## Week's Wit

Whether he winds up with a nest egg or a goose egg will depend a lot on the chick he marries.

## 1992-93 Approved Budget Reflects 12.39% Increase School Board Approves Writing to Read Program

By Noel Stollenwerk

KEWASKUM — Despite pleas from several parents in attendance, the Kewaskum School Board voted 4-1 to approve the acceptance of an IBM Writing to Read program for the Elementary School. The vote came at the Board's monthly meeting last Monday night at the high school.

"Computers are one of the best ways to level the playing field," Board member Ruth Schmidt said in urging the other members to vote in favor of the program. "Technology is one of the best tools we have to help a student reach his or her full potential."

Schmidt's comments came during a nearly forty-five-minute discussion of the program, which

was awarded to the Kewaskum School District by the Rx for Reading in Wisconsin Foundation.

The program, designed for kindergarten and first-grade children to help them learn to read and write, came under scrutiny by some parents at the meeting. Additional hidden costs of the program, as well as the objection of a lab setting v.s. classroom time were the main objections cited.

But Schmidt urged the other Board members to give the program a chance, saying that the nine additional computers and associated software were "a gift," and "it would be a shame to throw this opportunity out the window."

Board member John Schulte,

the lone dissenting voter, disagreed. "I don't see what the hurry is," Schulte commented, adding "There is more than one way to teach writing at this level." Schulte also added that he received calls from other parents urging him and the Board to not accept the program.

In other items tackled by the Board, the 1992-93 budget was approved, calling for a 12.39 percent increase in expenditures, almost doubling last year's 6.40 percent increase. The 1992-93 total budget of \$10,913,541, passed by a 6-0 vote, surpassed last year's expenditures by more than \$1.2 million.

The Board also approved the purchase of new equipment for

the technical educational department totalling \$21,563. Included in the costs are a new drill machine and drum sander for the shop, as well as a basic offset printer for the graphic arts department.

The Board did, however, shoot down a proposal to construct an additional storage shelter for the middle school. The extensions were denied by the Board at the request of Superintendent David Heather, who noted that the total bill for the work was \$4,180, almost three times as much as an original estimate.

"I think that's too much," Dr. Heather said of the costs, adding that there wasn't any funds allocated for the construction.

In other business, the Board voted 3-2 in favor of hiring an aide to help out with the expanding art program at the Elementary School, and also approved a part-time aide for the EEN-Ed program at the Elementary level.

## Trick or Treat Hours Set

KEWASKUM — The Kewaskum Village Board announced that the Halloween trick-or-treat hours this year will be on Saturday, October 31st, from 2:00 p.m. - 4:00 p.m.

As always, parents are encouraged to follow along with their children as they trick-or-treat. If that isn't practical, parents should at least talk with the potential ghosts and goblins, and explain the various safety hints.

## Schaefers Complete Feedlot Cover After Six Year Battle

By Sharon Callaway Roznik

After a six year ordeal with the Department of Natural Resources, Agnes and Ray Schaefer of 3200 Hwy. H, Kewaskum, have completed construction of a covered feedlot to prevent alleged feedlot runoff from their property into the Milwaukee River.

Last we heard, the Schaefers had won their case on April 30th, when Judge Waddick of Washington County granted them a variance allowing them to construct in a flood zone.

"The structure is one of a kind in this area", Agnes states proudly, and was built according to DNR specifications requiring a two foot concrete wall to surround the feedlot and a roof to cover the area. The Schaefers hired Jack

Walters and Son to design and build the structure, working from sketches Agnes had completed.

Both the DNR and the Department of Agriculture approved preliminary designs and the finished structure, which met the Oct. 15th deadline. "The building was completely finished on Oct. 1st", declares Agnes, who hopes the DNR will use their covered feedlot as a pilot project or model for future use.

A letter from the DNR dated Oct. 5, 1992 hangs in the Schaefer kitchen. It states that the couple has, "successfully complied with terms of the Notice of Discharge originally issued to you on Aug. 2, 1988."

Ray and Agnes can only speculate on the amount of hours spent agonizing over this ordeal the past six years, not to mention

the relentless costs for all parties involved in pursuing the right to construct a feedlot the couple was required by the DNR to build in the first place.

The irony is in the fact the DNR filed the lawsuit against the county to prohibit the variance they had ordered the Schaefers to obtain. "It's a happy ending after years of difficult struggle," concluded a weary, but smiling Agnes.

"Ray and I thank all our friends who supported us the past 6½ years to help us keep our farm when the DNR wanted us 'out'. To all those kind people who wrote letters to the DNR, attended hearings, signed the petition, and were generally concerned and a special thank you to Russ Breit for his constant support."

## Junior Women's 'A Kettle Country Christmas' Nov. 2

Members of the GFWC Kewaskum Junior Woman's Club cordially invite everyone to their tenth annual fine art and craft fair entitled "A Kettle Country Christmas".

The fair will be held Saturday, November 21, 1992 from 9 a.m. to 3 p.m. at Kewaskum High School.

Club members are actively working to make this an outstanding event for artists and craftpeople, club members and the viewing public. In addition to the exhibits, Juniors will offer homemade baked goods and candy and a quilt raffle. The featured quilt for this year's raffle

in a Log Cabin Tumbling Block pattern is Amish-made in shades of blue. A luncheon will also be served in the high school cafeteria.

Kewaskum Junior Woman's Club is in its 26th year of chartering with the largest volunteer woman's organization in the world. Recent community projects include a new Tourist Information Gazebo and a shade shelter at the Kiwanis Park Pool. Other areas of donations and service projects include the arts, conservation, education, home life, international affairs and public affairs.

Plan to join us on Saturday, November 21st.

## Holy Trinity Seeks Items for 2nd Annual Auction Nov. 8

Holy Trinity Home and School Association is in the process of obtaining items for their 2nd Annual Auction to be held Sunday, Nov. 8, at Holy Trinity Church.

The auction will begin at 1 p.m. in the church basement with Auctioneers Col. Jimmy Cotter and Barney Strobel seeking top bids for the large assortment of items to be auctioned off that day. Proceeds from the auction will be used to purchase much needed books and supplies for the school.

Some of the items going on the auction block will be a wildlife print by Robert Bateman, wildlife print by Bill Millonig, items from Pro Sports and college teams, some antiques, many gift certificates from local businesses, a

large assortment of children's books, and many, many miscellaneous items.

Along with the auction, there will be a raffle drawing to be held at 5 p.m. with the top prize being a color TV.

Refreshments will also be served.

If anyone has an item or items (including crafts) they wish to donate to the auction, please contact Rosemary Schrauth at 629-5082 or Diane Piwoni at 626-4850. Pickup arrangements can be made.

There will also be a bake sale held after the 5 p.m. Mass on Saturday evening and after the 9 a.m. and 11 a.m. Masses on Sunday, November 8.

## Grover Announces Write-In Candidacy for County Sheriff

On Monday, Oct. 19, Jim Grover, who was recently defeated in the September primary election by incumbent Sheriff Robert Schulteis, made the following announcement to the media:

"This is to announce that I, Jim Grover, will be running for election as a Write-In Candidate for the position of Sheriff in

Washington County. This is your chance to make history in Washington County when you

vote in the General Election on November 3rd. I am running for all the supporters who have asked me to run as a Write-In Candidate.

This campaign is by the people and I am running for the people. I have joined the commit-

tee W.I.G.S. (Write In Grover for Sheriff) and they will be dispensing stickers to all voters in Washington County"

Any questions should be directed to the W.I.G.S. committee Treasurer, Robert Michalski, in West Bend at 414-338-0871.

## Notice of Bagged Leaf Pickup by Village of Kewaskum

Bagged leaves will be picked up at the curb by the Department of Public Works on: Wednesday, October 28, and Wednesday, November 4.

Jerry E. Gilles  
Director of Public Works

## United Way Hits 60%; Kewaskum at 88%

As of Thursday, October 15, the United Way of Washington County campaign was at \$466,822, or 60 percent of the way toward the \$785,000 goal. The Kewaskum division of the campaign, led by Attorney Gerry Kiefer, is at \$30,394 or 88 percent of the \$34,500 community goal.

Kiefer commented, "I am very pleased with the results to date in the Kewaskum community. Regal Ware contributions at the Corporate and Employee level are substantially ahead of last year. These gifts, along with many others from the community, have put us where we currently are," he said. "I am confident that we'll be at 100 percent and more within the next two weeks."

Those who have not given to date are encouraged to contact their employer or send the gift directly to: United Way, P.O. Box 304, West Bend, WI 53095.

Also, on Thursday, October 29, McDonald's Day for United Way will once again be held at the two West Bend McDonald's Restaurants and the one in Hartford. Quarter pounders will be sold for 99 cents, with 50 cents going to the United Way. Hours for this event are 11:00 a.m. through 10:30 p.m. at each location. United Way volunteers will be on hand to serve customers over the lunch and dinner hours. Ronald McDonald will also appear at each store during the evening hours.

"I am pleased to see that the Kewaskum community does care," said Kiefer. The campaign continues through October 31; funds raised will be distributed among 27 local agencies in 1993.

## Open House at Old Courthouse

Saturday, October 24th, and Sunday, October 25th, from 1 to 3 p.m., you should be interested in what Washington County and the Washington County Historical Society want to do with the Old Courthouse at 320 S. 5th Avenue, West Bend.

Come to the open house and see the historical building and talk to a member of the Historical Society and see why this building should be turned into a beneficial museum for the entire county.

## Senior Citizens ID Cards Available

Are you 60 years old or older and a resident of Washington County? Senior Citizen Identification and Discount Cards will be issued on Thursday, October 22, 1992 from 2:30 p.m. to 4:00 p.m. at the Washington County Senior Center, 401 East Washington Street, West Bend, WI 53095.

Information needed includes Social Security number, person to contact in case of an emergency and their phone number, and your doctor's name and phone number. Your picture will be taken. The cost of each card is \$1.00.

## State Contract of \$51,923 Awarded to Kewaskum Firm

MADISON... Governor Tommy G. Thompson has announced the awarding of a State of Wisconsin contract in the amount of \$51,923 to the Kewaskum firm of Eagle Construction and Realty Corporation.

The firm will be responsible for the site clearance and preparation for the parking lot expansion at Ethan Allen School in Wales. The project involves demolition of the old plumbing shop and greenhouse, including asbestos removal, and revising the perimeter security fence to permit

the removal of the existing fence which crosses the parking lot.

Also included is the provision of fill in the basement area of the one demolished building to prepare the site for the parking lot addition at the gatehouse. This parking lot increase will provide a more efficient parking layout for 170 vehicles, a 40 percent increase in capacity.

Eagle Construction and Realty Corporation was awarded the contract as a result of being the low bidder in competition with numerous other Wisconsin firms.

### 4-H KETTLE MORaine KIDS

The Kettle Moraine Kids officers are: President - Erin Stoffel, Vice President - Nick Bailey, Secretary - Jackie Briggs, Treasurer - Carrie Stoffel, Reporters - Christina Lettow, Historian - Christine Schmidt, and Recreation Leader - Jackie Friedemann.

The Kettle Moraine Kids are selling candy bars at 50c each. We are selling 100 Grand, Caramel, Krunch, and Almond. We have a window display at Kirst Builders 4-H Week. Pins were handed out to members, recognizing years of membership. On Tuesday, October 6, we had a Halloween party. We played 4-H

bingo, repeating games, and had refreshments.

