Bicentennial Notes

There are many of our area citizens who remember the good food and good times they had at the old North Side Park. The picture above is of the dining hall located there. The park also contain-

ed a band stand and a dance hall. The park was located along the Milwaukee River in the area now occupied by the new Regal Ware office building, high school track field and new middle school.

On many occasions, weekends and holidays, the park was filled with large groups of people from the Milwaukee area who would arrive by special train for a full day of food, drinks, enter-

tainment and fun until the train whistled the summons for their return to the city.

The park was owned and operated by the family of the late Joe Eberle.

If you have any pictures

we could borrow for use in our Bicentennial Notes please contact L. N. Peterson, chairman, 626-2766; Mark Smucker, 626-4335; Charles Miller, 626-2220, or Mrs. Bill Martin, 626-2950.

Firemen Attend Badger Banquet

The annual spring meeting and banquet of the Badger Firemen's Association was held at Belgium Community Center Sunday. Chiefs and delegates of the various departments in the association attended the afternoon meeting and were joined by several hundred firemen for the evening banquet at 6:00.

Kewaskum Fire Department delegates were Assistant Chief Augie Bilgo, Butch Gengler and Ron Amerling. They were joined for the banquet by Alex Laubach, Don Ehnert, John Kudek, Bruce Petri, Bill Harbeck and Clayton Stautz.

Cash prizes won by the departments in the annual bowling tournament, hosted this year by West Bend at Lighthouse Lanes in January, were distributed. Kewaskum firemen fared well this year, winning \$93 in prize money. Team No. 1, comprised of Capt. Greg Rohlinger, Armin Oppermann, Ron Sarauer, Don Ehnert and Mark Schaefer, took third place with a 2703 and won \$50. Kewaskum also won \$43 in the doubles. Sarauer and Schaefer hit a 1258 good for \$25. Al Rohlinger and Rick Boden won \$10

with a 1194 and Greg Rohlinger and Eddie Miller won \$8 with a 1184.

Staffing on Agenda For School Meeting

The Kewaskum Board of Education will meet Monday, April 14, at 8 p. m. in the administrative offices. Staffing will be the major item on the agenda, along with a report on the state budget picture if information is available on the actions taken by the Joint Finance Committee. A brief building report is also on the agenda.

The board will act on extending the contract of Merv Thompson through the remodeling projects to be done, as well as on the resignation of Patricia Baker. A committee to work on salaries of non-certificated personnel will be considered, as will possible additional insurance coverage. Salaries of administrators and other non-scheduled professional employees will be discussed in executive session, as well as progress in teacher negotiations.

Volleyball Marathon Raises \$800

The volleyball marathon held at the High School Mar. 1 and 2 raised in excess of \$800.00 toward an activities sign for the school. The marathon was sponsored by the Student Government.

Joanne Strobel collected the most money, \$54.57, and the Carol Spaeth group raised the most as a team, \$138.65. Members of Carol's team were Diane Brendemuhl, Sue Binder, Maxine Wagner, Carol Wahnschaffe, Joyce Schladweiler and Melodie Dorn. These students will be awarded tickets and a half day's vacation from school to go to the Brewers' game, opening day, April 11.

The student government thanks all contributors and participants for helping make this activity a success.

LOCAL HISTORICAL SOCIETY TO MEET

The Kewaskum Historical Society will hold their monthly meeting at the Kewaskum Valley Bank at 8:00 p. m. on April 15. Discussion shall be held on local membership drive. The public is invited.

Auburn Heart Fund Drive

Raises \$345; Donor Is Stricken

A total of \$345.00 for the Wisconsin Heart Association's 1975 drive in the Town of Auburn was reported today by Mrs. Ralph Strassburg, who headed the local fund raising drive. The response was exceptionally good with no envelopes lost and an increase of 67% over last year.

Mrs. Strassburg expressed Wisconsin Hearts' gratitude in the township for its support of the Heart Fund and to the people who started the

envelopes. The only regret Mrs. Strassburg had was that of the death of one of the starters. Mrs. Marcella Wiskow started the envelope and was stricken with a heart attack shortly after receiving the envelope. Her contribution was in the envelope along with the rest of the names on that particular envelope.

A big thank you to all who helped and all who contributed.

SCOUT COMMITTEE EXPRESSES THANKS

The Kewaskum Boy Scout Committee wants to thank all those who helped make their Pancake Supper a success. Thanks especially to the mothers who supplied all the pies and cakes, and mmm-m-m-m were they delicious! Many thanks, too, to all the Scouts and Scouters for helping in the activities Saturday evening.

Last, but not least, we cannot forget about the Super Salesmen, Cubs and Scouts both, who made the advance sales. They did an excellent job!

DAWN MARTIN TO GIVE CLUB PROGRAM

"Let's Spend a Day With a Nurse" is the title of the program to be given by Miss Dawn Martin when the Kewaskum Woman's Club meets at 2 p. m. Saturday in the lounge of Peace Church. Miss Martin is a registered nurse on the staff of Milwaukee County General Hospital and the daughter of Mr. and Mrs. Marvin Martin, Kewaskum.

