Non-Union Employees and Police Contracts Settled

1986 Village Tax Rate Set

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Village Board, Monday night, set the 1986 gross tax rate at \$27.42, up 2.94% from 1985's rate of \$26.64. Administrator Dan Schmidt told the trustees, however, that due to slight increases in both the village's and school's tax credit, there would only be a .53% increase in the net tax rate, from \$22.93 in 1985, to \$23.05 for 1986.

For the last three years the village's taxes have gone down, noted Schmidt, and this year with all things considered, the village is fortunate to have only slightly more than a one-half per cent increase.

A letter of explanation showing where revenues come from and expenditures go to, will accompany village tax bills. Of the village's revenues, 36% comes from State Shared Revenues, 37% General

Property Tax, and 27% other village revenues such as licenses and permits.

On the spending side, 56% goes to the Kewaskum School District, 25% to the village, 12% to Washington County, 6% to Moraine Park Technical Institute, and 1% to the State.

The village's portion of the total tax rate is \$6.79, up 16c per \$1,000 of assessed valuation over 1985.

In other action the board approved wage increases for the village's non-union employees, and a two-year contract with the Kewaskum Police Union. Raises for the non-union employees will be based on a 3.2857% increase to the salary schedule for 1987. Effective January 1st, Administrator Dan Schmidt's salary will go from \$29,605 to \$30,578. Public Works Superintendent Augie Bilgo \$27,372 to \$28,271. Chief of Police Donald Hlavaty \$26,417 to \$26,555.

Water Pollution Control Superintendent Peter Albers \$24,615 to \$25,436. Patrolmen \$23,033 to \$23,781. Public Works and Pollution Control crews \$9.47 per hour to \$9.79 per hour. Bookkeeper \$7.05/hour to \$7.30/hour. Head Librarian \$6.10/hour to \$6.30/hour. Secretary \$5.65/hour to \$5.85/hour. Assistant Librarian \$4.91/hour to \$5.07/hour. The fifteen regular employees increases averaged 3.27%. The 17 part-time employees increases averaged 3.2%.

Crossing Guards went from \$14.50/day to \$14.95/day, substitutes \$12.50/day to \$12.95/day. Patrolmen with training \$7.25/hour to \$7.50/hour, without training, \$5.75 hour to \$5.95 hour. Public Works \$5.85/hour to \$6.00/hour. Pollution Control \$3.35/hour to \$3.50/hour. Custodian \$3.35/hour to \$3.50/hour.

Bus Service to Resume In Kewaskum Dec. 10

Greyhound will begin serving Kewaskum again Dec. 10 with daily bus service to cities north and south.

Michael Slobofski, field sales manager for Central Greyhound Lines, Inc. of Milwaukee, said the starting limited schedule will be expanded Jan. 7 with six schedules daily and additional service Friday afternoon and Sunday evening.

Kewaskum has been without bus service to Milwaukee and Fond du Lac for about two years, after American Trailways discontinued service.

Slobotski said area population, the completed U.S. 45 Bypass, and requests from people outside the area who want to get to the West Bend area prompted the service.

In Kewaskum, Schmitt's Never In at 1271 Fond du Lac Ave. will be the Greyhound Agency, with Roger Schmitt as agent. Schmitt's number is 626-4247.

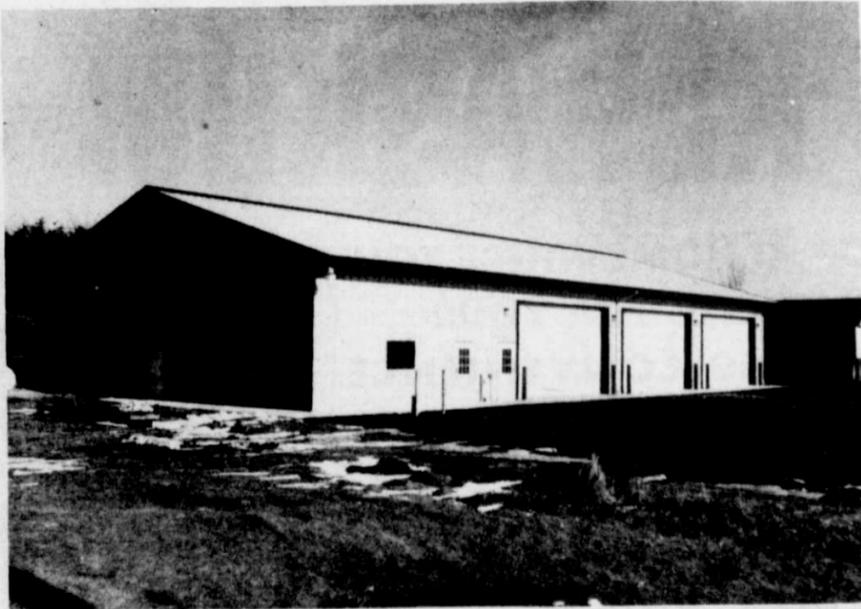

In West Bend, the bus will be boarded at Frontier Bowl, 2910 W. Washington Street (Hwy. 33). Dennis Bandle, manager of the bowling alley, is the agent in that city. People with questions about fares, routes and special programs can call 338-6454. The number will be in service Dec. 6.

The Greyhound bus will provide direct service north to Green Bay via Fond du Lac, Oshkosh and Appleton. There will be direct service south through Menomonee Falls to Milwaukee, Mitchell Field and O'Hare Field in Chicago. Slobotski said that Green Bay, Milwaukee and Chicago will be the transfer points to other areas.

Also the Red Flyer, which serves Washington County out of Hartford, will connect at the Frontier Bowl daily with one northbound and one southbound route, beginning in

Open House Scheduled at New Wayne Town Hall

The recently completed Wayne Town Hall and Garage will be open to the public for inspection Sunday afternoon, December 7, from 1 to 5 p.m. The hall and garage has three large bays to house all of its highway equipment.

By GERRY MUELLER
Statesman Staff Writer

The Town of Wayne will host an open house on Sunday, December 7th, from 1:00 to 5:00 p.m., at its new, recently completed, town hall, garage and salt shed located at 6030 Highway H, just west of Wayne.

Town Board officials invited the public to come out and

inspect the facility which replaces the old garage in Kohlsville. The new 60 x 104 foot building houses a meeting room, kitchen and three bays for the town's highway equipment. A new 30 x 40 foot salt shed was also constructed adjacent to the garage.

Town Chairman Carl Hohlweck said the buildings were constructed at approximately

\$3,000 below estimated costs. The township had received a \$150,000 loan from the Wisconsin Trust Fund for its construction.

Hohlweck and Town Supervisor Mark Strobel said they feel town residents will be very pleased and proud of the new building. "It's really a big improvement over our old garage," said Strobel.

Christmas Sale Now On

The Kewaskum Area Chamber of Commerce is sponsoring its fourteenth annual Christmas Sale promotion.

In conjunction with the sale, some merchants are offering individual prizes to the lucky winners. All you have to do is clip the coupons from the ads and drop them off at the participating merchants. You must be 18 to register, and will be notified if you have won a prize.

Shoppers are invited to take advantage of the many bargains and specially marked items in stock for the holiday season. Check the ads on the inside pages. SHOP KEWASKUM FIRST.

Rev. Hoenecke Has Liver Transplant

Rev. Paul Hoenecke, pastor at St. Lucas Lutheran Church, Kewaskum, is recovering at Froedtert Memorial Lutheran Hospital, Milwaukee, after receiving a liver transplant last Tuesday.

Rev. Hoenecke was taken out of the intensive care unit on Saturday and according to his son is doing very well. The doctors reported his recovery is ahead of schedule and he might be home for Christmas.

Rev. Paul, who has been at St. Lucas for 20 years, had been waiting two months for a transplant. He received word early last week that a donor liver was available.

Who Rescued Kevin?

The family of Kevin Schneider wishes to thank the two men who rescued him from the Milwaukee River around 1:40 p.m. Saturday, November 29. Kevin apparently slipped off the ice into the open water at the old beach area after throwing a stick into the river. Kevin is only three years old so the only information his parents have is what he told them.

Kevin had been playing outside with his older sister when he was attracted by the sounds of what he believed were firecrackers coming from the River Hill park area. The sounds possibly could have come from the gun of an area hunter. Unnoticed by his sister, Kevin crossed the nearby railroad tracks and roamed to the park and beach area.

Little Kevin is the son of Don and Karen Schneider, 115 Elm Street, Kewaskum. If anyone knows who these men are who rescued the boy, please let the parents know so that they can thank them personally. Phone 626-4748

Village Bd.

(Continued from Page 1)

Winter recreation \$5.35/hour to \$5.50 hour. The Health Officer salary remained at \$250/year. Zoning Administrator \$125/-month, Building Inspector \$90/-month.

The costs for the 1987 increases of the 32 employees is expected to run \$11,364 to \$12,385.

Effective January 1st, 1987, union police patrolmen will receive a 3.25% increase, and effective January 1st, 1988, a 3.5% increase.

In other business the board approved amending the bicycle registration ordinance from a \$1.00 annual fee to a \$5.00 one-time non-expiring fee.

The board also accepted the recommendation of the Plan Commission to approve a new certified survey map of the Tom Timblin property upon receipt of a legal counsel approved developer's agreement related to the project.

Trustee Richard Schmidt advised the board he has been re-appointed to the County-Wide Library System Board. Schmidt also informed the board that, because of questions raised by the City of West Bend concerning allocation of funds, the January 1st date for starting the program was questionable. He told the board that while the whole procedure had been laid out, "there are definitely several things that have to be worked

out before the program can go into effect." Right now everything is in limbo, said Schmidt. Trustee Mary Krueger, who has worked on the Countywide Library Committee, said she could not understand what West Bend's problem was since it knew what it was getting into from the start.

Parks Committee Chairman Tom McElhatton informed the board that Tom Larsen was setting up the Winter Open Gym schedule which would start shortly.

The board approved a bartender's license for Sherry Kemp and then adjourned into closed session.

Bus Service

(Continued from Page 1)

January.

Slobotski said limited service beginning Dec. 10 would help familiarize riders with bus service and will provide transportation shoppers during the holiday period.

The limited schedule will be in effect from Dec. 10 to Jan. 7. During that time the southbound bus will leave Kewaskum at 6:35 p.m. and West Bend at 6:50 p.m. The northbound bus will leave West Bend at 12:45 p.m. and Kewaskum at 1 p.m.

