## Campbellsport FFA Alumni Annual Tractor Pull

The Campbellsport FFA Alumni is holding their 14th Annual Tractor Pull on Sunday, Sept. 12. The pull starts at 12 p.m. at the Fond du Lac County Fairgrounds, 520 Fond du Lac Ave., Fond du Lac.

Weigh-in for the pull starts at 9 a.m. Pulling classes include antique, farm stock, special class and pick-up trucks. The pulling order and time people will pull is subject to change.

A pedal tractor pull for the kids will be held at 1 p.m. so there is fun for the entire family.

Admission is free. Bleacher seating is available or bring your own chair. Food and beverages are available on the grounds, so no carry-ins please!

For more information, please contact Dave

Thompson (920) 533-8957 or (920) 960-1957.

Proceeds help with travel expenses, educational seminars and facility support for the Campbellsport High School FFA and agriculture program.

Also at the event, you could still get raffle tickets for FFA Alumni's annual raffle. You could win a 1970 Ford 3000 gas eight-speed tractor with live power and power steering or \$4,000 in cash. Second prize is \$500.

The drawing for the tractor will be held on Saturday, Oct. 9, at the annual Campbellsport FFA Crop Show in the high school cafeteria. You do not have to be present to win.

## Military Personnel Recognized At Kewaskum-Campbellsport Football Game

The Kewaskum School District's tax levy is set to decrease by 2.33 percent under a budget that was approved at the Kewaskum School District's annual meeting and budget hearing held on August 23.

At the meeting, electors voted to approve a total tax levy of \$11,037,032 for the 2021-22 budgetary year. That is \$262,731 less than last year's tax levy of \$11,299,763. In 2019-20, the total tax levy was \$12,035,373.

In addition to voting on the tax levy, electors voted 13-9 to increase the annual salary of Kewaskum School Board members from \$3,150 to \$4,000.

Doug Gonring, a former school board member who resigned from the board on June 30, made the motion to increase the salary of school board members. He argued that some coaches and people who work with extracurricular activities for the district are paid more than school board members, and he does not feel that is right.

"There is no way a coach or extracurricular people should get paid more than a board member. You make too many decisions. There are too many other meetings," Gonring said during the meeting. "I think if you want to continue to get good people on this board, you have to increase this."

Karen Strobel, a constituent who lives in the Town of Wayne, said that she did not think the salary should be increased for school board members. She said that although she appreciated Gonring's argument, she felt that board members should be willing to do the job for zero pay because they are elected officials.

According to Dr. Mark Bazata, district administrator, the salaries for other area school board members are: Slinger- \$110 per board meeting, \$115 for the board president; Germantown- \$5,480 per year, plus \$40 per day for special functions; Holy Hill- \$1,100 per year; Campbellsport- \$2,200 per year for officers, \$1,800 per year for other

## | PUBLISHER'S LETTER |

## Labor Day

Dear Reader,

Labor Day weekend is a busy time for a lot of businesses. Stores, hopefully our local stores that give back to our community, are brimming with shoppers. Entertainment venues are bursting, and everyone is up and out for that final summer celebration.

But what does Labor Day really mean? It is not just a long weekend with the family, or a simple day off before school begins and work resumes. It is a celebration of the accomplishments of the American labor movement – the men and women who struggled so that we can have a 40-hour work week, paid overtime, protections against child labor, benefits, and more. It is an acknowledgment of those who came before us and gave their time and energy – and sometimes their lives – for a fairer and more just return on effort, so that in this great nation, anyone who is willing to work hard has the chance to get ahead.

As we go about the business of enjoying a final summer's celebration, let's remember those men and women with gratitude and respect.

Tuesday Night Sheepshead is played every Tuesday at 7 p.m. in the United Steel Workers 850 building at 1230 Fond du Lac Ave. in Kewaskum.

New players are always welcome. Come one, come all!

## Rural Writes

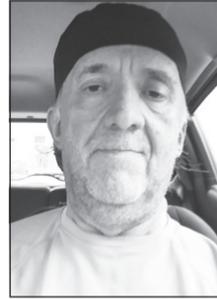

**BY G.A. SCHEINOHA**  
CONTRIBUTOR

They never fail to awe, whether on the horizon, miles away as the crow flies or up close, as in blacktop passing within spitting distance. Leastwise, they seem that near, when tooling by on Church Road, east of the village of Eden. What appear to be a child's pinwheels blown up to ginormous size, their blades spinning lazily in the sun.

We're talking about the Cedar Ridge Wind Farm with its 41 turbines spread across the landscape, producing 68 MW of emissions free, clean, renewable energy. Enough to power 17,000 homes for a year.

Those numbers can't fail to impress. Though some have complained about the turbines at the Byron Wind Project, run by WE Energies. And to be fair to a different point of view, perhaps there is merit to their grievances about noise.

Having passed the Cedar Ridge complex with the vehicle's windows down, I didn't find the

slow whirr all that disturbing. Then again, one might have to live relatively close to bear the brunt.

Conversely, the damage of continuing coal fired production of electricity is much worse. We are now witnessing how much with drastic climate change and its ill effects — more hurricanes, increasingly severe wild fires raging across the western United States and the

danger of entire species going into extinction.

That's just the tip of the iceberg. Speaking of which, global warming will melt the polar ice cap and raise sea levels. Directly threatening mankind; millions living along the Earth's coastlines.

Taken from that perspective, the importance of changing how we do business is obvious. While we don't wanna run roughshod over anyone's rights, the greater good must also be considered.

If that means altering the natural contours of an area with what some might think is an eyesore, after the risks are weighed against the benefits, let's proceed. Towards a brighter, healthier future for everyone.

## | REAL ESTATE TRANSFERS |

The sale price is determined by dividing the transfer fee by .003 (\$3 per \$1,000). Some deeds have no transfer fee because they are exempt. Although some transfers may seem to be duplicated, the document numbers are different.

Transfers are from dates August 9, 2021 to August 13, 2021.

Note: The spellings seen here are how they appear on the Wisconsin Department of Revenue website.

**MILITARY** from page 1

well as military veterans were recognized.

In addition, there was a tribute to the late James “Jonesy” Korth at halftime. Korth, who passed away on April 27, 2020, served in the U.S. Marine Corps during the Vietnam War, from 1969 to 1971. He was a strong supporter of the Kewaskum Indians football program at both the youth and high school levels. Korth helped coach the Kewaskum High School football team for many years and was a long-time president and coach for the Kewaskum Gridiron Club.

**The following people were recognized at halftime for their military service:**

- Bob Kirst- Army, three years
- Gerald Stern- Army, three years
- Dean Brazee- Army, two years, Vietnam War
- Jim Wanke- Army, three years, Cuban Crisis
- John Koerble- Army, 1981-1986
- Richard Wacholz- Air Force, 1965-1969
- David Robinson- Air Force, 1986-1998, Desert Storm
- Steve Liegl- Army, 1968-1970, Vietnam War
- Bruce Soyk- Army, 1966-1968, Germany
- Lloyd Westerman- Army 1956-1958, Germany
- Norbert Keller- Army, 1969-1971, Vietnam War
- Larry Krahn- Navy, 1967-1970, Vietnam War
- David Dreher- Army, 1971-1973, Vietnam War
- Scott Lascelle- Army, 1983-1986, Germany
- Duane Koltz- Navy, 1990-1994, Desert Storm
- Jesse Korth- Marine Corps, 1994-1998
- Wayne Featherston- Marine Corps, 1988-1992, Desert Storm
- Rodney Donnelly- Army, 1983-2004
- Curt Kissinger- National Gard, 1965-1971
- Craig Goettl- Navy, 1984-1987

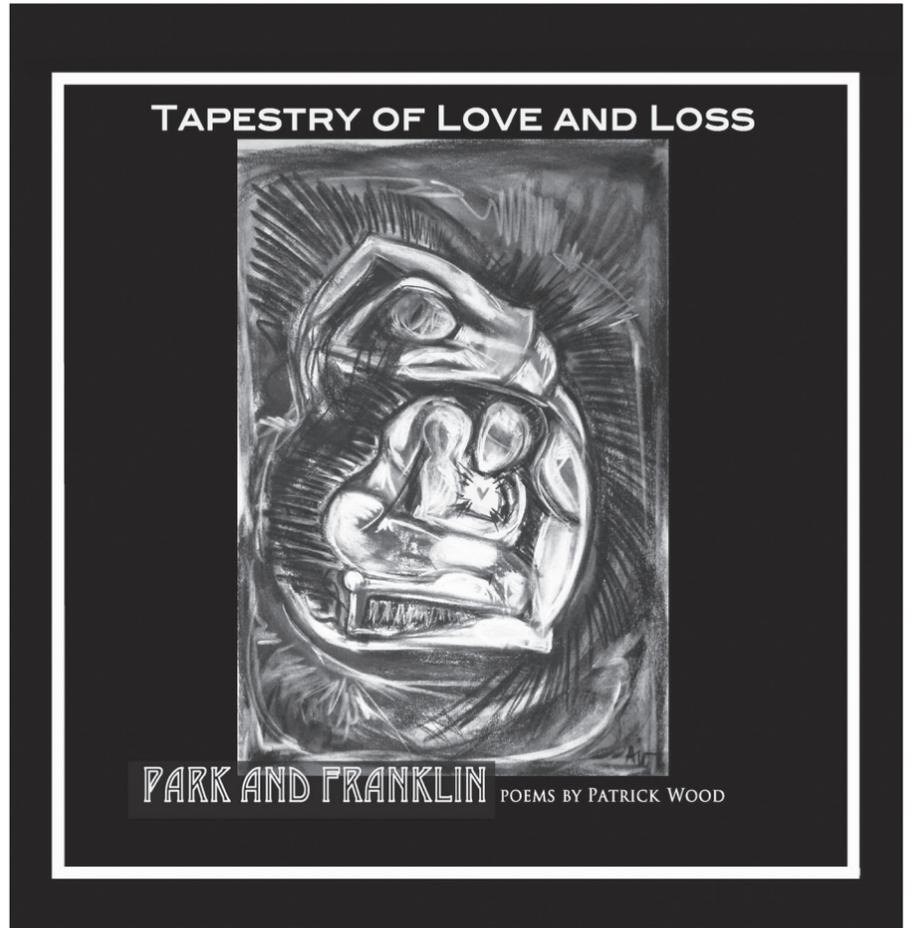

# Tapestry Of Love And Loss Release On CD

“Tapestry of Love and Loss” — a selection of poems from Patrick Wood’s book of the same name set to music — is now available on CD at Amazon Music, Spotify, Apple Music, and Pandora.

In 2013, Park and Franklin decided to bring 15 of the 21 poems to life via the original compositions of the singer-songwriter duo.

Wood published his collection of poetry in 2012, after a trip to Spain inspired him to revisit poems and previously recorded thoughts. Wood explores the intricacies of the passing of time. While combing through his own memories, Wood found that those events characterized by strong emotions of love and great loss are the ones that remain after many years.

Park and Franklin is a singer-songwriter duo that performs folk pop, country, and indie music. As members of various local bands and music projects including, but not limited to, Dub in Public, Omnimusica, and Black Fin, they combined their talents in 2013 and began composing and recording together.

## | LAW & ORDER |

### Homicide Charges Filed In Death Of Washington County Jail Inmate

Homicide charges were filed on August 24 in Washington County Circuit Court against an inmate after an attack last week in the Washington County Jail.

George Telford, a 31-year-old North Dakota man who was an inmate at the jail, was charged with First Degree Intentional Homicide. He is accused of killing another jail inmate, a 23-year-old Washington County man.

The charges stem from a vicious, unprovoked attack that occurred on Tuesday, Aug. 17, around 1:30 p.m., according to a Washington County Sheriff’s Office press release. The victim succumbed to his injuries over the weekend.

Telford had been in custody at the Washington County Jail since July 4 after he was arrested in a domestic abuse incident and was unable to post bail. He is also wanted by the State of North Dakota for another domestic abuse incident.

The victim had been at the jail for two days and was there on a probation hold through the Wisconsin Department of Corrections.

Both Telford and the victim were being housed in the same medium security cell block with five other inmates at the time of the attack. None of the other inmates were involved or intervened in the attack, according to the Washington County Sheriff’s Office.

Washington County correction officers and medical staff responded to the cellblock after a corrections officer observed the assault taking place, according to the Sheriff’s Office press release. The officer immediately activated the emergency response protocol.

George Telford, a 31-year-old Washington County Jail inmate, was charged with first degree intentional homicide following the death of a 23-year-old jail inmate. photo submitted

This includes verbal instructions for all inmates in the cellblock to return to their cells and a subsequent lockdown, as well as the response of onsite medical personnel and additional correctional officers to the area. West Bend Paramedics were also requested from the onset based on the nature of the injuries. The victim was transported to Froedtert Hospital in Wauwatosa with significant head injuries, according to the press release.

The case remains under investigation by Washington County Sheriff investigators. Telford faces up to life in prison without parole, if convicted. He is currently being held on \$750,000 cash bond.

“On behalf of the entire agency, Washington County Sheriff Martin Schulteis would like to extend his thoughts and prayers to the victim’s family and friends as they mourn and process this terrible tragedy,” the press release states.

“Our team is working tirelessly on the investigation in the interest of justice and providing some level of comfort to this family for what they have to endure. We appreciate everyone respecting the family’s privacy as they grieve,” Schulteis said.

### WASHINGTON COUNTY'S MOST WANTED

The Washington County Sheriff’s Department is seeking:

**Name:** Nicholas Kyle Kuester

**Age:** 24

**Race:** White

**Sex:** Male

**Height:** 5’11”

**Weight:** 215

**Walter "Wally" Ewert**

Walter "Wally" Ewert, 78, of Kewaskum passed away peacefully on Wednesday, Aug. 25, 2021, at Froedtert Hospital in Milwaukee with his wife and her sister by his side.

He was born on February 5, 1943. Wally was an eagle scout in his younger years. When Wally was 16, he started to work with his dad with the trucking

company as a bookkeeper. He graduated from Kewaskum High School.

Wally honorably served in the United States Air Force from 1964 to 1968 as an airman first class and was a Vietnam Veteran. Later he joined his dad with his own trucking company. On holidays, he helped his mom at the Fireside Restaurant by Allenton.

On September 2, 1988, he was united in marriage to Ruth Ann Wondra.

Wally was a member for over 50 years of the American Legion Post 384 in Kewaskum.

He was an avid hunter, loved to fish on Lake Michigan, and enjoyed summers up at the cabin. Wally especially enjoyed spending time with family and friends and will be missed.

Those Wally leaves behind to cherish his memories include his loving wife of 32 years, 8 days short of 33 years, Ruthie Ewert; two sisters, Jeanne (Bill) Ruth and Rosalie (Denny) Tattum; two brothers-in-law, Richard Wondra and Dennis "Butch" (Char) Wondra; two sisters-in-law, Luci (Rick) Fauska and Leslie Ewert; many nieces, nephews, other relatives and lots of friends.

He was preceded in death by his parents, Bill and Kathryn Schaefer; a sister, Donna and Squeaky Schwichtenberg; a brother, Robert Ewert; father and mother-in-law, Bernard M. and Marie M. Wondra; brother-in-law, Dave F. Wondra; and two sisters-in-law, Renee Wondra and Nelda Wondra.

A private family service was held at Ledgeview Memorial Cemetery in Fond du Lac.

The family would like to thank Froedtert in Milwaukee, all the doctors, and nurses for their fine care.

Myrhum-Patten Funeral & Cremation Service has been entrusted with Wally's arrangements. Additional information and guest book may be found at [www.myrhum-patten.com](http://www.myrhum-patten.com)

**Dorothy R. Blumer**

Dorothy R. "Dot" Blumer, 90, of Kewaskum, passed away peacefully on August 18, 2021, at Cedar Community in West Bend.

Dorothy was born on August 17, 1931, in Milwaukee, the daughter of the late Anthony and Elizabeth (nee Whitkowski) Ronkowski. On July 28, 1951, she was united in marriage to Merlin "John"

Fellenz in Milwaukee. On December 30, 1975, she was united in marriage to Paul Blumer at St. Lucas Evangelical Lutheran Church in Kewaskum.

Dorothy was a member of St. Lucas Evangelical Lutheran Church in Kewaskum, where she served on the St. Lucas Ladies Aid, the Altar Guild, Funeral Committee, and the Evangelism Committee. She was also a Red Cross Volunteer and she also volunteered in the gift shop at St. Joseph's Hospital.