We invite new members to attend on Thursday, November 12, which is the next meeting held at the Labor Center, in Kewaskum at 6:30. Hope to see you there.

By: Christina Lettow

## Piggy Heads for Wayne

I believe it was after this magic kiss from John Herriges that Piggy decided to follow John anywhere... for now, though, to the Town of Wayne.

By L.L.K.

Chin up Kewaskum! We all knew eventually we would have to be facing life without Piggy. But how? How do we even cope with the idea of facing this void... this emptiness in our lives?

He's been like one of the community's family and now he's packed his sunglasses, his crinolines and his miniature golf clubs and run off to the Town of Wayne with John Herriges.

I can only wonder... will John tuck him in at night, placing the covers gently under his fuzzy little chin? Will he buy piggy a little costume and take him out trick or treating? What about the Christmas parade? Who will lead us? And will John be sure St. Nick visits my little pink friend and leaves him a stocking full of his favorite treats for being a good little piggy?

What about Christmas? Who will make sure there are gaily wrapped packages under the tree for piggy? Who will take him to Gonring's New Year's Eve party? And just who will be sure piggy doesn't swill too much champagne? (You know how he gets!)

These are the things that run through my mind as I lay awake night after sleepless night. Will the good people of Wayne give piggy the love and respect he received from the citizenry of Kewaskum?

Actually, my main concern at this stage of the game is what am I going to do with all this sauerkraut? I got such a deal on ten cases and I have never been one who could pass up a deal!

I do have one fantastic idea, however. The question is will the other finalists go along with it? What if the four finalists throw a huge farewell bash for piggy? (This pig thing could possibly go on forever! Probably a bad idea... then I would have to keep writing

pig articles... I mean, how much can you think of relating to pigs?)

Anyway... if the idea flies, I've got the sauerkraut! Greg Eckl makes really good potato salad. "Billy Ray" Ellis probably has some Diet Coke on tap and Doug Gonring can bring some rye bread and butter (and of course, a snack for Piggy). We'll skip the meat part... it's just too scary to even think about how close we came to ----ferkel! All John Herriges has to do is make sure Piggy gets to the party in his Sunday best. (The navy blue bow tie is best, I think, John). And let's keep this under our hats and then we can all yell "surprise" when Piggy enters... you know how he always loved surprises!

Now, what do we do for live entertainment for the party??? We ALL know how Piggy loves to dance! Any ideas? OK, you had to ask me... I'm not sure if "Billy Ray" has been practicing his twanging or not, but I do know that "Billy Ray" and Greg Eckl can do a real mean duet. (Didn't know Greg could sing, did you?)

I suppose none of you have ever heard of the new country western group, "Ellis & Eckl," soon to be THE singing sensation of the '90's. However, what these guys need is a really good, honest business manager to promote them... and I know just the person!

Move over Billy Ray Cyrus!

"Ellis & Eckl" are on their way up! I've even composed a new song for them called, "Pinky, Stinky Pig." It will be No. 1 as soon as the boys record it and it hits the charts!

Okay... we've got the food, we've got the entertainment and we've got the pig... depending on John Herriges. Anything else? Oh, yes... the party goes! I'm sure we can all help out with that! If you want to join in the festivities... just contact one of the finalists... better yet, vote below and drop off your decision at Eckl's Main Street Inn (while you're there, be sure to try some of Greg's famous homemade chips!) or just mail your ballot to Troy Ellis, Lana Kuehl or Doug Gonring. We'll meet soon to see if this whole party thing will wash. Who knows... maybe we'll keep this whole pig thing going until next Kettle Kountry Kolers and then we'll just pass piggy on to the next lucky person. You know, kinda like a traveling trophy!

For now, though, voice your opinions and let your finalist know where you stand on this issue!

YES! Let's Party for Piggy!

NO! Send Piggy to Hog Heaven!

## Congratulations

WADE ROBERTS

Judge Jim Jaklich looks on as Bailiff Chad Landvatter swears in David Antequera, a witness for the defense, in the T. Ward case.

Juniors and seniors in Mr. David Rhode's Social Problems class, recently put T. Ward on trial during a court case simulation.

The students worked on defense or prosecution teams and they researched and argued their case before a jury of Mr. Dale Squier's 8th grade history students from Kewaskum Middle School.

A team of judges presided over

the hearing, witnesses were sworn in by a bailiff, and testimony was given. Witnesses were cross examined to get all the facts and help the jury arrive at a fair and impartial decision.

This simulation is part of an ongoing series of high school social studies projects that expose students to real life situations and provide creative ways for students to learn by doing.

**Committee Formed to Write In Grover for Sheriff**

W.I.G.S. which stands for Write In Grover for Sheriff was formed by a group of concerned citizens who reject the inability or unwillingness of our present Sheriff, Robert Schulteis to operate with a balanced budget.

Sheriff Schulteis promised before the Sept. 8 election that Jim Grover could return to his position with no retribution, yet only nine days after the primary election he demotes Sgt. Grover from his position as Tactical Commander on the SWAT team and then tells the newspapers that Sgt. Grover requested the removal from the SWAT team.

We (W.I.G.S.) have asked Sgt. Grover if this is true and he denies it. Why would he or anyone for that matter ask for a demotion in their job position? The present Sheriff lacks credibility in the eyes of many concerned citizens of Washington County.

That is why we have formally filed committee papers at the Washington County Courthouse to WRITE IN GROVER for SHERIFF and hope that anyone interested will call us at 414 338-0871 to join us in helping W.I.G.S. make history by electing a new Sheriff with WRITE IN votes for Jim Grover on November 3. It is easy to do, and essential that everyone does it.

**International Potluck Dinner - Oct. 27**

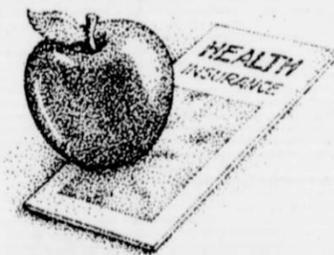

On Tuesday, October 27, at 6:00 p.m., the Adult AFS Chapter and the Kewaskum High School AFS Club will co-host a potluck dinner in the KHS cafeteria to welcome our AFS student David Garcia Antequera, and our AISE student, Eero Partanen, to Kewaskum.

David arrived September 14 from Seville, Spain, and is living with the Jim and Lanielle Dieringer family. Eero, coming from Jyvaskyla, Finland on September 21, is living with the Steven and Diane Liegl family.

The students have already made many friends at KHS and have become good friends themselves. Let us all welcome them to our community!

Please bring a dish to pass. Beverages will be provided.

The Mexican Hairless dog has no coat of hair. The bare-skinned dog, which weighs about 12 pounds, originated in China and was imported to Mexico by sailors.

**LEROY A. KELLER**

Leroy A. Keller, Sr., 81, of Kewaskum passed away on Saturday, Oct. 17, 1992 at his home.

He was born on April 10, 1911 in the town of Kewaskum, the son of the late Hubert and Lydia (Kocher) Keller. On Oct. 7, 1933 he was united in marriage to Martha Stenschke at St. Lucas Ev. Lutheran Church, Kewaskum.

Mr. Keller was a member of St. Lucas Ev. Lutheran Church and was employed by Regal Ware for 48 years and a member of the 25 year club.

Survivors include his wife Martha, a son LeRoy (Charleen) Keller Jr. of Kewaskum; a daughter Shirley Okrasa of San Diego, California; a brother Harvey (Luetta) Keller of Campbellspoint; five grandchildren and three great-grandchildren.

In addition to his parents he was preceded in death by a grandson Bradley Keller, a brother and a sister.

Funeral services were held at the Miller Funeral Home, Kewaskum at 8:00 p.m. on Tuesday, Oct. 20, 1992 with Rev. Timothy Henning officiating.

Burial was in the Lutheran Memorial Park Cemetery at 10:00 a.m. on Wednesday. Friends called from 4:00 p.m. until time of services at the funeral home on Tuesday.

**PRAYERS TO ST. JUDE**

Thanks to St. Jude: May the sacred heart of Jesus be glorified throughout the world now and forever. Most sacred heart of Jesus I put my trust in you. Holy Mary mother of Jesus pray for me. St. Jude of hopeless cases pray for me and grant me this favor I ask. Repeat 9 times a day for 9 days and publish and request will be granted.

## Flu, Pneumonia Vaccine Available

Influenza vaccine and pneumonia vaccine will be available to Washington County residents 65 years of age and older, and those with chronic disease, at clinics offered by Washington County Community Health Nursing Service. The charge for vaccines will be:

Influenza vaccine - \$5 per dose  
Pneumonia vaccine - \$10 per dose

**WHAT IS INFLUENZA ("FLU")?** It is an illness caused by influenza viruses. It generally affects people of all ages. Typically, people with influenza have fever, chills, headache, cough and muscle aches and may be sick for several days to a week or so. Most people recover fully. A small proportion of cases are particularly severe, and patients may develop pneumonia or other complications. The risk of complications and death from influenza is highest for people with chronic health problems and those over 65 years of age.

**WHO SHOULD GET INFLUENZA VACCINE?** 1) Individuals over 13 years of age with chronic health problems such as diabetes, diseases of the heart, lungs or kidneys, or severe anemia. 2) Elderly persons 65 years of age and over and 3) Individuals who provide care to high-risk persons.

Influenza vaccine will NOT be given to:

- Those who have a fever or feel ill with something more serious than a cold on the day of clinic.
- Those who have received another type of vaccine in the past 14 days.
- Those with allergies to eggs.
- Those with multiple sclerosis or other recurring or persistent neurological illnesses.
- Those who are pregnant.
- Children under 13 years of age.

**WHAT IS PNEUMONIA?** It is an acute bacterial or viral illness affecting 400,000 or 500,000 persons per year. Pneumococcal infections cause respiratory symptoms, meningitis, and otitis media. The risk of complications is greatest for persons over 65 years of age and those with chronic health problems.

**WHO SHOULD GET PNEUMONIA VACCINE?** 1) Elderly persons 65 years of age and over. 2) Persons, two years and older, with immune deficiencies. Children, from 2 years through 17 years, will need a written order from their physician to receive the vaccine. 3) Persons with chronic health problems such as diabetes, chronic respiratory disease, or cardio-respiratory disease.

**WHO SHOULD NOT GET THE VACCINE?** 1) Those who have a fever, illness or active infection on the day of the clinic. 2) Those who have had a pneumonia vaccine; repeat immunizations of pneumonia vaccine are not recommended. 4) Those who are pregnant.

Pneumonia vaccine and influenza vaccine can be administered on the same visit to a clinic.

Those attending clinic will be required to complete a consent form prior to immunization. Registered nurses will be available to answer questions regarding the immunization.

If you have any questions about influenza or pneumonia, please call the Community Health Nursing Service, 335-4462, 644-5204, or 342-2929.

### 1992 FLU-PNEUMONIA COUNTY CLINICS

Flu - \$5.00, Pneumonia - \$10.00.

## 25 Years Ago

Oct. 20, 1967

The Kewaskum Kiwanis Club celebrated its 20th anniversary with a dinner at which wives and guests were invited at the Wigwam on Oct. 16.

Rev. Adrian Staehler, O.F.M. Capuchin, was ordained to the priesthood by the Most Rev. Frederick W. Freking, Bishop of La Crosse, on Oct. 19. His parents Mr. and Mrs. Joseph J. Staehler of R.1, Kewaskum attended the ordination ceremony at St. Mary's Church, Marathon. Father Staehler offered his First Solemn High Mass on Saturday, Oct. 21 at 10:00 a.m. in St. Michael's Church, St. Michaels. A dinner followed a 12:00 noon in the church hall, with a reception for the public at 2:00 p.m.