The full-service schedule will be in effect Jan. 7.

Southbound from Kewaskum at 9:10 a.m. and 11:40 a.m.; Friday only, from Kewaskum at 2:45 p.m. and 6:35 p.m. Northbound, from Kewaskum at

11:10 a.m., 1 p.m. and 5:15 p.m.; Sunday only, from Kewaskum at 8:30 p.m.

Children under 5, with an adult, ride free. Children 6 to 11 are half price when they are with an adult. Persons 65 or older receive a 10 percent discount.

Greyhound Package Express will also be part of the new service. Businesses and individuals will be able to ship packages between cities through the Greyhound agency.

In the Service

Coast Guard Seaman Apprentice Terrence G. Luedtke, son of Donna M. Laudloff of 2746 Scenic Road, Route 1, Campbellsport, was graduated from Coast Guard recruit training.

Luedtke attended the eight-week training at the Coast Guard Training Center, Cape May, N.J. Among the subjects he studied were first aid, Coast Guard history and seamanship, communications, damage control firefighting and physical conditioning.

A 1986 graduate of Campbellsport High School, he joined the Coast Guard in June 1986.

Friday, Dec. 5, 1986, Kewaskum Statesman, Page 2

Winter Parking in Effect

On Monday, December 1, 1986, the Village of Kewaskum Night Parking Restrictions went into effect.

All vehicles are prohibited from parking, stopping or standing on any street within the corporate limits of the Village of Kewaskum between the hours of 2:00 a.m. and 6:00 a.m. These are the same restrictions as in the past and will be in effect until April 1, 1987, or until rescinded by the Village of Kewaskum Board.

Violators will be fined \$5.00 if

paid with 3 days of the violation, \$10.00 if paid within 10 days and \$20.00 after the 28th day of the violation. After 28 days the registrations for any vehicles you own will be suspended for failure to pay fines.

One way the body adapts to cold weather is to induce shivering—an involuntary muscle activity which increases metabolic heat production.

Kewaskum Schools' Steering Committee To Meet Wednesday

The Steering Committee for Kewaskum Schools will meet in the Community Room of the Municipal Building on Wednesday, Dec. 10, from 1:00 to 3:30 p.m. The agenda will include continued discussion of overall goals for the school district; appointment of steering committee chairs for language arts, reading, and mathematics; review of the philosophy and goals for the social studies program; and an update on the relationship of the competency testing program to the curriculum evaluation process.

The program subcommittees of social studies, art, and music teachers, and guidance staff are continuing to meet to review the learning objectives. These written objectives are the basis for the instruction at each grade level or in each course. The teachers are defining the outcomes or learning criteria that they expect the majority of the students to learn. The subcommittee then reviews the objectives to make sure that the overall program goals are met and that students have the opportunity to learn basic concepts and skills before proceeding on to higher goals. The completed program in each area will then be reviewed in the spring by the steering committee who will accept it or recommend revision before sending the report on to the School Board.

KHS to Host Financial Aids Night Wednesday

On Wednesday, December 10, at 7:30 p.m. the Kewaskum High School Guidance Department will be hosting a Financial Aids Night in the high school cafeteria.

The program is designed to inform students and parents of the various types of financial aid available to those wishing to attend post-secondary institutions. The program is not only designed for college-bound students, but also intended for students wishing to attend trade school or technical schools.

The program will last approximately one hour and a question and answer period will follow the presentation. Mr. Mike Murphy from UWWC in West Bend will be the main presenter.

Refreshments will be served following the program. Mr. Murphy, as well as the high school guidance staff, will be available to answer individual questions.

This program will be extremely beneficial in understanding financial aid and in filling out the Financial Aid forms.

Legion High School Contest Is Underway

The Fiftieth (50th) Annual American Legion High School Oratorical Program is underway. Wisconsin High School students are invited to participate. Contestants are required to speak on some phase of the Constitution of the United States of America.

Scholarships will be awarded to all state finalists. Additional scholarships will be awarded in the state semi-finals. The state winner will advance to the next level of competition (a National Regional Contest) and will

automatically receive a \$1,000 scholarship from The American Legion National Organization. A contestant who wins a National Regional then competes in a National Sectional and if successful at that level advances to the National Finals in April, 1987. National Scholarships will be awarded to the four (4) finalists competing in the contest: 1st place - \$16,000; 2nd place - \$14,000; 3rd place - \$10,000; 4th place - \$8,000.

High school students interested in participating may contact their local high school,

their local American Legion Post or Wisconsin American Legion Headquarters at 812 East State Street, Milwaukee, WI 53202 (414) 271-1940 for further information.

Teachers, Students Enthusiastic About Quest Program

Kewaskum Middle School teachers Bill Wuebben and Linda Bastable spoke to a recent Kewaskum Lions Club meeting on the club's sponsored "Quest Skills for Adolescence" Drug Awareness program. Bastable displayed and explained teaching materials used in the education program.

By GERRY MUELLER
Statesman Staff Writer

Until Quest's "Skills For Adolescence" came along, there was really nothing that directly addressed the needs of adolescents, students in grades six through eight, said Middle School teachers Linda Bastable and Bill Wuebben, as they addressed a recent meeting of the Kewaskum Lions Club.

"Skills for Adolescence" is one of four programs developed by The Quest National Center, a non-profit organization founded in 1975, dedicated to helping young people 11 through 21, develop leadership potential, promote and encourage healthy lifestyles, enrich the quality of family life and enhance personal development skills for effective living. The program is sponsored throughout the United States by Lions Club International.

Until now, our adolescents, youngsters who are not children but not yet teenagers, have more or less fallen between the cracks because there was nothing specifically designed to meet their needs now and answer the questions of these students, not only about drugs but also about themselves.

"Skills for Adolescence is so

much more than just a drug program," said Bastable, "it teaches skills in decision making, communication, relating to and understanding your feelings as well as the feelings of those around you, and dealing with peer pressure in learning to say "no" to drugs and alcohol."

Bastable and Wuebben, who are beginning the second session of the program, told the Lions, they were very happy with the results they have seen in the students who have participated in the course.

"When my first students asked what the course was about, I told them "you," said Bastable.

In a student survey on the course, Bastable said all she got was "very positive reactions." Students who are now signing up for the course are asking those who have taken it how it is and everyone says the same thing, you're going to like it, Bastable told the group.

"This is a drug program that basically does not talk about

drugs but rather people," stated Bastable. After this course was completed I could really see the change in students' attitudes. Now in situations where there would have been teasing and ridicule, students are showing concern and giving each other support.

Bastable and Wuebben said the only regret they have is that there is not enough time to use all the materials provided. They are presently working with the seventh grade. Next year they hope to expand the program to the sixth grade.

The Kewaskum Lions Club sponsored Wuebben's and Bastable's training and provided the necessary instructional and student materials for the course. "The Lions Club deserves a pat on the back for their support of this program," said Bastable. Our district is very lucky to have this program which is really just getting started in other parts of the country.

Campus Notes

WHITEWATER — Pamela J. Heberer of Kewaskum is among the 47 University of Wisconsin-Whitewater students whose names are to be included in the 1987 edition of "Who's Who Among Students in American Universities and Colleges."

Campus nominating committees and editors of the annual directory have included the names of these students as national outstanding leaders based on their academic achievement, service to the community, leadership in extra-curricular activities, and potential for continued success.

They join an elite group of students selected from more than 1,400 institutions of higher learning in all 50 states, the

District of Columbia, and several foreign nations.

Outstanding students have been honored in the annual directory since it was first published in 1934.

Pam, a senior accounting major, is the daughter of Mr. and Mrs. William Heberer, 691 Mill Rd., Kewaskum.

Semi Loaded With Soda Tips

Lanser Towing of Belgium used two large tow trucks to "right" a How-Dea Services semi-truck which was involved in a one-vehicle accident Monday morning. The rig, which was hauling a load of Jolly Good soda from Krier Canning, Random Lake, was extensively damaged.

By GERRY MUELLER
Statesman Staff Writer

A semi-truck belonging to How-Dea Services of Belgium, Wisconsin, was involved in a one-vehicle accident at approximately 7:45 a.m. Monday morning. The incident

occurred on Highway DD, just east of the Fond du Lac - Sheboygan County Line. Sheboygan County Deputy Sheriff Tenhaken reported the driver, Thomas Sizonen, 30, of Route 1, Waldo, stated he thought his load shifted as he

traveled through a winding section of the road. Sizonen said his trailer began to sway, going onto the westbound shoulder where it entered the ditch and tipped over. Sizonen refused medical assistance and was transported

to St. Nicholas Hospital, Sheboygan, by private vehicle. Kewaskum Statesman, Page 5 Friday, Dec. 5, 1986

The truck was carrying a load of Jolly Good soda from Krier Canning Company in Random Lake. It took over four hours to transfer the load and get the truck and trailer, which was extensively damaged, righted and off the road.

Mankind was matchless until the friction match was invented in 1834.

County Extension Homemakers Elect Officers for 1987

The Washington County Extension Homemakers recently elected their officers for the 1987 program year. The new officers of the organization are as follows:

President: Pat Hafemann, Vice President: Barb Beyer, Secretary: Kathy Schreffler, Treasurer: Luella Kissinger, YEH (Young Extension Homemaker): Lois Thull.

Germantown Center Chairman: Donna Kleinmann.

Hartford Center Chairman: Laura Luckiesh.

Kewaskum Center Chairman: Joan Stoffel.

Richfield Center Chairman: Dorothy Krusick.

Slinger Center Chairman: Betty McCabe.

Trenton Center Chairman: Anna Mae Pecher.

West Bend Center Chairman: June Biertzer.

The Extension Homemakers in Washington County is an organization of 395 members belonging to 37 clubs through the county. The club educational leaders receive training each month on an educational topic taught by Joyce Albrecht, U.W. Extension Home Economist or special guest speakers. Each leader presents the project at their local club meeting made up of 5-20 members.

The projects for 1987 will

include: New and Easy Yeast Baking; Where Do I Go For Help... Know Your County Agencies; International Study of Ireland; Growing and Using Wild Flowers; "Out, Damned Spot"... Stain and Spot Removal; 50th Anniversary Dinner; Cooking Healthy; Lace Net Darning and Health Insurance Basics.

Anyone wishing more detailed information can contact one of the officers or Joyce Albrecht, P.O. Box 1986, West Bend 53095 or phone 338-4479; 644-5204 or 342-2929.