Those Dorothy leaves behind to cherish her memory include two daughters, Laurie (Patrick) Clapham and Lisa Fellenz (Scott Taylor); a stepson, Rev. Steven (Bonnie) Blumer; a stepson-in-law, Randy Kemp; 12 grandchildren; 26 great-grandchildren; brothers-in-law; sisters-in-law; other relatives and friends.

In addition to her parents, Dorothy was preceded in death by her husband, Paul Blumer; a daughter, Kathleen Becker; and a stepdaughter, Sherry Kemp.

Dorothy's family greeted relatives and friends at St. Lucas Evangelical Lutheran Church, 1417 Parkview Drive, in Kewaskum on Monday, August 23, 2021, from 2 p.m. until 4 p.m.

A funeral service for Dorothy was held on Monday, August 23, at 4 p.m. at St. Lucas Evangelical Lutheran Church. Rev. Timothy Henning officiated and burial followed at Lutheran Memorial Park in Kewaskum.

Memorials to the St. Lucas Evangelical Lutheran Church Building Fund are appreciated.

A special thank you to the entire staff and caregivers at Cedar Community, who have cared so lovingly over the last several years.

The Myrhum - Patten Funeral and Cremation Service has been entrusted with Dorothy's arrangements. Additional information and guest book may be found at [www.myrhum-patten.com](http://www.myrhum-patten.com).

**Eden 3-Some Ride Back Again**

The Eden 9/11 3-Some Charity Ride is back for a second year. The event will take place on Saturday, Sept. 11.

The 3-Some event is for ATVs and UTVs, classic cars and motorcycles. All will depart from the Eden Fire Department for a ride around the area and will end in Eden with music after the ride.

Registration for the ride runs from 10 a.m.-11:30 a.m. at the Eden Firehouse. A short ceremony will be held at 11:30 a.m., right before the ride begins. At noon, the ride leaves the firehouse and will be led out of town by fire trucks from area departments.

All three groups will start the ride together and then will take different routes for their ride. The ATVs and UTVs will go one way, the classic cars another and the motorcycles another way.

The rides are scheduled to end around 5:30 p.m. at 2Fers and Dimos in Eden. Live music by Riding Shotgun will entertain everyone from 6 p.m.-10 p.m. If you didn't participate in the ride, just look for the tent in downtown Eden to enjoy the rest of the night.

All proceeds raised by this event will be donated to the Eden Fire Department. It is a way to remember and honor the 343 firefighters and EMTs who lost their lives in the September 11, 2001, terrorists attacks while helping our local community fire department.

This is the second year for this commemorative ride. It was the idea of Eden resident Todd Gitter. He had what he called a "crazy idea" a few years ago and turned it into this event.

"I had this crazy idea of doing something different with ATVs/UTVs, classic cars and motorcycles," Gitter said last year after the first charity ride.

Gitter wanted to find a way to commemorate the September 11, 2001, terrorist attacks so people don't forget about the horrible tragedy, but also find a way to help out his local fire department. It will be especially important this year as it is the 20th anniversary of this tragic event.

"I had helped do a couple other 9-11 charity rides," Gitter said. "If we don't do things to remember it, young people won't understand it. I can tell you exactly what I was doing that day. It pulls at my heart strings still."

The ride will also remember and support the family of Andrea Lyn Haberman, a Kewaskum native who was also lost in this tragedy. She was working in one of the World Trade Center towers that day.

So come out, have a good time, help raise some money for the Eden Fire Department and remember those brave souls who ran into the buildings to help whoever they could on September 11, 2001.

**| XYZ CARD RESULTS |**

**XYZ Card Results**

The XYZ winners on Wednesday, Aug. 25, were: Lloyd Herriges, Janet Jaeger, John Severance, Kathy Schmitt and Marilyn Backhaus.

Sheepshead is played on Wednesdays, from 8:15 to 11:15 a.m., at Peace United Church of Christ in Kewaskum. All senior citizens are welcome.

**Additional COVID-19 Testing Option Available In Washington And Ozaukee Counties**

The Washington Ozaukee Public Health Department has partnered with Curative, Inc. to provide free PCR COVID-19 testing at Washington County Fair Park and Ozaukee County Fairgrounds. Located

in the parking lot at both locations, testing began on August 25th and will be available Mondays 8 a.m.-2 p.m. and Wednesdays 12 p.m.-6 p.m., excluding Labor Day (September 6, 2021).

The tests are self-administered shallow nose swabs appropriate for all ages. Test results are texted or e-mailed as soon as they become available, usually within 48-72 hours.

Residents can schedule an appointment at [curative.com](http://curative.com) or can walk or drive up to the Curative vehicle without an appointment.

Testing is free with no out-of-pocket costs, but residents covered by health insurance should bring their insurance information for billing purposes. Individuals without insurance will not be turned away or charged for services. If someone is visually impaired, needs assistance booking an appointment, or cannot access their test results they should call Curative, Inc. at 888-702-9042.

Individuals who are experiencing symptoms but do not have a personal vehicle to obtain a COVID-19 test

can request an at-home collection kit at <https://www.dhs.wisconsin.gov/covid-19/collection.htm>. Patients with Medicaid can schedule a ride to a COVID-19 testing location with non-emergency transport by calling 866-907-1493 (TTY 711).

For more information regarding COVID-19 testing and vaccination, visit the Washington Ozaukee Public Health Department website at [www.washozwi.gov](http://www.washozwi.gov). Residents can also contact the health department at 262-284-8170 or e-mail [info@washozwi.gov](mailto:info@washozwi.gov).

## Vorpahls Celebrate 29th Annual Family Reunion

Pictured are the grandchildren of Dorothy K. Vorpahl and John A. Vorpahl Sr. who attended the 29th annual Vorpahl family reunion: (from left) Jerry Brockman, Tammy Ann Love, John Henry Vorpahl Jr., Dick Buddenhagen, Debbie Pasillas, Butch Buddenhagen, Ron A. Vorpahl and Dorothy Ann Ruiz. Attending but not pictured was Sharon Lee Wissbroecker.

**PHOTO SUBMITTED**

The children of the late Dorothy Katherine "Mitz" (Theusch) and John Anthony Vorpahl Sr. and their families celebrated their 29th Annual Family Reunion on Saturday, July 24, at the Kewaskum Kiwanis Community Park.

In charge of this year's reunion were the children of Dorothy (Vorpahl) and Floyd F. Buddenhagen Sr.

A total of 39 people attended this year's reunion.

Dorothy Theusch was born in Milwaukee on November 15, 1904, and was the daughter of the late Theresa Anne (Grassold) and Anton J. Theusch. Dorothy passed away on January 16, 1992, at the age of 87.

John A. Vorpahl Sr. was born in the Town of Farmington on December 14th, 1896 and was the son of the late Wilhelmina "Minnie" (Plitzkow) and Louis Vorpahl Sr. John passed away on August 17, 1968, at the age of 71.

Dorothy and John were united in marriage on February 18, 1924, at St. Michael Catholic Church in St. Michaels.

Their union was blessed with 10 children: the late Dolores Theresa Kertscher (the late Allen E. Kertscher), the late Frederick James "Fritz" Vorpahl Sr. (the late Audrey J. nee Seltrecht), Dorothy Isabelle (the late Floyd F. Buddenhagen Sr.), the late Anthony John "Tony" Vorpahl (the late Louise V. nee Grabski), the late Adeline Loraine Footland (the late Elmer J. Footland), the late John Anthony "Johnie" Vorpahl Jr., who died in infancy, the late Ronald Chester "Ronnie" Vorpahl (Ann C. nee Viesselmann), the late Patricia Helen Vorpahl, who also died in infancy, Theresa Anne (the late Gerald W. Brockman), and the late John Henry Vorpahl, Sr. (Teresa C. nee Coulter).

Dorothy and John were also the proud grandparents of 32 grandchildren.

Anyone with information on the Vorpahl, Plitzkow, Theusch or Grassold families' ancestors can feel free to contact family genealogist John Henry Vorpahl Jr. at 262-338-0000 or john-henry02@sbc-global.net.

## Wild Edible And Poisonous Mushrooms

This year's Evening with Nature series at the Kettle Moraine State Forest - Northern Unit kicks off with "Wild Edible and Poisonous Mushrooms." The program will be held on Thursday, Sept. 9, from 7 p.m. to 8:30 p.m. at the Henry S. Reuss Ice Age Visitor Center. The center is located at N2875 Highway 67, Campbellsport, which is a half mile west of Dundee. The program is free, but donations are always gratefully accepted.

Spring, summer, and fall are great times of the year to go mushroom hunting, especially if it has been a wet season. Fungi come in all shapes and colors from the white puff balls to the brilliant sulphur mushrooms and craggy coral fungus.

Many people enjoy the beauty of the wide array of fungi, but others enjoy collecting edible wild mushrooms. Even though mushroom col-

lecting has been called the most dangerous of outdoor sports, foraging for edible fungi in the Wisconsin woods continues to grow in popularity.

Join Dr. Allan Parker, a very experienced mushroom expert and retired professor from UW-Waukesha, as he shares his unique knowledge of Wisconsin's wild fungi. He will cover ways to minimize the dangers and maximize the delights of collecting and eating wild mushrooms. He will even impart some insights on harvesting those tasty puffballs and shaggy manes.

For further information or directions, contact the staff at the Ice Age Visitor Center. The staff can be reached at (920) 533-8322. The center is open Wednesday through Friday from 8:30 a.m. to 4 p.m., and on Saturday and Sunday from 9:30 a.m. to 5 p.m.

## New Badges Embolden Girl Scouts To Navigate And Succeed In A Rapidly Changing World

Girl Scouts of Manitou Council and Girl Scouts of the USA (GSUSA) recently announced 28 new badges focused on entrepreneurship, math in nature, and digital leadership that embolden girls to navigate a changing society and build the futures they want for themselves and the world. Amid seismic shifts in technology and culture brought on by the COVID-19 pandemic, Girl Scouts can now earn new badges — in addition to the hundreds of existing badges — that address girls' evolving interests in ways that resonate with them.

These new badges also address some of parents' top concerns for their children as they handle the increasingly digital world, helping girls develop and entrepreneurial mindset toward technology, learn STEM skills while exploring nature, and build confidence and safe practices online.

It's time to press play. Girls need Girl Scouts now more than ever. Troops are now forming in your community.

To join Girl Scouts in the Campbellsport area, parents of girls should come on Thursday, Sept. 9, at 5:30 p.m. to the cafeteria at Campbellsport Elementary, or contact Megan at 920-565-4575 or [megan@gsm Manitou.org](mailto:megan@gsm Manitou.org).

"Girl Scouts helps girls navigate our changing world and build the futures they want to see," said Girl Scouts of Manitou Council CEO, Denise Shemenauer. "Through our new badge experiences, girls can conserve the natural world, run their own small business, create digital content that inspires others, and address online bullying. Girl Scouts has been a source of connection, support, and joy for girls throughout the pandemic, and is addressing current issues girls and parents care about."

According to a recent study from the Girl Scout Research Institute, Girl Scout alums are more likely than other women to:

- Exhibit courage, confidence, and character
- Attain higher levels of education and management positions at work
- Volunteer and contribute to causes they support
- Be civically engaged and involved
- Exhibit leadership attributes and hold more leadership roles
- Be satisfied with life — personally, professionally, and financially

Girl Scouts of Manitou is the largest girl-serving organization in the Lake Michigan western shoreline area.

### SCHOOL from page 1

board members; and Kiel- \$3,000 per year plus committee meetings.

Although they voted to increase the salary for school board members, Kewaskum electors voted 13-9 to no longer reimburse school board members for travel expenses or for loss of earnings when duties require the school board member to be absent from regular employment. Board Member Timothy Ramthun made the motion to have zero reimbursement for travel or missing regular employment after a motion to keep the previous \$125 reimbursement policy in place failed to pass.

During the meeting, Julie Thoreson, business manager for the school district, presented budget

numbers to about 30 electors who attended the August 23 meeting. In her Super Bowl of business manager reports, Thoreson presented slides to detail each of the district's funds and to explain budgetary trends over the past several years.

This year, the district is not receiving an increase in the revenue limit from the state, according to Thoreson's presentation. That is expected to be the case for the next several years, according to Bazata, who said that the district plans to use federal funds to help cover added expenses over the next couple years, but it is a long-term problem the district faces.

This year's tax levy amount for the Kewaskum School District will be finalized on October 25.

## Envision Greater Fond du Lac Launches Fond du Lac County Worker Relocation Incentive Program

Envision Greater Fond du Lac, in a collaborative effort to address imminent workforce shortages, partnered with Fond du Lac County and Fond du Lac County Capital Resources to develop a county-wide workforce attraction and retention tool for employers to utilize across Fond du Lac County known as the Fond du Lac County Worker Relocation Incentive Program. Inspired by other communities across the country, this is the first program of its kind within the State of Wisconsin!

“Worker attraction is now the largest factor for businesses when considering expansion, adding shifts to accommodate increased business, or keeping their existing hours of operation. The Fond du Lac County Worker Relocation Incentive Program will provide businesses of all types and sizes a tool that will assist them in offering incentives for workers to relocate to Fond du Lac County,” said Sadie Parafiniuk, president/CEO, Envision Greater

Fond du Lac. “This program was developed based on extensive research and benchmarking of communities around the country and is an example of an innovative partnership with Envision Greater Fond du Lac, Fond du Lac County, and Fond du Lac County Capital Resources.”

Fond du Lac County’s job growth will outpace population growth over the next decade, and over 25 percent of the county’s population will be over the age of 65 within 10 years. Even more, within the next decade, the county’s workforce will transition an expected 34,000 plus workers into retirement. This dilemma requires innovative programming now to address the future concerns before it’s too late.

The program provides businesses with the ability to offer prospective hires an incentive ranging up to \$15,000\* with the ability to receive 50 percent reimbursement (maximum

## | CAMPBELLSPORT GLANCE BACKWARDS |

**5 Years Ago****September 1, 2016**

Shoppers may notice some new changes to their local grocery store. The old customer service counter at Piggly Wiggly has been taken down and several items, such as bread and greeting cards, have been relocated. The process began in May when Guaranty Bank informed Campbellsport Piggly Wiggly they would not be renewing their lease on space in the store. So Pig's customer service counter and offices are now in that space.

First United Methodist Church on Fond du Lac Avenue has a new metal roof. The project took seven years to come to fruition, but the small congregation is very grateful it was done this summer.

Area businesses won awards at the Governor's Blue Ribbon Meat Products Auction at the Wisconsin State Fair. Eden Meat Market in Eden won the grand champion whole muscle jerky, which was bought by Cooperative Resources International for \$1,250. Kewaskum Frozen Foods of Kewaskum won grand champion specialty cooked bratwurst, which was bought by Cousins Subs, Riteway Bus, Leroy Hauser, Rural Mutual Insurance, Saz's, Boehlke Bottle Gas for \$4,500. Kewaskum Frozen Foods also brought home the reserve grand champion Italian salami with wine, which was bought by Wisconsin Souvenir Milkcaps for \$1,600.

For the fourth year in a row, The Red Cabin at Green Acres near Dotyville has won the People's Choice Award at the annual Taste of Fond du Lac. The business took first place in the soup and dinner entree categories. Crave Gastro Pub in Campbellsport took first place for appetizers.

Infant Baylor Christian Cain, Kewaskum, passed away August 26. Cheryl Kaye Witter, 42, Chinatown, passed away August 27. Robert C. Gilray, 85, Foley, Alabama, passed away August 19. Robert J. Weninger, 86, Brownsville, passed away.

**15 Years Ago****September 7, 2006**

Campbellsport High School students were greeted with a new face as they marched into school on the first day of classes. Dan Kopp officially began his duties as associate principal the beginning of July. Some of his responsibilities will include discipline, attendance, and educational leadership. The position was added this summer because of a need in the high school.

Kim Bilgo, a nationally and state certified massage therapist, recently opened The Essence in downtown Campbellsport. She is a member of the American Bodywork and Massage Professionals.