George Martin presented slides and commentary of his three-

month stay in Lima, Peru, under the International Fellowship, Inc. program to the Kewaskum Kiwanis Club at its Monday meeting.

Frederick Wendborne, 58, of R.1, Allenton, died at St. Agnes Hospital, Fond du Lac, early Monday morning of injuries suffered Sunday night in a two car crash at the intersection of Hwys 41 & 28 in the town of Wayne west of Kewaskum.

A daughter Jennifer Mary, was born to Mr. and Mrs. Jules Dreher, 7518 Lincoln Dr., Kenosha on Oct. 15. The Drehers are former Kewaskum residents.

The engagement of Frances Jackson, to Robert M. Coulter, both of R.1, Allenton, has been announced by her father.

The engagement of Adeline Herriges of rural Kewaskum, to John Niemeier of Furth/Oberaltaich, Germany was announced by her parents. The couple will wed on Nov. 25.

Mr. and Mrs. Lee Fickler of rural Kewaskum announced the engagement of their daughter Beverly Ann, to Nyles Heise, son of Mr. and Mrs. Norbert Heise of Beechwood. They will be married on Nov. 25.

## 50 Years Ago

OCTOBER 23, 1942

Out of 59 Washington County men sent to the Induction Center at Milwaukee last Friday, Oct. 16, to undergo physical examinations for possible induction into the U.S. Army, 45 were accepted for service. They will report to the army reception center at Fort Sheridan, Illinois next Friday, October 30. Four Kewaskum men were included in the contingent. They are: Ervin H. Ramthun, Sylvester F. Terlinden, Edward A. Marx and Louis C. Heisler.

William Roehrdanz, 21, son of Mr. and Mrs. August Roehrdanz of the Town of Barton, located on Route 2, Kewaskum, enlisted in the U.S. Army signal corps and left last Thursday to be sworn in and enter service. He will attend school in Milwaukee for the first three months where he will take up radio work.

Ralph Buddenhagen, 17, son of Mr. and Mrs. Arthur Buddenhagen of Kewaskum route, enlisted in the U.S. Navy last week at Milwaukee and left on Thursday of this week for the Great Lakes Naval Training station at Great Lakes, Illinois to begin training. He is a twin brother of Ray Buddenhagen, who enlisted in the U.S. Coast Guard a number of months ago and is now stationed in Massachusetts.

Alfred Thurke of St. Kilian has enlisted in the U.S. Navy and left Tuesday for Great Lakes, Illinois for training.

Ferns decorated the First Baptist Church of Campbellsport for the marriage of Miss Vivian Hendricks of Campbellsport, daughter of Mr. and Mrs. John H. Hendricks, and Orville Reysen of Kewaskum, Route 1, son of Mr. and Mrs. Henry Reysen, at 3 p.m. on Saturday, October 17.

Raymond Klein, 32, son of Mr.

and Mrs. Louis Klein, residing south of the village, was accidentally shot in a painful hunting accident on Saturday, the opening day of the pheasant season. He was struck in the face, neck and shoulder by the pellets of a shotgun charge fired at a pheasant by his hunting companion, William Windorf, neighbor of the Kleins. A total of 26 pellets which struck Klein were found lodged in his face and body, the majority of them in his face. At the time of the shooting Windorf and Klein were walking through brush at the opposite sides of a creek bed in a marsh on the Irwin Schultz farm about one mile south of Kewaskum. The brush prevented the two hunters from seeing each other. A pheasant was suddenly scared up by their hunting dog and Windorf fired, wounding Klein, who was in the line of fire. Windorf also bagged the bird with the shot. Klein fell to the ground and Windorf learning what had happened, ran to his aid. He then tried to attract the attention of Irwin Schultz who was at work in a nearby field with his horses. The two, with the help of Sylvester "Fat" Naumann, who also was hunting nearby and was attracted to the scene, brought Klein to a local physician. He was then taken to St. Joseph's Hospital in West Bend.

Mr. and Mrs. August E. Koch of this village are the happy parents of an eight pound baby boy born at St. Agnes Hospital, Fond du Lac, on Oct. 21. A daughter was born to Mr. and Mrs. Edward Bohlen of Route 2, Kewaskum, at St. Joseph's Hospital, West Bend, on Oct. 15.

## 75 Years Ago

OCTOBER 20, 1917

Miss Rose Straub and John M.

Flasch of St. Kilian were quietly married at Fredonia on Tuesday with the Rev. Peter Flasch performing the ceremony. Miss Straub of the daughter of Mr. and Mrs. Casper Straub of St. Kilian and has a wide circle of friends. The groom is the son of Mr. and Mrs. Peter Flasch of St. Kilian.

REPRINTED FROM THE HARTFORD TIMES: The Kewaskum Statesman, Messrs. Harbeck & Schaefer, Publishers, has taken a step in the right direction by installing a modern typesetting machine. The machine was erected last week and this week's Statesman showed the good effects, which can only be gained from a slug casting machine. A model "Z" Intertype is the new acquisition. With this new equipment the proprietors had ought to give Kewaskum as good a little weekly paper as can be found in any like village in the state, and they are doing it. Every newspaper office in Washington County is now equipped with modern composing machines. As a matter of fact, a newspaper plant without a typesetting machine is working under the same disadvantage as a farmer would be without a self binder.

On Sunday, Oct. 21, the Evangelical Lutheran Immanuel congregation in the Town of Scott will dedicate its renovated church.

When Company E went down to Camp Mills, they had with them a mascot in the shape of a raccoon. They promised to send the coon back to Campbellsport as soon as it was no longer possible for them to keep it. Saturday the coon showed up at Campbellsport, having been sent to Herman Paas for safekeeping until the soldiers return home.

A son was born to Mr. and Mrs. Ernst Hoelt of Beechwood on Friday.

## Researchers Discover Herb Eliminates Calories

SUGAR ABSORPTION CAN BE REDUCED

A natural Herb has been discovered that can reduce caloric intake without fear of toxic effects. Many of your everyday foods, in addition to sweets, contain calories (sugar). The average American diet includes 61 lbs. of sugar additives annually, mostly hidden in everyday foods. This is in excess of 100,000 unwanted calories yearly. While researching the medicinal effects of an herbal extract on controlling blood sugar levels in diabetics, scientists in Japan and India discovered that the herb acted as a sugar blocker, thus reducing the amount of sugar absorbed into the body. Studies published in respected scientific journals such as The American Journal of Clinical Nutrition showed that by limiting the amount of sugar that is absorbed, calories are reduced and less sugar is turned to fat. The effect is a natural weight loss. The amazing herb is now available

to the public in tablet form under the label MEGA-THIN 100. It is available immediately because it is an herb and consists of only natural ingredients. The discovery of MEGA-THIN 100 has been a windfall for overweight people. A nurse in West Virginia said, "I have struggled with being overweight since age 9. I have tried almost everything known to man to lose weight and they have all failed me. I saw your ad in the newspaper, and decided to try MEGA-THIN 100. I have been on MEGA-THIN 100 for a little over 4 months. I have lost 52 pounds and I'm still losing. I have never experienced any side effects. My doctor is very pleased with my weight loss and says I'm losing at the perfect rate to stay healthy." Pharmacists are praising MEGA-THIN 100 as an effective alternative in weight reduction. If diabetic, consult with physician before using. MEGA-THIN 100 is available at this pharmacy.

## Kewaskum Juniors Attend Conference

By Louise Martin

Delegates, Club leaders and members of the GFWC Wisconsin Junior Women's Clubs gathered on October 9 and 10, 1992 at the Milwaukee Marriott in Brookfield for their 41st annual JUNIOR FALL CONFERENCE.

The GFWC Wisconsin Director of Junior Clubs, Glenda Pelisek of the GFWC Junior Woman's Club of Racine, presided over the Conference. Ms. Pelisek emphasized her theme - "Volunteers are Stars in their Community" - by recognizing her members' achievements and leadership roles.

Attending the Conference as representatives of the GFWC Kewaskum Junior Woman's Club were Gayle Van Ess, WFWC Junior Special Project Chairman, MeriLou Chambers, Sixth District Junior Director; Terry Christie, Club President, Louise Martin, Corresponding Secretary and Diane Shreves, club member.

Lauren Murphy Payne, M.S.W., of Racine, the author of a recent child's book on self esteem, addressed the General Session Friday evening. Her talk, "Empowerment Techniques for Woman", was most timely and well received by the audience.

The Juniors were most fortunate to have in attendance, and addressing them on Saturday, the GFWC Wisconsin Federation of Women's Clubs' President, Mary Kaye Ernest. Ms. Ernest, a member of the GFWC Mequon-Thiensville Junior Woman's Club, discussed two topics - volunteerism, and Wisconsin's Own Library, a collection of books by Wisconsin authors and illustrators. The latter subject will be the special emphasis of the GFWC Wisconsin Federation these next two years.

After a weekend of educational workshops and motivational speeches the Juniors returned home well equipped to start their 1992-93 Club year with renewed vigor and enthusiasm.

The General Federation of Women's Clubs is the largest and oldest nondenominational, non-partisan, international volunteer service organization of women in the world. Its purpose is to enter into communication and to unite the various Women's Clubs for their mutual benefit and promotion of their common interest. Thus is created the GFWC motto: Unity in Diversity.

## Riveredge Halloween Hike Rehearsal Set

If you've signed up to volunteer for the 7th Annual Haunted Halloween Hike, meet at Riveredge Nature Center on Saturday, October 24, for a dress rehearsal.

Call Sue at Riveredge at 675-6888 (local) or 375-2715 (metro) for more information.

Riveredge is a non-profit, 350 acre sanctuary and educational organization, providing environmental programs for all ages. It is located in Ozaukee County on Highway Y, one mile north of Newburg between Saukville and West Bend.

## UWWC Students Initiated Into Phi Theta Kappa

Twelve students at the University of Wisconsin Center-Washington County, West Bend, were initiated recently into Phi Theta Kappa, the international scholastic honor society of the two year college.

The students come from six area communities and were selected for their academic achievement at UWWC.

Phi Theta Kappa was founded in 1918 and today has more than 1,000 chapters including UWWC's Chi Chi Chapter. Membership is open to students who have completed 12 hours of college work, attained a high level of scholarship and demonstrated "good moral character and recognized qualities of citizenship."

The group seeks to provide the opportunity for the development of leadership and service, an intellectual climate for the exchange of ideas and stimulation of continuing academic excellence, encouragement of scholarships for advanced education, and personal enrichment of the student through unique educational experiences and fellowship with other scholars.

Named to Phi Theta Kappa on September 17, were:

Hartford - Jennifer M. Punzel.  
Kewaskum - Dawn C. Maramonte.  
Menomonee Falls - Tracy M. Carey, Sarah L. Poulakos.  
Wauwatosa - Michael H. Simon.  
West Bend - Angelika A. Behrend, Brenda L. Campbell, Melanie R. Lord, Ann M. Steier, Jonathan P. Ziegler, Mary C. Zimdars.

## County Separated and Divorced Group to Meet

The Washington County Separated and Divorced Men and Women Support Group meets every Friday at Sacred Heart Church in Allenton from 7:30 to 9:30 p.m.

