Jandre.

Hostesses for the social were: Mmes. Norman Kempf, David Nigh, William Geidel and Edward Miller.

A new slate of proposed officers for the 1970-72 seasons were announced by the nominating committee and a nomination from the floor was added. They are: Vice-President, Mrs. Harvey Ramthun; treasurer, Mrs. Ethan Etta; recording secretary, Mrs. Norman Heberer and Mrs. Gerald Buchel; corresponding secretary, Mrs. Dennis Bingen.

Election of officers will be by written ballot held at the March meeting. Mrs. Marvin Perkins, now serving as vice-president, automatically becomes club president for 1970-72.

Committee reports were as follows:

Community Affairs: "Joy in giving toys" to the Milwaukee Children's Hospital was expressed by the clubwomen.

Ray Thorn, an area serviceman stationed in Vietnam, received a Christmas tree from the juniors. His letter of "thanks" partly reads, "The guys sure appreciate you sending stuff over here."

Members will assist in playing Bingo at the Beechwood Rest Home in February.

The club chorus will have its first meeting on Feb. 24.

The club will help take part in H. Ross Perot's vigorous letter campaign that will be sent to Hanoi demanding proper treatment for the prisoners in war camps of North Vietnam. "We are concerned."

Homelife: The Federation has decided to make up a cook book. Juniors were asked to mail their best recipe on casseroles or breads to the committee chairman, Mrs. DeWayne Fritz.

Federation: Committee chairman, Mrs. Edward Miller, also WFWC Junior Chairman of International Clubs, reported the club had set its goal of 50 S & H stamp books for Project Concern. "It was made possible by club members, relatives, friends and you—the community."

POSTAL SERVICES TO BE
CURTAILED NEXT MONDAY

Washington's Birthday Sunday, Feb. 22, will be observed as a national holiday on Monday, Feb. 23. Postal services will be curtailed in Kewaskum next Monday because of the holiday. Postmaster Harry E. Koch has announced. The regular dispatches of mail will be made, both incoming and outgoing. Lock box section will be open as usual from 7 a.m. to 6 p.m. There will be no counter service, nor rural delivery service.

Elderly lady: "Isn't it wonderful how these service station people know just where to set up their pumps to get gas?"

Mrs. C. Herman
Called in Death

Mrs. Clara Herman, 80, nee Neu, of Kewaskum passed away Wednesday, Feb. 11, at St. Joseph's Community Hospital, West Bend, following an illness of about six months.

Mrs. Herman was a retired factory worker of Regal Ware, Inc. in Kewaskum.

She was married to Joseph Herman, who preceded her in death in 1928. One daughter also predeceased her.

Surviving are one daughter, Mrs. Lucille Weber of Hartford and one son, Tom Herman of Kewaskum; 11 grandchildren, five great-grandsons, one sister, Veronica Roethle, of Spokane, Wash., and one brother, Dan Neu of Hartford.

Funeral services were conducted at St. Kilian's church, Hartford, at 10 a.m. Saturday, with burial taking place in the parish cemetery. Visitation was at the Matenaer Funeral Home in Hartford.

FRED W. WOLLERT

Fred W. Wollert, 83, of West Bend, a retired farmer, and form-

er resident of the Kewaskum area, died at the Samaritan Home and Hospital, West Bend, last Thursday evening, Feb. 12, after a lengthy illness.

He was born Dec. 8, 1886 and married Theresa Griesbaum. For many years they lived in West Bend and surrounding area. She predeceased him in November of 1937. A daughter, Florence, also preceded him in death.

Surviving are a son, Rudolph, of West Bend; a daughter, Anita (Mrs. Gilbert Stelzer) of Nekoosa; three grandchildren, six great-grandchildren, a sister, Mrs. Clara Blank; two brothers, Herman and Rudolph, and other relatives and friends.

Funeral services were held Monday at 2 p.m. at the Techtman-Myrhum Funeral Home, West Bend. Dr. H. W. Baumer officiated and burial was in St. Martin's cemetery, Fillmore. Visitation at the funeral home was after 3 p.m. Sunday.

LETTERS TO THE EDITOR

KEWASKUM'S POLLUTION CONTROL COULD BE GREATLY IMPROVED

February 11, 1970

Dear Citizens:

According to news media, a switch in national priorities is presently occurring. Conservationists are making people aware of the need to protect and conserve the country's natural resources. Environmental improvement programs are receiving the vocal support of some politicians. Also, President Nixon has assured us that the federal government will enact a program of pollution control. Because of this publicity, there is a danger that citizens might become confident that their natural resources will be protected as a result of federal and state spending.