Edward G. Pruium of Campbellsport and The Power To Dream, a 2003 Bay American Quarter Horse mare, placed in the top 10 in three-year-old mares, and Pruium's Hez Only Roscen Roll, a 2000 Black American Quarter Horse gelding, placed in the top 10 in aged geldings at the 2006 Mayer Select World Championship Show held August 29-September 3 in Amarillo, Texas.

The Campbellsport Boys Soccer Team defeated Kiel High School 1-0 last Thursday in the first conference match of the season. Soccer began in Campbellsport in 1999 and this was the first time the Cougars defeated Kiel.

Marya Haegler of Campbellsport has been helping Winnebago Lutheran Academy's girls cross country team be successful this season. She took first place in the school's invitational August 29, finishing in 18:35.49. At the Winneconne Invitational, Haegler placed fourth with a time of 15:57.

A son, Austin Jacob, was born August 22 to Jacob and Tracy Flasch of Campbellsport. A son, Cole Michael, was born August 27 to Michael and Nicole Schaefer.

Leona E. Backhaus, 93, Campbellsport, passed

away August 30. Clinton C. Herrmann, 74, Eden, passed away August 29. Owen W. Balson, 71, Fond du Lac, passed away August 29. Patricia A. Thiede, 52, St. Cloud, passed away August 31. Willard L. Paradies, 77, St. Cloud, passed away August 27.

**25 Years Ago****August 29, 1996**

Glacierland Resource Conservation and Development (RC&D) is sponsoring an outdoor, wetland workshop to be held near Eden in Fond du Lac County. According to Jim Costello, Glacierland RC&D Council Member and local farmer, there is an increasing concern of wetlands that neighbor cropland areas. Each are managed with different objectives.

At an informational meeting August 26, the Campbellsport Village Board joined the Campbellsport Library Board to commit their complete support to the construction of a new library facility in the village. Village residents will be asked, via referendum to give their approval to the construction of the new facility. Land for the new library has been donated by Ron and Sharyn Gussick.

Kate Millonig, Nicole Miller, Ashley Poch, Jodie Rosenbaum, and Laurie Buss - cheerleaders from Campbellsport High School - were members of the Wisconsin Down Under all-star team that spent eight days in Auckland, New Zealand. They performed a pre-game show for New Zealand's rugby team and cheered for the Utah-Arkansas vs. Minnesota-Alaska football game.

The CHS Cheer Team was even hotter this year at CWCC Camp competition than last year. After being selected as finalists in both cheer and dance categories, the Cougars left their mark by clinching the title of Cheer Champions Level 2 and Dance Champions.

Nathan Mueller earned two gold medals in forms and sparring; Dustin earned two silver medals; and Kaitlin Mueller earned a gold medal in forms and a bronze medal in sparring at the Tournament of Friends held in Kiel August 3.

Eden Red took the Dual County Girls Softball Major League Division title with an undefeated season.

William E. Prost, 48, Kewaskum, passed away August 21. L.W. Kelly, 69, Campbellsport, passed away August 20. Herbert Hugo Hadaller, 91, Fond du Lac, passed away August 21.

**50 Years Ago****September 2, 1971**

During its Monday night meeting, the school board decided to establish guidelines for allowing children into first grade a year before they would normally enroll. Board members told administrator of schools Leo Lang to come up with some guidelines by the next meeting and then a vote would take place. An example discussed was the student will have to pass medical and psychiatric tests to insure that he or she is physically, mentally, and emotionally mature enough to attend school. The parents would have to undertake the costs of the medical and psychiatric testing.

Total enrollment of Jt. School District 23 in its three units is 1,681, a gain of 175 from last year, to set a new enrollment record.

On a trial basis, three new elective courses are being introduced at Campbellsport High School this year: introduction of German, which has 94 students enrolled; cooking for senior boys only for one semester; and basic electricity for seniors for only one semester.

The Long Lake Youth Baseball Association ended a fine year of baseball by having a family picnic

on August 29.

A total of 23 candidates began workouts last Monday in preparation for the first cross country meet of the 1971 season.

The Campbellsport Cougars will open the 1971 football season Friday night by hosting the Indians of Kewaskum in a non-conference game.

A daughter, Christine Ann, was born August 26 to Mr. and Mrs. Kenneth Schmidt of Campbellsport. A son was born August 27 to Mr. and Mrs. Joseph Koch of Campbellsport.

Herber A. Guell, 69, Town of Eden, passed away.

**75 Years Ago****August 29, 1946**

The formal opening of Koenigs' Wearing Apparel, owned and operated by Richard Koenigs, will be held August 31. Mr. Koenig promises to outfit the entire family when his stock is up to his expectations.

Campbellsport's Planning Committee, inactive since its inception almost a year ago, met for the first time Thursday at the village hall. The group began active planning of village progress. Immediate attention was given to the planning of streets: the area around the water tower is being platted for building lots. Two bids for street lights were rejected and the committee then requested a bid for just two blocks on Main.

A joint installation of American Legion and Auxiliary officers at the clubhouse is scheduled for September 5.

It was a sad column by Hank Weld as he reported the Belles lost to Plymouth on Sunday 14-6. The locals received another tough break when Otto Wachs was spiked when going into second and may be out of the line-up.

It was good news for the Campbellsport Legion as the team defeated Rosendale 12-4. The only hit off Fritz Wondra was a double in the second.

John Schneider, 79, Campbellsport, passed away August 26.

**100 Years Ago****September 1, 1921**

John E. Adams, who is assisting at the Campbellsport Equity Company's office, lost a wallet containing about \$180 of the company's money in checks and cash last Tuesday noon. That evening, Mrs. A.C. Senn was sitting on her porch when she noticed a dog belonging to Ed. Harder tossing and playing with what appeared to be a small bundle of cloth. She investigated and found it was the lost wallet, which she immediately returned to Mr. Adams.

Although Waucousta scored five of its six runs in the final two innings of the game against Eden, Waucousta lost 8-6. Over 600 fans witnessed the game.

George R. McKinney of Oshkosh, who will have charge of the Campbellsport High School the coming season, was in the village several days this week, making final preparations for opening school next Monday.

The Campbellsport Cubs romped away in a one-sided game with the Hirsig Specials at Bonesho field last Sunday, winning 26-7.

Claude, the four-day-old baby of Mr. and Mrs. Paul Koenigs, passed away Saturday morning.

## | KEWASKUM'S DAYS GONE BY |

### 5 Years Ago

**September 8, 2016**

With the 15th anniversary of the 9-11 Attacks, Kewaskum residents are remembering how close to home that was for them. Andrea Lyn Haberman, a 1994 graduate of Kewaskum High School, was one of the victims. She was working for Carr Futures in Chicago and the job required trips to the New York offices, which were located in the North Tower of the World Trade Center. After two canceled flights, Andrea was finally on her way to her first business trip for Carr. Andrea had called her fiance when she got to the office that morning. Her father said Andrea had been on the phone with her co-worker when the call cut out at 8:46 a.m. The co-worker had thought Andrea had pushed a wrong button and that was why the call disconnected.

Kewaskum will host a parade, memorial service and fundraising event on September 11 to remember those who lost their lives in the terrorist attacks on September 11, 2001. Among those who will be memorialized will be Andrea Lyn Haberman.

September 1 was the first day as principal at Farmington Elementary School for Paul Sanders.

Early Farm Days is an event that dates back to 1975 in Kewaskum. This year's event will take place September 11, with a special spotlight on All Things Dairy. There will be old dairy items such as cream separators and old milking equipment.

The picnic season started in May with the Boltonville Rain Days Firemen's Picnic. This Saturday will mark the end of the picnic season when the Boltonville Fire Department holds its 21st annual Street Dance.

Two large inflatable pads filled Kewaskum Village Hall's community room on September 1. No one actually climbed onto the equipment, but members of the village's pool committee were able to get a feel of what the recreational modules were like. The village contracted with Burbach Aquatics for \$2,400 to explore options to help increase pond attendance. The committee will have at least one more meeting with Burbach before making a recommendation to the village board in October.

September 10 will be the 65th annual Turkey Shoot, sponsored by the Kewaskum Kiwanis Club.

John Kenworthy, coach of the Kewaskum soccer team, believes his team should have won the two games it lost last week...and would have if the players were more aggressive.

Kewaskum's football team continued its winning ways as the Indians beat Winneconne 38-8.

After losing 9-25 in the first game, the Kewaskum volleyball team did much better in the next two even though they still lost by scores of 20-25 and 21-25.

It was a heartbreaking loss for the Kewaskum tennis team when it lost 3-4 to Waupun.

Gerald C. Stoffel, 91, Kewaskum, passed away September 5. Audrey M. Herriges, 82, passed away September 1. Jeane B. Gilboy, 91, Kewaskum, passed away August 29.

### 15 Years Ago

**September 7, 2006**

Cochran Sign Company in St. Michael's recently merged with Appleton Sign Company of Neenah. Mark Wildenberg, president of Appleton Sign, said Cochran Sign Company will retain its name in the merge. Wildenberg and Chris Cochran, the previous owner of Cochran Sign Company, knew each other from serving together on the Wisconsin Sign Association a few years ago. Combined, the two companies employ about 45 people. Cochran Sign has been in business for 20 years.

In the Hartford Tournament, the Kewaskum volleyball team won all three matches in pool play. The Indians then won two close games over Sheboygan Falls to advance to the finals. Madison

Memorial was a team the Indians had beaten earlier, but this time Kewaskum lost and by the score of 24-26 in each game.

Although the tennis team lost 6-1 to Two Rivers, Coach Dan Ross was happy with the effort of this players. The only victor was Allie Kowalczyk.

Kewaskum's football team will enter conference action with a 2-0 record. The latest victory came over Cedar Grove by the score of 42-15. Scoring for the Indians began on the opening drive. Cedar Grove scored its points in the final frame.

A daughter, Grace Elizabeth, was born August 23 to Kimberly Huebner and Jason Schwaller of Adell.

Richard Bubb, Jr., 25, Campbellsport, passed away September 5. Evangeline O. Teeselink, 81, Kewaskum, passed away September 2. Virginia C. Schneider, 84, passed away September 3. Loudella Norma Edmison, 81, Urbana, Ill., passed away August 29. Leona E. Backhaus, 93, Campbellsport, passed away August 30. Clinton C. Herrmann, 74, Eden, passed away August 29. Harold Mueller, 76, Random Lake, passed away September 3.

### 25 Years Ago

**September 5, 1996**

The controversial rezoning of 78 acres from agricultural to residential A-1 of land in the Town of Wayne owned by Kim and Mary Rodenkirch was again before the Town of Wayne plan Commission and Town Board in August. It was the third time the rezoning request was being considered. The plan commission public hearing, in a standing-room only town hall, approved the rezoning request contingent on a developer's agreement drafted to the satisfaction of the town board.

When the football field at Kewaskum High School was rebuilt two years ago, the \$27,000 needed for new lights wasn't available. Shortly thereafter, the KHS Booster Club undertook the staggering task of raising the funds. In a pre-game ceremony held August 30, the new lights were dedicated to the "Community of Kewaskum." Unfortunately, the Indians lost 34-0.

One of the events being held September 8 is the Kiwanis Club of Kewaskum's annual Turkey Shoot. Another is the annual Early Farm Days.

The family of Bonnie Spykstra is asking for help in locating the 50-year-old Barton woman. She has been missing from her home since August 24.

The School District of Kewaskum has welcomed 19 new teachers for the 1996-97 school year.

Caden's Kennels and Hunt Club in rural Campbellsport is located on 460 acres, set on the fringe of Wisconsin's scenic Kettle Moraine area. Owners Gary Hansen and Dennis Brath are well aware of the demand to preserve the traditional hunting experience, and have successfully created an environment that offers the hunter and the hunter's dog a wide variety of terrain and cover in a private setting. They have 20 years of successful dog training and trialing under their belts.

Kimberly Erdmann of Kewaskum was the Washington County Junior Fair Dog Show Grand Champion winner. Kimberly and her dog, Ben, had a score of 196 out of a possible 200. This was the highest score in advanced classes for obedience.

The Kewaskum Athletics advanced in the Rock River League Grand Championship playoffs by splitting a pair of games over the weekend. After

losing 4-3 at home to the Watertown Cardinals, the Athletics traveled to Madison to play Laurel Tavern and won 4-3. The victory means Kewaskum advances into the next round of playoffs and will be playing the Hustisford Astros.

Bernice A. Scharrer, 78, Slinger, passed away August 28. Richard P. Geib, 69, Silver Creek, passed away August 27. Malinda R. Habeck, 77, formerly of the Town of Sherman, passed away August 28. Roman C. Faber, Sr., Iron Ridge, passed away August 26. Esther E. Roeseewetter, 90, West Bend, passed away August 26.

### 50 Years Ago

**September 3, 1971**

In a raging fire in the Kettle Moraine Forest near Kewaskum on Sunday, approximately 25 acres of trees and grasslands were destroyed. Twenty-two Kewaskum and 15 Boltonville firemen fought the blaze. The Wisconsin State Conservation Department was also called in and responded with their men to help fight the fire.

Edward Engelman of Beechwood took over the Mobil Station at 1204 Fond du Lac Ave. in Kewaskum on August 30. He will operate the business under the name Kewaskum Mobile. The station was formerly operated by Jim Halfmann.

Schools in the Kewaskum Community Schools district opened Monday with an enrollment of 1,979 students, an increase of 3.3 percent over last year. There are 1,286 students in kindergarten through grade eight, and 693 in high school.

The school board voted not to go into a junior high football program this year, but included the recommendation that it be explored for a possible addition to the 1972-73 school year. Not knowing if any other teams would be available for games, finding a qualified coach, and a shortage of locker rooms, storage, and drying space at the junior high building were reasons for not starting this year.

A new year begins September 9 for the Kewaskum Jr. Woman's Club.

Twenty-six members of the Kewaskum Fire Department completed the standard firemanship course of the Wisconsin Board of Vocational, Technical and Adult Education, according to Chief Armin Oppermann. The members completed the course in the latest firefighting techniques. Holy Trinity Parochial School opened Monday with a total first-day enrollment of 253 pupils. The enrollment is down three from last year.

The Kewaskum Woman's Club will open its 56th season on September 11.

The Kewaskum Pee Wees won the championship of the Kettle Moraine Pee Wee Baseball Tournament on August 29. In the championship game, Kewaskum beat Cascade 7-5.

Anna Backhaus, 84, Kewaskum, passed away August 31. Joseph J. Kudek, 59, Kewaskum, passed away August 26. Louis F. Nordhaus, 69, West Bend, passed away August 31. Harold R. Seil, 32, Town of Scott, passed away August 29.

# FOURTH ANNUAL POKER RIDE

Motorcycle riders stop at the American Legion Hall in Kewaskum for food and fun on Saturday, Aug. 28, during the fourth annual poker ride to benefit Milwaukee Homeless Veterans Initiative. Other stops were held at American Legion posts in Hubertus, Mayville, Hartland, Horicon and Menomonee Falls. It was a day filled with raffles and entertainment for participants.

Motorcycle riders stop at the American Legion Hall in Kewaskum for food and fun on Saturday, Aug. 28, during the fourth annual poker ride to benefit Milwaukee Homeless Veterans Initiative. Other stops were held at American Legion posts in Hubertus, Mayville, Hartland, Horicon and Menomonee Falls.

# Make-A-Wish Ride Coming To Area

Beginning Thursday Sept. 9, through Saturday, Sept. 11, you may see a larger than normal number of All-Terrain Vehicles (ATV) and Utility-Terrain Vehicles (UTV) traveling on authorized road routes throughout Dodge, Fond du Lac, Ozaukee, Sheboygan, and Washington Counties for the 14th annual ATV/UTV Charity Ride benefiting "Make-A-Wish® Wisconsin."

Events are based out of the Washington County Fair Park and Convention Center located at 3000 CTH PV, West Bend. Heaviest traffic will be in Washington County on Saturday, Sept. 11, and dispersing on the North side of the City of West Bend. On Saturday from approximately 9:30 a.m.-10 a.m., the vast majority of riders will be traveling through the City of West Bend, crossing Highway 33 (W. Washington St.) at Scenic Drive/Villa Park Drive and heading north to road routes throughout townships north, east, and west of there.

This is the first year the event will be in Southeastern Wisconsin, so people may wonder why there is such an excess of ATVs and UTVs in the area. Motorists and citizens should be aware of the event to eliminate any misunderstandings while attempting to keep everyone safe.

