Kewaskum, WI 53040

Dust from the school construction project fills the air as teachers and staff wave to students as they leave Kewaskum Middle School for the final time on Friday, May 25. The middle school is being demolished and will be replaced by a new middle school, which is being built adjacent to the current high school. The new middle school is scheduled to open in the fall.

## Final Bell Sounds At Kewaskum Middle School

– New Middle School To Open In Fall

By Anne Trautner

Teachers and staff stood in a line outside Kewaskum Middle School, waving to students as they left the building for the final time on Friday, May 25.

When students return in the fall, they will attend a brand new middle school, attached to the north side of the existing high school.

Both the teachers and the students are looking forward to having a new school.

“There is not a part of this building I am sad to see go. I can take all the memories of this building with me over to the new one,” said Nikki Airaudi, who has taught at Kewaskum Middle School for the past 20 years.

Macy Reysen, who completed sixth grade last

week, thinks the new school will be a huge improvement.

“I’m really excited to have actual walls that aren’t cardboard,” Macy said.

**The New Middle School**

During the last week of school, students got a sneak peak into what the new school will look like.

Doug Franzen, facilities director for the school district, gave classes tours of the new 85,000-square foot building that is currently under construction.

Students were impressed.

“It looks like a shopping mall,” marveled Tristen Ries, who is going into seventh grade.

## DACO Precision-Tool Becomes Employee-Owned Company

By Anne Trautner

DACO Precision-Tool, a metal stamping and tool and die company located in Kewaskum, has announced that it is now a 100 percent employee-owned company.

“It is a tremendous opportunity that the employees have been given by making this transition,” said Austin Weber, general manager of the company.

The company now offers an employee stock

ownership plan.

“The company essentially buys shares, and those shares get allocated to the employees,” Weber explained.

DACO currently has a total of 51 employees, all of who are now also own-

ers of the company.

“What we are doing here, it’s hard to put into words. It really is a groundbreaking opportunity. It’s just very exciting,” said Adam Beck, who works at DACO.

The change offers potential not only for employees, but for the company as well.

“The idea is that employees are more vested in their jobs, and as a result are better employees,” Weber said. “It really helps build a culture and a company that is more like a big family, the DACO family.”

**Company History**

DACO Precision-Tool was founded in 1984 by Randy Weber and Lloyd Kanzenbach. When they started, both owners worked at other full-time jobs during the day, and then worked at DACO during the night to produce parts and build tooling for their new company.

Continued on Page 7

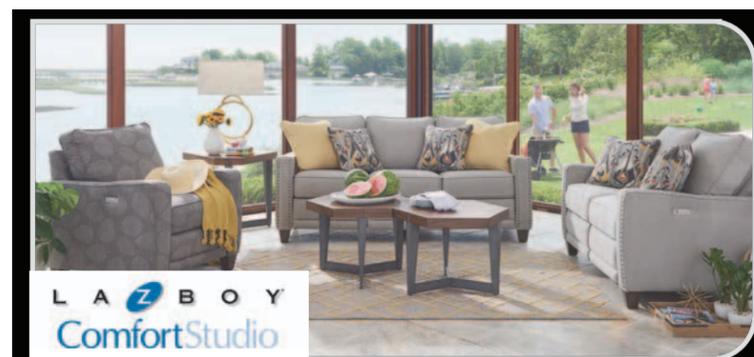

Employees work on the line at DACO Precision-Tool in Kewaskum. Through an employee stock ownership plan, the employees are now owners of the company.

## Motorists And ATV/UTV Riders Urged To Share The Road Safely

Motorists could be sharing the road more frequently in some areas with all-terrain and utility-terrain vehicles (ATV/UTV) under a change in state law granting local authority to allow use on roads within territorial boundaries.

The state Departments of Transportation and Natural Resources urge motorists and ATV/UTV operators to stay cautious and be aware of these changes in the law:

•2017 Wisconsin Act 87 enacted November 30, 2017, allows a town, village, or city to authorize the operation of ATVs/UTVs on roads within their territorial boundaries that have posted speed limits of 35 mph or less regardless of which municipality has jurisdiction on that road.

•2017 Wisconsin Act 193 enacted April 3, 2018, allows a town, village, city or county to place a sign on each road that crosses its boundary alerting motorists that all roads under the municipality's jurisdiction have been designated as ATV routes.

•As the weather warms up, we're asking everyone — drivers and riders alike — to eliminate distractions and stay safe," said WisDOT Secretary Dave Ross. "Also, be mindful that motorists may see more ATVs on state and local roads than in the

past, and fewer signs indicating ATV routes."

WisDOT has published a website with resources for riders and for local officials who are interested in learning more about requirements to establish ATV routes within their jurisdiction. The website also contains a downloadable flier for anyone who'd like to encourage motorists and riders to share the road.

The DNR publishes additional resources to assist ATV and UTV riders with safety courses, vehicle registration and knowledge of the law.

"ATVs and UTVs are growing in popularity throughout Wisconsin and, in some areas, it can be a sure sign of spring and summer to have more four-wheelers out on roads and trails," said DNR Off-Highway Vehicle Administrator Gary Eddy. "Keep safety in the forefront of your thinking — no matter what you drive."

Safety tips for motorists:  
•When you approach ATV/UTVs on the road, slow down and be patient for a safe opportunity to pass. As ATV/UTVs are much wider than bicycles or motorcycles, motorists will need to ensure they can achieve a wide berth that many times can extend into an oncoming traffic lane.

•Keep an eye out for

ATV/UTV Route postings, and remember that the new law allows postings at territorial boundaries so motorists might not see additional signage along individual roads.

•Watch for riders. Always eliminate distractions, be patient and stay focused.

Safety tips for ATV/UTV riders:

•If riding on a road, stick to authorized areas. Most highways and roads statewide remain off limits. Check for posted signs or with local authorities to see if certain highways and roads are legally open.

•Travel at an appropriate speed and stay aware of your surroundings.

•Stay as visible as possible, as some drivers might not expect to be sharing the road with ATVs.

•Riders are required to operate headlight(s) when on or around roadways.

•Always remember the basics by wearing your helmet and protective gear. Most importantly, never consume alcohol or drugs before or during ATV operation.

### WASHINGTON COUNTY SHERIFF'S REPORT

#### Traffic Stop Turns Into More

On Saturday, May 19, at 5:28 p.m. a deputy on routine patrol stopped a vehicle on Interstate 41 at County Highway K in the Town of Addison. The deputy stopped the vehicle because half of the license plate was missing. The deputy made contact with the driver, identified as a 54-year-old Fond du Lac man, who stated someone cut off his plate to steal the expiration sticker. While the deputy was speaking with the driver, he noticed a different plate inside the passenger compartment. When the deputy looked up the plate, it not only came back to the correct vehicle that was stopped, but also was reported as

stolen.

The driver had multiple arrest warrants from Fond du Lac County. The driver was arrested for the warrants, operating a motor vehicle without owner's consent, operation while under the influence of drugs and possession of a prescription drug without a valid prescription.

The lawful owners of the vehicle came to the Sheriff's Office on May 21 looking for additional property. It turns out the vehicle was taken during a burglary where expensive jewelry was taken. The victims described the property in question, and the suspect had some of the items on his person at the time of arrest.

#### Motor Vehicle Crash

On May 21 at 9:48 p.m. the Sheriff's Office responded to a chain reaction type motor vehicle accident that occurred on State Highway 164 south of Pioneer Road in the Village of Richfield. The initial crash occurred when a 21-year-old City of Hartford man was northbound on State Highway 164 and struck a utility pole. Two other vehicles then struck the wires.

No one was seriously injured, but State Highway 164 was closed for most of the night while WE Energies was working on the lines. The road was opened at 5:41 a.m. The initial investigation suggests driver fatigue may be the cause of the original crash.

### SHEBOYGAN COUNTY SHERIFF'S REPORT

#### Vehicle Crash

On Friday, May 25, at approximately 1:15 p.m. a Sheboygan County Sheriff's Office deputy located an injury crash involving a motorcycle and passenger car. The passenger car drove through a red light while exiting north bound off Interstate

43. The car was struck by the motorcycle which was east bound on State Highway 28. The driver of the passenger car was issued a citation for failure to yield as a result of the crash.

The operator of the motorcycle received non-life threatening injuries as

a result of the crash while the driver of the car was unharmed. The driver of the motorcycle received a citation for operating without a motorcycle license and was transported to a local hospital for his injuries.

## Work To Begin On County Trunk Highway NN/Z

Reconstruction of County Trunk Highway (CTH) NN/Z along Little Cedar Lake from CTH Z (south) to CTH NN (south) in the Town of West Bend is scheduled to begin on Tuesday, May 29, and be substantially completed by mid-September.

The prime contractor for the project is Stark Asphalt Corporation of Brookfield, Wisconsin.

The construction project will be divided into two segments with Red Cedar Court being the dividing line. The segment from Red Cedar Court to CTH NN (South) along the eastern side of Little Cedar Lake will be closed to through traffic beginning the first week of June and will remain closed to through traffic for the duration of the project.

Improvements within this segment will include new asphalt, curb and gutter, and stabilization of the road subgrade. The seg-

ment from CTH Z (south) to Red Cedar Court along the northern side of Little Cedar Lake will be closed to through traffic for a period of two weeks in August for pulverizing and repaving.

Please follow the posted detour route utilizing CTH NN, STH 144, USH 41, STH 60, CTH C and CTH Z. Local residents are asked to use extra caution when driving in the construction area and obey all flagmen and construction signs. Alternate routes should be utilized if possible to avoid delays.

For more information, please visit [www.co.washington.wi.us/hwy](http://www.co.washington.wi.us/hwy) and click on "Road Construction & Projects" or call the Highway Department office at 262-335-4435. Project updates will be posted periodically on Washington County's website and Facebook page.

The traveling exhibit "A Face For Every Name," was displayed at Fillmore Turner Hall, where Andrew Johnson, publisher of the Kewaskum Statesman, spoke at a Memorial Day ceremony about how photos were found for each of the 1,161 Wisconsinites officially listed on the Vietnam Veterans Memorial in Washington, D.C.

## Kewaskum Farmers' Market Held On Thursdays

The Kewaskum Farmers' Market will be held every Thursday from 9 a.m. to 1 p.m.

The Farmers' Market is held in the municipal parking lot in downtown Kewaskum. It will be offered every Thursday, beginning May 31, until October.

## Work To Begin On County Trunk Highway P

Reconstruction of County Trunk Highway (CTH) P from State Trunk Highway 60 to Woodland Drive in the Village of Jackson and Towns of Jackson and Polk is scheduled to begin on Tuesday, May 29, and be substantially completed by October.

The prime contractor for the project is Michels Corporation of Brownsville, Wisconsin.

The construction project will be divided into two segments. STH 60 to CTH C will be closed to through traffic from the end of May to approximately the beginning of August. After the beginning of August, the section from CTH C to Woodland Drive will also be closed to through traffic, effectively closing the entire project from STH 60 to Woodland Drive until the final completion of the reconstruction in October.

Improvements made will include: asphalt, curb and gutter, storm sewer, bypass and turn lanes, box culvert, retaining wall, and sight line improvements.

Please follow the posted detour route utilizing STH 60, USH 45 and CTH PV. Local residents are asked to use extra caution when driving in the construction area and obey all flagmen and construction signs. Alternate routes should be utilized if possible to avoid delays.

For more information, please visit [www.co.washington.wi.us/hwy](http://www.co.washington.wi.us/hwy) and click on "Road Construction & Projects" or call the Highway Department office at 262-335-4435. Project updates will be posted periodically on Washington County's website and Facebook page.

## OBITUARIES

Bernard J. Kaehne

Bernard J. "Bernie" Kaehne, 84, of Kewaskum, passed away unexpectedly on Thursday, May 24, 2018, at his home.

Bernie was born on August 27, 1933, in Campbellsport, the son of the late Leo and Agnes (Serwe) Kaehne.

On May 19, 1956, he was united in marriage to Linda Volm at St. Matthew's Catholic Church in Campbellsport.

Bernie proudly served his country in the U.S. Army and was employed at Regal Ware for more than 40 years.

Bernie valued his relationship with his beloved wife Linda. They recently celebrated their 62nd Wedding Anniversary. They worked together side by side to accomplish everything that was important to them. Bernie was a flower lover and besides his family, his pristine yard was his pride and joy. Although he kept very busy, he was always willing to sit and chat with friends and family. He also was a bird watcher and taught many people about the different kinds of birds.

Bernie also put in huge efforts to work hand in hand with Linda around the homes of their children and grandchildren. He grew up in a time of scarcity which taught him the lesson of taking excellent care of his belongings. Later in life he collected and saved items for future use. This was a blessing to family and friends because they could count on him for whatever they needed. He had a heart that was willing to share by borrowing or giving. Bernie loved people passionately, devotedly and

protectively. He will be deeply missed by his family and everyone who had the pleasure of knowing him!

Those Bernie leaves behind to cherish his memory include his wife, Linda; five children, Sharon Burtard of Theresa, Kenneth Kaehne of Kewaskum, Nancy Kaehne of Kewaskum, Laurie Martin of Campbellsport, and Gary (Laura) Kaehne of Allenton; nine grandchildren, Jessica Kaehne, Amber (Ryan) Koll, Joshua Burtard, Connor Kaehne, Ryan Martin, Brooke Martin, Noah Kaehne, Vanessa Kaehne, Isiah Kaehne; two great-grandchildren, Malachi Kaehne and Gabriel Kaehne; a brother, Robert (Arlene) Kaehne; three sisters, Dolores Kahut, Patricia (Art) Troedel, and Marge Giese; three sisters-in-law, Ruth Arbogash, Joanne Volm, Eileen (Reggie) Pierret; a brother-in-law, Merlin (Carol) Volm; other relatives and friends.

In addition to his parents, Bernie was preceded in death by a brother, Norman Kaehne; two sisters, Beatrice Manthei and Diane Herriges; a sister-in-law, Adeline (Richard) Weiss and four brothers-in-law, William Jr. (Peggy) Volm, Bobbie Volm, Norman Arbogash, and Elmer Giese.

A Mass of Christian Burial for Bernie will be held at 4 p.m. on Wednesday, May 30, 2018, at Holy Trinity Catholic Church, 331 Main Street, in Kewaskum, with Rev. Edwin Kornath officiating.

Bernie's family will greet relatives and friends at the church on Wednesday from 2 p.m. until the time of Mass.

In lieu of flowers, memorials to the family are appreciated.

The Myrhum Patten Miller and Kietzer Funeral Homes have been entrusted with Bernie's arrangements. Additional information and guest book may be found at [www.myrhum-patten.com](http://www.myrhum-patten.com).

give approximately one hour to take noon meals to homebound persons. Anyone willing to deliver meals and have your mileage reimbursed should call the Aging & Disability Resource Center of Washington County at 262-335-4497 or 1-877-306-3030 for more information.

George M. Kirst

George M. Kirst, age 88 years, of Kewaskum found peace on May 23, 2018.

George was born on November 25, 1929 to Matthew and Veronica Kirst (Gasper). On April 19, 1952 he was united in marriage to Rita M. Schommer in Port Washington.

George honorably served in the Army from 1948 - 1952, which included active duty in Korea. For his service, he was awarded a Combat Infantry Badge and two Purple Hearts. George enjoyed numerous trips to Vegas and loved fishing and hiking. He was a loving husband and father.

Those George leaves behind to cherish his memory include his wife, Rita of 66 years; three children, Thomas (Kat) Kirst of Richwood, TX, Richard (Son) Kirst of Tacoma, WA, and Linda (Rick) Johnson of Sparta; seven grandchildren, Randy, Eric and Katie Johnson, James and Victoria Kirst, Kerry and Kaley LaRose; and great-grandson, Zachary. He is further survived by sister, Helen Sanem; brother, Robert (Mary Jane) Kirst; sister-in-law, Theresa Kirst; and other relatives and friends.