I question how much confidence we should have. We must be careful not to fall into complacency over this problem. Governmental programs are traditionally slow and inefficient when dealing with local problems—and much of environmental abuse is a local problem. Politicians react to their constituencies—often, they are aroused only as long as the voters are aroused.

Improvement of Kewaskum's physical environment is a local problem and will be best solved through a local solution. That local solution means citizen involvement and citizen action. The time of being a spectator on this issue is past. Club meetings and programs concerning the importance of conservation are not what is needed. Instead, action via citizen participation is necessary.

Recently a men's club collected \$75,000 through the hard work of members and contributions of others. Half of this amount would have been sufficient to correct the eyesores apparent on the highways entering Kewaskum. As stated in a recent article in this paper, the Milwaukee River is polluted. Anyone that has ever walked along the shore south of town is aware of the water's quality. Kewaskum's pollution control could be greatly improved by group-project work on this river.

These problems and others could be solved. Unions, church groups, men's and women's clubs are a good way to do it. There are many local, state, and federal representatives available to give advice. However, before a group can be expected to act, the individual must show interest. What are you going to do to help preserve our environment? Remember, in the tragedy of pollution, there are no small parts, just small actors. What's on your group's agenda for next month.

Sincerely,
Paul Schoenberger

Dear Friends:

Kindly renew the Statesman for another year! Enjoy it so much each weekend, would not be able to get along without your kind service.

Sincerely,
Mrs. F. Schleif

VEHICLE STRIKES PARKED AUTO ON VILLAGE STREET

An auto driven by Gerald A. Junk, 22, of 622 Jefferson St., West Bend, struck a parked car owned by Caroline A. Kreis, R. 1, Kewaskum, on East Main St. (Hwy. 28) at 11:55 p. m. Saturday.

According to the investigating officer, Junk said he was headed east on Main St. when an unidentified car traveling in the opposite direction forced him to lose control and his vehicle struck the Kreis auto, which was legally parked at the curb, in the left rear fender and bumper. The right front fender, bumper, hood and wheel of the Junk car and left rear fender, bumper and trunk of the Kreis vehicle were damaged.

The small son of a doctor answered the phone and told the caller that his father was not at home. 'Do you know when he will be in?' he was asked. 'No, I don't,' said the boy. 'He went on an eternity case.'

One of man's greatest enemies is the illusion that there will be more time tomorrow than there is today.

Seventeen players were selected on the Land o' Lakes All-Star basketball team which met the Oshkosh All-Stars of the National Professional league at the Menomonee Falls High School gym. Willard Prost was selected to represent Kewaskum on the squad.

Mr. and Mrs. Herman Weiland of St. Kilian received a telegram from the war department informing them that their son, Sgt. Leander O. Weiland, was wounded in action in the fighting in Belgium.

A majority of business establishments in this area are affected by a War Production Board order requiring a drastic curtailment of outdoor electric lighting in all parts of the country where coal is used in the generation of electric energy.

The Youth Fellowship League of Peace Ev. and Ref. church enjoyed a sleighride throughout the surrounding community Sunday afternoon, after which they returned to the church for lunch and refreshments. They made a stop at the farm of the parish president, Wilmer Prost, where they sang. Fred C. Backhaus furnished the team and was driver for the group. Mr. Backhaus recently observed his 73rd birthday and is hale and hearty.

A great many of our local fishermen again spent Sunday ice fishing on Lake Winnebago and again reported excellent catches of wall-eyed pike, perch and white bass.

Mrs. Betty Uelmen received the shocking news from the war department that her husband, Sgt. Lester J. Uelmen, 25, was killed in action in France recently. He was fighting with the 7th Army and was killed in his first combat. A son of Mr. and Mrs. Edward Uelmen, R. 1, Kewaskum, he is the ninth young man from the Kewaskum area to make the supreme sacrifice in World War II.

The Schmitt farm home occupied by Mr. and Mrs. George Coulter and family several miles west of Kewaskum was destroyed in a night fire. The frame part of the structure was completely gutted and all that was left standing was the brick walls and foundation. Kewaskum firemen were summoned but when they arrived the roof of the home was already collapsing.