The event is hosted by the Kettle Moraine ATV Association (Washington County), the Wisconsin ATV/UTV Association (State of Wisconsin), and Lakeshore ATV/UTV Club (Ozaukee County). Registration for Saturday's Charity event will be early Saturday morning at the Washington County Fair Park and Convention Center.

The event is open to the public and all are welcome. A riders' meeting and group photo will take place at 8:45 a.m. with riders departing shortly thereafter. Riders can either ride with a prearranged leader or ride on their own in their own small groups.

Saturday evening activities begin at 5 p.m., for registered riders with a dinner. The public is welcome after dinner at 6 p.m. There will be raffles, silent auction items, and prizes awarded throughout the evening.

The evening events will conclude with a check presentation at approximately 10 p.m. Further information is available at [www.kmatva.com](http://www.kmatva.com) under the Charity Ride tab or at the Wisconsin Atv/Utv Charity Ride Facebook page. Over the past 13 years, the event has donated over \$177,000 to charity.

## A Shot In The Arm For Small Business Advertising Would Boost Local Economies

BY BRETT WESNER

CHAIR OF THE NATIONAL NEWSPAPER ASSOCIATION, A COMMUNITY NEWSPAPER ORGANIZATION AND PRESIDENT OF WESNER PUBLICATIONS, CORDELL, OKLAHOMA

A little-noticed initiative by Sen. Maria Cantwell, D-Washington, and six other senators would boost local jobs, accelerate sales and improve economies. The Local Journalism Sustainability Act, S. 2434, is designed to help local news media support their newsgathering missions.

One provision goes far beyond offering aid to community newspapers, local news websites and other news-gatherers. It would help small businesses to dig out of the economic doldrums by supporting their advertising costs in local news outlets, which in turn will help publishers and broadcasters to hire journalists.

This provision would permit small businesses to claim a tax credit for a portion of their advertising purchases up to \$5,000 a year. Credits would remain, but in declining amounts, for five years.

The legislation, originally introduced in similar form by Reps. Ann Kirkpatrick, D-Arizona, and Dan Newhouse, R-Washington, would also help subscribers by providing them with a refundable tax credit up to \$250 a year. It provides financial support for hiring as well, assisting news organizations with journalists' salaries.

It is the advertising tax credit that is the unsung hero of this legislation. Like a pebble tossed into the pond of local economies, it will show the ripple effect of benefits in local jobs, enhanced spending, revenues to run local governments and a boost to get American small businesses back in the game after a very tough couple of years.

Every dollar of advertising spending generates \$8.77 in sales, according to a 2010 study by IHS Global Insight, a firm that periodically measures advertising's impact on economies. Advertising is directly responsible for about 20 percent of the American economy by directly generating jobs in media sales, creation of materials and collateral work but it does far more by juicing activity in other businesses.

No surprise to anyone on Main Street: after the 2008 recession small businesses cut way back on their advertising campaigns, dropping from their normal three-five percent annual increases to a stunning six percent cut in 2009. It is too soon to know what the COVID-19 pandemic has done to this spending, but it would be no great revelation to learn that the cuts equaled or exceeded those following the Great Recession. Expense cuts are what businesses do to stay afloat.

But when they are ready to climb back into the cockpit for a new takeoff, the spending needs to accelerate rapidly. Cash-strapped businesses may be in no position to fuel their journey though. That is why a little boost in the form of the Cantwell tax credit would be so timely. If the economy behaves as it usually does after economic retraction, the new spending will generate more sales and the public coffers will refill. The bill's benefits end after five years but the growth it generates will pay off for decades.

# Eden Board Approves Sewer Rate Increase

BY ANDREA HANSEN ABLER  
EDITOR

The Eden Village Board, during their Tuesday, Aug. 17, meeting, approved an ordinance that will significantly increase the sewer rates in the village.

This is something that the board has been talking about for more than a year. Major upgrades are needed at the current sewer plant causing the need for the increased rates.

These new rates will go into affect on October 1st of this year. Residential rates will go up to \$240 per quarter, mercantile to \$330, light commercial to \$450, heavy commercial to \$1,245 and the school to \$15 per student/teacher.

A public hearing about the rate increase was held in July with only a couple residents in attendance and no one opting to speak on the issue.

The plans for the sewer plant upgrade are completed and awaiting approval by the Department of Natural Resources. Bidding for the project is expected to take place in January with construction starting in the spring.

“We’re in a holding pattern now until we get it back from the DNR,” said Ed Costello, public works director.

## Grahl Subdivision

Eric Otte of J.E. Arthur & Associates addressed the board about the final phase of the Grahl subdivision in Eden. They are in the process of planning this portion of the subdivision on the southwest side of the village.

A retention pond will be needed in this phase. Otte wanted to discuss with the board ideas for the retention pond.

“I believe they are willing to build the pond,” Otte said. “It would be on town and village park property. We could put it closer to Reagan Drive or closer to the railroad tracks. They would make it bigger to meet the MS4 requirements for the vil-

lage. It would serve both the subdivision and the village.”

Otte also asked the board about how the village would like them to proceed with the portion of the subdivision that runs along Shady Lane. The village has required curb, gutter and sidewalks in the rest of the that subdivision. Shady Lane is the edge of the village limits with none of these currently, so the board will need to decide how to proceed.

“I think that is something we need to consider,” said Kevin Goebel. “What is it going to look like in the future.”

Otte stated that the Grahl family may consider developing the portion of land on the other side of Shady Lane someday.

## Speed Limit Signs

Board members have been discussing adding electronic speed signs in the village. These signs are solar powered and list the speed of oncoming traffic as it approaches the area.

The signs would cost \$2,600 each with the board discussing the purchase of two signs. Both would be located along Highway 45, one coming into the village from the south and the other coming from the north.

“We have the wheel tax money, so we could use that to pay for them,” said Cory St. Mary, village president.

Board members approved purchasing and installing two signs.

## Golf Cart Ordinance

Board members continued a discussion on a possible golf cart ordinance in the village. They looked at ordinances from other communities.

After further discussion, the board decided to hold off on an ordinance. They may look into it again in the future if needed.

“If we see a growing number around, then maybe we should look into it,” said Shea Stahl.

## Library Happenings

Happy September with school back in session, leaves are starting to fall and a new crop of books for you to check out.

Starting with adult fiction, Liane Moriarty releases Apples Never Fall where a family of tennis stars, now adults, refuse to report their missing mother to the authorities because they believe it will implicate their father. Harlem Shuffle follows the life of a furniture salesman who becomes involved in crime in 1960s Harlem written by Colson Whitehead.

A novel spanning a half century; a family sage by Colm Toibin is The Magician. It begins with the boyhood of Thomas Mann and his life throughout wars, world turmoil and his family life.

Look for Nicholas Spark’s latest release, The Wish which is a story of first love and the passion for an art that could change the course of Maggie’s life. New books by Beverly Lewis, Lisa Jewell, Anthony Doerr, Bernhard Schlink and other favorite authors will be out this month.

Mary Roach tops the list in non-fiction with Fuzz. This investigative book explores the unpredictable relationship between humans and wildlife. Roach traveled throughout the world in her research interviewing animal forensics expert and conservation geneticists.

The Dressmakers of Auschwitz: The True Story of the Women Who Sewed to Survive by Lucy Adlington relays the story of 25 concentration camp inmates who were chosen to sew beautiful fashions for elite Nazi women.

A memoir and tribute to those who died in the 9/11 attacks is Ordinary Heroes: A Memoir of 9/11 by Fire Chief Joseph Pfeifer. Pfeifer was the closest FDNY chief to the scene and recounts what he witnessed during that day. Some new biographies being released include Hayley Mills, Stevie Van Zandt, George Washington, and the Vanderbilt family.

In children’s books, here are a few standouts. Best-selling author, Katherine Applegate brings us a story about a middle grade girl who risks everything to help her teddy bear when it comes to life in Willodeen.

The Beatryce Prophecy by Kate DiCamillo takes place during medieval times involving a girl and her friends on a journey to find her past and possibly her home. A collection of short stories that interweaves characters bound to each other through space and time is Brian Selznick’s newest in Kaleidoscope. Find new books about the Berenstain Bears, Pete the Cat, Maisy, Spot and Little Blue Truck this month.

I am thrilled to report that movies are being published more often on DVD now. With studios shut down, there was a delay in new releases. What’s out in September? We have a New Paw Patrol, Spirit Untamed and The Boss Baby: Family Business for kids. F9: The Fast Saga, When Calls the Heart: Year 8, Black Widow and Cruella are just a few new DVDs we will have for all to check out.

Stop in soon to pick up your favorites or try a new author.

See **CALENDAR** page 16

## An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

**Friday, September 3** — Sensational Seeds Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. From as tiny as a dust fleck to larger than a softball, seeds come in all shapes and sizes. Unearth how seeds help plants to grow and thrive. This hour of nature fun awaits 3- to 6-year olds with accompanying adults.

**Saturday, September 4** — Saturday Morning Secret Finders at the picnic Shelters at the Mauthe Lake and Long Lake recreation areas, 10 a.m.-11 a.m. Calling all youth to discover secrets of nature by participating in the Wisconsin Explorer program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8 and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

**Saturday, September 4** — Marvelous Mammals Drop-In at the Beach at the Mauthe Lake recreation area beach, 1 p.m.-4 p.m. What do humans have in common with bears, bats, mice and deer? We're all mammals! Find out what characteristics mammals share and how they're adapted for survival. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

**Saturday, September 4** — Celestial Sights of the Summer Sky Summer Saturday Evening Event at the Ice Age Visitor Center, 7:30 p.m.-8:30 p.m. Lazy summer nights are perfect for stargazing, but there's more up there than meets the eye! With Jeff Setzer, Northern Cross Science Foundation member, discover how to find fantastic planets, amazing stellar nurseries and spectacular star clusters in the summer sky during this family-oriented presentation. Learn how to use a basic star chart (provided free at the event) and then put your new knowledge into action by

looking through large telescopes (weather permitting). This program is best for everyone over 12 years old. Sponsored by Friends of the Kettle Moraine.

**Saturday, September 4** — Summer Star Gazing Summer Saturday Evening Event at the Ice Age Visitor Center, 8:45 p.m.-11 p.m. Look through a telescope or binoculars to bring into focus the wonders of the night sky. With the help of experienced night sky observers from the Northern Cross Science Foundation, spy distant planets, dumb-bell nebulas, globular clusters and so much more. The program will be held only if the skies are clear. This program is best for anyone more than 8 years old. Drop in any time and stay as long as you like. Sponsored by Friends of the Kettle Moraine.

**Sunday, September 5** — Marvelous Mammals Drop-In at the Beach at the Long Lake recreation area south beach, 12 p.m.-3 p.m. What do humans have in common with bears, bats, mice and deer? We're all mammals! Find out what characteristics mammals share and how they're adapted for survival. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

**Wednesday, September 8** — Trail Trekkers meet at the Butler Lake Trailhead, 6 p.m.-7:45 p.m. Come for a for a lovely 3.1-mile walk along the Butler Lake Trail. Make sure to wear good footwear and bring drinking water and insect repellent.

**Thursday, September 9** — Wild Edible and Poisonous Mushrooms An Evening with Nature Program at the Ice Age Visitor Center, 7 p.m.-8:30 p.m. Many wild mushrooms are edible, others are deadly poisonous, and still others are unique curiosities of the fungus world. Join Alan D. Parker, Ph.D., professor emeritus at UWM-Waukesha, as he shares his vast knowledge and

beautiful images of Wisconsin fungi. This program is most appropriate for people over the age of 12 years.

**Saturday, September 11** — Weed Warriors Girl Scouts Love State Parks Event at the Ice Age Visitor Center, 9 a.m.-11:30 a.m. Calling all Weed Warriors to battle against invasive shrubs around the Ice Age Visitor Center! Learn why non-native invasive plants pose a grave threat to our native plant communities and then head out to commence hand-to-hand combat with the invaders. Wear appropriate clothes for the weather/outdoor work and bring your favorite gardening gloves. Drink, snacks and tools provided. Call (920) 533-8322 to register by September 9. This event is best for folks over 12 years old and open to the public.

**Saturday, September 11** — Get Outdoors Play Day Girl Scouts Love State Parks Event at the Mauthe Lake recreation area, 12 p.m.-3:30 p.m. Bring the whole troop for a day of nature and outdoor fun! Try your hand at tracking animals, honing your fishing skills, taking the eco-explorer challenge, learning campfire skills, tying knots, preparing for outdoor adventures, creating a useful bandana, and more. Everyone is invited to drop in for a few minutes or more than an hour. Adults are encouraged to participate with their children. Public is welcome to attend.

**Wednesday, September 15** — Trail Trekkers meet at the Ice Age Visitor Center, 6 p.m.-7:45 p.m. Enjoy a brisk three-mile walk along the north half of the Zillmer Trails. Make sure to wear good footwear and bring drinking water and insect repellent.

*For more information about the Northern Kettle Moraine State Forest or the upcoming naturalist programs, please contact the forest staff at the Ice Age Visitor Center at (920) 533-8322. The Henry S. Reuss Ice Age Visitor Center is located 1/2 mile west of Dundee off of Highway 67. The center is open seven days a week.*

## FEATURE BUSINESS OF THE WEEK

### Little Folks School House

Little Folks School House is owned by Dodie Sargent. She brings 36 years of experience, receiving her training at U.N.H. and UW-Milwaukee. The Assistant Director, Jennifer Melzark has 19 years in the field and received her training at Marian College. Along with Dodie and Jennifer are 23 employees.

Little Folks is rated 5 stars by the Wisconsin Youngstar program and Nationally Accredited. The majority of the teachers have two or four year degrees and are dedicated to providing quality childcare.

Dodie provided licensed family childcare from 1983-1997 and opened the group center (Little Folks School House) in 1997 in the Town of Wayne. After outgrowing the Wayne building, they built a bigger center in Kewaskum which opened in 2006. There are five classrooms, three age separated fenced playgrounds, a coded secured entry and camera monitored classrooms. They also provide before and after school care at Little Folks and Kewaskum Elementary School. Little Folks also serves as a teaching center for Moraine Park Technical College. Students are placed with them every semester for their practicum experience where the Little Folks teachers mentor them.

Little Folks strives to form working partnerships with families. They respect the parent's insights and concerns and want them to feel comfortable leaving their children in their care, knowing they will be safe and nurtured as they help to develop and grow.

Check us out at [www.littlefolksschoolhouse.com](http://www.littlefolksschoolhouse.com) or call 626-4023 to schedule a tour.

## Healthy Living With Chronic Pain Workshop Offered In West Bend

The Aging & Disability Resource Center of Washington County is offering a Healthy Living with Chronic Pain workshop. If living with ongoing pain is keeping you from doing the things you want to do, this workshop can help by giving you the tools and strategies to manage your pain.

If you're 18 or older and have or live with someone who has chronic pain, this program is for you. Topics include short-term goal setting and planning, relaxation and breathing, medication usage and evaluating treatments, quality sleep and fatigue management, stress and depression management, healthy eating and nutrition, decision-making and problem-solving, fitness for exercise and fun, communicating effectively with friends, family, and your medical team.

Healthy Living with Chronic Pain has been researched and proven to work. People who have taken the program experience better health and increased confidence in managing their pain, improvements in vitality or energy, less pain and dependence on others, improved mental health, and greater involvement in everyday activities.

This program does not replace existing treatments, but serves to complement a participant's current medical treatment plan. This program is not meant for a person who has pain medication addiction issues.

The Healthy Living with Chronic Pain workshop will be offered on Wednesdays, Sept. 15 through Oct. 20, from 9 a.m.-11:30 a.m. at the Public Agency Center, 333 E. Washington Street, Room 1113A, West Bend.

The workshop will be facilitated by two trained leaders. There is no charge for the class. Pre-registration is required. Please call Kristen at 262-335-4497 before Friday, Sept. 10, to register or for more information.

### ENVISION from page 6

of \$7,500) of the incentive amount when the employee successfully completes 12 months of concurrent residency and employment in Fond du Lac County with the same employer.

"Fond du Lac County is proud to be able to join with Envision Greater Fond du Lac and Fond du Lac County Capital Resources in sponsoring this important and innovative program to assist our employers with recruitment and retention of new workers," said Allen Buechel, Fond du Lac county executive. "I applaud the people at Envision Greater Fond du Lac who developed and promoted this first-in-the state worker relocation incentive."