The purpose of the meeting is to provide a group to share ideas, concerns, support, fellowship and love from a Christian perspective. There are also guest speakers, panel discussions, small group sharing and activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

Upcoming topics are:  
October 23 - "Being Single Again - The Accepting," is being presented by Pat Doktor, Coordinator, Adult and Family Ministry Archdiocese of Milwaukee.  
October 30 - "The Masks We Wear."

November 6 - "Cure-X/Banned Aides" presented by Wendy from Planned Parenthood.

November 13 & 20 - To Be Announced (attend a meeting for the schedule of speakers).

The leaves of asparagus plants are so tiny that they are hard to see without a magnifying glass.

## TOWN & COUNTRY LIGHTHOUSE 10-6-92

Fromm's, 28-14; Noble Construction, 28-14; Quality Cabinets, 24-18; Carl's Choice Liquor, 22-20.  
Tom Zernia 655 (256); Ron Wilcox, 636 (239); Roger Bird, 608 (234).

## GUYS & DOLLS Holds Surprises

"Where's the crap game?" Sky Masterson asks Nicely-Nicely Johnson. "Well, Sky, it's about ten minutes walk from here," replies Nicely as he points down the manhole into the sewer. A floating crap game in a sewer?! Sky (played by Chad Harlow) and Nicely (played by Keith Herman) later join their friends in the sewer where Rusty Charlie (Cory Rammer), Angie the Ox (David Gosa), Harry the Horse (Tim Strigenz), and the others have been trying their luck at the game.

When Sky and Nicely finally arrive, Nathan Detroit (played by Brian Bruendl) explains that a twenty-four hour crap game in a sewer tends to make the boys "slightly fatigued." However, Big Jule, who has already lost twenty-five G's, insists they stay. Big Jule (Dan Schulteis) would like to try his luck with his special dice from which he's had the spots removed. Sky has more than money on his mind when he stops Big Jule in his tracks and begins a game of his own - for higher stakes.

Later, the men are welcomed to the Save-A-Soul Mission by Maureen Abernathy, a mission worker (played by Krysten Ammel). Just when Maureen and Sergeant Sarah Brown (Greta Kuphal) are about to cancel the evening prayer meeting, "one dozen or more assorted sinners"

show up.

How do the gamblers get from a crap game in the sewer to a prayer meeting? Find out the "method" behind Sky's "madness" at the KHS presentation of **Guys & Dolls**, November 6 and 7 at 8:00 p.m. Tickets may be purchased at the high school during school hours or by calling the high school at 626-2166. These are reserved seats ranging in price from \$3.00 to \$5.00. A free Senior Citizen performance will be held on Thursday, November 5, at 4:00 p.m.

**The Liberty Bell's inscription, "Proclaim Liberty throughout all the land unto all the inhabitants thereof," is from the Bible**

### ABC CLUB SKAT RESULTS

## Modern Woodmen to Hold 'Family Life' Program Monday

On Monday, Oct. 26, at 7:30 p.m., the Modern Woodmen of America, Camp 2233 of Kewaskum, are sponsoring a "Family Life" program at the Community Center, in the Municipal Building.

A member of the Kewaskum Police Department will lead the discussion on swindlers, con artists, telephone sales, etc., which are problems facing the American family today.

Members and guests are invited to attend.

## Kewaskum Women's Club to Meet Oct. 29

The October meeting of the Kewaskum Women's Club will be held October 29 at 7:30 p.m. in the Community Room.

Program for the evening will be a book review by Dort Williams on book "Anchors". Coordinator for the program is LaVerne Hron.

Hostesses for the evening will be Jean Goeden and Ruth Gruhle.

Guests are welcome to attend this interesting program.

## Chief Knoebel Reminds Residents Of McGruff House Program

TAKE A BITE OUT OF  
**CRIME**<sup>®</sup>

The McGruff House sign is easy for children to distinguish.

By Sharon Callaway Roznik

Police Chief Richard Knoebel recently discussed the Kewaskum Police Department's implementation of a nationwide program utilizing "McGruff", the Crime Dog as a symbol to help children.

The McGruff House Program invites the community to work with the Police Dept. in helping children become aware of safe houses near their schools and neighborhoods. "Because of the recent problems with missing children in other cities, we want people to know this program is in effect," states Chief Knoebel.

A McGruff House is a temporary haven for children who find themselves in emergency or frightening situations such as being bullied, followed, or hurt while walking in a neighborhood. Chief

Knoebel explains, "using McGruff as a symbol, each participating house gets a sign to display in a window. Each sign is assigned a number, so we know where they are located." An individual who volunteers as a McGruff House participant agrees to provide certain types of emergency assistance for children as they go to and from school and are at play in the area. There is no cost to the participant, and Community Relations Officer Thomas Bauer will come to each house and explain procedures necessary to know.

The Kewaskum Junior Women helped start up the program in the village 1½ years ago, and so far there are 27 McGruff Houses in Kewaskum. The nationwide program is brought into schools and explained to the children so they

are able to recognize a safe house if they are in trouble or need help. "Many times it becomes a deterrent to crime," states Chief Knoebel.

An effective McGruff House Program demonstrates that the community accepts shared responsibility to watch out and help out on behalf of all its children. It represents a partnership among local communities, state governments, and a national organization that enables the communities to benefit from the credibility and visibility of the national effort and join with other communities in implementing a program with consistent standards, guidelines and safeguards.

Reasonable precautions have been designed into the McGruff House Program to determine the integrity of those volunteers who participate. The distribution of McGruff House signs is strictly controlled, and each numbered sign is released only after all screening procedures are completed and the applicant is approved.

If anyone is interested in signing up to be a McGruff House participant or finding out more information, please contact the Kewaskum Police Dept. at 626-2323. Applications can also be picked up at the station.

## Bay Lakes Boy Scouts to Conduct Annual Food Drive

There is hunger in the land of plenty. An estimated 20 million Americans, including 4 million children, go hungry at some time each month. There are more hungry people in America today than at any other time in the past 30 years. Between 1985 and 1990, the average number of households seeking emergency food increased by almost 40 percent. Seventy percent of those seeking help were families with children.

Prolonged hunger causes more than just discomfort. Malnutrition can lead to permanent tissue damage, and leaves its sufferers, particularly children and the elderly, susceptible to illness and infection. Hunger has been declared as a societal "unacceptable" by the Boy Scouts of America.

Hunger, however, is a problem we can do something about by working together. "Scouting for Food Good Turn" is a starting point. It is a means of educating the public as to the enormous "invisible problem," and a way that Scouting can mobilize community resources and desire to help others and produce a terrific outpouring of good will... and food.

It's an example of Scouting's long standing commitment to community service, a commitment that dates back to the first national Good Turn, a 1912 program promoting a safe and sane Fourth of July.

Scouts will distribute food collection bags door to door on Saturday, November 7th. On the following Saturday, November 14th, the Scouts will return for the bags which they are asking residents to place outside their doors. The food items will be taken to various food banks serving the local area.

Chairman of the 1992 "Scouting For Food Good Turn" is Bill Lawson, President of Employers Health Insurance, located in De Pere. WBAY-TV News Anchor, Chuck Ramsay, is once again serving as Honorary Chairman with John Franken, also of WBAY-TV serving as Publicity Chairman.

Michael Smith of West Bend is serving as chairman for Glacier Edge District 11, which includes Ozaukee County, Random Lake and Washington County.

# Public Notice

EVENT: Closeout of all remaining 1992 Chevrolets, Oldsmobiles and Chevrolet Trucks.

LOCATION: Schwartzburg Chevrolet - Olds - GEO

## Letters to the Editor

### To the Kewaskum Community:

Are you as tired of hearing about kissing pigs as I am? (No, I'm not bitter because Lana lost). Speaking of the contest, I would again like to thank John Herriges for being a good sport, and helping the Kewaskum Area Chamber of Commerce raise nearly \$2,000 to help meet Kettle Kountry Kolours expenses.

Kettle Kountry Kolours is an expensive event that costs in excess of well over \$10,000. The Christmas parade costs approximately \$2,000. The Chamber members work hard to fund these events so they can be provided to you at no cost.

The Kewaskum Area Chamber of Commerce is currently selling coupon books for \$19.95 to help fund these events. We need your help. Buy a book today from any Chamber of Commerce member. If you were to use most of the coupons in the book it could save you nearly \$2,000.

We realize you won't use them all, but everyone should be able to use \$20 worth of coupons to make your book free to you. Unlike a raffle where only a few win... the coupon book insures everyone wins. You will win with your savings and the Chamber wins with your support.

The Chamber of Commerce receives \$5.00 for every coupon book we sell and this money will be used to help defray the cost of these events we sponsor for you.

If you and your family have enjoyed Kettle Kountry Kolours, the Christmas Parade, or profited from the annual rummage sale, now is the chance to make sure these events continue and grow to bigger and better.

If you have an idea on how to save yourself some money while supporting your community, we would love to hear from you.

Don't wait for your neighbor to support Kewaskum... help support it yourself. Buy a coupon book today and save yourself a lot of money. This way, we will all win!

Judy Johnson

P.S. If you really feel you would not benefit from the purchase of a coupon book, donate \$5 to the Chamber of Commerce to light a candle on our Celebration Cake located in the window of the Statesman. Better yet... do both!

October 13, 1992

### Dear Editor:

I heard a lady on "Open Line" discussing writing in Grover for Sheriff. I think this is a great idea. I can't believe Schulteis won! Here is a man who states in a number of articles and radio debates that the budget problem was okayed by the County Board. He also stated he foresaw no problem in KEEPING WITHIN THE FUTURE BUDGET.

One week after the election in

**DUNDEE SAND & GRAVEL**  
G. RAMTHUN 533-4549

- \* Washed Sand
- \* Crushed Gravel
- \* Stone and Lime Chips

Also Gravel and Sand Fill  
Topsoil  
GENERAL TRUCKING

huge headlines in the newspaper, he asked for an increase in the budget. Nine days after the election he DEMOTED GROVER ON THE SWAT TEAM. The sheriff had promised previously in many news articles and debates that no retribution would be taken against Grover.

The sheriff has stated that Grover lied about many of his campaign issues. Well, I think it is pretty clear who has trouble with the truth! The sheriff has sure lost his credibility, and the Schulteis supporters who thought they were big winners certainly have mud on their faces now.

Blaine Szudajski  
Hartford, WI

### Dear Friend - Editor:

You are probably aware that Sgt. Jim Grover failed in his bid to win the GOP nomination for Sheriff and that Robert Schulteis was renominated. During the campaign, Sheriff Schulteis told the public that Jim Grover could stay at the Sheriff's department without fear of retribution if his challenge was not successful. Immediately after he won renomination, he repeated this promise to the area newspapers, saying "that's how the system works".

The Sheriff waited about one week before breaking his promise, removing Grover from his position as the SWAT team supervisor, a position Grover held since the team was created. Not content with this humiliation, the Sheriff told the media that he could no longer trust Sgt. Grover. In the law enforcement profession, where credibility in the courtroom is essential such an act by a sheriff against a deputy is nothing less than assassination. The Sheriff was so "confident" in his decision, that he waited until Grover was off-duty and out of the way to make the announcement. When questioned by the Milwaukee Journal, he tried to spread the blame for the decision to two underlings, then made the fantastic statement that Grover himself wanted to be off the SWAT team.

Remember the remarks about Jim Grover's campaign spending? Is it any wonder why he committed all of his resources to win? He predicted what would happen if he lost, and it has already started.