County Health Nursing Service To Hold Clinic

Monday, Dec. 15 — WIC (Supplemental Food Program for Women, Infants and Children) will hold a clinic from 8-12 noon at the Community Health Nursing Office in the Washington County Court House. For information or an appointment call 338-4466, 644-5204, or 342-2929.

Friday, Dec. 19 — WIC (Supplemental Food Program for Women, Infants and Children) will hold a clinic from 8-12 noon at the Community Health Nursing Office in the Washington County Court House. For information or an appointment call 338-4466, 644-5204, or 342-2929.

Monday, Dec. 29 — WIC

(Supplemental Food Program for Women, Infants and Children) will hold a clinic from noon to 4:00 p.m. at the Community Health Nursing Office in the Washington County Court House. For information or an appointment call 338-4466, 644-5204, or 342-2929.

Free High Blood Pressure Screening

The Washington County High Blood Pressure Control Program is offering free blood pressure screening at the following sites during the month of December. This program is sponsored by the Washington County Community Health Nursing Service and the American Heart Association.

December 6 — Dick's Ambulance & Rescue Service, 411 Kettle Moraine Dr., S., Slinger, 10 a.m. - 12 noon.

December 13 — West Bend Fire Department, 320 N. 7th Avenue, 1 p.m. - 4 p.m.

December 20 — Colonial Bank, 1301 Highway 175, Richfield, 10 a.m. - 12 noon.

December 27 — West Bend Fire Department, 320 N. 7th Avenue, 1 p.m. - 4 p.m.

Questions about the program may be directed to Doris Dauer, Coordinator, at 338-5274 or 644-5204 or 342-2929.

**Postal Service Advises:
WRAP IT RIGHT**

Field Division General Manager/Postmaster, R. W. Beranek, has half a dozen "dos" and "don'ts" for customers who want to be sure their holiday parcels are delivered in the condition intended.

*** Don't box yourself in — use the right container.** Boxes must be adequate in size for the items being mailed and provide enough space for cushioning material. They must also be strong enough to hold the weight of their contents. If the box has adequate space for an address (cross out confusing information), it is not necessary to wrap it in paper. If you use paper, however, be sure it is equivalent to the kind used in grocery bags (60-pound weight). Fiberboard tubes and similar long packages are acceptable if their length does not exceed 10 times their girth.

*** Give yourself some cushion.** Cushioning absorbs and distributes shock and vibration. Examples of good cushioning materials are foamed plastics, corrugated cardboard and loose fill material such as polystyrene, popcorn or shredded newspaper. Loose fill material should completely cover the items being mailed.

*** Close parcels up right.** Use tape, not string or rope, to close packages. Cellophane and masking tape should not be used. Pressure sensitive, filament-reinforced tape is recommended and should be wrapped around the parcel at least twice.

*** Addresses are important.** You can spend a fortune on wrapping, but your package will never reach its destination if it is not addressed right. Print or type the address clearly on one side of the parcel only. It is also a good idea to put the name and address inside the package in case the address label comes off.

*** Don't mail your pet elephant.** Packages must not exceed 70 pounds. They must also be at least 3½ inches wide and 5 inches long, and total length and girth cannot exceed

108 inches.

*** Don't overinsure.** If your parcel is valuable, you might want to insure it, but insure it only for its actual value. The Postal Service pays claims based on the actual value of lost or damaged items and not a higher insured amount.

"If you follow these six suggestions, it'll help us to get your package where it's going on time, in good shape," Postmaster Beranek said.

"Manners are the shadows of virtue."

Rep. Buettner to be Candidate For McCallum Senate Seat

Rep. Carol Buettner

OSHKOSH — State Rep. Carol Buettner announced Monday that she intends to be a candidate for the Senate seat being vacated by Sen. Scott McCallum and will formally announce her candidacy after his resignation is effective.

Buettner, R-Oshkosh, represents the 54th Assembly District.

McCallum, R-Fond du Lac, recently elected as Wisconsin's next lieutenant governor, has submitted his letter of resignation from his 18th Senate District so a special election to fill the seat will be held next spring.

"That special election has not yet been scheduled, but probably will be held no later than April," Buettner said.

"As a State Representative, I have, in the past four years, worked hard to support retention and creation of jobs in Wisconsin and have fought for necessary changes in the juvenile code. As ranking member of the Assembly Aging Committee, I have supported and will continue to support initiatives which further independence and dignity for older adults," continued Buettner.

I feel my legislative experience would benefit the people of the 18th Senate District," Buettner added.

The 18th Senate District includes parts of Fond du Lac, Ozaukee, Sheboygan, Washington, and Winnebago Counties.

Buettner was first elected to the Assembly in 1982.

She has served on the Assembly committees on economic development, small business and aging, criminal justice, public safety, family and economic assistance, health

and human services. She also has served on the Legislative Council Committees on Juvenile Offender Dispositions, and Mental Health in Prisons, and is the Representative from the Assembly appointed to the Governor's Task Force on Professional Discipline.

and human services.

She also has served on the Legislative Council Committees on Juvenile Offender Dispositions, and Mental Health in Prisons, and is the Representative from the Assembly appointed to the Governor's Task Force on Professional Discipline.

Buettner, 38, is a 1972 graduate of the University of Wisconsin-Oshkosh. She has

Campus Notes

Menomonie, Wis. — Sixteen Kewaskum area residents are enrolled this fall at UW-Stout. They are: Joann Blum, Erika Follmann, Corey Garbisch, Jeffrey Igel and Diane Schulz, all majoring in hotel and restaurant management; Amy Sekas, majoring in art, Timothy Indermuehle, majoring in general business administration; Mark Brodzeller, Matthew Hanrahan, Frank Lohrer, Michelle Paul and Steven Straub, all majoring in industrial technology; Christine Schulz, majoring in home economics education; Leean Schneider, majoring in psychology; Deborah Seideman, majoring in clothing, textiles and design; and Mary Reader, majoring in child development and family life.

With an enrollment of approximately 7,700, Stout is a "special mission" university of the UW System. Founded in 1893, it retains its original primary mission of preparing men and women for careers. Because of this, the university continues to have a job placement record of better than 90 percent for its graduates.

When potatoes were first introduced to Europe, people were skeptical and ate only the leaves.

KEYS Concert Features Pete Ayer Ensemble

Christmas time is a special time: a special time for remembering and for being thankful. Christmas music is a very important part of this remembering.

The Peter Ayer Ensemble will be presenting a Christmas Concert on Sunday, Dec. 7 at 7:00 p.m. at Kewaskum High School. This concert will give all in attendance the special feelings of Christmas — the sounds and the remembering. The concert is a benefit for "KEYS" Kewaskum Youth Scholarships, Inc. — which is a non-profit organization that provides scholarships to graduates of Kewaskum High School.

Advance tickets for the special KEYS Christmas concert put on by Pete Ayer Ensemble are available in West Bend at B C Ziegler. In Kewaskum these tickets can be purchased at Miller's Furniture, K & L Home & Hardware and Kewaskum High School. They are \$2.00 for adults, \$1.00 for students and senior citizens and \$5.00 for a family ticket.

Set Sunday, Dec. 7 aside for a very special evening of Christmas music for a very special cause — KEYS. 11-21 & 12-5

XYZ CLUB SKAT RESULTS

The winners on Wednesday, Nov. 26, played by the Senior Citizens XYZ Club at the Legion Hall in Kewaskum were: Frank Sell, 23-2-21 net; Ted Rohlinger, 21-3-18 net; Willie Blecher, 21-4-17 net; Frank Kadinger, 12-1-11 net.

Cedar-Haven Rehabilitation to Serve Kewaskum School District

The Cedar-Haven Rehabilitation Agency, a non-profit division of the Cedar Lake Home Campus, now serves the Kewaskum School District with Therapy Programs including Physical Therapy, Occupational Therapy, and Speech Therapy. These therapies are designed to meet the needs of school children in the Kewaskum special educational programs.

Rosemary Schrauth, O.T.R. with Cedar-Haven Rehab., works twice weekly at the school to meet the needs of children. Occupational Therapy treatment is sometimes necessary to insure and improve a child's growth in fine motor skills which they will need to function well in the classroom.

Pictured here with Mrs. Schrauth is 8-year-old Craig Trzecinski who is presently involved in Kewaskum's special educational program.

KML to Present Christmas Concert

The musical organizations of Kettle Moraine Lutheran High School will present the annual Christmas Concert on Sunday, Dec. 14, at 2:30 p.m. in the high school gymnasium. The Grade School Colt and Maverick Bands will also participate in this concert.

The choirs invite you to travel with them in spirit on — A JOURNEY TO BETHLEHEM. The Echoes will again present the traditional Christmas caroling prior to the concert, so come early and join the festive mood. The ALL-School Choir will join the Charger Band for a MEDLEY OF FESTIVAL CAROLS.

Please plan to join us as we present the GOOD NEWS of OUR SAVIOR found there in Bethlehem's manger!

Kettle Moraine Lutheran High School is located at 3399 Division Road, Jackson.

Wherever there is a human being there is a chance for kindness.

Pancake Brunch With St. Nick at Beechwood

Welcome to all Beechwood area children, pre - school through 3rd grade, to enjoy a FREE children's BRUNCH and visit with St. Nick, on Saturday, Dec. 6, between 11 a.m. and 1 p.m. at the Beechwood Firemen's Hall.

An adult must accompany children. Please bring your camera for a picture with St. Nick.

The event is sponsored by the Beechwood Firemen's Auxiliary.

Loggins to Announce Candidacy and Unveil Welfare Reform Program

Jerry Loggins

West Bend businessman Jerry Loggins will formally announce his candidacy for Scott McCallums Senate seat, Thursday evening at the University of Wisconsin's Washington County Campus.

Loggins chose the UW Campus as the site for his announcement to emphasize the priority he places on Wisconsin education.

"Many solutions that are being proposed for the problems that we face in Wisconsin will not be able to succeed without a healthy Educational System to support them," Loggins said.

Loggins' announcement will come during an address to supporters that will also include the unveiling of a welfare

reform proposal that Loggins said was developed with input from people living in the district.

"As a Business Manager" Loggins explained, "I found that if I wanted to solve a production problem, the best input came from the people who worked with that problem on a day to day basis. It seemed only logical to me that if I wanted to address a community problem like welfare reform, I better get input from the community. In this case, that meant talking to people who are part of the welfare system as well as the people who have to pay for it."