In addition to his parents, George was preceded in death by brothers, Joe and Eugene Kirst; sister, Marie Fay; brothers-in-law, Leroy Sanem and Vernon Fay; and sister-in-law, Hazel Kirst.

Private, family services were held at American Legion Post #384 in Kewaskum. Memorials to the American Heart Association preferred.

George's family extends their heartfelt appreciation to the staff in the Intensive Care Unit at St. Joseph's Hospital, including Dr. Smale and nurses Jamie and Vickie for the care they provided.

The Myrhum Patten Miller & Kietzer Funeral Home of Kewaskum have been entrusted with George's arrangements. Additional information and guest book may be found at [www.myrhum-patten.com](http://www.myrhum-patten.com).

## Moraine Park Students Recognized At Annual Student Award Banquet

The hard work and academic achievement of Moraine Park Technical College students was recognized during the college's annual Student Awards Banquet held at The Golf Club at Camelot in Lomira on May 11, 2018.

Moraine Park presented the 2018 Student of the Year Award to Joseph Jaeger of Richfield. The Student of the Year Award is designed to recognize a student who excelled in and outside of the classroom and has taken full advantage of the opportunities that Moraine Park has made available for them.

The 2018-2019 District Student Ambassador Award was presented to Aurelio Rosas of Beaver Dam. The Moraine Park District Student Ambassador Award identifies outstanding students in the technical college system, with nominations solicited from faculty and staff in the spring semester of each year.

Technical Achievement Awards were presented to 26 students. To receive this award, recipients must be enrolled in a technical diploma program and have maintained a 3.25 GPA. They are judged on classroom participation and other contributions and characteristics that exemplify an outstanding student. Recipients were: Alex Canfield of Jackson, Jared Deming of Jackson, Aaron Dyszelski of North Prairie, Alex Elandt of Madison, Nick Freres of Brookfield, Ryan George of Fond du Lac, Aaron Harnisch of Fond du Lac, Scott Hutchings of Neenah, Jacob Kastenmeier of Beaver Dam, Evan Kehrmeier of Mayville, Trevor Kirst of Kewaskum, William Kraus of Jackson, Peter Lomis of Mequon, Scott Pooch of Sun Prairie, Zach Rabideau of Jackson, James Ruissen of Brandon, Troy Sabel of Fond du Lac, Hunter Scannell of West Bend, Taylor Schauer of Plymouth, Isaac Schrage of West Bend, **Dakota Schraufnagel of Campbellsport**, Scott Steger of West Bend, Anastasia Szczesny of

Iron Ridge, Sam Trace of Arlington, Spencer Walczak of Sheboygan, and Heidi Zerillo of West Bend.

Campus Impact Awards were presented to 23 students. The Campus Impact Award recognizes students who have served the College by participating in a college focus group, a college-related function, or a club/ student government activity or project. Other considerations include GPA, reliability and follow-through.

Recipients were: Jeremiah Alderden of Beaver Dam, Isabel Clark of Chilton, Jessica Corbett of West Bend, Megan Darge of Mayville, Dominic DeLaura of Slinger, Christine Gil of Randolph, Julia Gruber of West Bend, Holly Halfman of Fond du Lac, Timothy Homuth of West Bend, Harley Jackson of Fond du Lac, Elizabeth Kahlow of Fond du Lac, Dylan Kessler of Brownsville, **Cody Liesener of Campbellsport**, Hunter Minning of Watertown, Leah Pietrangolo of West Bend, Brad Quackenboss of Fond du Lac, **Dakota Schraufnagel of Campbellsport**, Rebecca Smith of West Bend, Joshua Strnad of Rio, Jon Szczesny of Iron Ridge, Quintin Trainor of Lodi, Jennifer Viarski of Waukesha, and Spencer Walczak of Sheboygan.

The Meritorious Service Award is granted to students who have served the College through their leadership and participation in co-curricular activities such as student clubs, student government or other volunteer opportunities. This year's 69 recipients include: Kaitlyn Anderson of Theresa, Alizabeth Barnes of Waupun, Andrew Barteck of Beaver Dam, John Baumgartner of Bayside, Lindsay Becker of Allenton, **Nick Beine of Campbellsport**, Jacob Berger of North Fond du Lac, Jordan Bille of Waupun, Carol Ann Bornhofer of Hartford, Genna Borths of Byron, Sandra Bryson-Fisher of Waldo, Jessica Campbell of Fond du Lac, Margaret Chitwood of Slinger, Alana Clark of Waupun, Hunter Davis of Fond du Lac, Hailey Ebert of Horicon, Alex Elandt of Madison, Kimberly Engel of Brandon, **Stephanie Evergreen-Moss of Eden**, Chris Fellenz of West Bend, Cierrah Flaig of Lomira, Kevin Fritsch of Fond du Lac, Alexander Fruge of North Fond du Lac, Misty Gedlinske of Fond du Lac, Lisa Gerber of West Bend, Brandon Gorr of Beaver Dam, Kristine Gould of West Bend, Ashley Grace of Hartford, Kristian Hansen of Beaver Dam, Aaron Harnisch of Fond du Lac, Mykenzy Helbig of Fond du Lac, Lane Holbrook of West Bend, Thomas Holman of Hartford,

Mackenzie Jeske of Jackson, Corina Kanwischer of Hartford, Hannah Koepf of West Bend, Trish LaBlanc of Horicon, Jenna Lantagne of Redgranite, Michelle Lawrence of Beaver Dam, Lee Luehring of Fond du Lac, Natalie Marshall of West Bend, Kim Mayer of Allenton, Kate Miller of West Bend, Terry Mouthey of Malone, Colleen Narbatovics of Adell, Kelly O'Connor of Waukesha, Alan Odekirk of Fond du Lac, Tyler Pulvermacher of Hartford, Abigail Rens of Waupun, Carlin Richter of Neshkoro, Peggy Rider of West Bend, Zachary Risse of Random Lake, Breanna Schleicher of West Bend, Shelby Schneidervin of Hartford, Melissa Schulz of Mayville, Jacob Shulenburg of Watertown, Elizabeth Skinner of Juneau, Amy Spiekerman of West Bend, Jerod Splan of Iron Ridge, Lucas Starch of West Bend, Nichole Stavakis of Menomonee Falls, John Stratman of Beaver Dam, Andrew Tier of Fond du Lac, Joseph Vendehei of Beaver Dam, **Katherine Verdic of Kewaskum**, Thomas Voight of Ripon, Jamie Voight of Ripon, Kerry Zenner of Fond du Lac, and Allan Zinda of Almond.

The Leadership and Service Awards were presented to 12 students. Leadership & Service Award is reserved for members of Moraine Park's Student Government.

Taken into consideration is a student's comprehensive level of commitment to the college and their representation of the student body through their attendance and engagement in Student Government and its related opportunities. Recipients were Parker Byrnes of Oshkosh, Phil Conley of Waupun, **Sheila Delvaux of Kewaskum**, Joseph Jaeger of Richfield, Elizabeth Martin of North Fond du Lac, Alex McCleary of Fond du Lac, Malinda Moore of Fond du Lac, James Ruissen of Brandon, Madison Schueller of Grafton, Bethany Treder of Juneau, Conrad Wandler of Necedah, and Queenie Weesen of Mequon.

Student government leadership recognition included Quintin Trainor of Lodi, Beaver Dam Student Senate president; Alex McCleary of Fond du Lac, Fond du Lac Student Senate president; Rebecca Smith of West Bend, West Bend Student Senate president; Phil Conley of Waupun, District Student Government president; Joshua Strnad of Rio, Wisconsin Student Government Lt. governor; and Timothy Homuth of West Bend, Wisconsin Student Government governor.

For more information about Moraine Park, visit [morainepark.edu](http://morainepark.edu).

## Your Help Is Wanted

### - Volunteer Drivers Needed For Home Delivery Meal Program

The Washington County Senior Dining Home Delivered Meal program needs volunteer drivers in the West Bend area every other Wednesday.

Volunteers would pick up meals at Meadowbrook Manor, 475 Meadowbrook Drive, West Bend and

give approximately one hour to take noon meals to homebound persons.

Anyone willing to deliver meals and have your mileage reimbursed should call the Aging & Disability Resource Center of Washington County at 262-335-4497 or 1-877-306-3030 for more information.

## SENIOR DINING MENU

Meadowcreek Complex

To make reservations, please call (262) 335-4497 or 1-877-306-3030 one day in advance by noon.

## DAYS GONE BY

### 5 Years Ago May 30, 2013

Come one, come all! Beechwood Fire Department Chief Mark Muench invites the whole community to come and help the department celebrate 100 years of service to the community with a picnic complete with music, parade, programs, fun, and special guests on Sunday to present certificates of service.

The Kewaskum Board of Education, teachers, staff, students and residents are experiencing turbulence and preparing for more of the same after the May 28 special board meeting. Introductions of new teachers, a new high school principal, modifications to the superintendent's contract, staff changes due to the Affordable Care Act and moving district meeting times dominated the agenda.

Dolly Ramthun was in for a huge surprise during Kewaskum's Memorial Day parade when a fragment of her past rolled up the street with her great-grandchildren in tow. The surprise came from her son, Tim Ramthun, who turned down the street with a wagon hitched to her late husband Eldon 'Ellie' Ramthun's restored 1943 Ford 9N tractor. The tractor was resurrected from 15 years of being "out to pasture" on Dolly and Ellie Ramthun's farm on Auburn Ashford Drive by members of Kewaskum High School teacher Brian Puls' outdoor power and motorsports class.

A son, Landon Nathaniel, was born to Richard and Michelle (Zimdahl) Lemke of Campbellsport on May 18.

### 15 Years Ago May 29, 2003

The KHS 4x200 relay team of Breyan Donath, Becky Herriges, Jessi Graham and Amanda Donath took first place at the EWC Championship held at Two Rivers Monday, May 19.

Students coming to Kewaskum High School heard the sound of a chainsaw instead of a school bell Friday morning. But the sound of a chainsaw is what started a fiasco that has left one KHS junior with felony charges for his role in this "senior prank". The ordeal all started when a neighbor to the high school heard the sound of a chainsaw from her open bedroom window Friday morning around 1:50 a.m. Kewaskum police officer Mark Steiner was dispatched to the high school and as he was investigating he noticed the suspects driving away from the scene. Steiner pursued the suspect vehicle as it proceeded out of town on USH 45 north at speeds near 90 mph.

On May 9, Kewaskum Police were dispatched to a Parkview Drive residence in reference to a theft of a stuffed pig. The complaint stated that someone had removed a stuffed pig from his front yard. The officer advised the complainant

that there were activities at the high school and at St. Lucas school and the streets were full of vehicles and people. There are no suspects at this time.

Every once in awhile the firefighters in Boltonville who call their picnic Rain Days luck out and it's just the opposite. This past weekend was one of those weekends. That great weather from the man above had those in the Boltonville hamburger stand make history. For the first time ever, the "fryers" ran out of 6,000 hamburger patties. Guess next year Steve and Jill Enright will have to pony up another cow.

A son, Liam Joseph, was born to Erin and Kevin Tucker, Campbellsport, on May 15.

A son, Owen James, was born to Emily and Timothy Baumhardt, Eden, on May 19.

Esther Ehnert, 85, of New Fane, passed away on May 24.

Dorothy E. Breseman, 87, of West Bend, passed away on May 25.

Harriet B. Martin, 78, of West Bend, passed away on May 23.

Aaron T. Kluever, 78, of West Bend, passed away on May 23.

Alice Proeber, nee Volm, 76, of West Bend, passed away on May 20.

Bernice G. Hall, 84, of Ashford, passed away on May 23.

### 25 Years Ago June 3, 1993

The Kewaskum Community High School commencement for the senior class of 1993 was held Friday, May 28. The exercise began at 8 p.m. with the "Pomp and Circumstance" procession by the Kewaskum Symphonic Band. The concert choir sang "Wings," followed by the graduation speaker Jenefer VanAssche. Three students, Carrie Fellenz, Julie Mertz and Daniel Schulteis, shared the distinction of being class valedictorian with perfect 4.0 grade points while James Rix was the salutatorian.

Mrs. Henke, art instructor, and Mrs. Dallman, classroom teacher, are proud to announce that Sarah Karrels, first grader at Farmington Elementary School, won the Mrs. Wishy Washy Poster Contest.

After coming up just short in his bid for a berth in last year's state track meet, Kewaskum's Travis Jacak was not going to let history repeat itself here, last Thursday afternoon. The KHS sophomore, who finished third in last year's sectional competition, set the school record by clearing 6-5 in the high jump. That mark was good enough to best the competition in the WIAA sectional, thereby advancing him to this weekend's state meet in LaCrosse.

John E. Petri, 72, of West Bend, passed away on May 25.

Nicholas Mumper, 78, of Campbellsport, passed away on May 25.

Adela Hartmann, 93, for-

merly of Theresa, passed away on May 27.

Rebecca M. Gaspardo, infant daughter of Richard Gaspardo and Chris Filo, of West Bend, passed away on May 20.

Michael J. Limbach, 50, of Allenton, passed away on May 31.

Nelda H. Habeck, nee Kurtz, 75, of West Bend, passed away on May 31.

Marlin Schneider, 71, formerly of Kewaskum, passed away on May 30.

### 50 Years Ago May 31, 1968

Regal Ware Inc. has announced that James Butz and George Martin have been chosen as recipients of the J.O. Reigle Scholarships for 1968. The awards, offered each year to the graduating class of Kewaskum High School, have a value of \$2,000 and will provide each student \$500 per year during a four-year college course. James is the son of Mr. and Mrs. Vernon Butz of Kewaskum and George is the son of Mr. and Mrs. Marvin Martin of Kewaskum.

Twenty-eight eighth grade graduates of Holy Trinity Catholic School, exactly the same number as last year, received their diplomas on Tuesday, May 28, in Holy Trinity Church.

The first observance in recognition of the 70th anniversary of the founding of Peace United Church of Christ, Kewaskum, will be held with a worship service on Sunday, June 2, at 10:15 a.m. It was on June 2, 1898, when the original individuals gathered to organize an Evangelical church in the village of Kewaskum. Its original name was the German Evangelical Peace congregation.

A son was born to Mr. and Mrs. Tom Bartelt, Appleton, on May 1. Mr. Bartelt is the son of Mr. and Mrs. Willard Bartelt, Kewaskum. Mrs. Bartelt is the former Lucy Boegel, daughter of Mr. and Mrs. Oscar Boegel.

Mr. and Mrs. Bernard Kaehne, Kewaskum, announce the adoption of a son, Daniel Leo, on May 24.

A son was born to Mr. and Mrs. Frederick Bourden, Kewaskum, on May 22.

### 75 Years Ago May 28, 1943

Twenty-five members of the 1943 senior class of Kewaskum High School and ten eighth grade graduates will receive their diplomas at commencement exercises on Friday evening, June 4, at 8:30 p.m. in the school auditorium. Highest averages for the four years of high school work was attained

by Loraine Eberle and Gerald Stoffel. Loraine is valedictorian and Gerald is salutatorian.

Harold Schlosser, son of Mrs. Jennie Schlosser of this village, who has been employed by the Mid-West States Telephone Co. at Byron, Illinois enlisted in the U.S. Army Signal Corps at Chicago last week Tuesday. He spent the weekend at his home here and left for Chicago Monday, from where he left early Tuesday morning to begin training. Harold intended to enlist in the Marine Corps. He passed the physical examination but was unable to enter that branch of service because of a filled quota.

A bride of Saturday, May 22, was Miss Gertrude Zeltinger, daughter of Mr. and Mrs. Bernard Zeltinger, Route 1, West Bend, who on that day was joined in marriage with Miles Campbell, son of Edward F. Campbell, Route 2, Kewaskum.

St. Nicholas Church in Dacada was the scene of the marriage of Miss Margaret Dahm, daughter of Peter Dahm of rural Belgium, formerly of Kewaskum, and Jerome P. Schladweiler, son of Mr. and Mrs. John Schladweiler of Kewaskum Route 1.