Remember Schulteis's firing of

the part time deputy, Kurt Vogelsburg, for being Grover's campaign treasurer? "It isn't politics" Schulteis insisted. Did you believe that? Remember the forced departure of Dep Steven Braun, perhaps the most decorated officer in the department's history? Remember the Sheriff's "investigations" of Grover's supporters? We can't begin to comprehend the atmosphere at the Sheriff's department under the current administration. Perhaps this is why Jim Grover told us that there is a reason why morale has deteriorated so badly in the past four years, and that its traceable to the climate of fear created by the current Sheriff.

The campaign issues, such as the department budget and the quota system, are open to debate. But there is no debate on the issue of integrity and honesty. The Sheriff's methods of handling people who get in his way have been made crystal clear. These methods, in the hands of a law enforcement official, are downright scary.

There is still a chance to stop this abuse of power. I am sending you a sticker to enter Jim Grover as a write-in for Sheriff on November 3. You can also write his name in by hand. Its easy to do. Its essential that you do it. We, and the Sheriff's department, cannot risk two more years of Robert Schulteis.

Thank you for your time, please get out and write in Jim Grover, Sheriff, November 3.

Sincerely,  
WIGS Committee

October 15, 1992

Editor, Kewaskum Statesman:

The Washington County Board is currently discussing the future of the Old County Courthouse in West Bend. Present plans call for an initial investment on the County's behalf to renovate this building into a historical museum. I know many of our County Supervisors are hearing from those constituents that oppose any new borrowing. However, I want you to know that there are many of us who do support this project.

The development of a museum makes the most practical and economic sense for the following reasons:

1. The Old County Courthouse is a sterling example of 19th century architecture, one of the best in Wisconsin. The County Board should be commended for their past, present and future efforts to preserve and maintain this structure. There is not a more appropriate use for this building than a museum. This building personifies Washington County

History and offers us an opportunity to develop one of the best County Historical Museums in Wisconsin.

2. The Old Courthouse is on the National Register of Historic Places and is protected under federal law. Any attempt to take the "cheap" way out and demolish this building will violate the Preservation Act of 1966 and may jeopardize any of the County's current and future federal assistance under Section 106. In other words, this may end up costing the county more in the long-run.

3. The development of a museum operated by a private non-profit organization simply offers the most economical solution. A non-profit museum has the only realistic potential to off-set the costs to renovate this building. It also presents the best opportunity to create an operation that will eventually become self-sufficient, needing minimal or perhaps no county assistance in the future.

4. The long-term economic benefits far outweigh the initial cost of the project. Tourism activities generate 6 billion dollars a year in Wisconsin and 70 percent of travelers visit historic sites on their trips. Every business, historic site and restaurant in the county will benefit financially from the bus loads of visitors who will be interested in seeing this building and the wonderful bell collection that will be donated as soon as the museum is developed. We should look to Oshkosh to see how having three quality historic attractions (Paine Art Center, Oshkosh Public Museum, and EEA Museum) can draw visitors who will spend money on goods and services when they travel. In addition, every economic development group and service organization in Washington County can tell you that we need facilities like this to attract the types of business and industry that will have a positive effect on our County's future growth.

5. From an educational standpoint, we can not afford not to preserve this building. As our county grows, as it is currently do-

ing at a rapid pace, the preservation of our past heritage must become a priority. It is important that our children and future generations can learn about their past and all that made it what it is today. It was not by accident that European immigrants settled in Washington County in the last century. They settled here for the rich agricultural resources available to them. These same settlers, with their strong work ethic, were precisely what later attracted the businesses and industry that employ our citizens and contribute to our life till this day.

I would like to reassure our County Supervisors that many of us realize that you must make an investment today to reap future benefits. Also, thousands of dollars can be saved if the money is borrowed at current interest rates. Postponing this project will only force all of us to pay more interest and renovation costs in the future. We can not afford to lose the excitement, enthusiasm and momentum that has been generated by potential donors, volunteers and area historical groups.

In closing, I would like to urge all Washington County residents to contact their Supervisors and let them know that we appreciate their efforts and support this intelligent and well conceived solution to the Old Courthouse question.

Robert A. Meyer  
West Bend

# Minutes of Village Board Meeting

Submitted Oct. 16, 1992

Regular Meeting  
August 3, 1992  
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Mary Krueger presided. Trustee Robert Beisbier asked to be excused and was absent. All other Trustees were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the minutes of the July 13, 1992 meeting were approved as printed.

Chief of Police, Richard L. Knoebel informed the Board that \$235.00 was received from the County for police equipment from the drug recovery fund.

Director of Public Works, Jerry Gilles brought up for discussion the clarification regarding the weekly garbage collection route and the "News Notes" explaining the changes.

The Board asked that Director Gilles report on the progress of the grease trap letters and inspections at the next meeting.

On a motion by Trustee Harry Roecker, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board approved the applications for Operators License upon proper payment of fees and authorized the office to issue said licenses as follows:

Chittum, Rhonda J., Campbellsport, WI.

Herriges, Jacqueline A., Kewaskum, WI.

Stautz, Clayton C., Kewaskum, WI.  
Note: The Police Department had no objections to any of the applications.

A review of the budget control sheet for the Water Fund, Sewer Fund and General Fund for the period ending June 30, 1992 was conducted.

Administrator Daniel S. Schmidt reviewed a variety of correspondence with the Board as follows:

- 1) News notes regarding low hanging branches.
- 2) News notes on the sale of bulk water for the filling of swimming pools.
- 3) Review of the League bulletin and the Wisconsin Taxpayer bulletins.
- 4) Review of information regarding the Mid-Moraine Municipal Association.
- 5) Review of the letter received from Kamps Inc. regarding the telemetry system and the need to upgrade.
- 6) Letter of thank you from the Robert G. Romaine Legion Post.

On a motion by Trustee Robert Wagner, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	\$69,519.87
Sewer	44,518.50
Water	67,586.25
Payroll	30,688.86
<b>TOTAL</b>	<b>\$212,313.48</b>

A/P Check #5047 - #5145  
P/F Check #3616 - #3698

Chairman of the Public Services Committee, Trustee David Goeden announced a committee meeting scheduled for August 17, 1992 at 7:00 p.m. regarding recycling.

Board Representative for the Plan Commission, Trustee Gary Gavin reported that the Commission has reviewed the request to divide the lot and rezone a portion of the lot at 1607 Fond du Lac Avenue. The Commission sent both matters to the Board recommending both items.

Board Representative for the Library Board, Trustee Robert Wagner informed the board that a total of 17 applications were received for the position of Library Director. Also that the Library Board has scheduled the interviews for August 10, 1992 beginning at 6:00 p.m. The meeting will be a joint meeting with the Village Board invited.

Administrator Daniel S. Schmidt

distributed a scaled down map of the Village depicting the areas which require sidewalk work yet and the projected timetable. The board was informed that the archaeological study as requested by the Board should be scheduled for completion within 30 to 90 days.

On a motion by Trustee Robert Wagner, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board turned the School District's request for some parking stalls on Third Street over to the Protection & Public Safety Committee.

Action was taken on Resolution No. 92-17 a Resolution Declaring Intent to Exercise Special Assessment Police Powers, regarding the proposed Bonnie Lane street related work as attached hereto:

On a motion by Trustee Gary Gavin, seconded by Trustee David Goeden

and carried by the majority roll call vote, the Board authorized the signing of the Agreement between the Village and Gordon Hoffmann Building Inspector. It was noted the matter should be reviewed periodically. Roll call vote was 4 "Aye," 2 "Nay," 1 "Absent." Trustee Thomas McElhatton and Trustee Robert Wagner voting nay.

On a motion by Trustee Robert Wagner, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board canceled the meeting of September 7, 1992 due to Labor Day and the Fall Primary Election scheduled for September 8, 1992.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

Daniel S. Schmidt  
Administrator

## Resolution No. 92-17

### PRELIMINARY RESOLUTION DECLARING INTENT TO EXERCISE SPECIAL ASSESSMENT POLICE POWERS UNDER SEC. 66.60, WI STATS

RESOLVED, by the Village Board of the Village of Kewaskum, WI:

1. The Village Board hereby declares its intention to exercise its power under Sec. 66.60, Wis. Stats., to levy special assessments upon property within the following described area for special benefits conferred upon such property by improvement of the following streets:

All property fronting upon the following legal descriptions and addresses:

V4-0191-07	900 Prospect Drive
V4-0191-04-A	(Parcel) Bonnie Lane
V4-0191-03-A	920 Courtney Lane
V4-0191-1	(Parcel) Courtney Lane
V4-0191-11	(Parcel West) Bonnie Lane
V4-0618	891 Prospect Drive
V4-0618-A	111 Bonnie Lane
V4-0618-B	113 Bonnie Lane
V4-0618-C	115 Bonnie Lane
V4-0618-D	117 Bonnie Lane
V4-0618-E	121 Bonnie Lane
V4-0618-F	211 Bonnie Lane
V4-0618-G	213 Bonnie Lane
V4-0618-H	215 Bonnie Lane
V4-0618-I	219 Bonnie Lane
V4-0618-J	221 Bonnie Lane
V4-0618-K	223 Bonnie Lane
V4-0618-L	225 Bonnie Lane
V4-0618-M	227 Bonnie Lane
V4-0618-N	229 Bonnie Lane
V4-0618-O	231 Bonnie Lane
V4-0618-P	233 Bonnie Lane
V4-0618-Q	235 Bonnie Lane
V4-0618-R	237 Bonnie Lane
V4-0618-S	239 Bonnie Lane
V4-0618-T	241 Bonnie Lane
V4-0618-U	243 Bonnie Lane
V4-0618-V	245 Bonnie Lane
V4-0618-W	247 Bonnie Lane
V4-0618-X	249 Bonnie Lane
V4-0618-Y	251 Bonnie Lane
V4-0618-Z	253 Bonnie Lane

2. The public improvements shall be the installation of storm sewers, catch basins, street/road way, street lighting, curb/gutter, sidewalk and other related improvements deemed necessary by the Village Engineers on Bonnie Lane and Courtney Lane to meet the specifications in the Village of Kewaskum and other related specifications contained in Section 8 of the Municipal Code of the Village of Kewaskum and under the Village Engineers specification for utility and street improvements.

3. The total amount assessed against the properties in the defined assessment district shall not exceed 100% of the total cost of the improvements. The Village Board determines that the improvement constitutes an exercise of police power and the amount assessed against each parcel shall be based on the lineal footage of said parcel on Bonnie Lane and Courtney Lane.

4. The assessment against any parcel may be paid in cash or in annual installments the number of which shall be determined at the public hearing on the proposed assessment.

5. The Village Engineer shall prepare a report which shall consist of:

- a. Preliminary or final plans and specifications for the improvements.
- b. An estimate of the entire cost of these proposed improvements.
- c. Schedule of proposed assessments against each parcel.

6. When the report is completed, the Village Engineer shall file a copy of the report with the Village Clerk for public inspection.

7. Upon receiving the report of the Village Engineer, the Clerk shall cause a notice to be given stating the nature of the proposed improvements, the general boundary lines of the proposed assessment district, the time and place at which the report may be inspected, and the time and place of the public hearing on the matters contained in the preliminary resolution and the report. This notice shall be published as a Class I notice and a copy shall be mailed at least 10 days before the hearing to every interested party.

8. The hearing shall be held in the Kewaskum Municipal Building, 204 First Street, at a time set by the Clerk in accordance with Sec. 66.60(7), Wis. Stats. Adopted and approved this 3rd day of August, 1992 by the Kewaskum Village Board.