Loggins' address will be given at 7:00 Thursday in the UWWC Union Lounge on the east side of the main building.

Key Club Holiday Dinner is Huge Success

Key Clubbers attend to the Senior Citizens as they finish their delicious meal.

This year's Holiday Dinner, sponsored by the Kewaskum Key Club, was a huge success. The dinner, which has been put on annually for the past eight years, is a dinner for senior citizens free of cost, but donations were accepted and deeply appreciated.

This year's menu consisted of eight turkeys donated by the Kiwanis organization, mashed potatoes with gravy, dressing, mixed vegetables, squash which was donated by Mr. and Mrs. Edward Sleger, jello, cranberry sauce and pies furnished by the Key Clubbers.

The dinner was served from 4:00 - 6:00 on November 23 in the high school cafeteria which was decorated for the festive occasion.

The Key Club would like to thank everyone who came and anyone who helped make this year's Holiday Dinner a huge success.

L-R — Joy Castro, Shelley Kasseckert and Bobby Castro get prepared for the Holiday Dinner.

NEWS EXTRA

Why Buy a Real Christmas Tree?

Real versus fake; high touch or high tech; making a choice in cold winter weather against a warm indoor, busy shopping mall. These are the options — and more than 32 million Americans will choose to buy a real Christmas tree.

They'll be leading with their hearts to buy tradition, unmistakable fragrance, natural shape, and distinct texture. A natural tree is often considered the true symbol of a "real" Christmas.

Favorite trees among Wisconsin buyers are the Scotch pine, followed by White pine, Balsam fir, Norway pine and Fraser fir, according to Wisconsin's Department of Agriculture, Trade and Consumer Protection (DATCP). Wisconsin is in the top three states in natural Christmas tree harvest.

The basic rule when purchasing a real tree is to buy a fresh one and keep it fresh.

When buying from a lot, test trees for freshness. Run your fingers down a branch, toward the tip, the needles shouldn't come off in your hand. Or place a needle between your thumb and forefinger and try to bend the needle. A needle from a fresh tree should bend rather than break.

Other tests: shake or bounce a tree, if many needles fall off, select another tree. A fresh tree should have its natural fragrance and good green color.

Keep the tree moist to keep it fire resistant and looking attractive. Once you get it home, cut an inch off the trunk and place the tree in a bucket of water. Make another cut just before you set up the tree in the house. Use a tree stand that holds a good water supply.

Cuts are necessary to let water flow up the trunk. If you don't make the cuts, the tree's sap will form a seal at the cut end and keep water from going up the stem.

Check the water level in the tree stand daily. A large tree can consume a gallon of water per day. If the bottom of the tree trunk is exposed, a seal will start to reform and the tree will dry out. As long as the tree keeps drawing water, it will be fire resistant.

To get a free brochure on purchasing and preserving Christmas trees, send a stamped, self-addressed business envelope to "Trees," DATCP marketing division, P.O. Box 8911, Madison, WI 53708.

Letters to the Editor

12-1-86

Attention Editor:

I am a Catholic christian parent of seven and grandmother of four. I write in the sincere hope that I may open the eyes of my friends, townspeople, parishioners, and spiritual leaders.

In our Catholic school, Holy Trinity, in this community, there is being used a controversial sexuality series. We are few in opposing it. I feel that it is time to make the community aware of what their children will be introduced to. All of our children share the bus. My understanding is that these books will go home on the bus; even if they don't, the information the children receive, and the effect it has on them will be conveyed to their peers. Not only do I see this information harmful when discussed among children of the same grade level, but when younger children are exposed to the books and talk with the older children, this could result in far greater harm. The books contain some graphic details and illustrations. These appear at every level, grades one through eight. In third grade the illustrations and words inform the children of sexual intercourse.

I will continue to write to you, on this issue, if the series is not removed from the school because I consider the removal of it to be of great importance to the future emotional, physical, mental, and spiritual well-being of our children.

I am not opposing sexuality education. I am sure the majority of us would agree, our children need definite guidelines on how to respond to their developing sexuality. Education is needed. The introduction of graphics such as found in the lower levels of this series, children seven to twelve years of age, does concern me. Some highly professional people are also very concerned with the introduction of this material at such a young age. This "New Creation" series is very controversial and should be very seriously discerned by all responsible parents. The teaching of sexuality is not something you trust to the educators. We are the first educators of our children and past experience tells us the educators don't always know what is good for our children.

There are available many series dealing with sexuality. "New Creation" is only one of many. It is also one of the few that involves grades one through eight. I do not see this as a positive. Some in the field do, some do not. Where the percentage majority lies I do not know, but I will continue to seek to be informed on this issue.

I do not write to "stir-up" trouble. I write only to inform and plead with parents and

educators to move slowly in choosing a series dealing with sexuality. Please, stay close to what is being taught to your children on this subject. Sexuality classes do not fall into the same categories as reading, writing, and math. There is much more to be learned concerning this issue. I ask that you become familiar with the sexuality texts your child is using. Sexuality should ideally be taught by parents. Our children do not need sexuality classes as bad as we do. The best sexuality classes teach the parents to talk to their own children.

Sincerely Concerned,
Geri Murre

....

The Kewaskum School Board
Mr. Brigham, President

I am writing in response to an article I read in the Kewaskum Statesman dated 11-14-86, concerning the rejection by the School Board of courses offering credit and pay for the student. I find the action appalling. It is time this Board stops "pinching the penny" at the expense of its students.

Courses that incorporate credit and pay are not only able to give the student an income, thereby giving him/her a sense of responsibility and independence, but they also help build character and give the student a rare chance to begin looking towards a possible career.

As a former employer, who used a program offered by the West Bend School system, I can speak with confidence on the merits of these type of programs. The young people who participated in the program were eager to learn, reliable and had a solid eye on their future.

As a father whose son participated in a Conservation Youth Camp this summer, I can only say that the pride he brought home with him and the sense of accomplishment he felt as a result of his effort, far outweighed the money he earned, of which he voluntarily put in the bank for his future education. His only disappointment was that he was one of only a few who would not receive school credit for their effort.

The small mindedness of the board member who feels that "giving a student the best of both worlds is too much of a good thing for too few students" is indicative of how the board and some members of this community and their eagerness to keep costs down, so often pass up meaningful programs that in the long run, could be beneficial to all.

Give the young people a

chance to learn and earn. Give the teachers who have researched these programs some support. Let the young adults know that we support them and want them to have all the opportunities to achieve and prepare for their future.

Merle N. Miller

Editor,
Kewaskum Statesman

The PUBLIC AWARENESS MEETING about pornography on October 30 at the Dillon Royale Hotel in West Bend was attended by well over 200 concerned citizens.

Its purpose was to cooperate with the Attorney General's Commission on Pornography. After a year of intensive study of the pornography industry the commission recently published a report saying "federal, state and local obscenity laws should be enforced without further delay."

The commission gave 93 recommendations for cracking down on the porno industry including the formation of community groups such as ours to step up citizen action against pornography. It further recommended that the groups file petitions and complaints, put pressure on local officials and prosecutors, monitor judges, and boycott and picket merchants selling and/or renting pornographic material.

Petitions addressed to local officials and other law enforcement agencies at the Public Awareness Meeting were overwhelmingly endorsed.

Concerned citizens who were not able to attend the meeting are urged to write letters to:

- West Bend City Council, City Attorney and Mayor Gonring, City Hall, West Bend.
- U.S. Attorney General Edwin Meese III, Department of Justice, Washington, D.C. 20530.
- Federal Bureau of Investigation, 9th & Penn. Ave. N.W., Washington, D.C. 20535.
- U.S. Postal Service, General Counsel, Law Dept., Washington, D.C. 20260-1100.
- Federal Communications Commission, 1919 M Street N.W., Washington D.C. 20554.
- Senators in Wis. Legislature, P.O. Box 7882, Madison, WI 53707.
- Assemblyman A to L in Wis. Legislature, P.O. Box 8952, Madison, WI 53708.
- Assemblymen Mark Lewis

To All Kewaskum
Area Residents:

As President of the Kewaskum Area United Way I would like to say THANK YOU to all who opened their hearts and pocketbooks to help our 1986 drive. "Make Someone Happy" was our slogan this year and indeed you have — you have made it possible for us to say yes to the needs of all our member agencies.

All our volunteers, and I emphasize the word volunteers, as all our workers are non-paid volunteers, were gratified with the response we received. I would like to extend a big thanks to John Tessar and Tom Larsen, the Co-Chairmen, and all the Division Captains — Mike Pfeiffer, Jan Martinson, Ron Schmitz, Gerald Gosa, Dave Nigh, Ruth Ramel, Jim Kleinhans, and Roy Esser. Also thanks to Mary Ann Secor for handling publicity and all Board members — Gene Akin, Dr. Dennis Connor, Jim Hammen, Mark Jansen, Joan Groh, Judy Harlow, Elaine Vetter, Gerald Zimmer, and Darlene Tessar. You make the 'Job' of President so much easier.

A special word of thanks to one of our Board members — Ralph Rimmel — who is retiring this year. Mr. Rimmel has been the Treasurer for the Organization since its inception and will be hard to replace. Thank you, Ralph, for all your time.

And thanks to all of you — it works — for ALL OF US — the UNITED WAY.

Sincerely,
Margaret McFadden

Dec. 1, 1986

Dear Editor,

We are extending an invitation to the area's people, who want to feel good, from the inside/out! This holiday, we are asking for your help with our "Food Drive/Adopt A Family" project, sponsored by the Campbellsport High School's Student Council and the local community.

Now, thru Dec. 14th, you can come to our facility, attend any class that you want, have full use of the weight machines, showers, and relax in our whirlpool and sauna...just by bringing in your donation of non-perishable food items/or money donation...free passes will be given if you are unable to make use of this offer now.

Our class schedule is: MWF - Aerobics/Toning* 6 & 9 a.m., 6:30 p.m.; TT- 9 a.m. & 5 p.m.; Sa-9:30 a.m.; "Gutbusters" - TWF 6 p.m.; Sa-noon; Stretch/Toning* - MWF 1:30 & 4:30 p.m.; "Pre-Natal Exercise" - TT 6:30 p.m.; "Proud To Be Losers" exercise* - TT 7:15 p.m.; "Diet/Nutrition Class" - Th 6:30 p.m. (*Classes are the slower paced exercise classes or the 2nd half of all "Aerobic" classes so that all ages and levels of fitness can join in).