This fantastic tool is available to any Fond du Lac County based business, regardless of size and industry. Perspective employees must move to

Fond du Lac County from an area outside of the county, be hired for a full-time role with a Fond du Lac County employer, be at least 18 years of age, and be eligible to work in the United States.

Business applications for the incentive will be reviewed on a first-come, first-served basis. This program has limited funding. Business applications will be available on September 1, 2021.

More information on this program can be found at [www.envisiongreaterfdl.com/relocation](http://www.envisiongreaterfdl.com/relocation) or by calling the Envision Greater Fond du Lac Economic Development Team at 920.921.9500.

To learn more about Envision Greater Fond du Lac, please visit [envisiongreaterfdl.com](http://envisiongreaterfdl.com)

*Footnote: \*Employers may opt to internally offer an incentive above the \$15,000 amount; however, the maximum reimbursement will be no more than \$7,500 per worker.*

## Health Department Urges People To Keep Taking Steps To Avoid Mosquito-Related Illnesses

As summer winds down and the risk for some illnesses spread by mosquitoes goes up, health officials are encouraging Wisconsin residents to use simple prevention steps to Fight the Bite.

On average, 44 human cases of illnesses spread by mosquitoes in Wisconsin are reported to public health each year. Since many infections cause mild illness that goes undiagnosed, the actual number of Wisconsin cases is likely to be much higher.

Mosquito-related illnesses can also affect animals. Recently, the first Eastern equine encephalitis (EEE) activity this year was reported in four horses, one each in Monroe, Burnett, Calumet and Marquette counties. EEE is spread through the bite of a mosquito carrying the virus, which mosquitoes can get after biting an infected bird. While horses can't spread EEE directly to humans or even to mosquitoes that bite them, a case of EEE in a horse confirms that some mosquitoes in the area are infected with the virus and may spread EEE to people and other animals.

Symptoms of EEE in humans include the sudden onset of fever, chills, and body and joint aches. EEE infection can develop into severe encephalitis, resulting in headache, disorientation, tremors, seizures, and paralysis. Permanent brain damage, coma, and death may also occur in some cases. These symptoms are similar to those caused by West Nile virus (WNV) another illness spread by

mosquitoes that is most commonly spread during late summer, though WNV is less likely to cause severe illness or death. There have not yet been any cases of WNV reported in horses or humans so far in 2021.

Taking these simple steps can help protect you and your family from getting these diseases:

- Use an EPA-registered repellent, such as DEET, picaridin, oil of lemon eucalyptus, or IR3535 and apply according to label instructions.
- Use permethrin-treated clothing and gear.
- Wear loose-fitting long-sleeved shirts and long pants to keep mosquitoes away from your skin.
- Avoid spending time outdoors at dawn and dusk when mosquitoes are most active.
- Take steps to control mosquitoes outside your home.

Because the viruses follow mosquito populations, the threat in Wisconsin varies depending on the weather, but normally starts in mid- to late summer and remains until the first killing frost (temperatures below 32 degrees for at least three hours).

More information on how to fight the bite is available on the Department of Health Services (DHS) website. Information on Eastern equine encephalitis is available on the DHS website and on the Department of Agriculture, Trade, and Consumer Protection website.

## Kewaskum High School Girls Golf Team Scores

The Kewaskum-Campbellsport girls co-op golf team is made up of all Kewaskum High School players this year.

The eight team members include: seniors Grace Lee (fourth year on team) and Makayla Kabitzke (first year on team); junior Shelby Falk (third year on team); and sophomores Sophia Bartelt (second year), Josie Volesky (second year), Katelyn Scannell (second year), Addison DeRuyter (second year) and Ella Geidel (second year).

The team's head coach is Amy Uhlig, who is in her 16th season as varsity coach for the team. She is assisted by Casey Scheel, who is in his first year with the girls program and is the head coach of the Kewaskum High School boys golf team.

"We have a young squad this year, but are looking forward to our growth as the season progresses. We will rely heavily on our returning upperclassmen varsity players, Grace Lee and Shelby Falk. We also are eager to see the improvement of sophomores Sophia Bartelt and Josie Volesky, along with the ladies who played on the JV squad last season," Uhlig said.

### August 12- Washington County Varsity Invite (18 holes) at Washington County Golf Course

The Kewaskum team had just three players for this pre-season varsity meet as some of the team were gone on vacation. A total of 124 golfers competed in the contest.

"It was a good meet for these ladies to be a part of, with some of the best competition in the state at this event. Shelby Falk led the way for us with a 112, which included a birdie on number 14," Uhlig said.

### Kewaskum Scores

- 84th- Shelby Falk, 112
- 90th- Grace Lee, 113
- 113th- Josie Volesky, 129

### August 23- North Shore Conference Meet at Hartford Golf Club (18 holes)

Senior Grace Lee led the way for Kewaskum on August 23 with a 109 on a very hot and muggy day. She carded two pars on the day.

"We are looking to Grace for her leadership and consistency this year as we have a young squad that looks to build their experience each meet," Uhlig said.

The young Kewaskum team trailed the other schools, placing eighth with an overall score of 470.

### Kewaskum Scores

- Grace Lee, 109
- Shelby Falk, 116
- Sophia Bartelt, 119
- Josie Volesky, 126

### August 26- North Shore Conference Meet At Hidden Glen In Cedarburg (nine holes):

Shelby Falk led the way for Kewaskum with a strong round of 52 on August 26 at the North Shore Conference Meet.

"Shelby carded the 52 despite having a seven on a par three, as well as a 10 on the tough 18th hole. She had three pars on the day. We look forward to continued good things to come from Shelby this season. Katelyn Scannell stepped in nicely with a 59 in her first varsity meet," Uhlig said.

### Kewaskum Scores

- Shelby Falk, 52
- Katelyn Scannell, 59
- Grace Lee, 61
- Sophia Bartelt, 61
- Josie Volesky, 63

# Kewaskum Retains Kettle Moraine Trophy With Win Over Campbellsport

The Kewaskum Indians varsity football team (2-0, 0-0) went on to defeat rival Campbellsport (1-1, 0-0) in a home game on Friday, Aug. 27, by a score of 40 - 30.

The high-scoring affair got started when senior quarterback Matt Buechel weaved his way through the Cougar defense for a 41-yard touchdown run. The extra point attempt by senior kicker Andrew Bolek was good and the Indians had an early 7-0 lead. That lead wouldn't last long as Campbellsport scored on their first possession too. After a successful two-point conversion, the visitors had the lead 7-8.

The Indians rallied on their next drive behind senior WR Ben Butler, who hauled in a pass from Buechel for 27 yards and another Indian touchdown. Bolek again converted the point and it was 14-8 at the end of the first quarter.

Campbellsport opened the second quarter with a touchdown pass of their own and again converted a two-point attempt, which left Kewaskum trailing 14-16 for most of the remainder of the first half. However, Buechel found the endzone again with 32 seconds remaining before half-time from five yards out and senior tailback Max Melzer converted the two-point try for a 22 -16 Indian half-time lead.

Both teams traded scores in the third quarter as Buechel and Butler connected on another

touchdown pass this time from 66-yards away. The Cougars had a big play of their own scoring on an 80-yard run, once again stealing the home team's momentum. On the ensuing kickoff, Butler sped right through the middle of the visitor's kick team for an 83-yard kick-off return, and the Indians increased their lead to 34-22. Finally, the Cougars answered again near the end of the third quarter, this time rushing from 17 yards away to get within four points at 34-30.

Scoring was not easy in the fourth quarter as both teams were sapped from the stifling heat and back-and-forth game action. Many extended timeouts were taken as players were cramping and water breaks were needed. With 4:26 left, Melzer once again found paydirt as he made a beautiful effort to stay on his feet from 27 yards away to make it 40-30. The Indians defense held off a last-ditch effort by the Cougars to seal the victory.

Both teams amassed nearly 400 yards of offense in the game and did a good job of controlling the ball as the only turnover came on downs in the first half. Besides the memorable offensive fireworks, the game was highlighted by a half-time tribute to longtime Indians' supporter Jonesy Korth. In addition, local military veterans were honored for their service. Between the two events there wasn't a dry eye in the house. Special thanks to Chad Piwoni, the Korth Family and the Kewaskum GridIron Club for organizing such a stirring event.

Kewaskum opens East Central Conference play this week at home against Kettle Moraine Lutheran on Friday, Sept. 3. Kick-off is set for 7 p.m. at Doc Mitchell.

## Indians Start The Season With A Win

The Kewaskum High School Football team started the 2021 campaign with a 38 - 16 victory over host West Bend West on Thursday, Aug. 19. In

a battle of contrasting styles, the Indians racked up 324 yards rushing while their opponents managed 354 yards through the air.

After the teams traded turnovers on their first offensive possessions, senior quarterback Matt Buechel got the scoring started for the Indians as he took a botched shotgun snap around the end for 37 yards and the first touchdown of the season. Kewaskum struck again on their next possession highlighted by a 17-yard pass from Buechel to senior wide receiver Damareyon Taylor on third down. The drive was capped with a four-yard touchdown run from senior Tailback Max Melzer. The first quarter would end with the Indians in the lead 14-0.

A quiet second quarter saw only a safety scored as the Spartans forced a high snap on the Indians' lone punt attempt and the ball sailed out of the end zone. At halftime the score was Kewaskum 14, West Bend West 2.

Melzer continued his strong game by scoring two more touchdowns in the third quarter. The first was on 35-yard interception return for a touchdown. The second was scored on a 54-yard run right down the middle of the Spartan defense. At the end of three quarters the Indians had increased their lead to 26-10.

The fourth quarter brought two more Indian touchdowns. Another by Melzer on a five-yard rush around the left side of the Kewaskum offensive line. Senior Defensive back Gavin Schwantz returned another interception for a touchdown to end the scoring.

All totaled the Indians' defense caused five Spartan turnovers. Senior linebacker Matt Blank paced the defense with seven tackles. Senior defensive lineman Colin Duren and senior defensive back Ben Butler added one sack each to the strong Indian defensive performance.

Joseph Gardner runs the ball into the endzone for a Campbellsport touchdown during a game against Kewaskum on Friday, Aug. 27. Kewaskum won the game, 40-30.

## C.A.A. Flag Football Registration

The Campbellsport Athletic Association will be having sign up for the Flag Football program on Wednesday, Sept. 8, from 6:00-7:00 pm at Columbus Parc. The program is available to girls and boys in grades 1st through 4th.

If your child has already signed up for the program this spring, they do not need to sign up again.

Participation fee is \$50.00. If your child participated in any C.A.A. activity this past summer, there is no charge.

The program will start Saturday, Sept. 11, and run for 5 weeks.

Sessions are:

9:00 am - 10:00 am 1-2 Grade

10:00 am - 11:00 am 3-4 Grade

at Columbus Parc.

The program teaches basic football fundamentals followed by playing actual games.

Any questions, please contact Tim McGray 920-251-3377

### Hall Of Fame Friends

Nothing gives me more satisfaction than when my friends have success and are recognized for all their hard work. Believe it or not, I have four close friends getting inducted into Hall of Fames in the next few months. The connection I have with these four individuals is special and it all centers around athletics.

First off is my best friend (the best man in our wedding) Gary Clausius. Many of you from the area may recall the name, Gary was a long-time sports writer and editor for the Fond du Lac Reporter. He covered high school sports with previews of big games, he did feature stories on great athletes, and he wrote some of the most exquisite columns in his era.

"Claus" will be inducted into the Fond du Lac Athletic Hall of Fame on September 11, not just for his great writing ability and all the great coverage he provided for our athletes but also for his wrestling accomplishments at Fondy (Goodrich) High School. Gary was a conference champion in 1980, a two-time regional champion, a sectional champion, and a state qualifier. Wrestling at 98 pounds his whole high school career, "Claus" was a brick — the little man could bench press over 200 pounds.

Blaine Felsman has become a very good friend of mine over the past two decades. Blaine had just finished up at UW-Oshkosh when I arrived on campus. We became good friends coaching against one another as he was the long-time wrestling coach at Berlin. I golf with "Felzie" a lot during the summer and will be attending his daughter's wedding next month.

Blaine will be inducted into the UW-Oshkosh Athletic Hall of Fame on November 6th. Felsman was an all-conference football player and wrestler for the Titans and even got a professional football tryout. This will be the third

Hall of Fame Blaine will be inducted into. He's in the Waupun High School Athletic HOF and the Wisconsin Wrestling Coaches Association HOF. Felsman is also one of the top wrestling officials in the state, working several state tournaments in his career.

A week after Felsman's induction, I will be heading to Green Bay to see my good friend Tim Potratz get inducted into the Wisconsin Wrestling Coaches Association HOF. Tim and I go way back to our days at UW-Oshkosh when we were teammates for the Titans.

Potratz has accumulated over 400 career dual meet wins as the head coach at Weyauwega-Fremont High School. He's won 11 conference championships, coached 43 state qualifiers, and has had three state champions. On a couple ironic notes, Tim ended my high school wrestling career, beating me at the sectionals to go to state my senior year. His son Trevor did his student teaching at Campbellsport Middle School and helped coach some of the Cougar wrestlers.

Next spring, Jason Piittman will be inducted into the Wisconsin Football Coaches Association Hall of Fame. The long-time football coach at Kewaskum High School had an incredible run from 2003-2018, compiling a 140-39 record. Piittman led the Indians to eight conference championships and won 10 or more games in 10 of his 16 seasons. During "Piitt's" run, they made the playoffs 13 times, four times they made it to level three and four times they advanced to level 4.

Jason is currently in his 23rd year of teaching at KHS and has been the athletic director for 20 years. I first met Jason when his wife Jamie was teaching at Campbellsport High School, he helped me run the conference wrestling tournament and we've been friends since.

## Kewaskum Volleyball Off To Strong Start

On August 28, Kewaskum High School (6-2) finished fourth out of 24 teams at the Friendship Volleyball Tournament.

"Great weekend for us. We handled the teams that we needed to and we played tough against the others both in wins and losses. Coming out of that event with a fairly close loss to Holmen and a third set loss to Waunakee is not too much to complain about. We got to see a lot of different looks on our team and get some players up to speed. It was a good tournament filled with growth for this group," Kewaskum head coach Laine Leitzke said.

### Kewaskum Tournament Scores

vs Clintonville | 2-0 W | 25-13, 25-19  
vs Dodgeand | 2-0 W | 25-8, 25-9  
vs Oshkosh North | 2-0 W | 25-12, 25-9  
vs Aquinas (LaCrosse) | 2-1 W | 19-25, 25-17, 15-11

### Gold Bracket

vs Royall | 2-1 W | 18-25, 25-22, 15-12  
vs Holmen (1st) | 0-2 L | 18-25, 19-25  
vs Waunakee (3rd) | 1-2 L | 17-25, 25-23, 11-15

### Kewaskum Defeats Campbellsport In Non-Conference Dual

On August 24, Kewaskum High School hosted Campbellsport in a non-conference dual. Kewaskum 1-0 (0-0) defeated Campbellsport in the contest, 26-28, 25-7, 25-14, 25-13.

"It was a good opening match for us. We were tested early when we were making mistakes and we were able to change the tone with a hustle play at 1-4 in the second set, we got three quick points and didn't look back after that," Kewaskum head coach Laine Leitzke said. "We have a few returning starters but a lot of fresh faces and our JV players that moved up only played four times last season, so we will be growing a lot in these first couple weeks."

Kewaskum JV1 won 2-1 in the dual, and Kewaskum JV2 won 3-0 over Campbellsport.

### Kewaskum Kills Leaders

Grace Rochon - 7

## Kewaskum Gridiron Season Begins

The Kewaskum Gridiron Club opened up the 2021 season on Saturday, Aug. 28, as the eighth, seventh and sixth grade teams hosted Lake Geneva Badger while the fifth grade played Lake Country White.

The eighth grade started off the day and struggled against some great speed that Lake Geneva had, suffering a tough 54-16 defeat. The Indians were trailing 32-0 late in the second quarter when quarterback Chase Cook connected with wide receiver Liam Stoffel on a 60-yard touchdown pass. Stoffel booted through the two-point kick to make the halftime score 32-8. The Indians defense played much better in the second half with linebacker Gabe Halopka getting a fumble recovery and linebacker Warren Korth getting a quarterback sack. The Indians offense was also able to add another touchdown on the board as running back Ethan Immel rushed one in from five yards out with the offensive line providing some great block throughout the drive that led to the score. Stoffel added the two-point kick after the touchdown.