Mary Krueger  
Village President

ATTEST:  
Daniel S. Schmidt

The motto *In God We Trust* first appeared on U.S. coins in 1864.

## School District of Kewaskum Kewaskum, WI 53040 - 0037

### Minutes (UNOFFICIAL UNTIL APPROVED) ANNUAL MEETING July 27, 1992

Submitted Oct. 19, 1992

The Annual Meeting of the School District of Kewaskum was held in the Kewaskum High School multi-purpose room on Monday, July 27, 1992 beginning at 8:05 p.m. The meeting was called to order by School Board President, Neal Weare. There were approximately 30 electors present.

Mr. Weare proceeded with introductions of Board Members which included, Ron Beimborn, Jean Goeden, Janet Wolfenber, and John Schulte. Also introduced were Legal Representative Kathy Coates of Quarles & Brady, District Administrator Dr. David Heather, and Administrative Secretary, Jeanne Jacak. Board members absent were Ruth Schmitt and Ray Engelking.

Jean Goeden nominated Neal Weare as temporary Chairperson. Bob Gavin seconded the motion. All aye.

Chairperson Weare appointed Jeanne Jacak as secretary.

Richard Zarlum moved that Robert's Rules of Order for Parliamentary Procedure be used to conduct the meeting. Irene Heather seconded the motion. All aye.

Gerald Secor moved to dispense with the reading of the minutes of the 1991 Annual Meeting and accept them as presented. Larry Ammel seconded the motion. All aye.

The financial report of the Kewaskum School District was presented by Dr. Heather.

There was no old business. Dr. Heather gave his opening remarks, followed by an explanation of the budget. Discussion followed.

Don Nowak moved: Be it resolved by the electors of the School District of Kewaskum that the annual salary of the School Board Members be set at \$1500 per year. Bob Gavin seconded the motion. Motion failed.

Richard Zarlum moved: Be it resolved by the electors of the School District of Kewaskum that the annual salary of the School Board Members be set at \$1000 per year. Bob Gavin seconded the motion. All aye.

Richard Zarlum moved: Be it resolved by the electors of the School District of Kewaskum to authorize the payment of actual and necessary expenses of a school board member when traveling in the performance of duties and the reimbursement of a school board member for actual loss of earnings, not to exceed \$50 per day, when duties require the School Board Members to be absent from

regular employment. Bob Gavin seconded the motion. All aye.

Irene Gnacinski moved: Be it resolved by the electors of the School District of Kewaskum that the School Board be authorized to sell or otherwise dispose of obsolete or unused furniture and equipment which is no longer needed for use by the district. Larry Ammel seconded the motion. All aye.

Jean Goeden moved: Be it resolved by the electors of the Kewaskum School District that the School Board provide for a school lunch program and appropriate funds for that purpose. John Schulte seconded the motion. All aye.

Larry Ammel moved: Be it resolved by the electors of the Kewaskum School District that the School Board be authorized to furnish textbooks to students under conditions prescribed by the Board of Education. Jim Rix seconded the motion. All aye.

John Schulte moved: Be it resolved by the electors of the School District of Kewaskum that the School Board operate and maintain transportation vehicles and to purchase liability insurance for such vehicles, and to finance contracts for the use and services of such vehicles. Jim Rix seconded the motion. All aye.

Bob Gavin moved: Be it resolved by the electors of the Kewaskum School District, that the District's current transportation policy is amended to provide that the Kewaskum School Board transport to and from school each kindergarten student who resides (1) within the boundaries of the Village of Kewaskum and (b) one mile or more from his/her school of attendance. Seconded by Donna Page. All aye.

Richard Zarlum moved: Be it resolved by the electors of the School District of Kewaskum that a tax be levied on all taxable property of the district for operating expenses and capital outlay for the 1992-93 school year in the amount of \$5,320,176 and for debt retirement in the amount of \$206,338. Bob Gavin seconded the motion. Aye-22; Nay-8. Motion passed.

Don Nowak moved that the date of July 26, 1993 be set for the 1993 Annual Meeting. Bob Gavin seconded the motion. All aye.

John Schulte moved that the meeting be adjourned. Irene Gnacinski seconded the motion. All aye. The meeting adjourned at 9:07 p.m.

## H.T.S. Students Visit Riveredge

The 5th Grade Class of Holy Trinity School in Kewaskum recently went on a field trip to Riveredge Nature Center in Newburg. While there, the students studied the similarities and differences between a field and a forest community.

Chris Koth, Ricky Lettow and Lisa Schickert study the insects and plants in the field.

Patrick Bohn, Jason Strobel and Katie Kopecky take a soil sample, measure wind sweeps and read the temperature of the air in the field.

## Letters to the Editor

### To The Editor:

As the election draws nearer, many of us try to sort out the real positions of the presidential and senatorial candidates on a variety of issues. The media predicts, digests, and re-interprets for us. Ideas, plans and promises are offered and then countered and contradicted by opposing candidates.

It is also difficult to determine how some of the differences presented would really affect positive changes for our country. We know that many world factors and forces beyond the outcome of the election will influence the future and our lives. The economy is very unstable throughout the world, not just in the USA. Ethnic and racial rivalries, conflicts, and unrest rock many parts of the world, making foreign policy a constant dilemma. Disparity between the rich and poor continues to mount. National health care in many countries present serious problems in availability and quality.

The one difference and outcome we can count on relates to life issues. Governor Bill Clinton has gone on record as supporting abortions without restriction throughout pregnancy. His Comprehensive Health Care Plan would cover payment of abortions at the taxpayer's expense. He agrees with the nation's largest abortion provider that abortion is a legitimate form of birth control and should continue to be supported by the federal government. Ross Perot, too, supports abortion and taxpayer funding, as does Russ Feingold.

We will probably always have some laws related to abortion and other life issues, but do we want unrestricted abortion on demand and other policies which undermine moral values at the taxpayer's expense?

President George Bush and Senator Robert Kasten have consistently supported legislation for pro-life and promise to continue to do so. If abortion is one of your concerns, perhaps you will want to vote for the candidates who seek to keep this evil under control.

Let the CHOICE be to promote

wise use of birth control measures and abstinence. Problems cannot be solved by eliminating the weakest member of our society. Your vote for pro-life CAN make a difference.

Mary Hovland  
Kewaskum, WI

•••••

October 19, 1992

Letter to the Editor:

W.I.G.S. (Write In Grover for Sheriff) is proud to announce that today at approx. 9:00 a.m. Sgt. James Grover joined our campaign when he registered as a Write-In candidate at the County Clerk's office in the Washington County Courthouse. The W.I.G.S. committee was formed by a group of concerned citizens who reject the inability or unwillingness of our present Sheriff to follow through with his campaign promises when he stated during the primary campaign that there was no problem with the Sheriff Dept. budget and when he refuses to stay within the 8 percent budget increase that the county board approved for the Sheriff Dept. 1993 budget. We also reject a sheriff who promises the people in the news that there will be no retribution against Grover for running against him and again breaks that promise when he demotes Sgt. Grover only nine days following the Sept. 8 primary election. In Sheriff Schulteis' own words, quoting him from the West Bend Daily News on Sept. 24, 1992 "When an officer says something that is untrue, it damages his credibility. That's the most important thing an officer has." We, the people, agree with that statement and also say the Sheriff also damages his credibility when he breaks his campaign promises and tells untruths regarding the demotion of Grover saying that Sgt. Grover asked to get off the SWAT team. We challenge Sheriff Schulteis to tell the people what untruths were told by Jim Grover. Everything Jim Grover said would happen with the Sheriff budget has happened. We, the people, cannot afford two more years with Robert Schulteis as Sheriff. We need a sheriff we can truly be proud of. We need a

sheriff who will restore fairness to the Dept. We need a sheriff who can balance the budget. Jim Grover is that man. We implore everyone to Write-In Jim Grover as Sheriff on November 3. It is easy to do. If you don't know how, ask your Poll Workers, they are there to help everyone, they will help you.

Questions regarding how to vote or how to obtain Jim Grover Write-In Stickers should be directed to Robert Michalski, Treasurer of W.I.G.S., at 414-338-0871. Anyone wishing to join W.I.G.S. is welcome to the meetings held every Tuesday evening at 7:00 p.m. at the VFW in West Bend, near WBKV radio station.

Robert L. Michalski

An Ohio man has changed his will 10 times. A fresh heir fiend.

## Class Reunion

By Isabelle Muckerheide

The Alumni Association of the former Neshkoro High School met at the V.F.W. Hall in Berlin, WI, the night of Oct. 19, 1992. After fellowship hour, and a wonderful dinner, a business meeting was held and prizes awarded. The one who came the farthest was from California. A tribute was paid to my uncle, Joe Paluka, the oldest graduate from the class of 1917. He passed away the day before at the age 95.

Another member, Paul Henke, a former mayor of West Bend, also passed away earlier this year.

Approximately 150 people were in attendance. Entertainment was provided by a barber shop quartet.

Since it would have been my golden wedding day, I presented the following few lines:

This should have been my Golden,

But that was not to be,  
My mate is up in heaven.  
So that leaves only me.

It would be cause to celebrate,  
But not when you're alone,  
So what's the next best thing to do?

But share with friends from home.  
I'm thankful for this gathering,  
With folks I'm glad to see,  
God bless you each and everyone.  
And wish the same for me!

## Dyeing the Natural Way

This mini workshop on Sunday, October 25 from 1 to 3 p.m. will introduce the use of plants as a source of rich, natural dyes. Bark, leaves and nuts will be used to produce a rich bouquet of color.

The fee is \$4.00 for adults and \$3.00 for children. Call Riveredge Nature Center at 375-2715 (metro) or 675-6888 (local) to

register.

Riveredge is a non-profit, 350 acre natural sanctuary and educational organization, providing environmental programs for all ages. It is located in Ozaukee County, on Highway Y, one mile north of Newburg, between Saukville and West Bend.

## Receives Degree

OSHKOSH — More than 80 students from Illinois, Minnesota and Wisconsin received bachelor's degrees after completing the 1992 summer session at the University of Wisconsin - Oshkosh.

Carrie Ann Batzler, 690 Hwy. V, Campbellsport received a bachelor of business administration degree in marketing.

### Gosa Earns First Team All-Conference Honors

## KHS Boys Second in EW Run; Girls Third

By Statesman Sports Writer

**SHEBOYGAN** — The Kewaskum boys cross country team is showing exactly why they deserve the respect earned from other coaches around the state.

After receiving honorable mention votes in the Wisconsin State Coaches Association Division II poll, the Indians went out and proved their capability by finishing second at the Eastern Wisconsin Conference race here, last Tuesday.

Chilton, led by Jason Karls' upset in the individual race, won the boys meet with 59 points, while the Indians came in with 76.

The runner-up finish was the best-ever by the KHS boys, who were led by a pair of runners who are out for the sport for the first time.

Sophomore David Gosa, who played football last fall, came up with one of his best efforts of the year in placing seventh in the race. Gosa's time of 17:41 was

just enough to earn him a spot on the All-EW first team, which consists of the top seven finishers at the meet.

Junior Randy Thull, also in his first year of competition, continued his strong progress, finishing in 18:02, good enough for the tenth spot, and second-team all-EW honors.

Perhaps the most consistent Indian runner, senior Jeff Dirmeier, had an off day by his standards, but still managed a second-team showing with his 18:11 clocking, which was good enough for 12th.