This offer is open to all...ages 16 to ? (16 and 17-year-olds need parental waiver signed) ...7 days a week. So, get your sweats and athletic shoes out...feel good...all over! Please call ahead if you are coming with a large group...thank you, and here's to the best of health to the entire area, for 1987!

The staff of the Health
Hut Fitness Center
Randy White, Deb Twohig,
Shellie Perron, Fran Hrabe,

Make one call to your GTE Account Manager instead of a hundred calls to suppliers.

Starting with that one call, your GTE Account Manager can spearhead any telecommunications project.

Your Account Manager will analyze your present systems, equipment, services and usage. Then, backed by a wide range of telecommunications specialists and our century-long experience, suggest ways to improve your communications while, at the same time, controlling costs.

You'll get a plan tailored to your business

alone. It will include recommendations for local telephone services, long-distance, office systems including data, and any other appropriate service such as cellular phones, paging and packet-switched data.

A single call to your GTE Account Manager can start the ball rolling toward modernizing your present system, adding to it, or totally replacing it.

Call your GTE Account Manager.

The smart business call.

Farmers Union Milk Marketing Co-op Local Elects Officers, Delegates

Officers elected at the annual meeting of the Washington - Waukesha FUMMC held in Allenton are left to right: Jim Schmidt, Vice President; Carol Retzlaff, Secretary-Treasurer, and Elmer Retzlaff, President.

Elmer Retzlaff of Allenton has been reelected president of the Waukesha - Washington Farmers Union Milk Marketing Cooperative (FUMMC) Local at the organization's annual meeting held Nov. 25 in Allenton.

The guest speaker was FUMMC Communications Director James Eichstadt of Madison, Wis., who discussed current national and state dairy developments affecting family dairy producers in the Upper Midwest.

Members reviewed a FUMMC Dairy Policy Discussion Guide comparing major alternatives to dairy provisions of The Food Security Act of 1985 and discussed their local's activities over the past year.

Other local officers elected were Jim Schmidt, vice president, and Carol Retzlaff, secretary-treasurer.

Members discussed policy

resolutions and elected delegates for the FUMMC 15th Annual Member Meeting to be held February 7, 1987 in Green Bay, Wis. Elected as delegates were Elmer Retzlaff, Jim Schmidt, David Resch, John Spoerl, and Leander Herriges.

Elected as alternates were Carol Retzlaff, Gwen Schmidt, Jane Resch, Linda Spoerl, and Mary Herriges.

The Farmers Union Milk Marketing Cooperative is a Madison, Wis. - based organization representing more than 7,800 family dairy producers in seven midwest states.

Insurance Period For Crops Grown in County Ends Dec. 10

December 10 ends the 1986 year insurance period for corn, grain sorghum and soybeans grown in Washington County, Wisconsin and insured by the Federal Crop Insurance Corporation (FCIC) according to Jerold Van Beek, a representative for the Federal Crop Insurance Corporation.

"Under the terms of the policy, any acreage on which harvest will not be completed must be left intact until an inspection is made. Any claim for indemnity may be rejected if

these loss reporting requirements are not met," Van Beek stated.

"Any notice of loss must be given promptly after the total destruction of the unit, completion of harvest, or December 10, whichever occurs earlier," according to Van Beek.

The producer who anticipates a claim should notify his or her crop insurance representative immediately.

Cub Derbies and Scout Drug Awareness Roundtables Scheduled

Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America will conduct Roundtables for all Cub Scout Leaders, Boy Scout Leaders, Pack and Troop Committee Members on December 4, from 7:30 - 9:30 p.m. at John Long Middle School, corner of Fifth and Hickory Streets, Grafton. Use rear entrance.

The adult Cub Scouters will meet in the All-Purpose Room and focus their attention on Father-Son projects involving the Pinewood Derby, Rocket Derby, Sailboat Regatta and Live Rocket Launching. Equipment for each of these events will be featured, and the Double-Elimination Scoreboard will be explained.

Wood handicraft items will be exhibited for the Idea Exchange and patterns or directions will be available. Den Leaders will construct a Zodiac Plaque, and participate in theme-related games and songs. Cubmasters, Committee Chairmen and Committee Members will have a session covering Charter Renewal.

Lt. Robert Schulteis, of the Washington County Sheriff's Dept., and Detective Keith Knop, of the Ozaukee County Sheriff's Dept., will co-ordinate a Drug Awareness Program for the Boy Scout Leaders Roundtable in the School Library. A movie and other visual aids will be used to emphasize the dangers of the problems.

The London "underground" is the world's largest subway system. It covers a distance of 252 miles.

Cub Scout News

CUB SCOUTS who received awards are as follows — backrow, left to right: Shannon Mitchell, Tim Buss, David Gosa, Michael Jansen. Front row: Steven Cundy and Anthony Bunkelman. Absent — Patrick Bertram.

Cub Scout pack 3744 held its monthly pack meeting on November 17th. The flag ceremony was conducted by Cub Scout den 1.

A skit with some very fine props was performed by Cub Scout den 2 about a pumpkin.

Citizen awards were presented to Webelos den 1: Anthony Bunkelman, David Gosa, Patrick Bertram, Tim Buss, Michael Jansen, and Shannon Mitchell. A bear badge was presented to Steven Cundy in Bear den 3.

The flag was retired by den 1. A game of "Guess What I Do" was enjoyed and so were the treats brought by den 1.

On December 7th, the Cub Scouts will hold a bake sale. It will be at Peace Church in Kewaskum in the Fellowship hall, after 9:30 service. Everyone is invited.

See you there!

December 1, 1961

The Kiwanis Club of Kewaskum observed its fourth annual "Farm-City Week" by again awarding plaques and honoring two outstanding conservation farmers. Recipients of the awards this year were Mr. and Mrs. Ray Schaefer, Route 2, Kewaskum, and Mr. and Mrs. LeRoy Becker, also of Route 2, Kewaskum. A score of farmers were present as guests of Kiwanis members, as were award recipients of past years: Roman Forester, Louis Oppenorth and Allen Reindl.

With the close of the deer hunting season Sunday, a total of 35 bucks were reported registered at the two county checking points, the Washington County Sheriff's Department and the Hartford police station and one other deer was reported registered by conservation department men in the field, making a total of 36 animals registered. Reports Monday indicated that of this number a total of 30 of the 36 deer registered were killed in Washington County.

Mr. and Mrs. Ludwig Roecker, Wayne, announced the engagement of their daughter, Jean E., to Robert W. Becker, son of Mr. and Mrs. William Becker, Kewaskum, at a Thanksgiving Day dinner.

At a family dinner on Thanksgiving Day, Mr. and Mrs. Harry H. Oelhafen, Route 3, West Bend, announced the engagement of their daughter, Judy Kaye, to Ethan E. Etta, son of Mr. and Mrs. Earl J. Etta, Kewaskum.

Mrs. Nick Uelmen, 76, of West Bend, formerly of St. Michaels, died at St. Joseph's Hospital, West Bend, on November 30.

A daughter was born to Rev. and Mrs. Glenway Backus, Toledo, Ohio, November 18. A son was born to Mr. and Mrs. Milton Legate, Route 2, Kewaskum, on November 25.

Susan B. Anthony, the great feminist of the 19th century, was fined \$100 in 1872 for attempting to vote in the presidential election.

December 4, 1936

The interior of the former Strachota residence on Fond du Lac Avenue, in this village, now owned by Louis Bunkelmann, was almost completely destroyed by fire last Saturday night. The fire is believed to have been caused by an overheated furnace, which spread to the cold air chute and got into the partitions of the house running up into the attic, which caused the local firemen no end of trouble, as there was so much smoke and the fire could not be located. The fire was first discovered by Dr. Edwards, who was on his way home. He saw flames through the basement windows and rushed to the house, awakened the tenants and assisted them out of the burning building. He then summoned the local fire department who responded promptly, but were unable to gain immediate access to the fire on account of the dense smoke which filled the house. The firemen struck to their duty until after 3 a.m. before the fire was extinguished.

You are invited to attend the Stacool Oil free talking picture show at the Kewaskum Opera House tonight, Dec. 4, starting at 8 p.m. Several weeks ago, the Stacool oil man took moving pictures in our locality, and possibly at your farm. Come and see if you are on the pictures. Besides this local picture, there will be a feature picture and a comedy. Also free door prizes will be given. The entire evening's program is sponsored by L. Rosenheimer.

Norbert C. Dogs of this village, distributor of Sinclair gasoline, oils, and attendant products in this vicinity, has begun legal proceedings to obtain title in the remaining portion of the old malthouse building on North Main Street, West Bend, which he recently purchased. One of his Sinclair stations, which is operated by Carl Gerhardt of West Bend is located in what was formerly the ground floor of the malthouse. When Mr. Dogs obtains title to this new portion of the building he intends to remodel it into a modern service station

by next spring.

St. Matthew's Church in Campbellsport was the scene of the marriage of Miss Theresa Bach, daughter of Mr. and Mrs. Nicholas Bach of Campbellsport, and Christ Becker Jr., son of Mr. and Mrs. Christ Becker of the Town of Auburn on November 24.

A son was born to Mr. and Mrs. John Honeck of this village on Sunday. A son was also born to Mr. and Mrs. Ralph Kastenholz of Milwaukee on Friday of last week. Mrs. Kastenholz will be remembered here as the former Miss Imelda Marx.

Leaders in good conduct in the Kewaskum grade school were August Bilgo, Gerhard Kaniess, Jean Rosenheimer, Ruth Manthei, Gladys Weddig, Richard Edwards, Barbara Schaefer and Lizzie Lubitz.

75 Years Ago

December 9, 1911

A consolidation of the Bank of Kewaskum and the Citizens State Bank has been decided upon by the stockholders of the two institutions. This comes as a result of last week's purchase of the Henry Schuler, Wolfrum and Hill interests in the Citizens State Bank by Adolph Rosenheimer. Combining the two into one bank will give this institution the backing of almost all of the oldest and best established businessmen in Kewaskum and will undoubtedly mean the building up of one of the best if not the very best and strongest banking institution in Washington County.

The state board of health has published large posters warning against violating the new law

against spitting in public places. The penalty for violation is a fine not exceeding \$200 or imprisonment in jail not more than six months, or both. The law also requires the posters to be placed conspicuously in all public buildings, stores, factories, depots, railroad and street cars, station platforms, etc. and commands the owners or management of all such buildings to provide receptacles for expectoration.