Service news: Russell Belger, yeoman second class, U.S.N.R., arrived home to spend a leave with his parents, Mr. and Mrs. Herman Belger, after 1½ years of duty overseas with a torpedo boat squadron in North Africa and islands in the Mediterranean. Ralph Buddenhagen, gunner's mate first class, is spending a leave with his folks, Mr. and Mrs. Arthur Buddenhagen, R. 2, Kewaskum, after two years of overseas duty with the navy around Australia and New Guinea. Yeoman Third Class Harry E. Koch of the coast guard is now stationed in New Guinea.

A call came to this village from Kansas City, Mo. announcing the death of two young men from Wayne. The boys left home three short weeks ago to enter an automobile school in Kansas City, where they became ill with pneumonia. The boys were Wilmer Kippenhan, 18, son of the Wm. Kippenhans, and Clarence Petri, 18, only son of Mrs. Minnie Petri.

Mrs. Robert Wesenberg and Robert Yoost received word that their brother, William H. Yoost, who was seriously wounded in France, arrived safely in New York.

A fine new Gramm piano was delivered by P. J. Haug & Company to the Republican House where it is now sending forth its charming musical vibrations for the entertainment of Mr. Schultz's guests.

Heart Sunday, Feb. 22 To Culminate Fund Drive in Township

Heart Sunday, Feb. 22, will mark the peak of the annual Heart Fund drive in Wisconsin and throughout the nation. The residential "Pass-the-Heart" canvass in Kewaskum Township will give every family a personal opportunity to advance the fight against the heart and blood vessel diseases, according to Arnold Amerling, R. 2, Kewaskum, chairman.

In each residential block a volunteer will ask a household to start the "Pass-the-Heart" envelope by placing its contribution in it and "Passing-the-Heart" to the next door neighbor. This "Pass-the-Heart" envelope goes from door to door, neighbor to neighbor, covering both sides of the street. The envelope is to be kept at the last address until called for by the volunteer who started it on its way and whose name appears in a space provided on the envelope.

"Pass-the-Heart" envelopes are to be picked up by Heart Sunday, Feb. 22, the day that the drive will be culminated.

"It is our sincere hope that generous contributions will be enclosed in these envelopes," Amer-

ling stated. "These contributions are greatly needed to support the research, education and community service programs of Wisconsin Heart Association."

**GIRLS PREPARE FOR
FUTURE IN BUSINESS**

By Mrs. Beverly Hanson

Who should take business courses? At Kewaskum High School all the business courses except personal typing are geared to those people who want to gain skills to obtain a job in business. Office skills are in big demand today.

Why should a girl prepare for an office job? Most girls expect to work a few years after high school, get married, quit their jobs, and "live happily ever after." According to the Women's Bureau of the United States Department of Labor, however, this does not happen to today's teenagers. Today's teenage girl can expect to work an average of 40 years if she remains single. If she marries and has no children she can expect to work an average of 29 years. The Department of Labor statistics show a projected average of 25 work years for today's teenage girl who marries and has children. If this seems unlikely, just look around you. How many women whose children are in school do you know who stay home? Not as many as there used to be, that is for sure.

Knowing these facts, Kewaskum High School students are preparing for jobs they can take immediately upon graduation and which they will be able to go back to after they are married and have families.

The first business course students take is Typing I. This is offered at the sophomore level. Students learn how to type, build typing speed, and learn how to set up letters, manuscripts and some business forms.

At the junior level Shorthand I is offered. Students learn Gregg shorthand theory and begin building a salable shorthand speed. By the end of the year they can take shorthand dictation at rates between 60 and 80 words a minute for 3 minutes.

At the senior level Bookkeeping,

Shorthand II, and Office Practice are offered. In Bookkeeping the students learn the fundamentals of double entry bookkeeping. (This class is also very popular with the boys). In Shorthand II the girls work to increase their shorthand speed to 100 to 120 words a minute. They also learn how to set up and type letters from their notes quickly and accurately. By the end of the year they can type between 8 and 12 letters per hour from their notes.

Office Practice is a two-hour course that incorporates a typing review, business communications, filing, data processing, office procedures, and machines. Among the machines the students learn to operate are ten-key adding machines, calculators, transcribing equipment, a spirit duplicator, and a mimeoscope. During the second semester the students work on individual projects assigned to them on the machines. This way each student gets a chance to work on each machine and each type of project. The girls that graduate from this class are in especially high demand by local businessmen.