The seventh grade team put on an offensive show, scoring eight touchdowns en route

to a 54-26 victory. The game started off with Badgers returning the opening kickoff for a touchdown. The Indians responded with a drive that resulted in a touchdown by running back Kingston Grisolono. Unfortunately, the next kickoff was again returned for a touchdown, but once again the Indians responded with a scoring drive that resulted in another Grisolono touchdown. The Badgers responded with another drive resulting in a touchdown; once again the Indians answered with a drive of their own capped off by a Grisolono touchdown tying the score at 20-20. After that, the Indians defense held the Badgers offense, and Grisolono got loose again for another touchdown and gave the Indians a 27-20 halftime lead. In the second half Grisolono added two more touchdown runs for a total of six on the day along with a touchdown pass to William Koch. The Indians' scoring was capped off by a kickoff return for a touchdown by Eli Ogi. The Indians defense was led by Layton Dexter and Brendan Safford who helped the unit keep the Badgers offense in check in the second half.

The sixth grade team displayed a stout defense and solid offensive run game to beat Lake Geneva Badger by a score of 22-0. Running back Jace Wichtoski scored all three of the Indians touchdowns with some long runs courtesy of some nice blocking up front from his offensive line for two of the scores and then the third score coming on a kickoff return for a touchdown. Nolan Marx also had some nice runs for the offense. The defensive unit that pitched a game one shutout and only a couple first downs played great team defense, and was led by the great play of Quin Dornacker and Easton Derge. The special teams start of the game was Blake Staral, who booted a pair of two-point kicks through the uprights.

The fifth grade team drew a tough matchup against Lake Country White and took a tough 34-0 defeat with the game getting called after the third quarter due to thunder and lightning in the area. The standout player for the Indians on both offense and defense was Henry Ogi, who made some nice tackles and had a couple of nice runs on offense.

## CHS Cross Country Season Gets Started

Campbellsport High School competed in the Kettle Moraine Lutheran Charger Classic Cross Country Meet last Thursday, Aug. 26. The Cougar varsity boys team finished second, the boys JV took first, the girls varsity finished fifth, and the JV was second.

Only four points separated the CHS boys' varsity and Cedar Grove-Belgium. Both teams placed four runners in the top 20 with the Rockets edging the Cougars by a score of 44-48. DASH Homeschool (59) was third, KML (80) fourth, WLA (126) fifth, Washington County Homeschool (140) sixth, Greenfield, Martin Luther, Milwaukee Lutheran, and Living Word Lutheran had incomplete teams.

Senior Skyler Fryman led the Cougars with a third-place individual run. Freshmen Logan and Brody Nolan scored top 10 places, finishing in sixth and eighth. Senior Garrett Roehl cracked the top 20 in 18th. Junior Owen Blevins and senior Jerid Waddle finished in 27th and 28th. Sophomore Jon Thelen took home 37th place.

In the boys' JV race, Campbellsport placed five runners in the top seven to win with the low score of 19 points. Greenfield took second with 61 points, DASH Homeschool third with 68, and KML 4th with 81.

The Cougars took the top three individual spots in the JV race. Sophomore Aidan Meilahn's winning time was 21:14. Freshman Sawyer Dirmeier was runner-up, and junior Wyatt Blevins was third. Junior Max Engle came in sixth, and junior teammate Andrew Jenkins was seventh. Other Campbellsport runners competing in the race were: freshman Aydryan Meilahn 17th, junior Josh Dontchenko 18th, senior Kilian Poquette 24th, freshmen Brody Manix 26th, Sam Ellenbecker 38th, and Kyle Sanders 42nd.

In the girls' varsity race, Cedar Grove-Belgium took home first place honors with the low score of 33 points. WLA (47) was second, DASH Homeschool (83) third, Living Word Lutheran (85) fourth, and Campbellsport (98) fifth. Greenfield, Martin Luther, Milwaukee Lutheran, Washington County Homeschool, and KML had incomplete teams.

The Cougars had two medal winners in the race. Freshman Sienna Hewitt was the top runner for CHS in 15th place. Senior Morgan Yahr crossed the finish line in 20th place. Freshman Lydia Toshner was 25th, junior Elli Scannell 27th, freshman Megan Dickman 33rd, and sophomore Emily Reigle 36th.

There were only two complete teams in the girls' JV race. WLA was the winner with 16 points, and Campbellsport took second with 43 points.

The top Cougar runner was senior Alayna Meilahn in 12th place. Junior Hannah Thelen was 16th, sophomores Harper Poquette and Katrina Ohme were 17th and 22nd, and seniors Ashley Sanders and Samantha Zimdahl were 23rd and 24th.

Campbellsport will next compete on Thursday, Sept. 2, in the Valley Christian Warrior Invitational at Hickory Oaks Campground in Oshkosh.

Annie Christenson of Kewaskum High School returns the ball as she claims a win over her Ripon opponent in the number two singles match on August 25. PHOTO BY ANNE TRAUTNER

2. Sophie Marchello and Rowyn Wiedmeyer (Kewaskum) defeated Celina Lopez and Quinn Diedrich (Ripon): 6-0, 6-1.
3. Isabelle Thomas and Sam Kusters (Kewaskum) defeated Paige Kouba and Jenna Konrad (Ripon): 6-0, 6-2.

## August 26 Kewaskum Hosts Kewaunee

The Kewaskum High School tennis team won all the matches on August 26 as Kewaskum hosted Kewaunee.

### Singles

1. Haley Densow (Kewaskum) defeated Lauren

- Baumann (Kewaunee): 6-0, 6-4.
2. Annie Christenson (Kewaskum) defeated Kira Doperalski (Kewaunee) 6-2, 6-0.
3. Lauren Ford (Kewaskum) defeated Zoe Sisel (Kewaunee): 6-1, 6-0.
4. Mackenzie Steiner (Kewaskum) defeated Grace Kelly (Kewaunee): 6-0, 6-0.

### Doubles

1. Audra Hurt and Ashlyn Kjer (Kewaskum) defeated Morgan Denil and Bella Kentgen (Kewaunee): 6-4, 6-1.

## August 21 Slinger Tournament

The Kewaskum High School tennis team participated in the Washington County Invite held in Slinger on Saturday, Aug. 21, but rain ended any chances for any top finishes for the team. Molly Freund was in the running for third place at number 4 singles, but the match was rained out.

In the number two doubles contest, the Kewaskum duo of Rowyn Wiedmeyer and Sophie Marchello were competing for a third place win, but the match was rained out.

**YOUR NEWSPAPER**

**A SOURCE YOU CAN TRUST!**

**Editor/Reporter**

Opportunity available for an experienced newspaper journalist to oversee editorial production of a community weekly family-owned newspaper located in Theresa, WI. The award winning *Dodge County Pioneer*, managed by Multi Media Channels (MMC), is seeking a full-time editor/reporter to produce hyper-local clear, concise and interesting content covering government, schools, people, civic groups and businesses in Mayville, Horicon and Lomira and surrounding areas. The ideal candidate will want to take their skills to the next level while building community relations and possessing excellent news judgement. Also, the right person will work productively in a team setting. Will be required to edit submitted releases/photos.

Qualifications include a journalism degree or equivalent with photography skills. No pagination is required; however, you must have the ability to direct placement of stories/photos. Experience working on Macs using InDesign and Photoshop software is a plus, but not required. Must be available to work evenings and weekends.

MMC offers a competitive salary, paid holidays, vacation pay and more. Send resume and writing samples to Dave Wood at [dwood@mmclocal.com](mailto:dwood@mmclocal.com).

**PART-TIME ROUTE DRIVERS IMMEDIATE OPENINGS**

This job involves driving your own vehicle to deliver papers to select area businesses & post offices.

**HOURS ARE APPROXIMATELY 11:30 AM - 5 PM EVERY WEDNESDAY.**

*Good Driving Record required. Hourly and mileage compensation. Must pass drug test.*

# Kettle Moraine State Forest Northern Unit

## Designated Trails and Public Use Areas

# KETTLE MORAINE GREAT AREA TO VISIT

The Kettle Moraine area is a great place to visit. It boasts some of the best physical features in the state and some of the most friendly neighboring villages.

Known as the Kettle Moraine State Forest-Northern Unit, this area can thank the glaciers for the unique characteristics. The northern unit of the forest is only a portion of what is sometimes called the Kettle Range.

This range was created when the Green Bay Lobe of the glacier on the west, collided with the Lake Michigan Lobe of the glacier on the east, depositing sediment. The western glacier formed the Bay of Green Bay, Lake Winnebago and the Horicon Marsh while the eastern one formed Lake Michigan.

This area contains very hilly terrain and glacial landforms, such as kettles, kames and eskers. The forest is divided into two large and three small units, which are spread across a hundred miles.

The Kettle Moraine State Forest-Northern Unit consists of an area covering the western part of Sheboygan County, the southeastern part of Fond du Lac County and the northern portion of Washington County. It includes more than 29,000 acres. The forest itself was established in 1937 to help preserve this unique area and its features.

The forest is managed for multiple uses, including recreation management, sustainable forest products, water quality and soil protection, terrestrial and aquatic wildlife, native biological diversity, and aesthetics.

The forest headquarters is located near Campbellsport. Features of the Northern Unit are the Greenbush Recreation Area, with a group camping area and hiking trails; Parnell Observation

Tower; the Long Lake Recreation Area, with a campground, a beach and boat launch; Henry S. Reuss Ice Age Visitor Center; and the Mauthe Lake Recreation Area, with a campground, a beach and boat launch.

About 145 miles of trails can be found in the northern unit. These trails are used for biking, hiking, horseback riding, cross country skiing and snowmobiling.

Other facilities in the area include 336 family campsites with modern facilities, nine group campsites, six backpack shelters, a horse riders campground, three swimming beaches, five boat launches and an observation tower.

It is estimated that approximately 800,000 people visit the forest every year. Annual camper nights equal about 91,599.

You will definitely be able to find something fun to do in the Kettle Moraine State Forest-Northern Unit. There is something for everyone.

To find out more information, go to the DNR website at [www.dnr.state.wi.us](http://www.dnr.state.wi.us). You can also call the forest headquarters at 262-626-2116 or call the Ice Age Visitor Center at 920-533-8322.

The forest is open from 6 a.m.-11 p.m. daily. The forest headquarters is located on Highway G and is open 8 a.m.-4:30 p.m. Monday-Friday.

The Mauthe Lake recreation area entrance station is open from 10 a.m.-7 p.m. Saturdays-Thursdays and 10 a.m. to 9 p.m. on Fridays from Memorial Day through Labor Day. These hours will vary during the off-season. Call 262-626-4305 for more information.

The Long Lake Recreation area entrance station is open from 10 a.m.-7 p.m. Saturdays-Thursdays and 10 a.m. to 9 p.m. on Fridays from Memorial

Day through Labor Day. The hours vary during the off-season. Call 920-533-8612 for more information.

The Henry S. Reuss Ice Age Visitor Center is open seven days-a-week April through October from 8:30 a.m.-4 p.m. Mondays-Fridays and 9:30 a.m.-5 p.m. weekends. Winter hours vary and run from November through March. The center is one-half mile west of Dundee on State Highway 67 and offers forest information, interpretative displays, and a 20-minute Ice Age film.

## Area Villages

Don't forget to visit the area villages and towns that surround the Kettle Moraine Forest. They are all welcoming and helpful.

Campbellsport is on the west side of the forest. You can get to Campbellsport by taking Highway 67.

Kewaskum is on the southwestern side of the forest. You can get to Kewaskum by taking Highway 45 or Highway 28.

Dundee is within the forest on the western side. It is located along Highway 67. The Henry S. Reuss Ice Age Visitor Center is just outside of Dundee on Highway 67.

New Prospect is a small town located within the forest. You can get there by traveling along Highway SS. The horseriders camp is located in New Prospect.

Greenbush is near the northern portion of the forest. You can get to Greenbush by taking County Highway A.

Glennbeulah is also on the northern corner of the forest. It can be found by taking County Highway A.

Plymouth is a short drive to the east of the forest. You can take Highway 67 to get to Plymouth.

Cascade is also a short drive to the east of the forest. You can get to Cascade by taking Highway 28.

Eden is a short drive to the northwest. You can get to Fond du Lac by taking Highway 45 north.

Fond du Lac is a short drive to the northwest. You can get to Fond du Lac by taking Highway 45 north.

West Bend is a short drive south of the forest. You can get to West Bend by taking Highway 45 south.

## JANUARY

■ **January 15:** Central Wisconsin Gun Collectors Show, Fond du Lac Fair Grounds, 520 Fond du Lac Ave, Fond du Lac, 8 a.m.-5 p.m.

■ **January 15:** Dundee Sportsmen's Club's All Lake Fisheree, Dundee Sportsmen's Club, N3019 Highway 67.

■ **January 16:** Central Wisconsin Gun Collectors Show, Fond du Lac Fair Grounds, 520 Fond du Lac Ave, Fond du Lac, 8 a.m.-3 p.m.

■ **January 28:** WCBA Home Building And Remodeling Expo at the Washington County Fair Park, 4 p.m.-8 p.m.

■ **January 29:** 38th Annual Crooked Lake Sports Club's Fisheree, 7 a.m.-5 p.m., at Monkey Business Beach Bar on Crooked Lake.

■ **January 29:** WCBA Home Building And Remodeling Expo at the Washington County Fair Park, 10 a.m.-6 p.m.

■ **January 29:** Long Lake Fishing Club's Sno Golf Tournament. Benson's Hide-a-Way, Dundee.

■ **January 30:** WCBA Home Building And Remodeling Expo at

the Washington County Fair Park, 10 a.m.-4 p.m.

■ **January 30:** Washington County Bridal Fair at the Washington County Fair Park, 3000 Hwy PV, West Bend. 11 a.m.-3 p.m.

## FEBRUARY

■ **February 4-6:** Bob and Rocco Gun Show at the Washington County Fair Grounds, 3000 Pleasant Valley Rd., West Bend. For more information, go to [www.bobandrocco.com](http://www.bobandrocco.com).

■ **February 5:** Campbellsport Area Jaycees Kids Fisheree for those 16 years old and younger, 7 a.m.-3 p.m. Sandpiper - Lake Bernice. Call 920-979-7550 or 920-539-7491 with questions.

■ **February 5:** Fond du Lac Brew Fest, Fond du Lac County Fair Grounds, 520 Fond du Lac Ave., Fond du Lac.

■ **February 11 to 13:** Sturgeon Spectacular, Lakeside Park Marina, 555 N Park Ave., Fond du Lac, 8 a.m. - 11 p.m.

■ **February 19:** Dundee Sportsmen's Club's Rabbit Hunt, Dundee Sportsmen's Club, N3019 Highway 67.

■ **February 26:** Long Lake Fishing Club fisheree. Registration begins at 6 a.m.

## MARCH

■ **TBD:** Fond du Lac Agriculture Showcase, Fond du Lac County Fair Grounds, 520 Fond du Lac Ave.

■ **March 12:** Rock Mineral Gem & Earth Science Show, Washington County Fair Park, 3000 Hwy PV West Bend, 10 a.m.-5 p.m.

■ **March 13:** Rock Mineral Gem & Earth Science Show, Washington County Fair Park, 3000 Hwy PV West Bend, 10 a.m.-4 p.m.

■ **March 18-20:** Bob and Rocco Gun Show at the Washington County Fair Grounds, 3000 Pleasant Valley Rd., West Bend. For more information, go to [www.bobandrocco.com](http://www.bobandrocco.com).

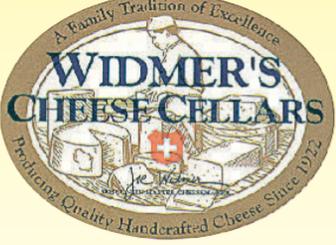

## APRIL

■ **April 9:** Spring Fair to Remember at the Washington County Fair Park, 3000 Hwy PV West Bend, 9 a.m.-4 p.m.

■ **April 9:** Central Wisconsin Gun Collectors Show, 520 Fond du Lac Ave., Fond du Lac, 8 a.m.-5 p.m.