Miss Verena Barbara Murphy, daughter of Mr. and Mrs. George E. Murphy of Neenah, became the bride of Conrad J. Simon, son of Mr. and Mrs. Frank Simon, St. Kilian, in St. Mary's Catholic Church at Neenah on May 15.

Twin daughters were born to Mr. and Mrs. Earl Landvatter, Route 4, West Bend on May 22. Mrs. Landvatter is the daughter of Mrs. Amelia Butzlaff of this village.

### 100 Years Ago June 1, 1918

Amid lowering clouds and threatening weather another contingent of the selective draft boys from Washington County, left West Bend last Tuesday morning for Camp Grant, Rockford, Illinois. It was the largest number of boys to leave this county since the war began, numbering one hundred and twenty-three men. The boys passed through this village on the nine o'clock train and were met at the depot by a large number of people, all eager to have a parting handshake and bid their sons, brothers and sweethearts a fond farewell and God speed until the happy day when the boys will come marching home in triumph and clothed in glory. The village was decorated with flags and for the first time, the village service flag was displayed to the breeze.

## Library Happenings

### ACTIVITIES AT THE KEWASKUM PUBLIC LIBRARY

The Kewaskum Public Library, 206 1st St. in Kewaskum, is offering the following programs. For more information, contact the library at (262) 626-4312.

#### Newsletter

A library newsletter is now available through email. To sign up to receive the newsletter, visit the library's website at [www.kewaskum.lib.wi.us](http://www.kewaskum.lib.wi.us)

#### Special Summer Events

No sign-up required. All Ages welcome.

#### Monday, June 4 Summer Kick Off Party:

#### Songs of Summer: A Seasonal Storytime.

#### June 13

#### Who Says Moo? All About Animal Sounds

The flag now contains 36 stars representing 36 boys from the village who have given their services to their country.

The State of Wisconsin was 70 years old Wednesday. The Wisconsin Agriculturist, a splendid farm paper, in its issue of May 25, devotes its entire issue to historical data and bright and interesting articles on "Wisconsin Anniversary of Statehood."

Last Saturday evening

the Boltonville young folks held a farewell party at the William Groeschel home in honor of their son Arthur, who has been called into service by the selective draft and will leave May 28.

Boy Scout organizations are active in locating black walnut trees. Black walnut lumber is needed by the War Department for use in making airplane propellers and gunstocks.

A bright little baby girl was born to Mr. and Mrs. Arthur Peterman last Tuesday.

**An Upcoming Calendar of Events for Riveredge Nature Center, 4458 County Hwy Y, Newburg, WI. Visit: [www.riveredgenaturecenter.org](http://www.riveredgenaturecenter.org) for further information.**  
**Saturday, June 2** - Frog Fest. Riveredge's watery worlds are bursting with life in Spring. Join Riveredge naturalists and search for frogs, tadpoles, salamanders and other creatures that live in our wetlands. Get a close up look at live reptiles and amphibians while learning more about their fascinating lives; from their calls to their lifecycles. Wander from pond to pond and then make a stop to peek through a microscope, hear a short story, and enjoy refreshments with a quick craft all focused on discovering pond life from frogs, to turtles, and even arthropods. Bring the whole family for all or part of the program; you won't want to miss this special celebration of spring! Dress for the weather and don't forget your boots. Pre-registration suggested; required for groups. Don't miss the Madison Herpetology Society. This group of passionate volunteers will be on site to educate herp enthusiasts and the general public about frequently misunderstood reptiles and amphibians. Unfortunately, these animals get a negative image due to fear, movies, and misconceptions. Stop by their station to dispel those myths and learn the truth about these animals and how amazing they really are. Plus you'll get to meet the loveable Tank- a black and white Argentine Tegu. Non-Member: \$8 per child (adults free of charge). Members: \$5 per child (adults free of charge). Online registration will be open until 9 a.m. on Saturday- pre-registration helps you get to the frogs faster, but otherwise please feel free to walk-in and register day of. This event is designed to be festival style, so please feel free to join us whenever best works with your schedule. Be sure to save plenty of time for all the fun, though. See you Saturday. 1 - 4:30 p.m.  
**Saturday, June 2** - Tree Climbing Open Climb. Explore Riveredge at a new elevation. This

isn't your childhood tree climbing. With the help of our trained facilitators, you'll get up in the trees like never before. Using the same professional equipment that arborists and scientists use when they ascend into the treetops, our highly trained and experienced facilitators will teach you everything you need to know to get harnessed up, in the saddle, and headed toward the treetops. Once you're at a height that's comfortable for you, you'll be free to swing, spin, bounce, walk the branches, or just hang out in a tree. It's your adventure. Our tree climbing programs are meant for youth and adults, age 7 and above, with little to no tree climbing skills. All equipment is supplied; all you need is loose clothing (T-shirt and long pants recommended), closed toe shoes (hard soles recommended), and an adventurous spirit. To learn more about tree climbing and other open climb dates, please visit our tree climbing page. Pre-registration is highly recommended. These tree climbing programs often fill quickly. A minimum of six climbers is required to climb, so please be sure to register if you're planning on coming so we don't have to unnecessarily cancel any climbs. Cost per climber (all ages 7 or older welcome!): Non-members: \$35 / Riveredge members: \$20. 10 a.m. - noon.

**Sunday, June 3** - Riveredge's 50th Birthday Bash. It's not every year you turn the big 5-0. We're celebrating 50 years of Riveredge, and the people who made it all possible, with a special FREE Birthday Bash. Join us for a day of revelry and reunion as we host activities for all ages and interests designed to show off Riveredge's history and all the awesome things going on here today. Whether you've been with Riveredge from the start, will be a first time visitor, or are anywhere in between, you are welcome with open arms. 1 - 4 p.m.

**Tuesday, June 5** - Join the Bird Club for an enlightening presentation by Chuck Hagner, former editor-in-chief of Bird Watching magazine and board chair of the Western Great Lakes Bird and Bat Observatory. Every year in the United States, between 365 and 988 million birds are killed after colliding with buildings. Contrary to conventional wisdom, the greatest mortality does not occur at gleaming, glass-covered high-rises, but at shorter buildings, and especially at residences. This means that homeowners across the country have a great opportunity: By decreasing the number of birds that strike their windows, they can dramatically improve the state of our birds. In this presentation, Chuck will describe proven strategies and effective products that homeowners can use to keep birds from striking their homes. Pre-meeting bird hike at 6 p.m.. Meeting at 7 p.m.

## An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

**Friday, June 1** - Dandy Ducks Nature Storytime. Little ducks, big ducks, colorful ducks, drab ducks, diving ducks, dabbling ducks. . . There are so many dandy ducks. Wade with us through the wonderful world of ducks. This hour of nature fun awaits 3 to 6 year olds with accompanying adults. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 9:30 - 10:30 a.m.

**Friday, June 1** - Fading into Darkness Night Hike. As the sun sets and the light fades from the sky, the day animals retire and a new group of animals awakens. Bring your bug spray and sense of adventure as we listen for all those night sounds. This night hike is for families/groups with children at least 5 years old. Long Lake Recreation Area Picnic Shelter (located off Division Road north of County Road F near Dundee). 8:30 - 10 p.m.

**Saturday, June 2** - Saturday Morning Secret Finders. Calling all youth to discover secrets of nature by participating in the Wisconsin Explorers program. The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books. Picnic Shelters at Mauthe Lake Recreation Area (located off County Road GGG south of County Road SS near New Prospect) and Long Lake Recreation Area (located off Division Road north of County Road F near Dundee). 10 - 11 a.m.

**Saturday, June 2** - Nature Sensations. Join us as we use all our senses to decipher the secrets of nature by participating in the Wisconsin Explorers program. This program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. This hour of discovery is geared towards special needs youth with accompanying adults. Long Lake Recreation Area South Beach (located off Division Road north of County Road F near Dundee). 11:30 a.m. - 12:30 p.m.

**Saturday, June 2** - Fish Fest. Let the fishing fun begin. Learn how to fish at the Learn to Fish Rodeo. Marvel at the unique adaptations of fish. Create your own fish print T-shirt or bandana. Take in a fish cooking demonstration and find out ways to impede the spread of aquatic exotics. Even drop a line in the water to try to catch a fish or two. Fishing equipment provided. No fishing license or State Park System vehicle admission sticker required as it is Free Fun Weekend. Mauthe Lake Recreation Area Picnic Shelter and Fishing Pier (located off County Road GGG south of County Road SS near New Prospect). Noon - 4 p.m.

**Saturday, June 2** - Our Amazing Atmosphere. Summer Saturday Evening Event Sponsored by Friends of the Kettle Moraine. Paul Lupton, PhD, will guide through a visual and interactive program exploring the wonder, beauty, and importance of our earth's atmosphere with eye catching demonstrations and displays. Enjoy the "cloud in a jar," "frontal weather simulator," striking cloud pictures, and "shrink wrap a kid demo." You will leave with a new understanding and appreciation of our amazing life-giving atmosphere. This program is most appropriate for people over the age of 8 years old. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 7 - 8:30 p.m.

**Sunday, June 3** - Get Outdoors. Go. . . Learn to Geocache. Learn the basic skills of geocaching, so you can join the fun in hunting for all those hidden "treasures." This program is most appropriate for people over the age of 8 years old. Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). 10 - 11:15 a.m.

**Sunday, June 3** - Cache Quest. A Wisconsin Geocaching Event. Use your geocaching and riddle solving skills to complete three Harry Potter themed quests. Special prizes awarded to the teams that finish all three quests the quickest. Teams can register at any of the three locations. The Cache Quest is open to all ages. Learn to geocache lessons provided at 10:00 am at the Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee). No State Park System vehicle admission sticker required, since it is Free Fun Weekend. Mauthe Lake Recreation Area (located off County Road GGG south of County Road SS near New Prospect), Zillmer Trail Area (located off County Road SS between County Road G and Hwy 67 near New Prospect), and New Fane Trail Area (located off County Line Road east of Kettle Moraine Drive near New Fane). 10 a.m. - 2 p.m.

**Wednesday, June 6** - Ice Age Trekkers. Join us for an energizing 2.13-mile morning hike along the Ice Age National Scenic Trail between County Road GGG and County Road S. A shuttle will be available between the starting and finishing spot. Meet at the Ice Age Trail crossing on County Road S by St. Matthias Church (located southwest of County Road GGG near New Fane). 7 - 8:30 a.m.

*All the events are free except at locations where a Wisconsin State Park System vehicle admission sticker is required or where a fee is listed. The events are held within the Kettle Moraine State Forest - Northern Unit at the locations listed for each event. The Ice Age Visitor Center is located about 20 miles north of West Bend and 20 miles south of Fond du Lac.*

# Continued From... **DACO Becomes Employee-Owned Company**

The company grew, and after a couple of years, the two partners were able to work full time at DACO.

In 1988, the company's first building was constructed with 4,000 square feet in West Bend. Between 1992 and 1997, the company had four additions, and the facility expanded to encompass 20,000 square feet.

The business continued to grow, and in 2005 DACO built a new 64,000

square foot building on Highway 45 in Kewaskum, where the company is still located today.

Last year, when Randy and Lloyd started thinking about retirement, they discussed what they should do with the company.

They each have two sons who currently work for DACO, but they knew that trying to transition the partnership into a second generation was not the best option.

They considered selling to a third party, but they wanted to remain involved with the company. And they didn't want to see an outside company drastically change the business.

They also knew that their employees had helped the company become what it is today.

"A lot of employees have been with us 15, 20 years or more. They have put in a lot of sweat and tears to help build up the compa-

ny," said Austin Weber, who is Randy's son.

Randy and Lloyd recognized that. So the decision to make the company employee owned felt right.

And the decision is appreciated.

"It's a tremendous opportunity for all of us employees to continue what they started and ultimately benefit from it," Austin said.

"The owners have always treated us very well, and this is just another example of that, of the gift that they gave us," Beck added.

Today, Randy continues working in his same role as company president and Lloyd is retired.

The two anticipate that DACO's stock will double and triple quickly in the next few years.

"My business partner Lloyd Kanzenbach and I are really happy about the exciting future for DACO, for us business partners, our family members and all of our wonderful employees who have truly made DACO the great company that it is today," Randy said.

## Employee Ownership

DACO transitioned over to the employee ownership plan last year.

The company wanted to approach the new ownership model cautiously and decided to wait until this week to publicly announce the change.

"It has been working really well," Austin said. "We were kind of living that culture for many years, really throughout our history, so it really was a natural transition."

The company had previously offered profit sharing and valued its employees. But by making the employees owners of the company brought that to the next level.

Employee owned companies are relatively rare. Weber estimates that there are less than 2,500 companies in the United States that are completely employee owned. In Wisconsin, New Glarus Brewing Company launched its employee

Austin Weber is general manager of DACO in Kewaskum. The company announced this week that it is a 100 percent employee owned.

photo by Anne Trautner

stock ownership plan in 2015.

At DACO, the ownership is now based in a DACO employee ownership trust.

Just like in a publicly traded company, the shares have a value. The difference is that the way to get DACO stock is by being an employee. More shares are issued to employees each year that they work for DACO.

When an employee retires or leaves the company, the stock still belongs to them. At that point, the employees can choose to roll it over into a 401K qualified retirement account or pay the tax penalties and close it out earlier.

"It really encourages a long term employee that is getting ready to retire to train that replacement, that group of people, because you want them to be successful and continue to be successful because you still have a vested interest in the company," Austin said. "You want to set your team and the people in the company for success in your absence."

By being owners, employees are now fully engaged in the business.

"People really work hard, and they find better ways to do things that will benefit not only the company but them as individuals," Weber said. "We all

have a voice."

The new ownership model offers unique opportunities for new employees.

"For those who are looking for a career, they really have a chance to own something, and not just go to work for somebody else," Beck said.

Currently there are several high school students that are employed at the company through a school-to-work program.

"We have some really sharp young guys and girls that have started working here," Austin said. "If they are looking at working here for 20 or 30 years, it is astounding what this can mean for them. They have a really bright future ahead of them."

DACO is currently in a growth mode and expects to hire more employees later this summer. The company hopes that the employee ownership will attract top job candidates.

"We hope that being employee owned will be something that sets us apart. Not only our culture, but the fact that you can come here and be an employee owner, we think that non-traditional ownership gives us an advantage for finding the best people. Not only can we offer financial security, but a sense of purpose as well," Austin said.

## AREA CHURCH SERVICES

# Literary Contest Winners Announced

The Alpha Beta chapter of Delta Kappa Gamma, a professional organization of women educators, honored its Mary Jo Nettessheim Memorial

Literary Contest winners at a ceremony and reception on May 8.

Contest winners are:  
Third grade: First place in Washington County and

at Sigma State and an illustrator award, was Lauryn Haines from Bethlehem Lutheran in Germantown.

Second place was Jens Rasmussen from St. John's Lutheran in West Bend.

Honorable mentions went to Tianna Loether, McLane Elementary, West Bend; Isaiah Geiger, Bethlehem Lutheran, and Celia Milam from St. John's Lutheran.

Fourth grade: Tied for first place were Chloe Laine Bauer of St. John's Lutheran and Natalie Nolte of Bethlehem Lutheran.

Nolte won third place at Sigma State and a special award for computer design.

Thomas Hermann of Bethlehem Lutheran and Joshua Duba of Peace Lutheran in Hartford tied for second place.

Ethan Hackman of St. John's Lutheran, Morgan Schreiber from Peace Lutheran and Kendall Rummel from McLane Elementary received an illustrator award and an honorable mention.

Additional honorable mentions went to Lauren Guevin and Christopher Michel from Bethlehem Lutheran, Maddie Hesse from St. John's Lutheran and Luke Dulay from Peace Lutheran.

Fifth grade: First place and Sigma State special drawing award went to Madalyn Adams of Rossman Elementary of Hartford.

Second place went to Raina Dobberstein, and an illustrator award went to Emma Smith, both from Slinger Elementary.