After having trouble just fielding a full squad in past years, the Indian boys got good efforts from Dean Kries (22nd, 18:50), and Damien Doherty (25th, 19:07) in order to secure their runner-up spot.

The Lady Indian runners also capped off a fine day by placing third in their team race. Two Rivers, paced by Amy Erickson's winning effort of 12:30, won the girls team title in dominating

fashion, with just 29 points. The Indians ended up with 91.

Kewaskum was led by Chrissy Neumann, who took 11th place with her time of 13:37. Neumann, an all-EW first team member last season, was joined on the second unit this year by teammates Lynn Thull (13th, 13:56) and Greta Kuphal, who finished 14th (14:00) despite being ill for the meet.

The lady Indians, who didn't have enough team members for the race last year, got good performances from Rachel Chambers (22nd, 14:46) and Suzi Gauvin (31st, 15:43) as well.

Both Indian squads will now ready themselves for Sectional competition this Saturday, when they travel to Laconia. The boys' race begins at 10:00 a.m., while the girls run gets going at 10:30. The top six individuals and top two teams from the meet will advance to the WIAA State Meet on Saturday, Oct. 31st at Wisconsin Rapids.

## WASHINGTON COUNTY WE-TIP CRIME OF THE WEEK

October 15, 1992

On October 9, 1992, a 50 year old father of four suffered serious facial and eye injuries requiring emergency surgery when a plastic soda water bomb exploded in his face while working at Glacier Hills Park in the Town of Richfield.

The bomb exploded while a portable toilet was being pumped out. Bombs of this type have exploded in all parts of Washington County in the last 12 months resulting in some property damage, mostly to mailboxes.

Many young people have found out how to make these devices. The Sheriff's Department warns everyone that they are extremely dangerous.

These devices, which explode at a force greater than 6,000 ft. per second, have been classified as "explosive devices" by the State Crime Lab.

Possession of an explosive device with the intent to destroy property or cause injury is a felony with a possible penalty of \$10,000 fine and/or ten (10) years in prison. Causing injury by the negligent use of such a device carries similar penalties.

PARENTS: Be aware of your children trying to mix various ingredients in plastic soda bottles.

Anyone having information on who might be responsible for placing this device in the toilet at Glacier Hills Park can contact Washington County's We-Tip, phone: 1-800-232-0594. Any information can be provided anonymously and if a conviction results from the information obtained, a cash reward will be awarded to the caller. The caller will be identified by using an assigned number recorded at the West Bend Police Department. All law enforcement agencies within Washington County appreciate any information relating to any criminal activity that may have been witnessed or that anyone may have knowledge of. Cash rewards can be quite substantial if a major crime is cleared and convictions are obtained.

## Auction Items to Benefit 'Texas Bound' Joe Volz Fund

Items are being donated to the fund to help the Joe Volz family to meet expenses for Joe's cancer surgery at a Cancer Research Center in Houston, Texas.

The Campbellsport man has a rare form of cancer that can only be treated with surgery at such a center and a benefit fund has been established at Bank One in Campbellsport. Catholic Knights Insurance Branch No. 315, AAL (Aid Association for Lutherans) Branch No. 6935, and Joe's friends are sponsoring a dance, auction, and raffle. The dance is scheduled for October 23 at Frank's On The Lake (one mile west of Dundee on Hwy. F), with music by Evergreen (sponsored by Jim and Barb Bub of Kloke Ready Mix), and Laser DJ Service from 8:30 to ??? The auction is expected to begin about 9:30 p.m.

Numerous auction items are still arriving and a complete listing will be available at the dance. Present donations include: a miniature Milwaukee Bucks Basketball autographed by Mike Dunleavy; a certificate for \$200 off an excavation donated by Mueller Excavating; a collector's military rifle with bayonet and sling made in the Orient for the Vietnam War; a 16 piece ceramic Nativity Set with gold accents made by Fran and Dawn Ruplinger; Eagle On Four, with a remarque from Andy Stoffel's Wildlife in Golf series, framed and matted by Gallery and Frame Shop and Spruce Creek Whitetail by William Millonig, framed and matted by Karen Martin of The Log Cabin. Both prints are Limited Editions, signed and numbered. There is also a basket of items from Savior Faire to be auctioned.

In addition, there are two por-

table ice shelters from H. T. Enterprises; a hurricane lamp from Twohig Furniture; wood carvings by Bob Krug; hand crocheted doilies; golf and bowling packages; handmade quilts, both full size and baby bed size; handmade Christmas tree skirts; boy and girl hobby horses; gift certificates for alterations done by Sandy Smith; handmade wood shelves and a number of other items.

Pat Reilly has donated his time for the auction.

Throughout the evening, there will be a bake sale and hot sandwiches sold by St. Matthew's Christian Mothers and Human Concerns Committee. Attendance prizes will be awarded throughout the evening and tickets will be available for a major raffle.

Major raffle prizes include: a Ruger 10/22 rifle donated by Ray and Sue Schmitt; a Hoffco Gas Weed Trimmer donated by Appliances Plus; \$100 cash from A.I.W. No. 849; and Electronic Food Processor from Regal Ware Inc.; half a hog from I.O.O.B. of Campbellsport; a \$50 Savings Bond from National Exchange Bank of Campbellsport; and many more prizes. Tickets are \$1 each or 6 for \$5. They are available at Bank One branches and Campbellsport businesses. Dance admission is \$4 at the door.

The first lighthouse in America was Boston Lighthouse in Boston Harbor, first lit in 1716.

## Indians Close Season with Twin Wins Over Tigers

By Statesman Sports Writer

**KEWASKUM** — With Eastern Wisconsin Conference leader Two Rivers struggling the last couple of weeks, the Kewaskum girls tennis team needed a couple of big wins over Chilton the final week of the season to close the gap on the Raiders.

The Indians got just that, as they rolled over the Tigers 6-1 on Tuesday, and then smoked Chilton again, this time in a makeup match Thursday on the Tigers' home court by the same 6-1 score.

In Tuesday's makeup match, only No. 1 singles player Melissa Rohrer needed three sets to down her opponent, Jamie Kuba. After losing 3-6 in the season set, Rohrer bounced back to win set three 6-2.

In Thursday's match, No. 2 singles Jenny Thull lost the first set of her match with Molly Hofberger 4-6, but came back strong with consecutive 6-2 wins to improve to 7-1 in the EW.

Rohrer also moved to 7-1 with her two wins, while Nicki Cayner and Kim Frank (No. 1 doubles) also won both matches to gain the No. 1 seed in the EW conference meet.

**KEWASKUM 6, CHILTON 1 SINGLES** — No. 1 - Melissa Rohrer beat Jamie Kuba 6-0, 3-6, 6-2; No. 2 - Jenny Thull beat Molly Hofberger 6-4, 6-3; No. 3 - Meredith Frac beat Kathy Kurchscheid 6-0, 6-1. No. 4 - Nichol Loomans lost to Sarah VanderVoort 4-6, 2-6.

**DOUBLES** - Nicki Cayner and Kim Frank beat Debi Wingers and

Tanya Enneper 6-0, 6-3. No. 2 - Jenefer VanAssche and Lisa Berres beat Kim Geiser and Stephanie Woefel 6-2, 6-1. No. 3 - Karyn Dossinger and Kate Berres beat Shannon Ownes and Roxanne Hemauer 6-2, 6-0.

**KEWASKUM 6, CHILTON 1 (Makeup from Sept. 17th)**

**SINGLES** - No. 1 - Rohrer beat Kuba 6-1, 7-6 (7-3). No. 2 - Thull beat Hofberger 4-6, 6-2, 6-2. No. 3 - Frac beat Kurchscheid 6-2, 7-5. No. 4 - Loomans lost to VanderVoort 3-6, 6-7 (5-7).

**DOUBLES** - No. 1 - Cayner and Frank beat Enneper and Wingers 6-3, 6-3. No. 2 - Van Assche and Berres beat Woefel and Geiser 6-2, 6-2. No. 3 - Dossinger and Berres beat Hemauer and Ownes 6-2, 2-6, 6-2.

## Rohrer Advances to Tennis Sectional

By Statesman Sports Writer

**WEST BEND** — In the past, chances that a Kewaskum tennis player, either girls or boys, advancing past Sub-Sectional competition were quite slim, acknowledging the fact that the WIAA doesn't break tennis competition down into Divisions, making smaller schools compete against the larger ones.

But with the recent success of the Indian girls tennis program, the present is a whole different story, as Melissa Rohrer proved here, last Tuesday.

Rohrer, the top Indian singles player, beat a pair of formidable opponents on her way to advancing to Sectional competition.

"This is just another in the long line of firsts established by the girls tennis team in the past two years," KHS coach Glenn Eichstedt said. "Without question, this is the most important in terms of establishing credibility for the program."

Having won the Eastern Wisconsin Conference title for the first time in school history less than 24 hours earlier, one could hardly blame the Indians if they were to suffer a let down at the Sub-Sectional meet.

But Rohrer, who came into the meet as the No. 3 seed, didn't let that happen, as she blew past Beaver Dam's Jodi Smith 6-0, 6-0, in her first match, and then beat Waupun's Patti Zeininger 6-1, 6-4 to complete her historic accomplishment.

Rohrer's chances improved early, as the No. 2 seed, West Bend East's Kathy Yagodinski, was upset in the first round. Rohrer improved to 15-3 with the wins.

The Indians' No. 2 singles player, senior Jenny Thull, almost made it two Indians in the Sectional, as Thull won her opening match against Kate Beers of Beaver Dam, 6-3, 5-7, 6-2.

But Thull ran into West Bend East's Katie Hillman in the finals,

and dropped a hard-fought 6-1, 6-1 decision to Hillman. Thull finished the year with a fine 14-4 mark, while Hillman, who advanced to Sectionals improved to 16-1.

"To her credit, she battled to the last point," Eichstedt said of Thull's effort, which was the last of her high school career in the sport. "She just did a super job for us this year."

The Indians' two doubles entries in the meet were quickly beaten in first round matches. Nicki Cayner and Kim Frank lost to Amanda Wilichowski and Sarah Krebs of West Bend West, 6-2, 6-2, while Lisa Berres and Jenefer Van Assche lost to Fond du Lac's No. 3 seeded team of Tania Zeigler and Ellen Smith, 6-3, 6-1.

"Both teams had some very difficult matches the previous day (at the EW meet)," Eichstedt said of the doubles pairs. "They just didn't seem to have it in them physically."

Cayner and Frank, both seniors and two-time EW champions, finished the year with an 11-6 record, while Van Assche, also a senior, and Berres ended up 8-9 on the year.

### SHEEPSHEAD WINNER'S

5 handed winner's on Wednesday, Oct. 14th were: Vern Schneider, 63-4-59, 21-3-18; Rose Meunier, 69-12-57, 16-7-9; Anita Hartman, 45-3-42, 17-2-15; John Steger, 50-12-38, 16-6-10; Elroy Egerer, 47-11-36, 21-7-14; Judy Lickmann, 48-12-36, 14-5-9.

The next 5 handed will be Thursday, Oct. 22nd and Wednesday, Oct. 28th at 8:00 p.m. sharp. Schmitt's Never Inn.

About 15 percent of Americans own a computer.

## Rohrer Unable to Post Win at Sectional

By Statesman Sports Writer

**WEST BEND** — All the circumstances were right for Kewaskum's Melissa Rohrer to post an upset in WIAA Tennis Sectional action here, last Thursday afternoon.