Hostesses will be Mrs. Jan Rosenthal and Mrs. Carl Ackerman.

Dog Owners:

THIS symptom is usually directly connected with dog ownership. The bigger the dog, the bigger the problem. Northrup King has the answer to Spot's spots.

There are at least two cures for this accursed lawn malady. Since the first one involves disposing of the dog, we will move quickly to the second cure . . . an application of Fast & Fine grass seed. It will probably interest you very little to learn that Fast & Fine is a blend of Kentucky Bluegrass, fine fescue and fine-leaved perennial ryegrass called NK-200. It may interest you to know that Fast & Fine will fill in bare spots quickly and blend beautifully with the surrounding grass.

WE'VE SAID IT BEFORE, AND WE'LL SAY IT AGAIN.

Now that your dollar buys less...

make it earn more.™

We ran this ad about a year ago. Back then we were trying to tell you something. Since then, things have gotten tighter. Inflation is more prevalent. Recession is upon us. So, we decided to tell you once again why saving your money with us is a wise decision.

1. YOUR MONEY REALLY RETURNS.

And it returns with the highest rates you can get from a bank anywhere in the country. And since our savings plans are flexible to your financial capabilities, chances are we have a plan that will fit you like a tailored suit of financial armor. Use the chart below to help you compare our many plans and pick the one that best fits your needs. Note, especially, our NEW 7½%-6 year Money Back Guarantee Savings Plan.

2. YOUR MONEY IS SAFER THEN EVER.

As hard as that may be to believe in this time of inflation and recession, it's true. The Federal Deposit Insurance Corporation, recently doubled its coverage of your money. You're now protected up to \$40,000. In addition, your money is backed up by the strength, security and experience we've developed over many years.

3. YOUR MONEY IS AVAILABLE.

Unlike many investment plans, when you put your savings in our bank, you can get your hands on your money fast. Meaning you're not cut off from your money in case the economy makes a surprise attack on your budget. Every penny you put in is available quickly and easily.

All this adds up to one big important fact: Nowhere else can you find this kind of return and this kind of safety and still have your money available. Whichever plan you choose, you'll have something you can count on. And that's mighty important these days.

THIS LITTLE DROP IN THE BUCKET IS COSTING US ALL A BUNDLE.

The hot water faucet that's leaking one drop a second is losing about 68 gallons of hot water a month. Over 800 gallons a year.

Multiply that by more than 120,000 electric water heaters using Wisconsin Electric power and you've got more than 96 million gallons of hot water down the drain. Enough for a million and a half loads of wash.

And the electricity it takes to heat that much water could supply more than 1000 average Wisconsin Electric households for an entire year.

The point is this. It doesn't take much of an effort by each one of us to make a big difference in the amount of electricity used by all of us.

That's important because if everybody makes the most of the electricity they use Wisconsin

Electric can put off building additional power plants.

And that's good. Because building power plants in these inflationary times will mean a poorer return for our investors. And higher rates for our customers.

So the longer we can put off expensive construction the better off we are. The better off you are.

You can help by eliminating waste. By fixing that leaky hot water faucet. By turning off the TV and lights when you leave a room. By waiting 'til you have a full load before putting your dishwasher or clothes dryer to work.

Wisconsin Electric has a whole booklet full of ideas to help you get the most out of the electricity you use. To help you keep your electric

bill as low as possible.

You can pick up your free copy at the Wisconsin Electric office near you. Or just clip and send this coupon.

THE END OF HOT FLASH! FERTILIZERS

You know the heartbreak of cheap fertilizers... an instant flash of green followed closely by a period of almost complete inactivity. This need never happen to you and your lawn as long as there remains sufficient supply of Northrup King Golf brand Lawn Food.

Wherever reputable agronomists gather, most will attest to the long-lasting effects of this form of feeding, as well as the fact that its chemical ratio is close to that Mother Nature herself provides in rich soil.

Backhaus, Miller Receive Awards At Lakes Dinner

The Land o' Lakes Basketball League held its annual awards dinner at Etzel's Country Inn, Hwy. 145 in Germantown on Saturday, April 5.

Rev. John Heinbuch, pastor of United Church of Christ Jackson - Slinger Larger Parish gave the invocation and benediction. Pastor Heinbuch also presented the sportsmanship award to Donald Pruefer, manager of the Port Washington Lakers.

John Torinus Jr., editor and general manager of the West Bend News, was the featured speaker of the evening.

Guests at the banquet were the sons of the founder of the Land o' Lakes League, the late Martin Weber, Sr. They were sons Tom, Andy, Jim and Martin Weber, Jr.

It read as follows: "Wisconsin's Finest Basketball League - Land o' Lakes - to Commissioner Jake Oelhafen - in appreciation for many years of service to us - from the teams of Cedarburg, Germantown, Hartford, Horicon, Kewaskum, Mayville,