According to the assessment roll which has just been completed, the rate of taxes is lower than last year and the valuation of property higher. Valuation of the property in the year 1910 amounted to \$692,383, and assessed at the rate of 79 mills, which this year it is \$710,898.50 and assessed at the rate of 76 mills. The village board found it necessary to raise the taxes of this village somewhat higher this year on account of the road work. Last year it was \$600, while this year it will be \$700.

grandparents, Mr. and Mrs. Marvin Tackes of Kewaskum; maternal great-grandparents, Agnes Montague and Mr. and Mrs. Phillip Schneider, all of West Bend; paternal great-grandfather and maternal great-great-grandfather, Robert Tackes of Fillmore; and other relatives.

Funeral services were held Saturday, Nov. 29, at 10:30 a.m. at the Schmidt Funeral Home, West Bend. Fr. James Strupp officiated, and burial was in St. Mary's Cemetery, West Bend.

HELEN M. WEBER

Helen M. Weber, nee Berres, a resident of the Samaritan Home, West Bend, died Saturday, Nov. 29, at the Samaritan, at the age of 94.

She was born May 24, 1892, in St. Michaels, and married Waldemar Weber on Aug. 4, 1914. After their marriage, they settled in Theresa until the death of her husband in 1922. She then moved to Barton. Since 1932, she had lived in West Bend where she was employed at the J.C. Penney Co., and then Ley's Dept. Store, retiring in 1970.

Survivors include a daughter, Helen (Leroy) Gonring of West Bend; a son-in-law, John Reis of Naples, Fla.; nine grandchildren; 18 great-grandchildren; and other relatives and friends.

A daughter, Gloria Reis predeceased in 1967. Two sisters and three brothers also predeceased.

Funeral services were Tuesday, Dec. 2, at 7:30 p.m. at Holy Angels Church, West Bend. Fr. Jerome Rinzel was the celebrant, and burial was in St. Theresa Cemetery, in Theresa, on Wednesday at 9:30 a.m.

There was no visitation. The Schmidt Funeral Home of West Bend serving the family.

Minutes of School Board Meetings

The Kewaskum Statesman will be printing minutes from past Board of Education meetings that have not been published in the district newsletter.

School District of Kewaskum
Kewaskum, Wisconsin 53040
September 8, 1986

President Brigham called the meeting to order at 7:00 p.m.

Board members present: Jean Goeden, Kim Peterson, Tom Brigham, Clara Trapp, Ron Theusch.

Board member absent: Ralph Horner.

Board member tardy: Perry Ankersen.

Clerk Goeden led the pledge of allegiance.

President Brigham reported that the opening day inservice began on a very positive note with the "Kewaskum Classic." Administrators, teachers, support staff and board members were invited to take part in supporting the Health and Wellness Theme for the 1986-87 school year by walking or running before the annual breakfast. President Brigham commented that the staff was enthusiastic and optimistic about the upcoming school year.

Perry Ankersen arrived.

The following changes were made to the agenda: Under ACTION ITEMS the Committee Reports were dropped to number 6 and the other action items were each moved up by one number. Under New Business 3.c)3. was added: Signing of CESA social worker's contract. Under D. Administrative Recommendations, Reports and Correspondence number 7. was added: Approval of contract for secondary L.D. teacher.

Peterson/Goeden motion to approve the agenda. Motion passed on a voice vote.

Student government representative Craig Hubbell reported on his attendance at the Student Government Leadership Camp held at UW-Stevens Point. He indicated that he will have more to report as the year progresses on the potential implementation of the ideas presented at the camp. In a move to show the student government's support of the Health and Wellness theme of the staff of the Kewaskum School District, Craig gave an apple to the board, administration and press.

Audience to visitors; receiving of delegations; none.

ACTION ITEMS:

Goeden/Ankersen motion to approve the minutes of August 11, 1986. Motion passed on a voice vote.

President Brigham announced the appointment of Mrs. Kathy Brigham to the Long-Range Planning Committee.

Clara Trapp asked how many substitute teachers were needed to take the place of the teachers on the Long-Range Planning Committee. Administrator Kleinahns replied that four teachers needed substitutes for approximately one or two classes on meeting days.

Goeden/Peterson motion to approve the following adjusted percentages of time for Chapter 1 contracts: Shary Witte 60%; Loralle Schreiber 50%; and Rebecca Swanson 75%. Motion passed 6-0.

Administrator Kleinahns reported that two bids had been received so far for the appraisal of Beechwood Elementary School and the parcels of land surrounding it. Guarantee submitted a bid of \$800, with \$150 extra to do separate valuations. Allstate Appraisal submitted a bid of \$45/hour and indicated the work would take 1-2 days. They also submitted a bid of \$350-\$450 to solicit offers to purchase the building and land. Ms. Kleinahns also told the Board that the district has a basic replacement cost from its previous Allstate appraisal work which was done to meet state requirements last year, the high figure being \$673,449 and the low figure being \$483,571.

Ankersen/Peterson motion to select Allstate Appraisal to do an appraisal that includes establishing a value range for the building and associated property. Considerable discussion followed. Clara Trapp and Ron Theusch felt it should first be decided if the Board was going to attempt to sell the building and property before money for an appraisal was spent. Perry Ankersen, Chairman of the Beechwood School Disposition Committee contended that an appraisal needed to be done before a decision could be made on the disposal.

Ankersen/Peterson amended motion and second: to obtain a title search first, and if it clears select

Allstate Appraisal to do an appraisal that includes establishing a value range for the building and associated property. Motion passed 5-1 with Clara Trapp voting no.

Administrator Kleinahns mentioned that several requests to use the Beechwood Elementary School were submitted but that she discussed the matter with Principal Tom Larsen and it was decided that no one would use the building until a decision was made for its disposition.

After substantial discussion regarding the review of salary for her summer custodial work as requested by P. Reif, Clara Trapp made a motion that Pat Reif be paid the same salary as she received in the past. The motion died due to lack of a second. The consensus of the majority of the Board was that the interpretation of the minutes from the Regular Meeting held on April 22, 1986 were followed through correctly by the administration in determining Mrs. Reif's rate of pay. At Mr. Reif's requests, President Brigham confirmed that the public has the right to listen to the tape recording of the minutes of April 22, 1986.

Theusch/Peterson motion to approve the \$6,000 bid from Armstrong to resurface the track. Motion passed 6-0.

Theusch/Ankersen motion to accept the bid of \$4,287.00 from Payne and Dolan, Inc. for paving repairs at KES, KMS and KHS. Motion passed 6-0.

The next Finance-Transportation-Buildings and Grounds Committee meeting will be Monday, September 29, 1986 at 7:00 p.m. at KHS.

On motions duly named, seconded, and affirmatively voted upon by all Board members present, the following policies were approved:

Goeden/Trapp: #3326.1 - Signature authorization passed 6-0.

Ankersen/Goeden: #5113.2 - Attendance; full-time students defined passed 6-0.

Peterson/Theusch: #5145-Students; trips passed 6-0.

Theusch/Goeden: #6112 - Instruction; school day passed 6-0.

Trapp/Goeden: #6113-Instruction; school closing passed 6-0.

Trapp/Theusch: #9361.1 - By laws of the Board; Regular meetings passed 6-0.

Ankersen/Peterson: #9361.2 - By laws of the Board; Special meetings passed 6-0.

Theusch/Trapp: #5111 - Students; Regular admission to kindergarten and 1st grade passed 6-0.

After a brief discussion Kim Peterson moved to approve Policy #9150 - by laws of the Board; legal counsel. Jean Goeden seconded the motion and it passed 5-1 with Clara Trapp voting no.

The next Policy and Legislation Committee meeting will take place on Monday, September 15, 1986 at 7:00 p.m. in the administration building.

Personnel and Negotiations chairman, Perry Ankersen reported that a first mediation session was held with the KEA on Thursday, September 4. No agreements were reached. A second session will be held with the mediator on November 13, beginning at 4:00 p.m. at the KHS library.

Administrator Kleinahns reported the results of the support staff union election to be 41 yes, 8 no, and 2 did not vote. The Board decided to wait until the union paperwork was completed before setting any meeting dates. The Board directed Ms. Kleinahns to contact the 3 support staff members who are not part of the union about possible dates to meet with the negotiations committee.

Jean Goeden left at 8:45 p.m.

Peterson/Ankersen motion to approve the payroll and accounts payable in the amount of \$1,649,778.68. Motion passed 5-0.

Buildings and Grounds Superintendent Boehlke informed the Board that the air conditioner at KMS is in need of unexpected repairs. He received a quote of \$11,989 from Commercial Industrial Services to repair the air conditioner. He recommended that the Board approve this quote because of the urgency of the matter, but that in the meantime he would request two more bids and if one of those two bids was lower the district would go with the lowest bid.

Some discussion took place regarding the advisability of doing business with Commercial Industrial Services because some Board members had received negative information about the vendor.

Peterson/Ankersen motion to allow Commercial Industrial Services to do the repairs for a total cost of \$11,989 unless Mr. Boehlke receives a lower bid at which time Mr. Boehlke should go with the lowest bidder. Motion passed 4-1 with Clara Trapp voting no.

Perry Ankersen requested that the idea of paying for the air conditioner repairs out of fund 40 be put on the next agenda.

Business Manager's Report.

Ms. Gorder recommended that the Board approve the purchase of an in-house computer system from School Administration Software with the Burroughs B-25 hardware at a cost of \$31,019.00.

Theusch/Peterson motion that the Board accept the recommendation of the Finance-Transportation-Buildings and Grounds committee, which accepted the recommendation of the administration to approve the purchase of an in-house computer system from School Administration Software at a cost of \$31,019, and \$2,393 maintenance and to possibly do away with the dedicated line to CESA.

Much discussion about the computer system followed. Ron Theusch withdrew his motion with the understanding that the issue would be voted on again at the next meeting scheduled for September 29. Mr. Peterson withdrew his second. Business Manager Gorder will have requested additional information for the Board before their next vote.

Ankersen/Peterson motion to approve a \$5,500 tuition agreement with Campbellsport. Motion passed 5-0.

Theusch/Trapp motion to approve the CESA #6 Regional Delivery Service contract for 1986-87. Motion passed 5-0.

Peterson/Theusch motion to approve the contract for a social worker through CESA #6. Motion passed 3-2 with Perry Ankersen and Clara Trapp voting no.

Theusch/Ankersen motion to approve the "Children at Risk" plan and identification approval form. Motion passed 5-0.