Savannah Berger from Rossman Elementary of Hartford received an honorable mention.

Sixth grade: First place went to Kylie Rasmussen and in second place, Stryker Traska, both from St. John's Lutheran.

Peyton Lessner from Silverbrook Intermediate of West Bend received an honorable mention.

Seventh grade: First place was Ethan Drover, second place and illustrator award, Bridgette Becker, both from St. John's Lutheran in West Bend.

Emma Bea from Central Middle School in Hartford also received an honorable mention.

Eighth grade: First place and Sigma State second place was Clara Wiegert, second place and illustrator award was MaKayla Ann Weddig, both from St. John's Lutheran in West Bend.

Receiving an honorable mention was Hanna Northway from Central Middle School.

Farmington Elementary School second grade teacher Allie Hauptli is pictured with the award the school received from the state for being a Title I School of Recognition.

photo by Anne Trautner

## Farmington Elementary Named Title I School Of Recognition

Farmington Elementary has been recognized as a 2018 Title I High-Achieving and High-Progress School. This is the third year in a row a Kewaskum school has been awarded a School of Recognition Award from the Department of Public Instruction.

"Our school community is excited to receive the Title I School of Recognition Award," said Jake Flood, Farmington Elementary principal. "This recognition is a celebration and validation of the daily efforts and hard work exhibited by our district's students, staff, and parents. We are very proud of all of the aforementioned contributors. This award is more evidence to how the Kewaskum School District continues to strive for academic excellence."

"The state's Title I Schools of Recognition awards recognize the efforts of students, their families, teachers, school administrators, and school staff members to break the link between poverty and low academic achievement," said State Superintendent Tony Evers. "Their success is something to celebrate."

"I couldn't agree with Dr.

Evers more," said District Administrator Jim Smasal. "This is a continuation of our current school board's vision of making Kewaskum School District a great place for our students."

Title I is a federal program that provides funds to school districts and schools with high numbers or high percentages of children who are disadvantaged to support a variety of services. Its overall purpose is to ensure that all children have a fair, equal and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and assessments.

"This is just another example of how the Kewaskum School District is continuing its excellence in teaching and learning. Our teachers have been putting in a lot of work and effort improving their teaching, and it is really making a difference in the lives of our students," said Kewaskum Curriculum Director Mark Bazata.

District representatives received the award during a ceremony held at the state capitol on May 21.

## Kiwanis May Students Of The Month

**Mackenzie Turk**

Mackenzie Turk is the daughter of Tracy and Jeff Turk. She has been actively involved at Kewaskum High School, participating in basketball (two years), KEY Club (four years), Freshmen Mentor Program (two years) and Spanish Club (two years). She plans to attend the University of Arizona in the fall to pursue a career in nursing.

**Brandon Prim**

Brandon Prim is the son of Rhonda and Scott Sr.

Prim. Throughout his years at Kewaskum High School, he has been an active member in the KEY Club (three years), Peers 4 Peers (two years) and HOPE Club (two years). In his senior year, Brandon was selected by his peers to be the secretary/treasurer for the senior class. He plans to attend the University of Wisconsin-Washington County and the University of Wisconsin-Madison in a dual enrollment program to pursue a degree in environmental engineering.

**Friday:** Breaded Chicken Sandwich, French Fries, Broccoli With Cheese Sauce, Diced Peaches. Second Choice: Fish Sticks.

All Menus Are Subject To Change.

# Recalling 65 Years Of Boltonville Rain Days

## – Romance Started At Firemen’s Picnic 65 Years Ago

By Anne Trautner

It was hot on Sunday, but Marvin and Lucille Marquardt were at the Boltonville Rain Days.

They would not miss it. After all, that is where they met 65 years ago.

Back then, in 1953, the event was known simply as the Boltonville Firemen’s Picnic. Lucille had come from West Bend with some friends, and Marvin had gone to the picnic with some of his friends from Dundee. It was the first time either of them had been to the Boltonville Firemen’s Picnic.

Their friends knew each other, and they introduced Marvin and Lucille.

She was 21 and he was 26.

That night, when they left the picnic, they went dancing in West Bend.

They won’t say whether it was love at first sight, but they kept seeing each other after that first meeting.

About a year later, on September 8, 1954, they were married.

After getting married, the couple ran a farm just

Lucille and Marvin Marquardt enjoy the lunch at Boltonville Rain Days on Sunday. The two met at the event 65 years ago.

photo by Anne Trautner

west of Boltonville for 33 years.

Marvin is now 91 years old and Lucille is 86. They have four children, 11 grandchildren and four great grandchildren.

A lot of things have changed over the years.

But the couple has gone to the Boltonville Rain Days ever since that fateful day that they met in 1953.

They remember the day well. The picnic back then was much smaller

back then. There was just one beer tent that measured about 25 feet by 25 feet, with a counter all around.

There was music at the picnic, and both Lucille and Marvin agree that the music was much better back then.

“They had old time music back then, polkas and waltzes,” Marvin said.

“Good stuff,” Lucille added.

# Cache Quest

Everyone is invited for a day of puzzles, treasure hunts, and outdoor fun at the Kettle Moraine State Forest - Northern Unit’s Cache Quest. The event is scheduled for Sunday, June 3, from 10 a.m. to 2 p.m. It is the Wisconsin’s Free Fun Weekend, so admission is free for the day!

Using your geocaching and riddle solving skills, novice and experienced geocachers will compete to complete three challenging Harry Potter themed quests. The locations of the quests include the Zillmer Trail Area (located off County Road SS between County Road

G and Highway 67 near New Prospect), the Mauthe Lake Recreation Area (located off County Road GGG south of County Road SS near New Prospect), and the New Fane Trail Area (located off County Line Road east of Kettle Moraine Drive near New Fane).

Special treasures await the teams that finish each of the three quests. Prizes will be awarded to those who complete all three quests the fastest. Geocachers can begin their quests at any of the three locations. Bonuses given to the teams which gather the most garlic

mustard while searching for the hidden caches. The event is open to all ages.

Don’t know how to geocache? Then join a Learn to Geocache session at 10 a.m. at the Ice Age Visitor Center (located off Highway 67 half mile west of Dundee). GPS units provided for those folks who need one, or bring your own unit.

For more information, contact staff at the Ice Age Visitor Center. The center’s phone number is (920) 533-8322 and is open from 8:30 a.m. to 4 p.m. Monday through Friday, and 9:30 a.m. to 5 p.m. on Saturdays and Sundays.

# Our Amazing Atmosphere

The Kettle Moraine State Forest - Northern Unit’s Summer Saturday Evening Events continues with the program, Our Amazing Atmosphere. The presentation starts at 7 p.m. on Saturday, June 2, at the Ice Age Visitor Center, located off Highway 67 half mile west of Dundee. The Friends of the Kettle sponsor the Evening Events, but donations are always gratefully accepted.

Join Paul Lupton, Ph.D., as he guides you through a visual and interactive program exploring the

wonder, beauty, and importance of our earth’s atmosphere. Participate in many hands-on activities from cloud in a jar, the frontal weather simulator, and shrink wrap a kid demo. Lupton will educate and entertain the audience with eye catching displays, striking cloud pictures, and engaging demonstrations.

Lupton, a retired student counselor, is a self-proclaimed science geek, who particularly loves flying and other science related topics. He brings many years of aerospace and science education to his

presentations. Dr. Lupton founded and directed a Summer Air Camp for teens for 10 years. You will surely leave his presentation with a new understanding and appreciation of Our Amazing Atmosphere!

For further information, contact the staff at the Ice Age Visitor Center. The center’s phone number is (920) 533-8322 and is open in Monday through Friday 8:30 a.m. to 4 p.m., and on Saturday and Sunday 9:30 a.m. to 5 p.m.

# Fish Fest Held June 2nd

Venture to the Kettle Moraine State Forest - Northern Unit for a day of fantastic fish fun at the second annual Fish Fest!

The Fest will be held on Saturday, June 2, from 12 p.m. to 4 p.m. at the Mauthe Lake Recreation Area picnic shelter and fishing pier. The recreation area is located off County Road GGG south of County Road SS near New Prospect.

It is Wisconsin’s Free Fun Weekend, so no one needs a fishing license to drop a line in the water or a Wisconsin State Park System vehicle admission sticker.

How do fish swim? How do they breathe under

water? How do they eat? Find the answers to these questions and much more as we wade through the Fascinating Wisconsin Fishes station.

At the Learn to Fish Rodeo through hands-on activities learn or brush up on your fishing skills. After completing the rodeo, experienced anglers will be stationed at the water’s edge to help hone your newly acquired skills. Fishing gear and bait will be available for those who need it, or bring your own.

Try your hand at the Japanese art of Gyotaku, fish printing to create your very own fish design. Bring a T-shirt or bandana to print or purchase one

that day. Float over to the Clean Boats, Clean Waters display to find out how to keep those nasty non-native invasives from spreading to our lakes and rivers. Discover just how many aliens may be hitching rides to new waters.

For more information, contact staff at the Ice Age Visitor Center (920-533-8322). The center is open from 8:30 a.m. to 4 p.m. Monday through Friday, and 9:30 a.m. to 5 p.m. on Saturdays and Sundays. Join us for a fabulous day of all things fish in the Kettle Moraine State Forest - Northern Unit at Mauthe Lake.

# Cynthia Kaump Announces Run For Wisconsin State Treasurer

Cynthia Kaump announced on Mother’s Day Sunday that she believes the best gift she can give her child and every child is a better financial future as Wisconsin’s next State Treasurer.

Kaump, a long-time advocate for this office as well as former director of communications and community outreach, consulted with legislators on a plan to move the office forward and consulted her nine-year-old daughter before she decided to seek the Democratic nomination for the position.

“Finnoulay Martabelle had the final say,” said Kaump. “She wanted to know what time I would be home every day from work and with whom she would stay if I was required to work out of town as a State Treasurer often should when properly serving the nearly six million people of Wisconsin. She was satisfied with my answers and said ‘Momma — let’s do this!’ so, we are doing this.”

Kaump was born and raised in Wisconsin. She’s lived 41 of her 45 years here. She is the owner of two businesses.

She is a licensed insurance and finance professional for a female-founded Wisconsin firm with a 40-year history of manag-

CYNTHIA KAUMP

ing socially-responsible investment portfolios for clients. Kaump set state and national records of performance for multiple programs as the former director of communications and community outreach in the Wisconsin Office of the State Treasurer. She is also a trusted and award winning TV news journalist and writer who served communities across the state and nation for more than 20 years.

“People throughout Wisconsin trusted me for decades to tell them the truth about what was happening in our communities, in our government and trusted me with their personal stories,” Kaump said. “You trusted me to put more than \$100 million back into your hands while working in the Office of the State Treasurer. People of all backgrounds daily trust me to help them make

sound financial decisions. Wisconsinites made it clear by overwhelmingly rejecting April’s constitutional amendment to eliminate this office, they want a trusted financial guardian. I am asking you to trust me once again to work with all legislators to restore and move forward this office serving you as you deserve. I am asking you to trust me to serve as Wisconsin’s next State Treasurer. I have the experience to build a better financial future and together, we can do this!”

# Rummaging For A Cause

By Anne Trautner

Earlier this year, Autumn Giese thought about running a lemonade stand.

"But then I started thinking about having a rummage sale instead," 9-year-old Autumn said.

Autumn knew that her grandmother, Kathy Giese, holds a rummage sale every year. She has seen her grandmother collect and price items for her rummage sales.

Autumn was inspired. She began getting organized. She went through her belongings. She found hair clips, bracelets and necklaces that she didn't need. She found books and crafts.

She started keeping inventory of all the items she had that she could sell.

Then Autumn told her best friend, Sarah Zeman, about the sale.

The two girls, who are both going into fourth grade at the i4Learning Community School, started to collect more things that they could sell.

They had a lot of stuff. They started to think about all the money they were going to collect.

"We thought it would be greedy if we kept it all. We don't need money, so then we thought why don't we just donate it?" Autumn explained.

So the two girls decided to donate any profit they made to the Children's Hospital of Wisconsin.

They started making signs and posters for their big sale. They worked on the notices for months.

Finally, the day of Kewaskum's village-wide rummage sale arrived.

Last Friday, the two young philanthropists set up their wares at Autumn's grandmother's house on

Fond du Lac Avenue.

Their signs announced that all proceeds from their jewelry, video games, stuffed animals and other treasures would benefit Children's Hospital.

The girls admitted they were a little sad to see some of their belongings go. But they were happy to be able to help others.

Kathy Giese donated water and soda that they could sell as well for the cause.

On Friday, Kathy surprised the girls and told them that she would make a matching donation. However much the girls collected, Kathy would donate that same amount.

Then Autumn's father, Eric Giese, surprised the girls. He told them that he also would match the amount they collected.

The girls were speechless.

When the sale started,

Autumn Giese and Sarah Zeman collected \$348 for the Children's Hospital of Wisconsin by selling their belongings at a rummage sale. Pictured (from left) are: Kathy Giese, Eric Giese, Charlotte Giese, Sarah Zeman and Autumn Giese.

photo by Anne Trautner

rummagers liked what they saw. They liked Autumn's and Sarah's wares. And they liked the idea of helping Children's Hospital.

By the end of the rummage sale weekend, Autumn and Sarah had made \$116. With Kathy's and Eric's matching donations, the girls had collect-

ed a total of \$348 for the Children's Hospital of Wisconsin.

"We want to help them out," Autumn said.

### FEATURE BUSINESS OF THE WEEK

#### Tuttle Creek Learning Center, Inc.

Tuttle Creek Learning Center, Inc. is proud to be in business for over 18 years. After purchasing the established center in 1997, Mike and Audra Beyer began molding the business, adding their own unique touches and continued the growing process to accommodate the communities changing needs. Over the past 15 years an infant, toddler and two year old room have been added to the already existing preschool room at the main site, as well as adding before and after school programs in Kewaskum Elementary School and Farmington Elementary School. They have been providing quality childcare for Kewaskum and the surrounding area for over 18 years, while continually improving and adding new features!

Audra brings 27 years of experience to the business and the Administrator, Shelly Marx, brings 23 years of experience. Along with them, there are 10-14 employees depending on the time of year. Mike and Audra Beyer are supportive of their staff going back to school through funding in conjunction with TEACH.

Thank you to all of the parents who have shared their precious children with us! We feel truly blessed to have met each and every one of you. We look forward to many more years of helping your children grow!

Construction on the new Kewaskum Middle School is currently underway. The school is being built adjacent to the north side of the current high school.

photo by Anne Trautner

## Continued From... Final Bell Sounds At Kewaskum Middle School – New Middle School To Open In Fall

In the center of the new middle school are oversized steps that can be utilized as a learning space as well as a traditional staircase.

A large skylight is located above the stairwell and central gathering area. Interior walls are made of glass to allow the natural light to flow from the skylights into classrooms.

"It is very important to have natural light in the classrooms. There have been so many studies and so much data that shows natural light affects how fast you learn and how well you comprehend," Franzen said.

In addition, the windows will allow teachers to keep an eye on students when they are in the hallways, according to Franzen.

The current middle school library has no windows. In contrast, the new middle school has floor to ceiling windows along three exterior walls.

A courtyard is being built between the middle school and high school to allow more natural light into both schools. Tiered steps on the courtyard join the middle school to the high school, which have a seven-foot elevation difference.

The entrance to the new middle school is being constructed to increase security, with two sets of doors that visitors will need to go through before they can be allowed into the building.

Lockers will be located in a bay near a charging station for Chromebooks.

The new middle school cafeteria will feature round tables so that the area will be less institutionalized and have more of a "coffee shop" feel.

The Old Middle School  
The old Kewaskum

Middle School opened on Monday, November 11, 1974, when seventh and eighth grade students began attending there.

At that time, the building was a new 47,900 square-foot middle school building designed to hold 325-500 students.