**ST. MATTHEW'S CYO TO
PRESENT 'BYE BYE BIRDIE'**

Ed Sullivan proclaimed "Bye Bye Birdie" the best musical of the decade, and St. Matthew's C.Y.O. of Campbellsport will present this musical Saturday and Sunday, Feb. 21 and 22, in the Campbellsport High School auditorium. Curtain time is 8 p. m.

"Bye Bye Birdie" tells the story of the drafting of a singing idol and the havoc it causes when Conrad Birdie stops off in a small town to give a lucky girl his farewell kiss. The production has been in rehearsal since November and all are assured an evening of comedy, music and thorough enjoyment. Ticket prices are \$1.00 for

adults, and 50 cents for all student. Tickets may be purchased from any C.Y.O. member, the Two-hig Furniture Store or at the door.

**Luboff Choir to
Give Concert at
West Bend Mar. 3**

Ticket sales opened at West Bend Friday, Feb. 13, for the March 3 concert by the Norman Luboff Choir. The 28-voice choir, under the direction of Luboff, will appear as part of the Fine Arts Series of the University of Wisconsin, Washington County Campus.

To accommodate an expected crowd of more than 1,000 the concert will be held in the McLane School. Tickets cost \$2.50 for adults and \$1.25 for students and are on sale at the UWWC office, 400 University drive, phone 338-1161.

Luboff's West Bend performance will feature sacred, secular, popular, and folk music including several numbers composed by Luboff.

The chorus' 30 albums have sold more than 3,000,000 copies. Luboff is one of the important figures on today's entertainment scene having produced scores for 79 motion pictures, 17 television shows, as well as serving as arranger-conductor for 11 singing artists.

Pete Ayer, chairman of the Fine Arts Series and music instructor at UWWC, said, "the Norman Luboff Choir is one of the best vocal groups in America, bar none. They do an equally good job on all styles of music ranging from folk songs to a Bach cantata, and their program ranges over all these styles."

4-H Club News

WAYNE CRUSADERS 4-H CLUB

On Feb. 3, the Wayne Crusaders held their monthly meeting at the Wayne school. The pledges were led by Kathy Stoffel. Roll call was answered by showing the "No Smoking" signs we made. The club voted to have each member pay 25 cents dues.

After a discussion, we decided to have each member give a talk next month. The talks will range from 3-5 minutes for the grade school children and 5-8 minutes for those in high school. The topic for the younger members is "Conservation" while the older members should prepare a talk on "Teenage Problems."

We voted to send 10 cents per member to the 4-H Leaders Association. We also planned a recreation night although no date was set. Cindy Gutjahr and Sharon Faber gave a weaving demonstration. The meeting adjourned and refreshments were served.

Kewaskum Indians Clinch First Scenic Moraine Conference Title

CRUSH GERMANTOWN FOR UNDISPUTED CROWN

"We're No. 1."

Kewaskum High school cheerleaders and student body have been chanting these words for a number of weeks now at their games. A large poster in the gym also informs spectators of the Indians' No. 1 position in the standings. Now it can be added:

"We're the champions!"

Kewaskum clinched its first undisputed championship in the strong Scenic Moraine conference at Germantown Friday night by crushing the Warhawks of Washington High, 66-51. It is the Indians first title after 13 years as a runner-up or also-ran. Kewaskum won its last title in 1956 when they were members of the Tri-County league. Now they can once again strut in the rarified air of a champion.

Congratulations to the hustling Kewaskum Indians, who went on the warpath all season before finally earning the coveted crown! Indians are supposed to be superstitious but not this 1970 Kewaskum tribe. They iced the title in their 13th game of the season on Friday, the 13th. They hold a two-game lead over second place Slinger with only one game remaining.

The first comment Coach Walt Bade had to make was "it feels very good."

Kewaskum's jubilant champs were very happy smiles as reserves and spectators swarmed onto the floor to shake their hands and pat them on the back at the final horn at Germantown. Incidentally there seemed to be as many if not more Kewaskum fans at Germantown than there were home spectators. Local fans have followed their "champions" at out of town games religiously all season.

Showing determination and poise, the Indians looked like the champions they are as they immediately set to the task at hand with much deliberation at Germantown. Playing it cool they ran up a one-sided 21-12 advantage in the first quarter and from then on were never in danger as they stayed well ahead of the Warhawks. Tony Butschlick just couldn't miss from the outside in the first period as he swished in 10 points. The Indians increased their lead to 12 points, 37-25 at

halftime and to 16 points at the end of the third quarter, 54-38. They coasted out the final stanza.