Administrator Kleinahns reported that the administrative team is working on developing their goals for themselves and the district for the year. She requested that the Board do so as well and that dates be set for goal setting meetings.

The building administrators gave individual favorable reports on the opening of school. Each reported that it was a very positive beginning. The teachers and students were reported to be accepting and adjusting to physical changes and new curriculum initiative. The overall outlook for the 1986-87 school year is very good.

The preliminary enrollment figure for 1986-87 is 1759, 16 students less than 1985-86.

Parents from the Bel-Ric area were present to voice their concerns about their children having to walk to school. Ankersen/Peterson motion to reaffirm the Board's position that the Bel-Ric area be considered non-hazardous and the children from that area not be bussed.

After a considerable amount of discussion the motion was voted on and passed 4-1 with Clara Trapp voting no. President Brigham directed the administration to write letters to the D.P.L., the Washington County Sheriff and the two Bel-Ric families who had sent requests.

Administrator Kleinahns reminded the Board of Policy #3260 which allows the district to dispose of unused materials and reported that old textbooks would be first offered to the students and the balance of them thrown out.

Peterson/Theusch motion to accept Georgia Howard's letter of resignation. Motion passed on a voice vote.

Theusch/Trapp motion to approve the hiring of Ken Soerens as KHS student council advisor. Motion passed on a voice vote.

Ankersen/Peterson motion to hire Kathy Schowalter as an LD teacher at the middle school and high school. Motion passed 5-0.

Kim Peterson requested that the Board discuss a letter that was included in the Board packet from Principal Dennis Reha. President Brigham replied that it was a subject to be discussed in closed session. President Brigham requested Ms. Kleinahns to put the item on the next scheduled meeting's agenda.

Ms. Kleinahns reminded the Board of the meeting information included in the Board packets and requested them to let her know if interested in attending any of them.

Ankersen/Peterson motion to adjourn. Motion passed 5-0.

Experts tell us that the fruit Adam and Eve ate would not have been an apple, but more probably an apricot.

Minutes of Plan Commission Meeting

Village of Kewaskum
Plan Commission
November 25, 1986
8:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President David E. Nigh called the meeting to order at 8:00 p.m. Plan Commission members present were Howard Laubenstein, Donald Mlodzik, Mark Slaughenhoup, Jeffrey Rohrer, Robert Kirst and Zoning Administrator Richard E. Zarling. In the absence of Administrator Daniel Schmidt, Bookkeeper Janet Knops was present to record the minutes. Commission member Raynor Herriges asked to be excused and was absent.

The meeting was opened with a moment of silence and pledge of allegiance.

On a motion by Robert Kirst, seconded by Donald Mlodzik and unanimously carried by voice vote, the Commission approved the minutes of October 28, 1986.

Motion was made by Donald Mlodzik, seconded by Mark Slaughenhoup to suspend the rules to take action on agenda item VI.A. Review a new certified survey map of a parcel of land for Tom Timblin just west of the shopping center on Timblin Drive, plus southern parcel. Roll call vote was passed by the majority. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

Mr. Trev Timblin was present to represent his brother and to answer any questions regarding the revised certified survey map. The Commission was also informed that Mr. Timblin is now planning to construct 1 - 36 unit structure on the parcel rather than the 2 - 16 unit structures originally intended.

On a motion by Robert Kirst, seconded by Jeffrey Rohrer and unanimously carried by voice vote, the Commission approved the certified survey map and sent it to the Village Board under the stipulation the Chairman and Secretary do not sign it until a favorable developer's agreement has been drafted and approved by the Village Attorney.

The Commission then proceeded in reviewing and discussing the revised version of the proposed new zoning ordinance for the Village. Concern was expressed regarding the proposed square footage requirement for R-1 and R-2 single family residences. The original Village zoning ordinance required a minimum floor area of 1,200 square feet for R-1 residences and 1,000 square feet for R-2. The proposed zoning ordinance showed a reduction in floor area to 1,000 square feet for R-1 and 900 square feet for R-2. Due to the length of discussion, Chairman Nigh requested a roll call vote on this matter.

Motion was made by Howard Laubenstein, seconded by Robert Kirst to accept the floor area square footage requirements as proposed in the revised ordinance (1,000 sq. ft. R-1; 900 sq. ft. R-2). Roll call vote was 2 "Aye," 4 "Nay," 1 "Absent." (Members Mark

Slaughenhoup, Jeffrey Rohrer, Donald Mlodzik and Chairman David Nigh voting no). By majority vote, the square footage requirements will remain as in the current zoning ordinance (1,200 sq. ft. R-1; 1,000 sq. ft. R-2).

After considerable review and further discussion, a motion was made by Robert Kirst, seconded by Mark Slaughenhoup and unanimously carried by voice vote to approve the proposed zoning ordinance and revisions and to forward it to the Village Board for their approval.

Motion was made by Jeffrey Rohrer, seconded by Robert Kirst to adjourn the meeting. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent." The motion was carried by the majority.

Bookkeeper

Nelson New State Patrol Trooper in Washington County

Jeffrey A. Nelson, Fond du Lac, was one of 37 members of the 35th recruit class of the Wisconsin State Patrol Academy to be graduated in ceremonies Thursday, Nov. 20 in Madison.

Nelson has been assigned to the Fond du Lac State Patrol district as a Trooper in Washington County.

Supreme Court Justice William G. Callow, Transportation Secretary Lowell B. Jackson, State Patrol Administrator James W. Van Sistine, Deputy Administrator Col. Howard N. Goetsch, and 35th Recruit Class President Nick Scorcio, Jr. of Spooner addressed the graduates, families and friends gathered for the ceremony. Class Vice President David S. Pabst of Hudson gave the invocation.

Nelson was sworn into service by Colonel Goetsch; received his badge from Maj. George Wenzel, director of the State Patrol Bureau of District Operations; and his diploma from Capt. David Schumacher, director of training at the State Patrol Academy, Ft. McCoy.

Coffee, 2% milk, bread and butter are served with meals. Special diets possible.

Catholic Stewardship Appeal Exceeds Goal

MILWAUKEE — The 1986 Catholic Stewardship Appeal has outdistanced its goal for the 17th straight year. Yet, the highlight of this year's Appeal, according to Gerald M. Schaefer, director of the Offices for Development, was more than 3,500 new donors. A total of 116,011 people have contributed making the percentage of donors climb to 55 over 52% last year when 112,500 people gave to the '85 Appeal.

"Contributions are still coming in and will continue to do so until the last day of December when the '86 Appeal ends," Schaefer said. He added that total contributions have passed the goal of \$5,700,000 by \$8,000. The average gift remains at just over \$49.

"In this season of giving thanks," said Archbishop Weakland, "I express my deepest gratitude to all those who gave to the 1986 Stewardship Appeal. Your gift will aid many worthy efforts in the archdiocese. Your generosity in helping to exceed our goal is truly a sign of your faith and love. May God our Father, the source of all our being, bless you abundantly."

Clifford Kowalski, general chairman of the '86 Appeal said, "The success of any fund-raising activity is directly related to the generosity of the contributor who in many instances made a personal sacrifice in their giving."

"The chairpersons of the district plus their associates along with the parish chair-people played a most important part in meeting our 1986 goal of \$5,700,000." This is the last year Kowalski will chair the Appeal. Each chairperson serves for two years. Next year Bishop Leo Brust will chair the Appeal.

1986 marks the 53rd anniversary of the Catholic Stewardship Appeal, which began as a charities campaign and continues to fund 41 offices, agencies, and programs of the Archdiocese.

A NOTE OF THANKS

We would like to thank all relatives and friends who came to our 60th wedding anniversary open house, and many thanks for the cards, flowers and gifts.

Special thanks to Bernice, Daryl, Sue and Wayne for their special efforts to make this a day to remember.

Wilmer & Luella Wendel

A ship model in a bottle is first constructed outside the bottle. The builder then folds the masts down, slides the ship down the bottle's neck and pulls up the masts with a thread.

OFFICIAL NOTICE AGENDA

Kewaskum Lakes Basketball Team Looks to Improve

Kewaskum will host the Thiensville-Mequon Twins this Sunday at 7:00 p.m. at the Kewaskum High School gym, as the 1986-87 Land o' Lakes basketball season gets underway this weekend. Kewaskum looks to improve on their sixth-place finish and 3-9 record of last year, while the Twins finished in a three-way tie for third at 6-6. The same seven teams will make up the league this year, namely co-champions Cedarburg and the Menomonee Falls Badgers, Thiensville-Mequon, Menomonee Falls Honey Bucket, Oconomowoc, Kewaskum and Port Washington.

Kewaskum Manager Bill Backhaus, beginning his fourteenth year running the team, reported that six of last year's eight players will be returning, along with two newcomers. Returning from last year are all leagues selection Leon Laatsch, a 6-4 forward; Bob Nigh, 6-5 center; Bill Gonwa, 5-10 guard; Backhaus, 6-0 guard; Tim Rindorf, 6-3 guard, and Pete Thomas, 6-5 center. Joining them will be Steve Albinger, a 6-4 forward from Carroll College, and Dale Wodsedalek, a 6-5 center from Lakeland College. Clark Eichstedt, a long-time star on the team, has moved to Plymouth, England, home town of his wife Chris, and thus will not be returning. Scott Brendemuhl, now living in Milwaukee, also will not be back.

KEWASKUM LAND O' LAKES BASKETBALL SCHEDULE 1986-87

Winter Road Report Service Is Underway

Along with the early arrival of snow and freezing weather, the 24-hour road condition information service for Wisconsin motorists is back in operation for the winter, the state Department of Transportation has announced.

James W. Van Sistine, administrator of the Division of State Patrol, said the telephone recording service began Nov. 8, earlier than usual, because of adverse weather conditions in parts of the state.

Callers will hear a taped message updated four times during the 24-hour period or more frequently if road conditions change. He said the report will continue until about the middle of April.

Cool, Wet Summer Blamed Attendance Down at Kettle Moraine Northern Unit, Other State Parks

A wet and relatively cool summer cut into attendance this year at some of southeastern Wisconsin's state parks. Others welcomed more visitors than last year, despite rain and unseasonable cool.

A recreation site near an urban population, Kettle Moraine State Forest — Southern Unit, drew about 1.2 million persons this year, up 11 percent from 1985. Camping didn't do quite so well. This season brought 69,800 campers, down slightly from last year's 70,200 between May and October.