When it opened, the middle school housed approximately 330 seventh and eighth grade students. During its final year, in 2018, the school held 360 students in sixth, seventh and eighth grades. Before the school opened, grades seven and eight shared the high school building with the high school students since the 1972-73 school year, a little over two years. During that time, students in those grades attended school on a split shift, with a five-hour-a-day basis.

When the middle school opened in 1974, the school hours changed so that high school and middle school classes ran from 7:45 a.m. until 2:45 p.m., and elementary classes began at 9:05 a.m. and dismissed at 3:40 p.m.

The middle school was cited in the Kewaskum Statesman in 1974 for having a large, open classroom media center. Classes in English, social studies and math were held in the more open area. Enclosed space was provided for science, home economics, shop, art and music, as well as for students who needed special programming. A gymnasium, shower and locker facilities, and a kitchen were all included in the building.

The walls were built primarily of a tackboard material, so that the entire wall became a bulletin board. Floors in the main area and offices were carpeted, with Tarkett and tile being used in the remainder of the building.

Construction on the middle school lasted about one year. Total construction cost was \$825,000.

During that building project, the school district was able to build without paying prevailing wage rates. Construction workers brought the case to court, but the district prevailed at the county level and then at the state Supreme Court.

In October 2012, a community committee was created to develop a strategic plan for the school district. The following year, that committee morphed into a Vision Committee, which conducted a community survey in spring 2014. That survey led the district to begin a study of its facility needs.

In 2015, a Long Range Planning Committee was formed to study the district's facility needs. The committee, which was made up of 57 parents, staff and community members, recommended to the School Board in July 2016 that the district go to referendum to improve the middle school and high school facilities.

In November 2016, voters passed a \$28.42 million referendum to improve the high school and middle school facilities.

Demolition of the old middle school was scheduled to begin this week. The ground where the middle school currently sits will be replaced with a parking lot. On the north side of that will be new baseball and softball fields.

## Softball Win Streak Extended To 20

By Judy Harlow

The Milwaukee Lutheran softball team shouldn't feel bad about losing to Kewaskum 11-0 in a Division 2 regional game May 25.

All the other schools that have faced Kewaskum have suffered similar fates, and the Indians, currently 20-0, show no sign of letdowns after a perfect 14-0 East Central Conference season. No, the Indians are more determined than ever, figuring they have some unfinished business to take care of in Madison after suffering a painful, extra-inning defeat in the state semifinals a year ago.

"We breezed through them pretty easily," KHS coach Jeff Gosse said after the most recent victory and the 10-0 tournament win over Port Washington.

Kewaskum came up with an even dozen base hits against the Red Knights, scoring four runs in the bottom of the first and breaking the game wide open in the sixth when they added six more. The game ended after the fifth via the 10-run "mercy rule."

Kaitlyn Miller led the Indians with three hits, including a double, and driving in three runs.

"She had an excellent game. She's been a great addition to our team this year," Gosse said about Miller, who is currently batting .444 with a team-high 26 runs.

Maddie Geidel, currently hitting at a .571 clip, was zero for one in the contest. "She got hit by a pitch, and they kind of pitched around her," Gosse said. Three others, including

Kennedy Lehn winds up to pitch a strike during a Kewaskum home game against Milwaukee Lutheran on May 25. Lehn pitched a one-hitter in the game.

photo by Anne Trautner

Ashley Trapp, Leah Theusch and Kaitlin Leitheiser, all juniors, added two hits and combined for seven runs batted in. Trapp tripled in the first, driving in a run, while Leitheiser had the team's other extra base hit, a double. She had two RBIs.

Senior Skylar Donath went one for three to drive in one run.

For pitcher Kennedy Lehn, this was win number 20, a one-hitter. Lehn struck out eight, bringing her season total to 285, and walked three. She was never in any trouble, similar to most of her other wins this year.

Concerning her low number of strikeouts, Gosse said, "They (Red Knights) were very disciplined, and Kennedy was missing her spots ... It happens."

Next up for the Indians is Waupun (May 29). It will be the third meeting

between the two schools this spring, and only the last one was close, an eight inning, 3-1 thriller played at the Jerry Medema complex in Waupun.

"I know we can get the job done, but I'm a little leary," Gosse said, referring to the fact the Warriors may have extra incentive after the Indians won the conference title.

The winner advances to the sectional finals this evening (May 31) against either New Berlin Eisenhower or Whitnall. Game time is 5 p.m.

### Port Washington Game

The Indians opened the tournament with a 10-0 rout over Port Washington in a game that went six innings.

The Indians' hitting machine — they had 13 hits in the game — was led by outfielder Maddie Geidel, who went four for

four with three doubles and three RBI. She had plenty of help as Kennedy Lehn, Tara Theusch and Kaitlin Leitheiser all had two hits, and each one of them doubled.

In the RBI department, Skylar Donath had two, while Kaitlyn Miller, Leitheiser, Tara Theusch, Lehn and Leah Theusch all had one.

Lehn no-hit the Pirates, going six innings, striking out a season-high 17 and walking just one. Port's pitcher, Morgan Esselman, threw a spinner, according to KHS coach Jeff Gosse, who said his players popped up a half dozen balls but on many other pitches, clobbered the ball.

PORT WASHINGTON  
000 000 — 0-0-0  
KEWASKUM — 10-13-0  
Winner - Lehn, Loser - Esselman

## KHS Golfers Add Another Title To Their Resume

By Judy Harlow

In their third event played at the Washington County Golf Course this spring, the Kewaskum High golfers did their best, turning in a sizzling 305 total from their top four scorers to easily win the D-2 regional hosted by Kettle Moraine Lutheran.

The tournament, which was held May 23 and included eight teams with a 119 stroke difference from first to last, helped determine the field for the D-2 sectional, which will be played at Kettle Hills in Richfield and hosted by Kewaskum for the second year in a row.

"We had great success at the regional," second-year KHS coach Casey Scheel said. "We went into the regionals with the lowest team average, but we knew we still needed to play the way we are capable of."

The four top teams, Kewaskum, University Schools of Milwaukee (319), Lake Country Lutheran (326) and Kettle Moraine Lutheran (328) move on to the sectional, and the top two teams there advance to University Ridge in Verona on June 4-5 for the WIAA State Tournament.

Junior Jacob Schlosser led the Indians with an even par 72, one shot behind the medalist, Ethan Wilkins of Lake Country Lutheran. Schlosser shot a 38 on the front side, then came back with a two-under-par 34 on the back with birdies on the 16th and 17th holes.

"He (Schlosser) had a great day. His ball striking was really good. He had five birdies on the day," Scheel went on. "Having the capabilities to shoot around par is huge for our team, and he is a very steady player when pressure is on."

Jordan Carlton, the lone KHS senior, was next with a very consistent 38-38—76, good for third overall, and Travis Griesemer, playing in the Number 5 spot, came through with a 39-37—76, good for fourth. On the back nine, Griesemer had a string of three straight threes on holes number 14, 15 and

16. "In our first couple of tournaments at Washington County, he (Carlton) struggled on the front nine. He thought if he could keep that nine around 40, he would have a good day," Scheel said. "He came in with the 38, and kept that momentum going with another 38 to give us a very solid round."

"This is a huge factor for our team, when he (Griesemer) can come in with scores like that. Any team that has a Number 5 come in with mid 70 scores is going to be tough to beat. Hopefully he can keep the momentum going into sectionals," Scheel said.

Rounding out the counters, Brad Buechel turned in a 42-39—81. Buechel had one bad hole on the front side, triple bogey eight on number seven.

"He (Buechel) was going along very steady up until the seventh hole. He had two great shots on the par five, leaving him about 60 yards into the green. he didn't quite get enough on it, and left it short into a little water hazard with long grass around it. I happened to be standing off the green and saw it all happen, and as he was looking for his ball, I just started to walk towards him to help, and he found it, so I retreated back. As I was a distance away watching him, I notice him taking a practice swing. I had to do what a coach never wants to do, and informed him of a rules violation and had to assess him a two-stroke penalty," Scheel said. "Right when I said it, he looked back and noticed the hazard stakes, and he was very disappointed."

The sectional was played on Wednesday, May 30.

### KETTLE MORAIN LUTHERAN D-2 REGIONAL

Kewaskum High School's Elizabeth Lightner signs to play volleyball at Edgewood College to play for coach Paul Schommer.

photo submitted

## Peterson, Donovan, Meidl, Lightner, Relays Earn State Track Berths

By Judy Harlow

The Kewaskum High track teams will be represented by two relays and three individuals in four events at this year's WIAA Division 2 State Track and Field Meet in La Crosse.

Some of the top-four finishes — athletes needed to finish among the top four to advance to state — were expected and highly anticipated, while two were pleasant surprises.

"We had an incredible night," KHS co-head coach Kris Evans said about his team's performances. "We can't remember the last time we've had 13 kids going to state."

Senior Cade Peterson leads the way for the Indians, advancing from the May 24 sectional in the 100 and 200-meter dashes and the 4x100 relay, which he anchored.

"I don't think I've ever seen Cade have a bad day," Evans said.

Peterson turned in another excellent effort in the 200, where he was clocked in 22 and 0.22 (22.22) seconds to win by 0.28 of a second over Racine St. Catherine's Evan Schuster (22.50).

In the 100, Peterson placed third behind Martin Luther's Darios Crawley-Reid and Donovan Howard of Obama S C T E School. Their times were 11.10, 11.12 and 11.15 in a near photo finish.

Including the results from the other three sectionals, Peterson's 200 time is third best in the field and ninth best in the 100.

"I am anxious to see how he stacks up against the top runners in the state," Evans said. "I think he's going to give them a run for their money."

The Indians' relay, comprised of Tyler Heus, Tony Steger, Cole Surprenant and Peterson, have the best time of all the teams that advanced to La Crosse. They combined

for a speedy 43.38 to finish ahead of runner-up Whitewater which came in with a 43.54, 0.04 ahead of Catholic Memorial.

"Everything was fluid," Evans said about the relay. "I think they're going to do even better at state," because

Steger, Surprenant and Heus will not have to run the 4x200 right near the 4x100 like they had to at Whitewater.

Also finishing first and advancing is senior Riley Donovan in the discus, the same event he placed 11th (136-6) in last year. Donovan did not have the best year but came up with a good toss of 145 feet, 2 inches (145-02) to win by just under 10 feet.

There will be 16 young men in the discus field, and Donovan's 145-02 stands 11th in the field.

"Riley's a passionate guy. He puts his passion in his throws," Evans said, expecting him to p.r. this weekend.

Junior Abby Meidl and senior Liz Lightner qualified in the pole vault and high jump, respectively. Using a longer pole, Meidl had cleared 10-9 twice recently, and she cleared 10-6 in the sectionals to take third place. She has an excellent chance to placing in the state meet.

"Abby was close at 11 feet," Evans said, "I think she can make it at state."

Lightner was one of the surprises in the meet. She cleared a personal record 5-0, and this is her first year out for the sport.

"Obviously, that's the sign of a natural athlete," Evans said, indicating her work this past winter to become a better volleyball player certainly helped her in track.

The other surprise came in the 4x400 relay where the quartet of Breanna Rice, Meidl, Anna Peterson and Courtney Butzlaff carried the baton the four laps for a time of 4:15.30, good for the fourth and final spot.

"They blew us all away. To chop 10 seconds off their time...I haven't seen that," Evans said, reporting it was thrilling to see Butzlaff closing on the leaders on the final lap.

The other non-qualifiers and their places, times or distances are as follows:

Men — Carson Thull, 15th in the 400, 55.39; 4x200 relay, 6th, 1:33.02 (Heus, Steger, Surprenant, Cameron Dodge); 4x800 - 10th, 9:04.82, Kyle Toth, Hunter Kuehl, Benny Frase, Blake Miller; shot put — Jon Leister, 10th, 44-05; 800 - 7th, Frase, 2:09.37; 4x400 - 8th, 3:36.03, (Steger, Jermaine Thull, Carson Thull, Heus)

Women — pole vault - Jill Braatz, 8th, 8-6; 300 hurdles - Maddy Thull, 8th, 52.41; Peterson, 100 - 14th, 13.72; 200 - 9th, 27.59; 4x800 relay - 6th, 10:49.26 (Romela Olla, Grace Marchello, Faith Mertzig, Alyssa Butz); 400 - Butzlaff, 8th, 1:06.59; 4x100 relay - 10th, 53.79 (Braatz, Meidl, Hailey Hasenberg, Hannah Debelak); Discus - Emily Halterman, 12th, 80-05; 3200 - Olla, 6th, 12:36.78; Butz, 10th, 12.44.56.

### D-2 TRACK AND FIELD SECTIONAL AT WHITE-WATER

Men's Top Ten Team Scores: 1. Catholic Memorial, 82; 2. East Troy, 62; 3. New Berlin West, 59; 4. Milwaukee Lutheran, 51; 5. Jefferson, 47; 6. Ripon 44; 7. Whitewater, 43; 8. Kewaskum, 42; 9. (tie) St. Catherine's and Cudahy, 26.

Women's Top Ten Team Scores: 1. Jefferson, 135; 2. Catholic Memorial, 55; 3. East Troy, 43.25; 4. Milwaukee Lutheran, 33; 5. (tie) Laconia and Martin Luther, 31; 7. Winnebago Lutheran Academy, 30; 8. Brown Deer, 29; 9. (tie) Waupun and Palmyra-Eagle, 28; 16. Kewaskum, 23.50.

## Chesak-Goeden Punch Their Ticket For Second State Trip

By Judy Harlow

What's better than making one state appearance in a high school sport?

Qualifying for the second time, of course, and that's exactly what Kewaskum High's Number One doubles team, Brent Goeden and Jared Chesak, did recently, and this time they will be going to Madison as sectional champions.

Competing in the East Troy sectional on May 23, Chesak and Goeden won all three matches to improve to 16-3 on the year. They also led their Kewaskum team to a third place finish with 28 points, behind McFarland, which came in with 33 points.

"The team not only met its goals, but they exceeded them," assistant coach Peter Garcia said. "At the start of the year, we talked about trying to finish in the top three in our conference and to get our Number One doubles back to state. We not only accomplished this lofty goal, we exceeded it. To win the Watertown Luther Prep (sub-sectional) was exciting and then to place third in the East Troy Sectional was amazing. I will long remember the effort shown by our team this year."

Goeden and Chesak started the day against Edgerton's Jacob Anderson and Michael Ferraro, winning 6-1, 6-0. It was obvious right from the start the two Indians were focused on the job at hand. They broke Ferraro's serve for a 1-up lead, then Chesak served to a win in game two, and they just kept rolling.

In the semis, Chesak and Goeden faced East Troy's Jered Brehm and Joe Moede, who were also returning state qualifiers. The two had unusual serves but were fairly steady with their ground strokes, and this match was tight from start to finish, featuring some long rallies.

After going 2-2, Chesak was the first player to hold serve, thanks to a smash by Goeden and the Crimson Tide hitting the final return into the net.

KHS won two of the next three games for a 5-3 advantage but gave one away before ending the match with a couple great "angle shots" by Chesak.

Set two was another nail-biter with Kewaskum down at 0-1, 1-2, and 2-3 before moving in front 5-4, then giving up a game, and coming back to take the next two for the win. The final game went into deuce twice before the Indians got the Ad and then the win on a Goeden smash.

The two Indians finished second in last year's sectional and wanted to move up a step. It certainly wasn't easy accomplishing that against Big Foot's Jack Heidenreich and Christian Karabas, who were 17-2.

The Indians were down

Jared Chesak and Brent Goeden qualified for the WIAA state tennis tournament by taking first place in the East Troy sectional on Wednesday, May 23. They begin state competition on Thursday, May 31 at 6 p.m., against Lakeland Union. This is their second consecutive year qualifying for state, making school history in doing so.

photo submitted

at 1-3, 2-3 and 4-5 but fought back to tie the match at 5-5, then win the next two for a 7-5 victory.