Germantown's Wilbur Henry also tallied 7 points in the initial quarter. A colored boy, he is a fine sophomore player whom Kewaskum will have to contend with two more years. Henry can shoot well, rebound, handle the ball and play a good defense. He wound up with 17 points for the losers.

After Butschlick cooled off some, the Indians' Randy Koth and Dick Bartelt picked up steam to cop scoring honors. Koth was high man for the evening with 20 points, all on field goals. Bartelt added 17 and Butschlick 16. Steve Stern passed off to let the others do the scoring after grabbing off most of the rebounds as usual. It was these four players who triggered Kewaskum's entry into the throne room.

As Coach Bade said, "it was a gain our team balance which paid off. We played each game one at a time and it worked for us," as he accepted congratulations.

Tonight (Friday) the Indians bring the regular conference season to a close in hosting a tough Pewaukee team (8-5). The Pirates have the league's leading scorer in Brattebo and were barely beaten by Kewaskum earlier. But the outcome is meaningless, except for pride, as the Indians have the title safely in the bag.

Next Friday and Saturday, Feb. 27 and 28, Kewaskum will host a WIAA District tournament with Mayville, North Fondy, Campbellsport and the Indians participating. SCENIC MORAINES STANDINGS

Port Wins Team Trophy in WIAA Regional Wrestling Tourney Here

Gundrum, Laatsch of Kewaskum Qualify For Sectional Meet

PORT, FOND DU LAC EACH HAVE FIVE QUALIFIERS

Although favored Port Washington won the point battle and team trophy in the WIAA Regional Wrestling Tournament held in Kewaskum Friday and Saturday, Fond du Lac matched them in qualifying five wrestlers for the Sectional meet this weekend at Valders.

The tournament was held in the Kewaskum High school gym with 11 schools participating. Two bouts were staged at one time and there was continuous action as one match immediately followed the other. The tourney was well attended and brought in many followers of the sport from the various visiting schools, including cheerleaders. First round and quarterfinals were held Friday evening, semi-finals Saturday afternoon and finals Saturday night.

Kewaskum qualified two runners-up for the sectional meet, both of whom reached the finals before being defeated. They were Leo Gundrum at 155 pounds, who lost 3-0 in the finals to Phil Mueller of Port Washington and Lloyd Laatsch at heavyweight, who was pinned in the finals by Virgil Larson of Ozaukee.

Gundrum and Laatsch led Kewaskum to a sixth place finish in the Regional with 33 points. Final team totals were:

Port Washington (Braveland conference champs) 84, (5 qualifiers); Fond du Lac (Fox River Valley conference runner-up) 76, (5 qualifiers); Campbellsport (Scenic Moraine conference champ) 62, (3 qualifiers); West Bend 61, (3 qualifiers); Cedar Grove 38, (2 qualifiers); Kewaskum 33, (2 qualifiers); North Fondy 25 (1 qualifier); Ozaukee 15, (1 qualifier); Random Lake 10, (no qualifier); Plymouth 9, (no qualifier); Oostburg 4, (no qualifier).

West Bend had three champions

Kewaskum, Grafton at Slinger, North Fondy at Germantown, Campbellsport at Hartland.

which was matched only by Port also a runner-up. Steve Mertens, undefeated 185-pound Badger stalwart with a 25-0 record, pinned two of his three opponents. George Spaeth, now 21-3-1, captured the 175-pound championship, and Scott Hughes gained the 98-pound title.

Fruit Growers to Hold Annual Meet

The Washington-Dodge County Fruit Growers Association will hold their annual meeting on Wednesday, Feb. 25, according to Mrs. Reuben Koch, chairman. It will begin at 10 a. m. in the Electric Co. meeting room in downtown West Bend.

This year's program, according to Mrs. Koch, will have four major phases. Ed Bergstrom, Dodge county agent, will present information on good soil management for producing fruit, and Bob Luening, UW agricultural Economics department, will talk about orchard management. In addition, one fruit grower will be asked to present information on fruit growing as he sees it.

All fruit growers are invited to attend the meeting, and enjoy the fellowship that goes along with it. Lunch will be served for a nominal charge.

Mrs. Koch reported that this is one of the few fruit growers associations, and probably the largest one, left in the state of Wisconsin. It has survived about 30 years of activity.