■ **April 10:** Central Wisconsin Gun Collectors Show, 520 Fond du Lac Ave., Fond du Lac, 8 a.m.-3 p.m.

■ **April 17:** Wisconsin Car Enthusiast Club Indoor Showcase at the Washington County Fair Park, 12 p.m.-5 p.m.

# ICE AGE CENTER GREAT RESOURCE

The Henry S. Reuss Ice Age Visitor Center is a great resource for anyone visiting the Kettle Moraine State Forest-Northern Unit. It is located just outside of Dundee on Highway 67.

Its purpose is to introduce and orient visitors to the forest about the area and the special features of the area. The glaciers that covered this area about 10,000 years ago left some unique terrain and features in this area.

The Kettle Moraine was created when the Green Bay Lobe of the glacier, on the west, collided with the Lake Michigan Lobe of the glacier, on the east, depositing sediment. The western glacier formed the Bay of Green Bay, Lake Winnebago and the Horicon Marsh while the eastern one formed Lake Michigan.

As the glaciers melted and moved, they left behind many different features like moraines, kames, eskers, drumlins, and kettles. The Ice Age Visitor Center explains these features, how they were formed and gives examples of these features in the area.

“You can get a good idea of how the glaciers affected this area and the treasures it left,” said Jackie Scharfenberg, DNR naturalist at the Ice Age Center. “A lot of groups come here as a jumping off point.”

View exhibits to learn about the frozen history of Wisconsin and the gifts of the glacier. There is a great view of the landscape from the nature center and a naturalist is available to answer your questions.

After visiting the center, you can then go out into the forest to see these different formations. Many trails can be found in the forest to get you to these features. A short trail is also accessible from the Ice Age Visitor Center.

Another feature of the center is the informa-

The Kettle Moraine State Forest-Northern Unit is a beautiful place to visit during the fall months when the leaves are turning colors. There are miles of trails in the area to hike and take in the beautiful scenery. When the winter months area here, many use the trails for skiing and some for snowmobiling. There is always something to do, no matter what season, in the Kettle Moraine.

**PHOTO BY ANDREA HANSEN ABLER**

tion you can receive about the forest activities. The center has maps of all the trails in the forest, campgrounds, information about Mauthe and Long Lakes and the campgrounds in the forest.

“We can provide information about the forest and its multitude of things to do,” Scharfenberg said.

Become a Wisconsin Explorer and discover the natural world. Pick up a booklet at the nature center. The booklets are full of hands-on, exciting and educational activities for days on the beach, rainy days at home or starry nights. Complete at least half of activities and return it to any state park, forest or recreation area. Receive a patch and cer-

tificate for completing the activities.

The Henry S. Reuss Ice Age Visitor Center was opened in January of 1981 and dedicated in May of 1981. It was named after a Wisconsin congressman. The Zillmer Trail was also named after a Wisconsin congressman

“They got some of the initial money passed (for the center and trails),” Scharfenberg said.

The center is open year-round. From April through October, it is open Monday-Friday from 8:30 a.m.-4 p.m. and on weekends from 9:30 a.m.-5 p.m. During the months from November through March, the hours will vary, so please call ahead at 920-533-8322. About 25,000-30,000 people stop at the Ice Age Visitor Center every year.

Educational programs are held at the center every week. These programs teach young and old about the forest wildlife, vegetation and other fun nature-related things. Programs are generally free to the public, with some exceptions. A calendar of these educational programs can be found in this newspaper.

Throughout the year, the forest naturalists present a wide array of fun-filled educational programs. The programs are held at the Ice Age Visitor Center, Mauthe Lake Recreation Area, Long Lake Recreation Area or at other spots within the forest. There are programs for all interests and age levels.

The Henry S. Reuss Ice Age Visitor Center is a great place to start your visit to the Kettle Moraine State Forest-Northern Unit. It will help educate you about the forest and give you information about more opportunities in the forest.

A gift shop offering books, clothing and other souvenirs can be visited. The gift shop is operated by the Friends of Kettle Moraine - Northern Unit. All proceeds support the forest.

# LAKES OF THE KETTLE MORAINE

The Kettle Moraine State Forest-Northern Unit has more than a dozen lakes and ponds — mostly kettles, but also two impoundments of the Milwaukee River.

The eight lakes listed below range in size from 477 acres (Long Lake) to less than seven acres, accounting for a total of 786 acres. A state park vehicle admission sticker is required at some boat landings.

Anglers of any age may check out basic fishing equipment free of charge at the Mauthe Lake and Long Lake recreation areas entrance stations, when open. This equipment was donated by the Tackle Loaner Program.

Several private vendors within the forest sell licenses, bait and other fishing supplies.

The primary fish species in these lakes include largemouth bass, bluegill, crappies and northern pike. Mauthe Lake and Long Lake recreation areas have fishing piers that are accessible to people who are mobility-impaired.

■ **Auburn Lake (Lake Fifteen)** — A medium-sized kettle lake, Auburn Lake provides a diverse fishery. A paved boat launch and trailer parking area are across from the Forest Headquarters entrance road. Access to launch is a narrow gravel road not suitable for large boat trailers. A local wake ordinance, posted at the landing, is in effect. State park vehicle admission sticker required.

Expect to catch: bluegills of average size; crappies - present, but generally not quality size; northern Pike - often found near outlet stream mouth and on north end across from boat landing; yellow bass - abundant, but small; and largemouth bass are present, some of quality size.

■ **Butler Lake** — Butler Lake is the smallest of the easily-accessible Kettle Moraine Lakes. It is a kettle lake with an emergent wetland fringe around most of the lake. The Ice Age Trail meanders through the Butler Lake area and there is a loop hiking trail system near the lake. Butler Lake is spring-fed and the water remains fairly cold and oxygenated.

There is a paved parking lot and gravel launch area for canoes or small rowboats. Gas motors are not

allowed. A water pump is available near the parking lot. State park vehicle admission sticker required.

Expect to catch: bluegills - small, but abundant; and largemouth bass - present and average in size.

■ **Crooked Lake** — This medium-sized kettle lake has relatively clear water and a diverse aquatic plant community. A gravel access road, boat launch and parking area are off of County Highway SS. The launch, suitable for canoes and small boats, is shallow and weedy.

Expect to catch: bluegills - common and average in size; yellow perch - common but small; crappies - population fluctuates widely with very good fishing some years; northern pike - present and average in size; and largemouth bass - present and of quality size.

■ **Forest Lake** — Forest Lake is a small kettle lake with a mostly-developed shoreline. A marked and fairly steep walk-in public access is off of County Highway GGG. The lake is only suitable for canoes, small rowboats or paddleboats. No motors are allowed.

Game fish, such as northern pike, walleyes, and bass, are catch and release only.

Expect to catch: bluegills - abundant, but small; crappies - present; northern pike - present, catch and release only; and largemouth bass - quality population, catch and release only.

■ **Kettle Moraine Lake (Round Lake)** — The second-largest lake in the area, Kettle Moraine Lake has relatively clear water. Many parts of the lake are weedy and shallow. There is no state forest access available, but the public can launch at Tiki Beach Resort on the east side. Obey the local wake ordinance posted at landing.

Expect to catch: bluegills - abundant, but few of quality size; yellow perch - present but generally small; crappies - present, quality size at times; northern pike - large population for a lake this size, commonly found in the 17-inch to 21-inch size range; walleye - present, some of quality size; largemouth bass - common and of quality size; and bullheads - bullhead fishing is the highlight of

Kettle Moraine Lake in summer.

■ **Lake Seven** — This small, mostly undeveloped kettle lake has clear water and a diverse aquatic plant community. It is historically known as a tremendous bluegill lake.

No gas motors allowed. Fairly shallow gravel boat launch for canoes and small rowboats.

Expect to catch: bluegills - abundant and of average size; and largemouth bass - very abundant, but small in size.

■ **Long Lake** — Long Lake is a three-mile long impoundment of the East Branch of the Milwaukee River. The lake has relatively clear water and is stocked by the DNR and the Long Lake Fishing Club. Heavy recreational use in the summer may make fishing difficult.

An accessible fishing pier and shoreline fishing opportunities are found in the Long Lake Recreation Area.

It has a developed boat launch and parking for more than 20 vehicles and trailers. The boat launch fills on summer weekends. Obey the local wake ordinance posted at landing. State park vehicle admission sticker required.

Expect to catch: bluegills - six- to seven-inches common in summer, best fishing along mid-depth weed lines and in deeper water on vegetated mid-depth flats; crappies - present; walleyes - present with some of quality size; northern pike - good population with some larger fish; largemouth bass - common in summer, the lake has a very good population with a nice size structure of fish available; and bullheads - one of the most popular summer fish to catch, especially near boat launch area.

■ **Mauthe Lake** — Mauthe Lake is a 78-acre impoundment of the East Branch of the Milwaukee River and is entirely within the state forest boundaries.

Accessible fishing pier, trail to dam, and shoreline fishing opportunities are within the recreation area. Paved launch for canoes and small boats. No gas motors allowed; electric trolling motors are allowed.

State park vehicle admission sticker is required.

Expect to catch: bluegills - abundant, but small; crappies - occasionally the highlight of the fishery; largemouth bass - common and of quality size; and northern pike - although not a large lake, some pike in the 30-inch range are caught.

George Hudsonm Fishing Tournament on September 17 and 18. For more information, go to [www.longlakefishingclub.com](http://www.longlakefishingclub.com).

■ **Dundee Sportsman's Club Chili Cook-Off and 20 Gun Raffle** — The Dundee Sportsman's Club will host the Chili Cook-Off and 20 gun raffle on Saturday, Dec. 11. Check their website at [www.dundeesportsmensclub.com](http://www.dundeesportsmensclub.com).

■ **Long Lake Fishing Club's Fisheree** — The Long Lake Fishing Club holds a winter Fisheree in February. It is always held on a Saturday. The 2022 event will be Saturday, Feb. 29. Check the website at [www.longlakefishingclub.com](http://www.longlakefishingclub.com) for more information.

Registration for the Long Lake Fisheree will be from 6 a.m.-4 p.m. A huge winter raffle drawing is also held in conjunction with the fisheree.

■ **Campbellsport Jaycees Fisheree** — The Campbellsport Jaycees hold a childrens' fisheree every year. It is always on the first Saturday of February. In 2022, the Kids' Fisheree will be held on Saturday, Feb 5, on Lake Bernice, near the Sandpiper Inn.

Children and their parents can head out to Lake Bernice, near the Sandpiper Inn, for the event. The children go out and learn how to ice fish and see what they can catch. Prizes are awarded at the end of the event.

■ **Dundee Sportsman's Club All-Lake Fisheree** — The Dundee Sportsman's Club will host the annual All-Lake Fisheree on Saturday, Jan. 15. This fisheree is open to everyone and you can fish on any lake in the area. Check their website at [www.dundeesportsmensclub.com](http://www.dundeesportsmensclub.com) for more information.

Fisherman can fish all day and then bring their catch to the Dundee Sportsman's Club, on Highway 67, to be measured. The winners are awarded at the end of the event.

■ **Long Lake Fishing Club's Snow Golf Tournament** — The Long Lake Fishing Club will host the Sno Golf event on Saturday, Jan. 29. As long as ice conditions allow, members of the club set up a small nine-hole golf course on Tittle Lake in front of Benson's Hide-A-Way.

Partial holes are drilled in the ice. Participants use their normal golf clubs, irons only, and a tennis ball.

For more information, check out the club's website at [www.longlakefishingclub.com](http://www.longlakefishingclub.com).

■ **Dundee Sportsman's Club Rabbit Hunt** — The Dundee Sportsman's Club will host the annua rabbit hunt on Saturday, Feb. 19. Check their website at [www.dundeesportsmensclub.com](http://www.dundeesportsmensclub.com).

# SNOWMOBILE TRAILS IN THE KETTLE MORAINE AREA

The state forest has a 60-mile network of snowmobile trails which join to county and private trails connecting to adjoining towns and villages. Trails are groomed by four local snowmobile clubs under contract with the state forest. These snowmobile clubs are Crooked Trails, Greenbush Trail Blazers, Kewaskum Sno Chiefs, and New Fane Kettle Riders.

See the current conditions page on the Northern Kettle Moraine State Forest's portion of the Department of Natural Resources website to check trail conditions and to make sure trails are open. You can also check any of the websites for the Fond du Lac County, Sheboygan County or Washington County Snowmobile Associations.

Note: Any person who is born on or after January 1, 1985, and will be operating on public land, must have completed and received a snowmobile safety certificate in order to operate a snowmobile in Wisconsin. The certificate must be carried while operating the snowmobile, and displayed to a law enforcement officer upon demand. A parent, guardian, or person 18 years old or older must accompany any child under age 12 on the same snowmobile when operating on public areas.

Fond du Lac County's snowmobile trail system consists of approximately 297.3 miles of groomed snowmobile trails on privately owned land. Of this 297.3 miles approximately 50 miles is located on abandon railroad corridors. These state-funded trails crisscross Fond du Lac County establishing a network of snowmobile trails for users to enjoy.

For updates on local snow conditions check the Fond du Lac County Snowmobile Association website at [fdlsnowmobileassn.com](http://fdlsnowmobileassn.com) or call 920-929-6840.

Washington County has 186 miles of snowmobile trails. For more information on Washington County snowmobile trails and trail conditions, check out the Washington County Snowmobile Association's website at [www.wcasc.org](http://www.wcasc.org) or calling 262-334-6061.

Snowmobile trail maps are available at local businesses. Ride safely!

The Eisenbahn Trail is a main trail to ride in Washington and Fond du Lac Counties. Rules for

the Eisenbahn Trail include:

- Speed limits for ATV and snowmobiles in the Village of Kewaskum is 10 miles per hour.
- All users must display valid state stickers.
- ATVs are limited to and must stay on the straight 16-foot wide groomed trail They must not trespass on any snowmobile trail, farm access road or road crossing leaving the trail. No entry is allowed other than at Lighthouse Lanes or the Kewaskum BP Station.
- All state ATV and snowmobile laws apply.

- All town ordinances apply. The Village of Kewaskum excludes ATV use from 2 a.m.-6 a.m.
- All county park rules apply except for hours of operation.

Sheboygan County also has a lot of trails throughout the county and joining the Kettle Moraine State Forest. You can find out more information by going to [www.nkmsnow.com](http://www.nkmsnow.com).

This website will give you a list and contact information for the local clubs. You can also find a map on this website.

# WINTER ACTIVITIES AROUND IN THE KETTLE MORAINE

The Kettle Moraine State Forest is a beautiful place to visit and the fall and winter seasons are no exception. It has so many activities for everyone.

You can start out in the fall months with a hike through the many trails in the forest. As the temperatures start to go down, the colors in the forest really come out. A hike through the trails will be beautiful with all the yellows, oranges and reds you will see in the trees and the shrubs. Don't forget to climb Parnell Tower to get a beautiful look at most of the forest.

The winter months may be cold with lots of snow, but there are still many outdoor activities for you and your family in the Kettle Moraine Forest and surrounding areas. You can go ice fishing, snowmobiling, showshoeing, skiing and golfing in the snow.

## Snowmobiling

One of the many fun activities in the winter is snowmobiling. Lots of trails for snowmobiles can be found around the forest and in the forest.

The state forest has a 60-mile network of snowmobile trails which join to county and private trails connecting to adjoining towns and villages. Trails are groomed by four local snowmobile clubs under contract with the state forest. These snowmobile clubs are Northern Kettle Moraine Crooked Trails, Greenbush Trail Blazers, Kewaskum Sno-Chiefs, and New Fane Kettle Riders.

Trails around the forest are kept nicely during the winter months and provide lots of opportunities for snowmobiling in the area. Trails around the forest are groomed by the following clubs: Campbellsport Sno-Cougars, Dotyville Drifters, Eden Sno Birds, New Fane Kettle Riders, Northern Kettle Moraine Crooked Trails, Kewaskum Sno-Chiefs, Kettle Moraine Snowmobile Club, Plymouth Snow Rangers, Cascade Apollo Riders, Greenbush Kettle Moraine Trailblazers, and Beechwood Night Fliers.

The opening and closing of snowmobile trails is at the discretion of each county. Snowmobile trails that cross DNR lands are opened and closed consistent with the surrounding county (or counties). Whenever possible, the opening and closing of snowmobile trails is done on a county-wide basis; however, localized conditions may require localized trail opening and closing.