"Too much rain," concluded Bruce Chevis, forest unit superintendent. Camping began picking up in fall, he noted.

Unfavorable weather also trimmed attendance and camping at Northern Unit — Kettle Moraine State Forest in the Campbellsport - Kewaskum area. Superintendent Walt Adams reported about 530,000 persons visiting the unit's 27,500 acres this year, compared with 590,000 last year in the same May-October season. Outdoor campers also edged

down from 109,000 last year to 104,000 in 1986.

Recent improvements at the unit include a new entrance and contact station at Long Lake to improve traffic flow; a shower facility for two camping areas, and a four-unit toilet for Zillmer trail users.

Parks located alongside Lake Michigan have suffered the ravages of erosion from historically high Lake levels. In some places erosion chewed up scenic banks and cut into beaches.

Harrington Beach State Park, which borders restless Lake Michigan in Ozaukee County, was one of the parks to feel the dual impacts of erosion and unfavorable weather. Visitors from May through October declined from about 57,500 in 1985 to about 51,000 in 1986.

"The beach is the main culprit, but we didn't have especially good weekend weather either," said Superintendent Mark Voskuil. Lake levels more than two feet higher than normal cut away banks and felled trees along the shore. In

some places they wiped away broad sandy beaches.

Harrington Beach State Park, which borders restless Lake Michigan in Ozaukee County, was one of the parks to feel the dual impacts of erosion and unfavorable weather. Visitors from May through October declined from about 57,500 in 1985 to about 51,000 in 1986.

"The beach is the main culprit, but we didn't have especially good weekend weather either," said Superintendent Mark Voskuil. Lake levels more than two feet higher than normal cut away banks and felled trees along the shore. In some places they wiped away broad sandy beaches.

Voskuil reported that one visitor came specifically to view the erosion damage, but most spectators make the dramatic discovery only as they roam around the park. Its 636 scenic acres of cedar and ash woods and open uplands, together with its tranquil picnic areas, remain unspoiled, however.

Another Lake Michigan park, Kohler-Andrae, north of Harrington in Sheboygan County, also felt a backlash from weather and high water.

OFFICIAL NOTICE VILLAGE OF KEWASKUM WASHINGTON COUNTY, WI

Public Notice is hereby given that pursuant to Chapter 65.90 of the Statutes, the Village Board of the Village of Kewaskum will meet on December 15, 1986, at 8:00 p.m. in the Council Room of the Municipal Building, 204 First Street, Kewaskum, WI, for the purpose of budgeting for the Water Pollution Control Department, Water Department, TIF/CIP Budget, Special Revenue Funds Budget and Debt Service Fund Budget for 1987 and holding the subsequent public hearing.

A summary of the proposed budgets is published herewith, and a copy of a complete budget is open for inspection at the office of the Village Clerk of the Village of Kewaskum this December 5, 1986.

Published by the authority of the Village Clerk of the Village of Kewaskum, this 5th day of December, 1986.

Lose 3 Matches in Grafton Triple Dual Shorthanded Kewaskum Wrestlers Open Season

The Kewaskum wrestling team opened the season in a triple dual meet at Grafton Wednesday, with teams from Campbellsport, St. Mary's Springs and Grafton. Campbellsport was the overall winner of the meet, while the Indians lost all three matches.

The Cougars, as expected, won their three matches, including a 45-18 decision over the Indians. Kewaskum actually won four of the six bouts but lost 36 points on forfeits. Kewaskum was shorthanded due to an injury, deer hunting and a shortage of participants at the upper weights, but those who completed did very well. The Indians had to forfeit at several spots.

Kewaskum has seven returning letter winners but will be at a decided disadvantage in every meet this year due to a lack of participants in several weight classes, including 167 pounds and unlimited. This will cost them from 12-24 points in almost every meet. No one is out at at these weights.

Lettermen include sophomore Dennis Aupperle, heavyweight, who finished fourth in the EW Conference last year at 185; senior Rich Straub 138, who was second in conference last year at 126; Daryl Landvatter, still out with a football injury; sops

Bobby Castro 105, and Chris Charland, 125; junior Steve Kapp, 119, and soph Shane Megonigle, 119.

In addition, Coach John Nell, who has 23 boys out for the sport, will have at least one freshman in the lineup. He is Dan Heisdorf at 132. Other prospects are freshmen Noel Stradtman and Doug Mueller.

In the Grafton triple dual, Nell praised Straub and Heisdorf, who won all three of their matches, and Charland, who won two out of three. Heisdorf, only a freshman, has much club wrestling experience and is 3-0 in his first varsity competition.

Kewaskum lost to St. Mary's Springs, 42-27, Grafton, 45-24, and Campbellsport, 45-18.

The Indians open the EW Conference season Thursday at Sheboygan Falls.

Six Letter Winners Return in Gymnastics

By Chuck Voge

The Kewaskum gymnastics team will open their 1986-87 season on Wednesday, December 10th, in a 6:00 p.m. home contest with Germantown.

The 1986-87 squad, coached once again by Sue Paul-Kenfield and assisted by Sue Harlow will have six returning letter winners who are Chris Kirchner, Renee Kapp, Jackie Voge, Shelly Petsch, Sherri Batzler and Carrie Batzler.

Two of this year's gymnasts attended summer camps to improve on their competitive skills. Senior Chris Kirchner attended Porter's gymnastics camp which is located near Woodruff, Wis. and Jackie Voge, also a senior, spent her week at the University of Wisconsin-Eau Claire.

In addition to this, the Indians have picked up two freshmen who have previous training. Chris Ramthun has some experience from the West Bend Y.M.C.A. and Gina Schults comes to this year's squad from a Milwaukee gymnastics

academy.

The complete schedule is as follows:

Wed., Dec. 10 — Germantown at home, 6:00 p.m.

Thur., Jan. 8 — Waupun away, 6:30.

Tues., Jan. 13 — Port Washington away, 4:00.

Sat., Jan. 17 — DePere Inv. away, 10:00 a.m.

Thur., Jan. 22 — West Bend East away, 4:15.

Sat., Jan. 24 — Chilton Inv. away.

Wed., Jan. 28 — Beaver Dam home, 6:00.

Tues., Feb. 3 — West Bend West away, 4:15.

Thur., Feb. 5 — Oshkosh North home, 6:15.

Mon., Feb. 9 — Fall River away, 6:00.

Thur., Feb. 12 — Fond du Lac away, no time listed.

Tues., Feb. 17 — Sheboygan South home, 5:30.

Thur., Feb. 19 — Chilton home, 6:30.

CARMEL LANES ALLENTON 11-26-86

Rosie Peter, Sec.

Hohlweck's 71, Wolf's 64, Petrolane 57, Allenton Inn 50, Jim's 43½, Carmel Lanes 40½, C & R Catering 39, Brosts 27.

1st Half Champs are Hohlweck's and members of the team are: Ann Breikreutz, Rose Williams, Lisa Kedinger, Jean Ruplinger, Chris Bergseth, Bev Mayer, Joy Kudek and Carol Gullickson.

Highlights: Judy Wolf 236-555, Bette Wollersheim 201-537, Carol Delcore 213-515, Joy Kudek 502, Rosie Peter 200-494.

Secor on College Basketball Squad

Sandra Secor, a sophomore at Ripon College, is on the Redmen women's basketball squad this season. Her parents are Gerald and Mary Secor of 1856 Scenic Drive, Kewaskum.

The Ripon College team plays in the Midwest Athletic Conference for Women. Games are scheduled against teams from three states during the three-month season.

Elaine Coll, on the College faculty since 1973, coaches the women's basketball team. She is also an associate professor of physical education.

Affiliated with Division III of the National Collegiate Athletic Association (NCAA), Ripon College encourages student participation in its sports, clubs and other organizations.

Cold Shooting Trips KHS Girls at Hartford

By Chuck Voge

The Kewaskum Indian girls basketball team lost their second game of the season to the Hartford Orioles Monday night, by a score of 54-40.

Although the Kewaskum girls held their own in the all-important turnover department, committing just 31 to 34 for the Orioles, they lost out with some very cold shooting from the floor. The Indians sank just 16 field goals out of 63 attempts for a 25 percent shooting average.

This year's Orioles, minus graduated super-star Steffi Schink, are still one tough basketball team. Returning letterwinner Tami Baalke, a 5'8" guard picked up the slack where Schink left off, scoring 15 points for the Orioles, which was not only the high for the Hartford team but also for the game. High scorers for Kewaskum were Debbie Felix with 11 points and Brenda Vetter with 8.

The Indians, using a man-to-man defense, or girl-to-girl, whichever suits you best, played neck to neck with the Orioles for the first three periods which ended 14-11 Kewaskum, 26-21 Hartford and 38-34 Hartford.

In the one-on-one defense Kewaskum coach Milt Dickenson used every player on his bench, and in spite of this strategy the Indian girls were still worn down in the fourth period which proved to be their undoing as they were out scored 16-6 for a final score of 54-40 Orioles.

The Indians have one freshman in their varsity lineup, 5'11" Pam Osterbrink. In the pre-game warm up Osterbrink looked smooth as silk and proved she has all of the neces-

sary moves to have earned a spot on the varsity. Under pressure and playing at game pace her inexperience showed, however, and this is to be expected being just two games out of grade school. With a few more games under her belt, and after getting pushed around and elbowed and knocked down a few more times, Osterbrink is sure to acquire the necessary aggressive attitude and take charge spirit that will make her one of the Indians future leaders in rebounding and scoring.

The freshmen lost their game with the Orioles by a score of 36-21 and the junior varsity got bombed, 39-10.

Kew. 14 7 13 6-40
Hart. 11 15 12 16-54

Kewaskum — J. Schneider 2-0-1-4, Osterbrink 1-1-1-3, Vetter 3-2-3-8, Felix 4-3-2-11, Hintz 2-0-2-4, B. Theusch 1-0-1-2, T. Theusch 2-0-1-4, L. Schneider 1-0-2-2, Schmidt 0-0-3-0.

Hartford — Baalke 3-9-4-15, Gerkhardt 2-2-2-6, Wagner 3-0-1-6, Ciriacks 1-2-1-4, Lehman 4-2-0-8, Lichitar 1-0-2-2, Michalski 4-1-0-9, Hasch 2-0-1-4.

The girls will host Sheboygan Falls in their opening conference game Thursday, Dec. 4.

MONDAY NIGHT UPTOWN