With the temperature reaching the mid-80s, higher on the asphalt courts, the Indians hoped they could finish the match in two sets, but it didn't look good after they fell behind 0-3. Breaking both opponents around a Chesak win, the match was tied, then Big Foot went ahead again at 3-5.

Here's where the Indians played some of their best tennis to tie the match at 5-5 and win the next two games (7-5) for the championship.

"They did it. They did it," Garcia said triumphantly. "I know it's a cliché but these two young men were not to be denied this day."

Goeden and Chesak will open state play at the Nielsen Tennis Stadium this evening at 6 p.m. against Lakeland's Jack Garcia and Anthony Holmes (17-6). A win puts them in the second round, which will be played Friday morning at 11:30 a.m.

KHS' regular at Number Four, Bryce Halvorsen, finished in second place and ending the year at 13-2. In the opening round, Halvorsen defeated Paul Friemuth of East Troy, 6-3, 6-3 before running into unbeaten McFarland player, Jack Neuman and los-

ing to him, 2-6, 4-6.

The other Indian singles players, Kyle Loehr at Number Two and Matthew Krautkramer at Number Three, both went 0-2 to take fourths. Loehr (10-9) lost to Jefferson's Tyler Seisser, 6-7 (5), 0-6 and to Carter Johnson of McFarland, 1-6, 3-6, while Krautkramer (11-5) came out on the short end of a 4-6, 2-6 decision to Tyson Laux of McFarland and lost to Edgerton's Connor Masanz, 0-6, 2-6.

In doubles, the sophomore-freshman duo of Isaiah Cochran and Bret Fahrenkrug (12-7) lost to Matthew Pierce and Henry Conway of Edgerton, 1-6, 3-6 and lost to Jack Grunow and Gunner Smith of Big Foot, 1-6, 2-6.

### May 22

At Watertown on May 22, Goeden and Chesak advanced with a quick 6-0, 6-0 win over a duo from University School of Hartland, while Halvorsen, Loehr, Krautkramer, and the Number Two doubles team, all won two matches to earn berths in the sectional.

First-year players, Patrick Krier and Tyler Degnitz (10-6) started off with a hard-fought 7-6 (6), 6-3 victory over Waupun, then lost to Grafton's Number Three team, 7-6 (3), 6-3.

## TRAP SCORES

**Beechwood Sportsmen's Club Thursday Trap League**

**May 24 Standings:**  
**Class A:** Gateway Cafe 5-0, Idlewile Inn 3-2, Fillmore Trap 3-2, Gerken Specialty Machining 3-2, Beechwood Bunch 2.5-2.5, Four Seasons Resort 2-3, Turner Electric 2-3, Amerahn 5-4.5.

**25s:** Randy Walter, Jim Vetter, Scott Stuart, Bernd Van Vorschelen, Duane Farrand, Toby Netko, Vern Schultz, Tom Strahl.

**24s:** Dan Gumtow, Chris Weishan, Dale Reigle, Tim Zolp, John Prodoehl, Kairl Stange, Dennis Zolp, Gary Sina, Richard Ernst.

# Indians Score 45 Runs In Four Non-Conference Games

By Judy Harlow

Good pitching and timely hitting helped the Kewaskum High School (3-1) baseball team win three of four non-conference games leading up to the North Shore opener at Whitefish Bay on May 31 (today) at 5:30 p.m.

Scoring in every inning but the second, the Kewaskum High baseball team blasted Sheboygan Falls 18-2 to win the second annual Plymouth Tournament on May 26.

The Indians were as hot as the weather, collecting 15 hits off three Falcon pitchers, chasing starter, Jacoby Endrews in the fourth and scoring 12 runs in the sixth off relievers, Seth Aschenbuch and Brandon Senglaub.

John May and Gabe Christenson each collected three hits for the winners, while Cole Surprenant went two for three and Andrew Neu was two for four.

The Indians sent 16 to the plate in the sixth, starting off with May's triple to left, back-to-back singles by Neu and Surprenant, an RBI double by Jared Chesak, a fielder's choice, an error and a walk before the Falcons recorded an out.

Colton Miller's double, Gabe Christenson's single and several walks also contributed to the other runs scoring.

Lucas Christenson started and went three innings for KHS, giving up two runs, including one earned, on four hits. He struck out three.

Cole Poole came on in the fourth and gave up no runs and no hits in an inning and two-thirds. Carson Dogs finished up the final 1 1/3 inning. The game ended in the sixth via the "mercy rule."

KHS, currently 3-1, is at Whitefish Bay tonight for the North Shore opener.

KEWASKUM 101 13(12) X — 18-15-2  
SHEBOYGAN FALLS 101 000 X — 2-4-2

### Plymouth Game

In the opening round of the tournament, Kewaskum used a five-run, fourth inning to defeat host Plymouth by a score of 8-2.

Jared Chesak started out the rally with a one-out single to left, and Kyle Bath also singled, putting two aboard. Ryan Prochnow struck out for the second out, then Gabe Christenson hit an RBI single to center; Brad Buechel and Tony Steger drew walks and John May followed with a double to left, clearing the bases.

The Indians had five of their eight hits off starter and loser, Michael Trosky.

Andrew Neu started for the Indians, nearly a year to the day when he tore the meniscus on one of his knees and was lost for the season. No injury this time around. Neu pitched 4 2/3 innings, giving up two runs (one earned) on four hits. He struck out four and walked two.

Blake Hornung came on in relief, throwing 2 1/3 innings of scoreless and hitless ball. He walked one Panther.

KEWASKUM 100 501 1 — 8-8-1  
PLYMOUTH 020 000 0 — 2-4-1

### Kettle Moraine Lutheran Game

Continuing the success he is experiencing in tennis this spring, catcher Jared Chesak was the batting hero in the Indians 13-3 victory

over Kettle Moraine Lutheran on May 25. Chesak hit a pair of 3-run homers at Kewaskum Kiwanis Park, the first coming in the bottom of the third inning and the second in the fourth with Andrew Neu and Cole Surprenant aboard.

The game ended via the 10-run "mercy rule" after the Chargers batted in the fifth.

Cole Surprenant started and got the victory. He went four innings, allowing three runs on six hits. He struck out six and did not walk a single Charger.

### Pewaukee Game

In the season-opener on May 24, the Indians came up short against Pewaukee, losing 7-6 on a run in the bottom of the seventh.

Kewaskum, down 5-0 at one point, rallied to tie the game with a four-run fourth and a two-run seventh. In the fourth, Colton Miller cracked a bases-loaded triple, and in the seventh, Jared Chesak was hit by a pitch; Kyle Bath doubled to right, and both scored on ground outs. The inning ended when Miller struck out looking.

With the score tied at 6-6, the Pirates got the winning run on a walk, a fielder's choice, another walk after Petoskey was thrown out trying to steal third, and an error by the KHS left fielder.

Junior Lucas Christenson, who had come in to pitch the seventh, took the loss. Andrew Neu went three for four for the Indians, while John May, Bath and Miller all had two hits.

Kewaskum committed three errors in the contest.

*Note: The Statesman was unable to reach coach Doug Gonring for comments on the games.*

Josh Walter of Plymouth celebrates after winning the Plymouth Dirt Track Racing 360 Sprint Car A main at the Sheboygan County Fairgrounds in Plymouth on Saturday, May 26.

photo by Pedal Down Promotions

## Walter, Siefert, Sorce Jr., Steenbergen, Ruh Claim PDTR A-Main Triumphs

Under steamy Memorial Day weekend weather conditions, the action on the track was equally hot and heavy as Plymouth Dirt Track Racing staged its annual Military Night racing program Saturday, May 26, at The Plymouth Dirt Track on the Sheboygan County

Fairgrounds in Plymouth.

A strong field of 100 cars took to the one-third mile Plymouth Dirt Track with Josh Walter of Plymouth (Richard's of Dunbar 360 Sprint Cars), Jared Siefert of Luxemburg (Gasroots Project Late Models), Don Sorce Jr. of West Allis

(Klips & Tips Grand Nationals), Jeff Steenbergen of Watertown (Cellcom B Mods) and Preston Ruh of Elkhart Lake (Micro Sprints) securing A-main victories in the second full PDTR racing program of the 2018 season.

## KHS Soccer Team Secures Fifth Place

By Judy Harlow

The good news from the Kewaskum girls soccer camp is the Lady Indians finished the regular season with two more victories, securing fifth place in the East Central Conference. The not-so-good news is KHS starts off the D-2 tournament with a road game at Winneconne, which is currently 11-2-3 on the year and averaging just over six goals per game.

"It was great to lock up fifth in the conference. We finished off teams we had difficulty with the first time through," KHS coach Luke Piwoni said. "It should give us confidence for next year. Hopefully we can leap into the top half of conference next year."

In a format that started in 2017, the top four EC teams and the bottom four play round robin tournaments at the end of the year to determine final standings.

Playing some of their best soccer of the season, KHS eked out a 1-0 win over Ripon, then won back-to-back road games over Berlin and Campbellsport by respective scores of 3-0 and 3-1 scores to finish fifth with a 4-4-2 EC record.

On May 24, the Indians, now 6-9-3 overall, gave up

a goal to their arch at 62 minutes, then roared back with three of their own in the next 21:30 to take a commanding lead.

As has been the case all year, freshman Kennedy Adams led the scoring charge with a pair of goals, one coming at 62:30 and the next at 77:00. The two goals bring her season total to 12.

The Indians also got an insurance goal from Andrea Butz at 64:00. Nicole Butz, another of the Butz triplets, was in the nets for the Indians and was credited with two saves.

"Kaylee DuCharme played well on defense both games. She has been great in both the midfield and on defense. I can put her in wherever she is needed in any given game," Piwoni said.

Also cited was Brandi Geldnich. "She shut down a lot of opportunities and was finding her teammates with good passes to build our attack," Piwoni said.

"It was great to see us score multiple goals in both games. We have been knocking on the door a lot but could not finish," Piwoni said, praising the freshman and sophomores, who have improved their skills and team play during the

season.

"It is great to see us develop a winning mentality. We hope to build on this and carry it forward to the off season and next year," the coach said.

### May 22

On May 22 at Berlin, Kewaskum posted its fifth shutout of the season, scoring one goal in the first half and another two after the break.

Butz scored first at 35:00.

The veteran coach knew one goal might not be enough so he urged the Indians to keep the pressure on the hosts in the second half. The girls responded, scoring two goals within 90 seconds of one another. First it was Butz striking again, with Adams assisting. Next Adams got into the act with a feed from Arianna Krueger.

Nicole Butz must have felt like the Maytag repairman in this game. She didn't have too much business, stopping just three shots.

The Indians will be at Winneconne this afternoon (May 31). Game time is 5 p.m. The winner moves on to play the winner of the Denmark-Freedom game.

## Fondy Soccer Select League Tryouts Begin June 4

The Fond du Lac Soccer Association will begin tryouts for its 2018-2019 Phoenix Select League on Monday, June 4. This competitive travel league is available to players ages 10 and up. Pre-registration is requested, and can be completed online at [www.fondysoccer.com/tryouts](http://www.fondysoccer.com/tryouts).

Both male and female players are encouraged to participate. Each session will be led by Marian University soccer coaches Craig Peltonen and Jillian Saiberlich. Tryout dates vary by age group, and are as follows:

- U11 Boys and Girls: June 4, 5:30-7 p.m.
- U12 Boys and Girls: June 5, 5:30-7 p.m.
- U13 Boys and Girls: June 7, 5:30-7 p.m.
- U14/15 Boys and Girls: June 11, 5:30-7 p.m.
- HS/U15-17 Boys and Girls: June 12, 5:30-7 p.m.
- HS/U18-19 Boys and Girls: June 14, 5:30-7 p.m.

Following tryouts, the first dates of offers will be June 15 for U11-U13 players and June 22 for U14-U19 players in accordance to WYSA guidelines. Additional information, including age group classification, can be

found by visiting [www.fondysoccer.com/tryouts](http://www.fondysoccer.com/tryouts).

The Fond du Lac Soccer Association is a 501(c)(3) non-profit organization that offers youth soccer programs to more than 1,500 boys and girls between the ages of 5 and 18. Founded in 1974, FDLSA now includes 115 recreational and 13 competitive league teams, as well as an academy program to develop players transitioning from recreational to select teams. For additional information, please visit [www.fondysoccer.com](http://www.fondysoccer.com).

## June Dairy Month Dance In Mayville

The Mayville Lions Club is hosting Jerry Voelker and the Jolly Gents for the June Dairy Month Dance on Saturday, June 2, from 1 p.m. to 5 p.m. at the Mayville Park Pavilion.

There will be food available and the building, which overlooks the Rock River, is handicap accessible. It will be a great place to be especially with everyone talking about the great party showcasing dairy-related products to taste.

The dance is being supported by Myrhum-Patten-Miller-Kietzer Funeral & Cremation Service, Tab Products, KM Tours, Steve's Auto Body, Seneca Foods, and River's Bend Inn & Breakfast on the Rock River.

These dances can give inspiration to the young music students. It shows there is life beyond high school in music if you enjoy playing. They can be just like Jerry Voelker who started playing at a very young age. Voelker is the happiest person you will ever see and smiles from ear to ear while playing to the crowd.

His love of music started at the early age of eight when his dad sold a cow for \$85 and bought Voelker a piano accordion. He played with many groups before he started playing with the Jolly Gents. They are one of the first bands in Wisconsin to start playing the Polka Mass, which they do today.

They played many years on TV and had a radio show for 46 years. Jerry gives his wife, Rosie credit for all she does in making this milestone possible with the weekends and week day schedules and tours it makes a great life to behold.

His band members

include Ralph Kraynik, who is on all of Voelker's recordings; David Kopetsky, music arranger and trumpet for 25 years; Tim Flag, drums for 25 years; and Ed Larson, bass horn and keyboard for many years. Larson's band, Eddie Larsen & his Classic Memories Dance Band, will be playing in Mayville on Saturday, June 30.

The Polka! Polka! Polka! show on CW 14 taped them at the Knights of Columbus in Fond du Lac on September 17, 2017. They have been on the show a number of times.

This is not the last polka dance for the season. The April 14th and 15th dances had to be canceled because of bad weather. The Fond du Lac dance has been re-scheduled for Sunday, June 24, at the Knights of Columbus in Fond du Lac with the music of Mark Jirikovec. This dance is being sponsored by TTI, Inc. of Eden and supported by Karr-Bach Builders, Inc.

The Mayville dance has been re-sched for Saturday, June 30, at the Mayville Park Pavilion with the music of the Eddie Larsen & his Classic Memories Dance Band. The dance will be hosted by The Friends of the Mayville Public Library and sponsored by Hartford Finishing, Excel Engineering of Fond du Lac and Zuern Building Products of Allenton.

Mark your calendar for these two re-scheduled dances.

The 2018-2019 flyers for the Fond du Lac and Mayville polka dances are available and will be at the dance on Saturday, June 2. If you should have any questions, please do not hesitate to contact Donna Gudex-Kamrath at 920-960-5318.

## Cedar Community Wins Telly Award

Cedar Community is proud to announce that their marketing team recently won the bronze award for their Live More brand video. The award was in the non-broadcast category for not-for-profit organizations.

Some of their fellow category winners were the American Red Cross, Susan G. Komen Foundation, St. Jude's Hospital, PBS and the American Cancer Society. The brand video can be found on the homepage of their website, cedarcommunity.org.

Founded in 1979, the Telly Awards is the premier award honoring outstanding local, regional, and cable TV commercials and programs, as well as the finest video and film productions, and web commercials, videos and films.

The Telly Awards annually showcases the best

work of the most respected advertising agencies, production companies, television stations, cable operators and corporate video departments in the world, and received more than 12,000 entries from all 50 states and five continents.

"We are thrilled to be able to accept this award which is a great accomplishment for our organization and marketing team. Our team is passionate about their work and conveys Cedar Community's mission in everything they do to market our organization," says Lynn Olson, chief executive officer.