In addition to having momentum from the first-ever Indian team title in the Eastern Wisconsin Conference, and the first-ever qualifier in Sectional action all in the same week, inclement weather forced the Sectional action indoors at the Pleasant Valley Tennis Club, where Rohrer is a member.

Despite the 'home-court' edge, Rohrer didn't get any cooperation from her first-round foe, Sheboygan North's Dee Yunk, who rolled to a 6-1, 6-0 win, thus eliminating Rohrer from advancing any further.

"We felt that she had a pretty good shot," KHS coach Glenn Eichstedt said regarding Rohrer's chances in the match. "But her inexperience kind of showed."

That inexperience allowed Yunk to earn a berth at the State Tournament, although it isn't quite certain that she will be ready. Yunk suffered a hamstring pull in the match against Rohrer, and was unable to play any matches to determine state seeding. The injury wasn't much of a factor against Rohrer, however.

"She kept everything in play," Eichstedt said of the talented Yunk, who improved to 23-3 on the year. "She kept it very deep. It made for a lot of long rallies."

Eichstedt pointed out that Rohrer had "wanted to come to the net more," but was unable to do so because of Yunk's style. Still, the KHS coach was happy with Rohrer's effort.

"She played very good," he said. "Every game was hard-fought. We knew that she was very capable."

Rohrer, a sophomore and two-time defending EW champion, finished the year with a 15-4 record.

## Group Bagging

Can we group hunt? Each year I hear this question asked by numerous hunters of all types, duck hunters, pheasant hunters, goose hunters, and most common bow hunters.

The only group hunting that is allowed is for the deer gun season. A group deer hunting party means two or more hunters hunting deer together in a group, all using firearms, each of whom holds an individual license to hunt deer. The person for whom the deer is killed must possess a current unused gun deer carcass tag which is authorized for use on the deer killed.

The person killing the deer may not leave the deer unattended until after the deer has been tagged. The person who kills the deer must be in contact with the person who has the tag. Contact means, within visual or voice contact without using any amplifying device.

All other hunting requires a hunter to kill his own game or his bag limit. Bag limit or daily bag means the maximum number of a particular game species reduced to the possession of a person

in one day. Once the daily bag limit has been reached the hunter may carry a loaded firearm or a bow and arrow and may assist members of the hunting party, but **MAY NOT SHOOT AT OR KILL ADDITIONAL GAME OF THAT SPECIES.**

One common situation that is often brought up is what if two hunters shoot at a game animal and the animal is killed, lets use a goose for an example. One of the two hunters must claim the goose as his and it then becomes part of his daily bag. The daily bag is one Canada Goose in the area so the one hunter who claimed the goose may not shoot at, or kill any more Canada Geese.

This is not a new law, instead it has been on the books for years. It is although a law which is often broken, often by accident but more often on purpose. Hunting is an individual sport and everyone should be given the opportunity to hunt and to kill their own game.

If you have any other questions on this matter or any other topic feel free to give me a call.

## Defense Leads Indians to Homecoming Rout

By Statesman Sports Writer

KEWASKUM — The temperatures may have been near freezing here, last Friday night during Kewaskum's Homecoming football game against New Holstein, but the Indians' defense wasn't fazed, as it put the heat on the Huskies all evening.

Limiting the visitors to just 70 yards of total offense, Kewaskum celebrated the festive occasion with a rather easy 26-6 spanking of the Huskies in an Eastern Wisconsin Conference tilt.

The win improved Kewaskum's EW record to 2-3, and moved its overall mark to 4-4, thus keeping alive the possibility of the Indians' first winning season in nine years.

"We played a great game," Indian coach Clark Pearson said of the win over the Huskies, who dropped to 1-4 in the EW. "We were able to handle them up front. We controlled the line of scrimmage on both sides of the ball."

That message was verified by the statistics, which showed Kewaskum with a 286-18 edge in rushing yardage. The Indians finished with 308 total yards, led by a quartet of running backs who had at least 58 yards each.

Todd Muckerheide (88 yards),

Beau Coulter (73), Dan Schulteis (61), and Keith Herman (58) accounted for almost all of the Indians ground attack, which produced all four touchdowns.

Herman put the Indians on the board with a 26-yard scoring run on the Indians' third possession of the game. The two-point pass failed, but the dominance on the ground by the hosts was just a sign of things to come.

"We came out ready to play," Pearson said, noting the team was especially pumped because of Homecoming. "We came off the ball very well...executed well."

Kewaskum made it 12-0 in the first half, as QB Jim Marx scored on a quarterback sneak from a yard out. Marx was sacked on the subsequent two-point try, leaving the game still within reach for the Huskies.

But any hope the visitors had of a comeback was dashed when the Indians took the opening drive of the second half and marched in for a score. This time it was Schulteis going the final yard, and Herman's run on the conversion try made it 20-0 Indians, and with the way the defense was playing, the game was long over.

"Our entire defense played a great game," Pearson raved of

the unit. "Our defensive backs had very few points, which means that our line and linebackers did a great job. It was a real team effort."

Muckerheide provided the final Indian score on a five-yard run in the final stanza. The Indians almost added the extra point as well, which is notable in itself, because it was the first time the Indians had tried a kick on the point-after all season.

New Holstein got on the board late in the contest, as QB Dan Krumenauer hooked up with Matt Buechel on a 21-yard touchdown pass.

Kewaskum forced three Husky turnovers in the game, with Mark Strobel and Bill Rochon each getting fumble recoveries, and Herman picked off a pass.

"Mark (Strobel) played another fine game," according to Pearson. "The whole defense was just outstanding. We played with a lot of confidence."

Pearson hopes the team doesn't get overconfident this coming week, when the Indians set their sights on Kiel. With the game on an unusual day (Thursday night, 7:30), and the team trying to get a proverbial monkey off its back, Pearson is trying to keep the team focused.

"They won't be easy, that's for sure," he said of the Raiders, who boast the EW's top defense. "They're pretty solid. But our kids are aware of what's going on, and they'll be ready."

## Indian Spikers Advance to Regional Finals Saturday

By Noel Stollenwerk

KEWASKUM - The Kewaskum volleyball team advanced to the WIAA Regional Final with a 15-3 win over Port Washington here on Tuesday night.

The Indians will now face Waupun which beat Sheboygan Falls 16-14. The two teams will play in the Regional Final on Saturday at Sheboygan Falls.

Other teams participating in the Regional final are Campbellsport and Mayville, with action slated to get underway at 10 a.m. The four teams will play a round-robin tournament, with the winner advancing to Sectional play the following week.

A full story of the Indians' victory will appear next week.

## Deer Collisions Exact Heavy Toll

MADISON, WI — It happens thousands of times each year in nearly every Wisconsin county. Motorists on rural roads enjoy a glimpse of a white-tailed deer, only to have the experience end in hundreds of dollars in vehicle damage and the deer lying injured along the road.

John Daniel, fiscal and planning officer with the DNR's Bureau of Law Enforcement, says extra caution this time of year can prevent many car/deer collisions. "It's a real tragedy when you think about it. A lot of these deer end up in landfills," Daniel says. "It's a sad ending for the official state wildlife animals."

Early spring and fall bring the heaviest toll, with most collisions this time of year the result of the deer mating season and an increase in the number of deer spotted along roadsides.

Motorists driving in the early evening hours and after dark should be particularly watchful, Daniel says, since this is when deer are most active. The best advice is to slow down on roads that cross through woodlands and fields in areas frequented by deer.

"It's important that you be able to stop if you need to," Daniel says. "Once a deer spots you, it may stop in the middle of the road until you can use your horn and scare it away. The last thing you

want to do is swerve your vehicle to avoid a collision."

In the last year alone, Daniel estimates collisions have killed close to 35,000 deer along Wisconsin roads. According to the Wisconsin Department of Transportation, 19,037 accidents resulted 540 injuries to drivers or vehicle occupants and damages in excess of \$500 each.

## Campus Notes

EAU CLAIRE — The University of Wisconsin - Eau Claire reports a fall enrollment of 10,336 students, according to preliminary figures from Registrar Laura Patterson.

Local students enrolled at UW-Eau Claire are:

ADELL — Julie Jean Cotter, senior, elementary education  
 CAMPBELLSPORT — Thomas Mathew Flitter, sophomore, accounting; and Jill Marie Klotz, sophomore, psychology.

KEWASKUM — Tanya Lynn Beske, senior, special education; Lynn M. Johann, sophomore, business administration; Michelle Lee Marx, junior, elementary education; Tammy Lynn Sabish, junior, social work; and Christopher George Weddig, sophomore, theatre arts.

## Spikers End Regular Season With Win

By Statesman Sports Writer

KEWASKUM — Coach Dave Rizzardi and the Kewaskum volleyball team probably had a little trouble getting excited for the team's final regular season match against New Holstein here, last Tuesday night.

The Indians had no trouble with the Huskies however, as Kewaskum finished 10-2 in the Eastern Wisconsin Conference with an easy 15-3, 15-5 16-14 win against the overmatched visitors.

"The match really wasn't all that significant," Rizzardi said in explaining the team's laid-back approach. "We just wanted to get back out on the court and get things in order (for the post-season tournament)."

Foremost in Rizzardi's mind was getting his team to play with confidence again. Coming off of a loss at Sheboygan Falls, which

snapped a 21-game Indian winning streak, the KHS coach just wanted his team to respond favorably.

The Indians did just that, coming out and smoking the Huskies in the opening two games. Seniors Kim Sabish and Christa Schmidt did most of the damage, with Sabish collecting 13 assists, and Schmidt putting away nine kills.

Robyn Winninghoff also continued her improvement, coming up with eight kills, while Bonnie and Marty Schlice combined for 22 of 23 serving, including five aces.

The juniors also remained a high point for Kewaskum, as the reserve unit came back late in game three to pull off the sweep. The Indians will now go into Tournament action having won 24 out of their last 27 games.

## Freshman Spikers Finish Undefeated

By Statesman Sports Writer

KEWASKUM — For what is thought to be just the second time ever, the Kewaskum freshman volleyball team capped off an undefeated season in the Eastern

## In the Service

Marine Pfc. Glenn R. Kirst, son of Robert A. and Mary E. Kirst of 333 Main St., Kewaskum, recently completed the Basic Helicopter Course.

During the course at the Naval Air Technical Training Center, Naval Air Station Memphis, Millington, TN, students are taught helicopter operation, mechanic training, theory of rotary-winged flight and power plant principles. The course also includes five days of practical application on transmission systems, flight controls and general helicopter maintenance.

The 1991 graduate of Kewaskum High School joined the Marine Corps in December 1991.

Wisconsin Conference with a win last week.

The Indian frosh rolled over New Holstein 16-14, 15-3, 6-15 to finish the year 12-0 as undefeated conference champions.

"The girls never let up," freshman coach Janet Molebash said of the effort, which saw the Indians blow a big lead in the opening game. "We then said 'no more' and came back from a 13-14 deficit," to win the game.

The second game was all Indians, who got excellent efforts from Tanya Laubach and Kelly Schaeffler, each collecting eight spike kills.

The Indian JV squad wasn't as fortunate, as they struggled in a 2-15, 9-15, 13-15 loss to the Huskies. The loss left the Indians at an even .500 for the season, finishing at 6-6. "Shelly Williams played a good game," according to JV coach Mary Holfelz.

There are more than a hundred species of maple trees, thirteen of which are native to the United States.