U.S. Rep. Mike Gallagher, R-Green Bay, along with U.S. Rep. Danny Davis, D-Ill., launched the Trauma-Informed Care Caucus on May 21. The bipartisan caucus aims to boost awareness in Congress of the science-based treatment used to address the cause of major public health issues, including addiction, mental health and obesity.

JERRY VOELKER

## Wisconsin Congressional Delegates Tackle Health Care Issues

U.S. Sen. Ron Johnson, R-Oshkosh, is finally getting his "right to try" bill signed into law. The bill allows terminally-ill patients to use treatments not approved by the FDA.

Johnson championed the right-to-try bill in the Senate, where it passed unanimously last August. It passed the House on May 22 by a 250-169 vote, where only Democratic U.S. Rep. Ron Kind crossed party lines to support it.

"Congress restored a little freedom and hope to terminally ill Americans," Johnson said.

U.S. Rep. Mark Pocan, one of two Wisconsin Democrats to oppose the bill, said the measure "sets a dangerous precedent of weakening FDA oversight by broadening access to unproven treatments."

The House in March passed its own version of the right-to-try bill, which would have caused the Senate to pass that iteration before it could be sent to the president. But House Republicans recently signaled they would take up the Senate's version of the legislation.

U.S. Rep. Mike Gallagher, R-Green Bay, along with U.S. Rep. Danny Davis, D-Ill., launched the Trauma-Informed Care Caucus on May 21. The bipartisan caucus aims to boost awareness in Congress of the science-based treatment used to address the cause of major public health issues, including addiction, mental health and obesity.

Gallagher said the practice creates a "unique

opportunity" for elected officials "to come together and improve health outcomes for the millions of children, families, and adults across the United States who have been impacted by trauma."

"By working together, we can raise awareness of TIC and its vital role in helping solve some of our nation's most pressing public health issues," he said.

Gallagher's decision to launch the caucus is part of a wider effort led by First Lady Tonette Walker to increase statewide awareness of the approach.

Walker praised the creation of the caucus, saying trauma-informed care helps caregivers "address the root" cause of problems and "improve outcomes" for affected children.

Johnson also introduced a resolution recognizing the importance and effectiveness of trauma-informed care that cleared the Senate on May 22 with unanimous support. The senator thanked Walker for her work backing trauma-informed care since 2011, saying in a statement her efforts mean "Wisconsinites will be better equipped to support those who have experienced trauma."

## NFPA Underscores Electric Shock Hazards In Pools And At Marinas During Summer Months

With summer starting, the National Fire Protection Association (NFPA) is reminding people about the potential electrical hazards in swimming pools, hot tubs and spas, on board boats and in the waters surrounding boats, marinas and launch ramps.

Electric shock drowning (ESD) happens when faulty wiring sends an electrical current into the water. The current then passes through the body and causes paralysis. When this happens, a person can no longer swim and ultimately drowns.

"Most people are not aware, including boat and pool owners and swimmers, are not aware of the risks of electric shock drowning," said Lorraine Carli, NFPA's vice president of Outreach and Advocacy. "NFPA is raising awareness of this troubling trend and sharing our water safety resources so that everyone can safely enjoy summer water activities."

Here are tips for swimmers, pool and boat owners:

### Tips For Swimmers

•Never swim near a marina, dock or boatyard, or near a boat while it's running.

•While in a pool, hot tub or spa, look out for underwater lights that are not working properly, flicker or work intermittently.

•If you feel a tingling sensation while in a pool, immediately stop swimming in your current direction. Try and swim in a direction where you had not felt the tingling. Exit the water as quickly as possible; avoid using metal ladders or rails. Touching metal may increase the risk of shock.

### Tips For Pool Owners

•If you are putting in a new pool, hot tub or spa, be sure the wiring is performed by an electrician experienced in the special safety requirements for these types of installations.

•Have a qualified electrician periodically inspect and — where necessary — replace or upgrade the electrical devices or equipment that keep your pool, spa or hot tub electrically

safe. Have the electrician show you how to turn off all power in case of an emergency.

•Make sure any overhead lines maintain the proper distance over a pool and other structures, such as a diving board. If you have any doubts, contact a qualified electrician or your local utility company to make sure power lines are a safe distance away.

### Tips For Boat Owners

•Avoid entering the water when launching or loading a boat. Docks or boats can leak electricity into the water causing water electrification.

•Each year, and after a major storm, have the boat's electrical system inspected and upgraded by a qualified marine electrician to be sure it meets the required codes of your area, including the American Boat & Yacht Council (ABYC). Check with the marina owner who can also tell you if the marina's electrical system has recently been inspected to meet the required codes of your area, including the National Electrical Code® (NEC).

•Have ground fault circuit interrupters (GFCI) installed on the boat; use only portable GFCIs or shore power cords (including "Y" adapters) that are "UL-Marine Listed" when using electricity near water. Test GFCIs monthly.

NFPA has additional resources for swimmers, boat and pool owners, including tip sheets, checklists and more that can be downloaded and shared. Please visit [www.nfpa.org/watersafety](http://www.nfpa.org/watersafety).

For industry professionals, the 2017 NFPA 70, National Electrical Code® (NEC®) has been revised to improve pool safety and help reduce the risk of ESD. NFPA has additional codes and standards that apply to boats and marinas and their related electrical safety issues. Find these resources and more by visiting NFPA's NEC webpage.

For this release and other announcements about NFPA initiatives, research and resources, please visit the NFPA press room.

## Moraine Park Technical College Celebrates Successful Commencement Ceremony

### —Nearly 800 Eligible Graduate Candidates

May 19 was a momentous day for the nearly 350 graduates who participated in Moraine Park Technical College's commencement ceremony, held at the Fond du Lac High School Field House. In all, the college had nearly 800 graduate candidates eligible to receive their associate degrees and technical diplomas.

Keynote speaker, John Torinus Jr., praised students for their impeccable timing, stating that the job market is heavily looking for skilled and educated workers. He also impressed on the graduates to never stop learning and challenged them to always keep moving forward.

"To be adaptable, you will need to keep on learning. Your degree is a couple of steps toward first base, but there will be other bases to round, either at the same company or in a new career choice," said Torinus. "Learning is fun, it keeps you young in mind and at heart. I thoroughly believe that the day you stop learning, is the day that you start hearing harp music from afar. For that reason, I never intend to retire."

Joseph Jaeger, a nursing graduate and Moraine Park's 2017-2018 Student of the Year, was the featured student speaker at the event. He also encouraged graduates to keep learning, and through telling his own story, reminded everyone that it's never too late to go after your dream career.

"We work too long and too hard in this world to be doing something we don't find joy in. Every day isn't going to be great, but why not go to work with an honest smile on your face because you really don't mind being there," Jaeger said. "I have come to realize that if you want something bad enough, and are willing to dedicate the time and energy it takes, you really can accomplish anything. I urge everyone to dig deep and stop ignoring the truths you know about yourself. It's never too late to find yourself. It's never too late to try something new."

Dr. James Eden, vice president of academic affairs, presided over the presentation of candidates with the conferring of degrees and diplomas done by

Moraine Park President Bonnie Baerwald. Dr. Kristen Finnel, dean of health and human services, and Dr. Fred Rice, dean of applied technology and trades, announced the graduate candidates. From the Moraine Park District Board, chairperson Mike Staral, employee member Cindy Fields and additional member Cindy Laubenstein recognized the graduates.

Staral, who welcomed the Class of 2018 and their guests to the ceremony, congratulated the graduates and their families on their accomplishments and encouraged them to keep moving forward.

"This ceremony is symbolic in many ways. It does mark the fulfillment of your commitment to earn a credential. It proves that the hard work, perseverance, and dedication has paid off. It does mean a lot to those who have supported you through this journey. They're proud of you, and today is a celebration for them as well," said Staral. "This ceremony does not end your education. Moving forward in your career means constant learning and growing. Work hard, be open, and embrace this! You'll be surprised where it will take you!"

President Baerwald extended her congratulations to the graduates and extended her personal gratitude to the commencement speakers, Moraine Park District Board, Moraine Park faculty and the President's Cabinet.

Moraine Park Technical College was established in 1912 and is one of 16 technical college districts that make up the Wisconsin Technical College System. With campuses in Beaver Dam, Fond du Lac and West Bend, the college offers more than 100 associate of applied science degrees, technical diplomas, apprenticeships and certificates delivered in a variety of formats — classroom, online and blended. Training and technical assistance for businesses are also offered.

To learn more about Moraine Park, visit [morainepark.edu](http://morainepark.edu).

To view more photos from the 2018 Commencement Ceremony, go to [facebook.com/moraineparktech](http://facebook.com/moraineparktech).

## Replacement License Plate Stickers Available Online

Every year, Wisconsin DMV receives more than 29,000 calls and another 18,000 email requests to replace a lost license plate sticker. Now, with a new online process, DMV customers may request a free replacement vehicle-registration sticker online at [wisconsin.dmv.gov/sticker](http://wisconsin.dmv.gov/sticker) and it will be mailed the next business day.

"Wisconsin DMV is continuing to enhance its online services to give customers greater convenience, control and access to their DMV account," explained Rhonda Alley, Wisconsin Department of Transportation division of motor vehicles manager. "Enabling customers to easily fulfill routine requests for replacement stickers online will free DMV Customer Service staff to answer calls and will save all of our customers time."

DMV online prompts will walk the customer through a series of steps to verify identity and eligibility and ensure the proper item specific to their registration will be sent. Customers who forgot to register will be promoted to renew and directed with helpful links to register. This enhancement also provides Wisconsin DMV additional tracking measures for replacement stickers to help reduce waste and fraud.

To order a duplicate or replacement sticker, visit [wisconsin.dmv.gov/sticker](http://wisconsin.dmv.gov/sticker)

and have your vehicle identification number ready. This enhancement continues DMV's expansion of online services. eNotify, the electronic (email or text) renewal reminders, is one of the most popular services, see [wisconsin.dmv.gov/eNotify](http://wisconsin.dmv.gov/eNotify).

"With so many online services, most Wisconsinites only need to visit a DMV once every eight years to renew their driver license," Alley said.

## WHA Praises Grant Program Addressing Wisconsin Physician Shortage

As the population ages and demand for health care continues to grow, new data from the Wisconsin Department of Health Services (DHS) shows Wisconsin's Graduate Medical Education (GME) Program is gaining traction in heading off a projected Wisconsin primary care physician shortage.

By 2030, Wisconsin's population over the age of 65 is expected to double, increasing demand for primary care physician services. At the same time, almost 400 physicians per year leave the practice of medicine or reduce their hours in preparation for retirement.

A 2011 study by the Wisconsin Hospital Association (WHA) predicted a shortfall in Wisconsin of over 2,000 physicians by 2030 and recommended increasing Wisconsin-based physician post-graduate training programs (GME) to help address the gap.

Today, a \$13 million grant program championed by WHA and enacted with bipartisan support from Gov. Scott Walker and the Legislature has led to the creation of 10 new Wisconsin GME programs and the expansion of nine existing programs. Hospitals provide dollar-for-dollar matching funding for the program and as a result, more primary care physicians will be ready to practice in Wisconsin this spring, and estimates show there will be up to 133 additional physicians enrolled in Wisconsin-based residency programs by July 2020.

WHA worked with the Legislature to secure additional funding for the program, which is proving a successful part of Wisconsin's "grow our own" strategy of training more physicians who will practice in Wisconsin.

"It is rewarding to see the GME grant program, a public-private partnership crafted between Wisconsin hospitals and state policymakers, moving forward toward fulfillment of our mutual objectives of expanding the number of primary care physicians, psychiatrists and other needed physicians in Wisconsin," said Eric Borgerding, WHA president and CEO.

The same 2011 WHA study also predicted that if a medical student is from Wisconsin, attends medical school in Wisconsin and completes residency (GME) training in Wisconsin, there is an 86 percent chance they will practice medicine in Wisconsin.

"The bottom line is more medical students completing their graduate training in Wisconsin means more physicians practicing in Wisconsin, and in critically needed specialties,"

Borgerding said. "These matching grants are a textbook example of identifying a problem and then working with hospitals, health systems, medical schools, physician leaders, state agencies and elected officials to craft solutions."

Since the inception of the DHS GME grant program in 2013, three-year grants were awarded to support development of new GME programs at 10 hospitals. Existing accredited GME programs receiving new funding for new resident positions for the length of the residency are nine different hospitals across the state.

For additional information about the DHS GME Grant Program, contact Ann Zenk, WHA vice president, workforce and clinical practice, at [azenk@wha.org](mailto:azenk@wha.org).

### PUBLIC NOTICES

VILLAGE OF KEWASKUM  
RESOLUTION NO. 2018-03

COMPLIANCE  
MAINTENANCE  
RESOLUTION

RESOLVED that the Village of Kewaskum informs the Department of Natural Resources that the following actions were taken by the Village Board of the Village of Kewaskum, Wisconsin.

1. Reviewed the Compliance Maintenance Annual Report.

2. Set forth the following actions necessary to maintain effluent requirements contained in the Wastewater Pollutant Discharge Elimination System (WPDES) Permit.

PASSED, ADOPTED AND APPROVED this 21st day of May 2018 by the Kewaskum Village Board.

/s/ Kevin Scheunemann,  
Village President  
5-31 WNAXLP

ATTEST:  
/s/ Tracie Sette, Village Clerk

2018 PAPER:  
Deadline for  
News Items &  
Advertising  
is Monday  
at 2 p.m.**

### ADVERTISEMENT FOR BIDS TOWN OF FARMINGTON, WISCONSIN 2018 PAVEMENT MAINTENANCE PROGRAM

Sealed proposals will be received until **3 p.m., local time, on June 19, 2018**, by the Kunkel Engineering Group, 107 Parallel Street, Beaver Dam, WI 53916. All proposals received will be publicly opened and read aloud at 6:30 p.m., local time, on June 19, 2018 by the Town of Farmington at the Town Hall located at 9422 Hwy 144, Kewaskum, WI 53040.

**The principal items for which proposals are invited are:**

21,000	SY	Boiler Slag Seal Coat
210	TN	Asphalt Pavement Wedge

All proposals shall be submitted on bidding forms included in the Project Manual furnished by Kunkel Engineering Group, LLC, and in accordance with the provisions of the Project Manual. Specifications and other Contract Documents are on file at Kunkel Engineering Group, 107 Parallel Street, Beaver Dam, WI 53916. **Bidders MUST purchase Bid Documents from Quest CDN or Engineer to submit a bid. Reproduction of Bid Documents will not be accepted from Bidders.**

Complete digital project bidding documents are available at [www.questcdn.com](http://www.questcdn.com). You may download the digital plan documents for **\$25.00 each, non-refundable** by inputting **Quest Project No. 5772067** into the website's Project Search field. Please contact [QuestCDN.com](mailto:QuestCDN.com) at 952-233-1632 or [info@questcdn.com](mailto:info@questcdn.com) for assistance in free membership, downloading of documents and working with this digital project information.

Bidding documents are also available for pickup from Kunkel Engineering Group, 107 Parallel Street, Beaver Dam, WI 53916, (920) 356-9447, upon a non-refundable payment of \$50.00 per set.

Bids shall be accompanied by a Certified Check or Bid Bond payable to the Town of Farmington in an amount equal to 5% of the Bid, as a guarantee that if the Bid is accepted, the Bidder will execute and file the Contract, the Contract Performance Bond and Payment Bond, and the Insurance Certificate(s), as required by the Contract Documents, within 15 days after the Notice of Award of the Contract by the Town of Farmington. Failure on the part of the Bidder to do so will result in forfeiture of the Bidder's Certified Check or Bid Bond to the Town of Farmington as liquidated damages.

The Town of Farmington reserve the right to accept or reject any or all bids and to waive any informalities in bidding. No bid may be withdrawn for a period of 60 days after the scheduled time for opening bids. Letting of the contract is subject to Sections 61.54 and 62.15 of the Wisconsin Statutes as applicable.

# Grow Your Own Bouquets – Five Easy-to-Grow Cut Flowers

MELINDA MYERS

Bring a bit of your garden indoors with beautiful garden-fresh bouquets. Dedicate some space this year for a cut flower garden. Then create gorgeous centerpieces, boost your indoor décor and surprise guests with lovely bouquets to take home.

You'll jump-start the season and enjoy earlier blooms if you purchase transplants from your favorite garden center or start your own from seeds indoors to transfer into the garden after the danger of frost has passed. If you're in no hurry, stretch your budget and extend your garden's bloom time by sowing some seeds directly in the garden according to the seed packet directions.

Select a variety of flowers to fill your gardens and vases with colorful cut flowers all season long. Start with annual flowers known for season long bloom and an extended vase life. You'll need to plant annuals each year, but the continuous bloom is well worth the effort.

Increase growing success with proper soil preparation. Add several inches of organic matter such as Hsu Leaf Compost (hsugrowing supply.com) to the top 8 to

12 inches of soil. The leaf compost improves soil health, increases drainage in heavy soil and the water-holding ability in fast-draining sandy soils. This means healthier plants and more flowers to cut and enjoy.

Extend the beauty in the garden and keep the cut flowers coming with regular picking. The more you pick, the more flowers you'll have. Share extras with friends, neighbors or senior centers. Studies at Rutgers University found cut flowers immediately increased happiness and had a long-term positive impact on the recipient's mood.

Here are a few easy care annual flowers to get you started. Every one of these sun lovers can easily be started from seed or purchased as plants at the garden center. Just wait for the danger of frost to pass when moving transplants into the garden.

Include a few zinnias. Start seeds indoors four weeks before the last spring frost or sow them directly in the garden. Either way you'll have flowers about eight weeks after planting the seeds. Grow taller varieties like the Benary's Giant for long stems, Queeny Lime Orange or Zowie! Yellow Flame for eye-catching

color, or Profusion for small daisy-like flowers on compact mildew resistant plants.

Add cosmos to the mix. Start seeds indoors four to six weeks before the last spring frost or directly in the garden. The fine foliage adds texture to the garden and the white, pink, lavender blooms light up the mid-summer through fall garden. Plant tall varieties en masse to eliminate the need for staking. Or grow shorter varieties like Sonata and Cosmic.

Don't forget sunflowers. Look for varieties like Suntastic Yellow with Black Center or Ring of Fire with smaller flowers that will be easier to include in arrangements. Avoid pollen on your table top and furniture with pollenless varieties like Pro Cut. Plant a variety of sunflowers and make successive plantings for an extended harvest.

Add vertical interest with annual salvia. Mealycup varieties have narrow flower spikes that resemble lavender while scarlet Sage has more robust flower stems in a variety of colors. Both look great in the garden and a bouquet. Start seeds indoors eight weeks before the last spring frost or purchase transplants for

an earlier bloom.

Increase flower shapes, color and size with celosias. The crested varieties resemble colorful coral while the plume types look like feathers. Use the small flowered wheat forms for more subtle additions to bouquets. Start seeds indoors six weeks before the last frost.

With these additions in mind, scope out a garden or space within an existing planting bed where you can include a few or many cutting flowers. Once your garden is planted be prepared to harvest and enjoy beautiful bouquets and some natural aromatherapy all summer long.

## Stroke Risk Higher For Women

Everyone should be aware of the warning signs of stroke. In the United States, stroke is the fourth leading cause of death among men and the third leading cause of death in women, according to the American Stroke Association.

"In fact, about 55,000 more women than men have a stroke each year and strokes kill twice as many women as breast cancer every year," according to Nathan Larsen, MD, St. Agnes Hospital Emergency Department & EMS medical director.

A stroke occurs when blood flow to the brain is disrupted due to a blocked or ruptured blood vessel. The brain is very oxygen-dependent, so even a few minutes without oxygen-rich blood can cause brain damage and bring on tell-tale stroke symptoms.

Classic symptoms include sudden weakness; paralysis or numbness in the face, arms or legs; trouble speaking or understanding speech; vision disturbances; and sudden mental status changes, such as confusion or memory loss.

Some risk factors are the same for men and women: a family history of stroke; high blood pressure; high cholesterol; smoking; diabetes; being overweight and not exercising.

Other risks are unique

to women: taking birth control pills; being pregnant, stroke risk increases during a normal pregnancy due to natural changes in the body such as increased blood pressure and stress on the heart; using hormone replacement therapy (HRT), a combined hormone therapy of progestin and estrogen, to relieve menopausal symptoms; having a thick waist and high triglyceride (blood fat) level, post-menopausal women with a waist size larger than 35.2 inches and a triglyceride level higher than 128 milligrams per liter may have a five-fold increased risk for stroke; being a migraine headache sufferer, migraines can increase a woman's stroke risk three to six times, and most Americans who suffer migraines are women.

The key to treating and surviving stroke is quick medical intervention.

"If you notice anyone exhibiting the symptoms above, it is imperative to call 911 immediately," says Dr. Larsen. "Do not attempt to drive the individual to the hospital because emergency medical personnel can begin life-saving treatment in the ambulance en route to the nearest emergency room."

An acronym to help you remember this information is FAST - Act FAST for Stroke: Face: Facial droop, uneven smile; Arm:

Arm numbness, arm weakness; Speech: Slurred speech, difficult to understand; Time: Call 911 and get to the hospital immediately.

Strokes caused by a blocked blood vessel can be treated with medicines that dissolve clots, but the medicine must be administered as soon as possible to maximize its effectiveness.

"Once at the hospital, a patient may have a procedure to further open the blood vessel by delivering clot-busting medication directly to the blockage or removing the clot through a catheter," says Dr. Larsen.

Reducing stroke risk is largely a lifestyle issue. Regular physical activity, not smoking, maintaining a healthy weight, and managing blood pressure and cholesterol are among the most important things individuals can do to help prevent stroke.

"It's most important to see your primary care provider for an annual exam to evaluate and manage for your stroke risk factors," Dr. Larsen explains.

EFFECTIVE FOR JUNE 21, 2018:

Deadline for News Items & Advertising is Monday at 2 p.m.

## RECIPE OF THE WEEK

May 31, 2018

### THE BEST LEMON BARS

makes about 36 servings

Adapted from [www.allrecipes.com](http://www.allrecipes.com)

#### INGREDIENTS

- 1 cup butter, softened
- 1/2 cup white sugar
- 2 cups all-purpose flour
- 4 eggs
- 1 1/2 cups white sugar
- 1/4 cup all-purpose flour
- 2 lemons, juiced

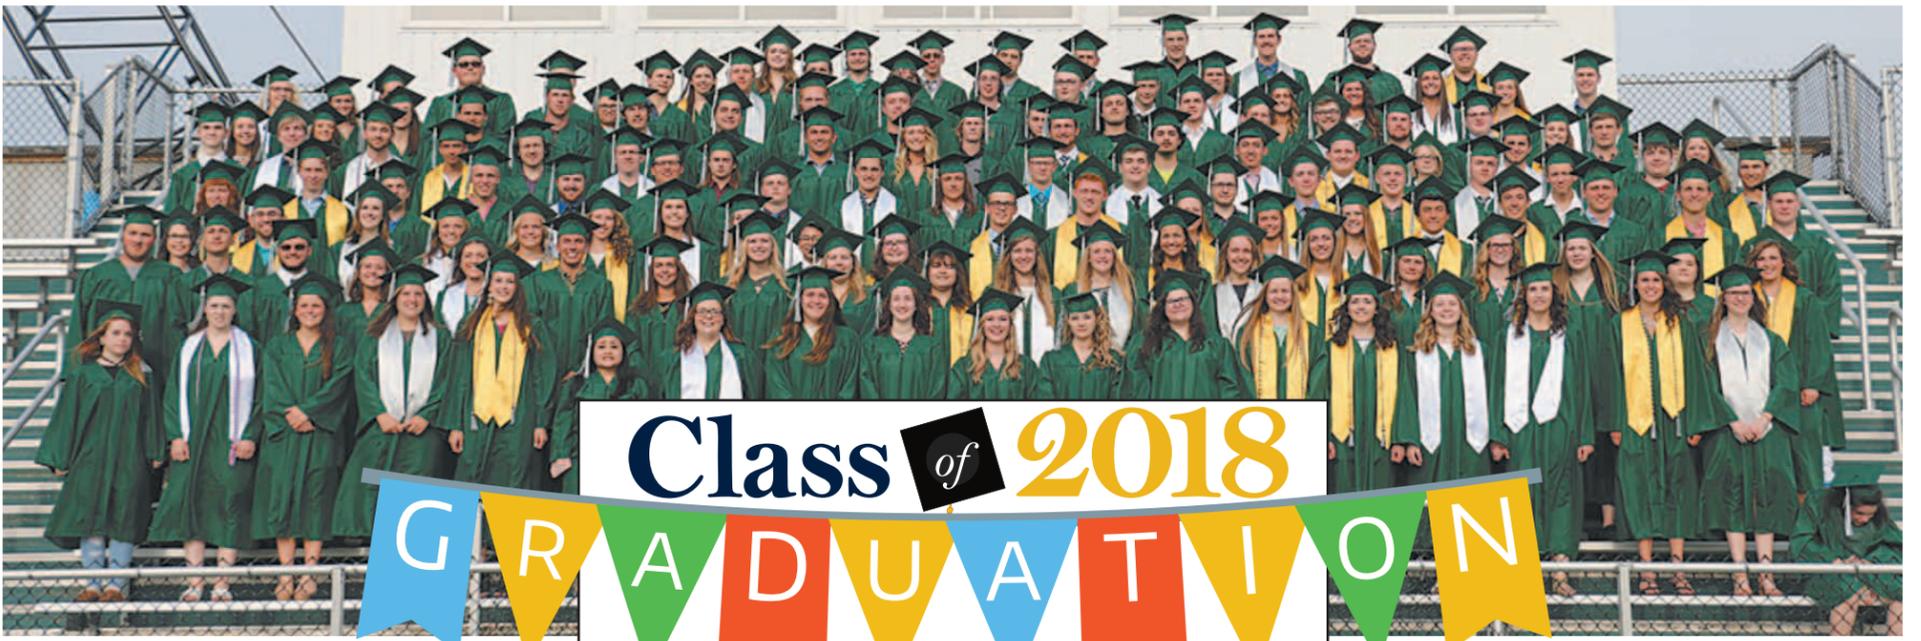

#### DIRECTIONS

Preheat oven to 350 degrees F (175 degrees C).

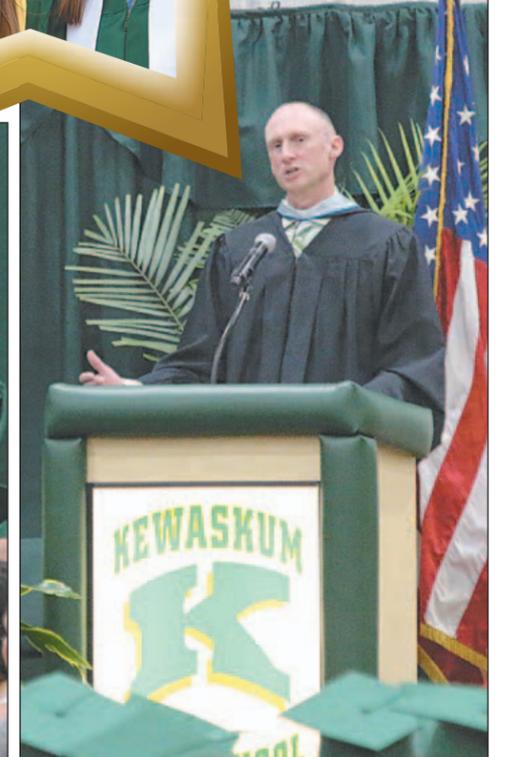

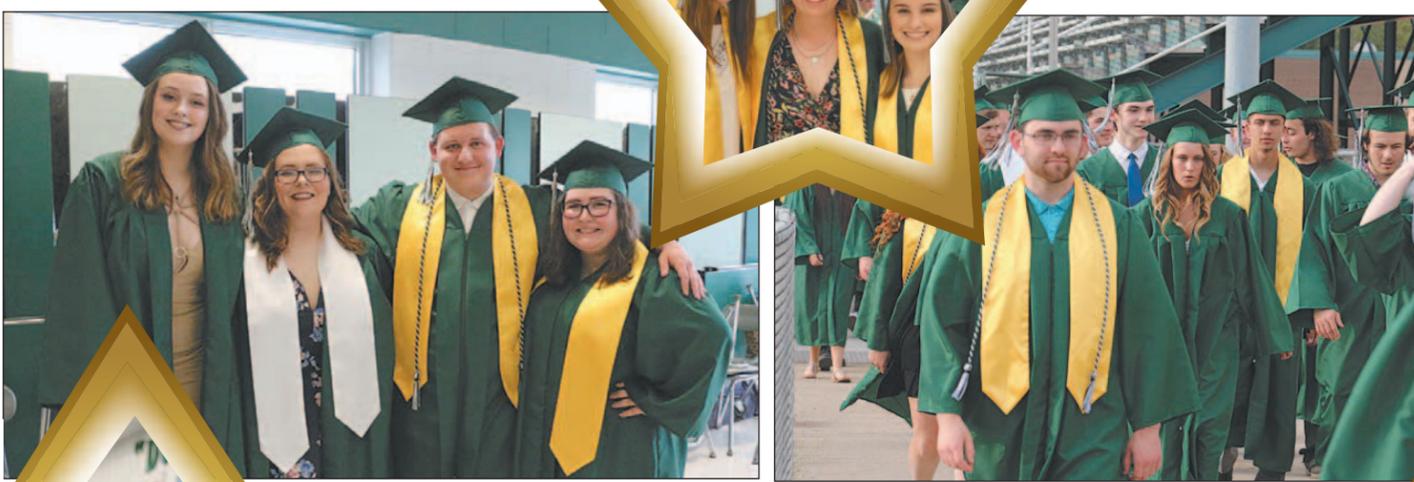

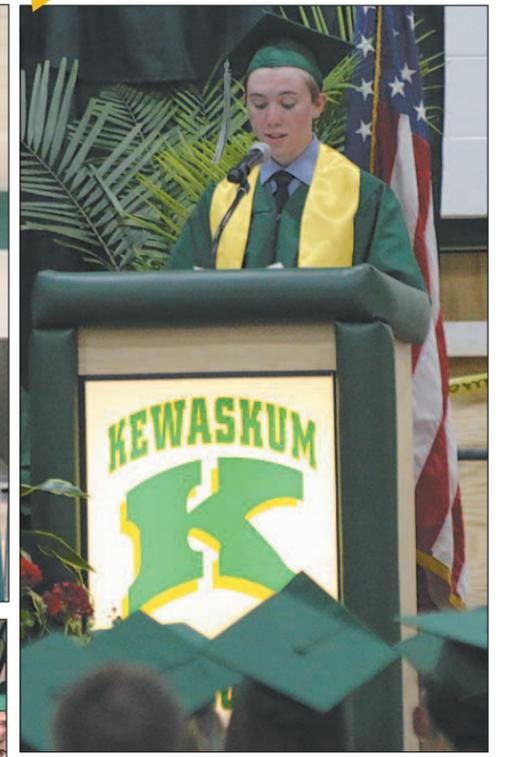

In a medium bowl, blend together softened butter, 2 cups flour and 1/2 cup sugar. Press into the bottom of an ungreased 9x13 inch pan.

Bake for 15 to 20 minutes in the preheated oven, or until firm and golden. In another bowl, whisk together the remaining 1 1/2 cups sugar and 1/4 cup flour. Whisk in the eggs and lemon juice. Pour over the baked crust.

Bake for an additional 20 minutes in the preheated oven. The bars will firm up as they cool. For a festive tray, make another pan using limes instead of lemons and adding a drop of green food coloring to give a very pale green. After both pans have cooled, cut into uniform 2 inch squares and arrange in a checker board fashion.