It is the responsibility of the county to provide

notification about the status of snowmobile trails. The Travel Wisconsin Snow Conditions Report, and local club and county snowmobile webpages and telephone hotlines will provide the most current information.

Note: Any person who is born on or after January 1, 1985, and who has reached the age of 12, must have completed and received a snowmobile safety certificate in order to operate a snowmobile in Wisconsin. The certificate must be carried while operating the snowmobile, and displayed to a law enforcement officer upon demand. A parent, guardian, or person 18 years old or older must accompany any child under age 12 on the same snowmobile when operating on public areas.

You can check the Fond du Lac County Snowmobile Association's website at <http://fdlsnowmobileassn.com/> for more information on the county trails and conditions. Sheboygan County information and maps can be found at [www.nkm-snow.com](http://www.nkm-snow.com) or by calling 920-459-3060 for map and 920-892-7455 for trail conditions. For Washington County information, call 262-334-6061 or check the Kewaskum Sno-Chiefs website at [www.kewaskum-sno-chiefs.com](http://www.kewaskum-sno-chiefs.com) to get more information.

## Skiing

Skiing is a great winter activity that can not only be fun, but also great for physical fitness. You can either cross country ski in the area or try your luck at downhill skiing.

**Cross Country** — Wisconsin's state parks and forests take on a special beauty during winter. Enjoy the winter scenery, get healthy exercise and have some fun by cross-country skiing on hundreds of miles of ski trails. Many clubs, ski teams and youth programs use Wisconsin's parks and forests to practice for events such as the American Birkebeiner and several properties schedule candlelight nights during winter.

Ski trail conditions at Wisconsin State Park System properties are updated during the winter ski season on the department website at <https://dnr.wi.gov/TrailConditions/>.

At the Greenbush recreation area a total of 25 miles of machine-groomed cross-country ski trails are provided for diagonal and skate skiers. Pets and hiking are not allowed on ski trails. There is also a warming shelter available.

The 1.2-mile Brown Loop at Greenbush is lighted for night skiing. The trail lights can be activated by skiers nightly between 4:30 p.m. and 10 p.m. A heated log shelter house, a sledding hill, and nine miles of snowshoe trails also are open to the public at the Greenbush Recreation Area.

Volunteers from the Northern Kettle Moraine Nordic Ski Club (NKMNSC), in cooperation with the state forest, regularly machine groom the ski trail system for diagonal and skate skiing. For more information on trail conditions and the NKMNSC, call the club's trail hotline (920) 467-2099, or visit its web site at [www.greenbushusa.com](http://www.greenbushusa.com).

More than 11 miles of cross-country ski trails are available at the Zillmer Trail Area. Forest staff regularly machine groom the trails for diagonal and skate skiing. For current ski trails conditions in southeastern Wisconsin including Zillmer visit the Friends of Lapham Peak Web site. There is also a warming shelter.

A total of 7.7 miles of ungroomed cross-country ski trails are available at New Fane.

**Downhill** — A couple of options are available in the area for downhill skiing.

You can go to Sunburst Ski Area in Kewaskum. It is a great hill for skiing and snowtubing. You can go to [www.skisunburst.com](http://www.skisunburst.com) for more information or call 262-626-8404.

You can also try Little Switzerland in Slinger. For more information on this hill, you can go to [www.littleswitz.com](http://www.littleswitz.com) or call 262-644-5020.

In Plymouth, you could try Nutt Hill. Follow Main Street to the top of the hill. This hill is opened when there is 10-12 inches of natural snow on the ground and has a heated shelter. You can call 920-207-SKII (7544) for current information on this hill.

## Hiking & Snowshoeing

Hikers and snowshoers may explore several miles of trails that are not groomed for skiing. The following trails are recommended for winter hiking and/or snowshoeing: Greenbush and New Fane snowshoe trails; Moraine Nature Trail - .75 miles, easy to intermediate; Tamarack Nature Trail - 2 miles, easy; Parnell Trail - 3.5 miles, intermediate to difficult; Butler Lake Trail - 3.1 miles, easy to intermediate; Ice Age National Scenic Trail - 31 miles, intermediate to difficult.

Pets are prohibited on designated nature trails.

# PETS CAN ENJOY THE KETTLE MORAINE AT SUGGESTED AREAS

Staff at the Kettle Moraine State Forest-Northern Unit often receive questions asking whether pets are allowed in the area.

Pets are permitted in all campgrounds, most trails, roads and outlying areas. Mauthe Lake and Long Lake Recreational Areas provide designated pet picnic areas for pet owners. Buildings, picnic, beach areas, playgrounds, marked "nature" trails and cross-country ski trails are off limits to pets,

except disability service animals. Pets must be on a leash no longer than eight feet, under control and attended at all times, unless in a designated area that allows pets to be off-leash.

The forest has two areas designated as dog training areas. Dog training means teaching a dog to retrieve, point, flush and/or track game for the hunting or dog trail competition. The wet dog training area, on Division Road just south of

County Highway F, is recommended for water skills training; while the dry dog training area, on County Highway U just east of County Highway A, should be used for developing upland bird skills. Consult Wisconsin dog training and trialing or contact forest headquarters to determine if a permit is required for the type of training you plan to do.

The Kettle Moraine State Forest-Northern Unit is a beautiful place to visit during the fall months when the leaves are turning colors. There are miles of trails in the area to hike and take in the beautiful scenery. When the winter months area here, many use the trails for skiing and some for snowmobiling. There is always something to do, no matter what season, in the Kettle Moraine. **PHOTOS BY ANDREA HANSEN ABLER**

## FOR THE HORSERIDERS

The Northern Kettle Moraine Horse Trail Association (NKMHTA) was established in 2003 to provide area equestrians an opportunity to make an impact working with the Wisconsin Department of Natural Resources preserving, improving, and developing equestrian facilities in the Northern Kettle Moraine State Forest.

The Northern Kettle Moraine State Forest is dedicated to serving horseback riders and is known throughout Wisconsin as one of the most beautiful natural areas.

Trails are designated for horseback riders but you may see some hikers. Vehicle passes are required and trail passes are required for all riders 16 years and older. Trails get muddy and slick when wet. Riders are urged to wait four to six hours after rain to ride.

### New Prospect Horseriders' Campground

In the family camping area, each site has a picnic table, fire ring and a 30-by-30-foot graveled area with picket posts and/or pipe corrals where horses are to be kept. The camp area has one drinking water source, an open air picnic shelter, vault toilet, covered stable with 24 box stalls and manure pits. There is no shower facility in the campground.

In the group camp area, each site has a drinking water source, fire ring, four picnic tables and a manure pit. Group sites A and C each have nine, 10-by-10-foot metal pipe corrals. Group Site B has two tether post areas and 12 pipe corrals. The group camp has a vault toilet. No more than 20 people may occupy a group site.

Campers are responsible to place

all hay and manure in the manure pits which are located throughout the campground; wheel barrows and forks are provided. Horses are to be kept in designated areas to protect the green space of the campground.

The campground is centrally located in the state forest and provides easy access to the 33-mile bridle trail which traverses the length of the forest. There also are two loop trails, the 2.5-mile Crooked Lake Loop and the four-mile Forest Lake Loop. All horse riders 16 years and older must have a state trail pass while using the designated bridle trails in the state forest.

The campground opens the first weekend in May and closes the last weekend in October.

### Bridle Trails

Equestrians can enjoy 41 miles of bridle trails which are traditionally open late April through mid November depending on trail conditions.

The main bridle trail winds the linear length of the forest for 33 miles. Two loop trails, Crooked and Forest Lake, provide shorter routes totaling more than seven miles.

Trails are rolling with a few steep hills, some rocky places, well-maintained and generally kept clear of debris.

Volunteers from the Northern Kettle Moraine Horse Trail Association, in cooperation with the state forest, partner working on projects and special events to enhance the horseback riding experience in the state forest.

For more information, go to the Northern Kettle Moraine Horse Trail Association's website at [www.nkmhta.org](http://www.nkmhta.org).

# VISIT THE KETTLE MORaine NORTHERN UNIT

The Kettle Moraine State Forest – Northern Unit owes its unique landscape to glaciers of the Wisconsin Stage of the last Ice Age, which ended approximately 10,000 years ago.

## Geological History

Some 20,000 years ago, two lobes of a great ice sheet met along a line extending northeast from Richmond in Walworth County through the Oconomowoc Lake country to Kewaunee County. One lobe moved down what is now the Green Bay-Lake Winnebago area. Spreading under tremendous pressure, the two lobes met and in the encounter, large blocks of ice were broken off and buried in the glacial deposit or till. As the ice melted, “kettles” were formed, some only a few yards across, others 100 to 200 feet deep.

The ice moved under great pressure, changing shape rather than sliding across the face of the land. As it changed shape, large amounts of rock, gravel, sand and silt were picked up and carried along by the glacier. When the ice melted, this material was deposited, in some instances, across glacier-formed valleys. Some “kettles” were formed this way.

The Kettle Moraine is an area of varied topography — parallel, steep-sided ridges, conical hills and flat outwash plains, mostly composed of sand and gravel. Many of the conical hills are conspicuous. Holy Hill reaches an elevation of 1,361 feet above sea level and some 340 feet above the stream valley to the east. Sugar Loaf or Pulford Peak (elevation 1,320 feet) is 320 feet above Pike Lake. Lapham Peak (elevation 1,233 feet), where there is a picnic area and observation tower, is 343 feet above Nagawicka Lake.

Similar detached sand and gravel conical hills, called kames, characterize the moraine throughout much of its extent. Some of these kames are cones formed beneath the glacier by surface streams which fell through holes in the ice. The undulating level-topped, narrow ridges called eskers were probably deposits in open cracks (crevasses) in the ice. In some areas the outwash terraces are pitted due to the melting of buried ice masses.

The Kettle Moraine area rises to 300 or more feet above the lands to the east and west yet is not a continuous divide. Maximum thickness of the drift is not known because few wells reach bedrock. It is possible that the drift reaches a thickness of 500 feet in some places.

Limestone underlies much of the Kettle Moraine. This formation is 450 to 800 feet thick and dips gently eastward. Its western edge or escarpment extends from Washington Island to the Illinois line near Walworth. It lies 20 miles to the west of Kettle Moraine at Greenbush, is completely covered by the moraine in the Waukesha County area, and is eight miles east of the moraine at Elkhorn. Because of the cover of drift, there are few outcrops in the moraine.

Lakes, of several origins, add greatly to the at-

tractiveness of the Kettle Moraine. With the exception, of Pewaukee Lake, which lies in a preglacial valley blocked on the west and east by drift, all lakes in the Oconomowoc area occupy kettles. Long Lake, Big Cedar Lake and Elkhart Lake occupy preglacial valleys between morainic ridges. These valleys were probably occupied by ice blocks and escaped being filled by glacial drift.

## State Forest History

After the period of glaciation, most of the highland surface became forested with fine hardwood timber and the swampy or low areas with softwoods.

Before the 17th century, small bands of roving Indians inhabited the area. With exploration and development of the area during the 18th and 19th centuries by the white settlers, a great change took place.

Fifty percent or more of the land in the northern Kettle Moraine was cleared and turned into farms. Sixty to 70 per cent of the land in the southern Kettle Moraine was farmed. A substantial proportion of the cleared land was submarginal.

Over the years plantings of conifers, such as white and red pine and spruce, have been made in all units of the forest. The pine and spruce will convert to northern hardwood species of maples, cherry, ash and basswood.

With the increase in Wisconsin's population, particularly in the southeastern 16 counties, the need for a large acreage devoted to public outdoor recreation and forestry became evident as early as 1920.

In the 1920s, there were horrific floods in the city of Milwaukee and the city's population was rapidly growing. A group of foresighted people thought that if they could protect the headwaters of the Milwaukee River, this would help reduce the flooding in Milwaukee. They also wanted to provide a large tract of public land for Milwaukee's growing population.

After almost a decade, legislation along with funding became available for the creation of the Kettle Moraine State Forest. In 1936, the Conservation Congress (predecessor to the Department of Natural Resources) acquired 850 acres around Moon Lake (now Mauthe Lake) from the Milwaukee Chapter of the Izaak Walton League. This marked the start of the Northern Unit. Today, the Northern Unit encompasses nearly 30,000 acres within its 36,000 project boundary.

In the 1950s a lawyer from Milwaukee, Ray Zillmer, began a campaign to bring his dream of a National Park protecting the glacial features of Wisconsin to life. With the help of his friends, Congressman Henry S. Reuss and Senator Gaylord Nelson, his dream came to fruition with the creation of the Ice Age National Scientific Reserve and the Ice Age National Scenic Trail. On a sad note, Ray Zillmer died before he could see the creation of the reserve and the Ice Age Trail.

A 1964 Act of Congress established the Ice Age

National Scientific Reserve to “assure protection, preservation, and interpretation of the nationally significant values of Wisconsin continental glaciation... and other reminders of the ice age.” The reserve consists of nine units scattered throughout the state and the northern 20,000 of the Northern Unit is one of those reserves. Each reserve site protects a unique glacial feature. The Northern Unit contains some of the finest features of continental glaciation in the state and the world including the interlobate moraine, kame fields, eskers, dry and wet kettles and crevasse fills.

In 1980 the Ice Age Trail was designated as a National Scenic Trail and later as a State Scenic Trail. The trail follows the southern extent of the last glaciers in the state of Wisconsin and is the only National Scenic Trail that is found entirely in only one state. Today about sixty percent of the 1000 mile trail is now complete. The nucleus of the Ice Age National Scenic Trail was the 30-mile “Glacial Trail” that ran through the Northern Unit from north to south.

The Northern Unit's glacial features set the ground work for wide diversity of biological communities and the geographical position of the forest adds to this diversity. The Northern Unit is situated along the “tension zone” which runs in a diagonal path from near Eau Claire to northern Milwaukee. The tension zone marks where the northern forest meets the southern and eastern forest, and the prairies and oak savannahs of the south and west.

A person traveling through the area will encounter such natural communities as northern red oak forests, eastern hardwoods with beech trees, cedar swamps, flood plain forests, kettle wetlands, remnant prairies and northern bogs. The Northern Unit also supports one of the largest intact forests in southeast Wisconsin. This wide array of communities leads to rich diversity of plant and animal life including many threatened and endangered species and species of special concern. Twelve areas within the forest have been set aside as State Natural Areas protecting ten biological communities that were not or slightly disturbed by European settlement and two outstanding geological landmarks.

Today, it takes a team of managers and forest staff to manage all the resources found in the Northern Unit from forestry to fisheries, wildlife, endangered resources and water resources. But, the number one management goal is providing outdoor recreational opportunities with minimal conflicts for the nearly 900,000 annual visitors to the forest. People come to the Northern Unit to participate in a plethora of outdoor pursuits including hiking, hunting, camping, picnicking, swimming, horseback riding, snowmobiling, snowshoeing, cross-country skiing, fishing (year-round), canoeing, boating, geocaching, backpacking, wildlife observing, off-road biking, dog training, spirit renewing, and learning.

# DUNDEE FALL COLOR CAR AND CRAFT SHOW

Get ready to “Fall into Fun” when the Dundee Annual Fall Color Car and Craft Show kicks off at the Dundee Sportsman's Park on Saturday Oct. 9, 10 a.m. to 3 p.m.

Automotive enthusiasts of all kinds are invited to come out and enjoy a day. The family-friendly free event features something for everyone — including great craft, gift and goody vendors inside. Food and beverages from 10 a.m.-3 p.m. Plenty of free parking is available directly on the grounds.

Car registration is from 10 a.m.-12 p.m. Awards

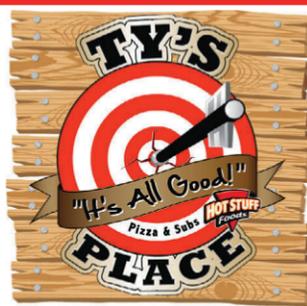

and cash prizes in various categories for the registered old classics, hot rods, muscle, trucks, custom, etc. The event is jointly hosted rain or shine by the Dundee Sportsman's Club and the Long Lake Preservation Association. The admission is free.

You can locate the Dundee Sportsmen's park pavilion across from the Exxon gas station in Dundee. Just follow the banners in the area. The address is 3019 Highway 67, Campbellsport.

Everyone is welcome at this free event. Come

and enjoy the day while supporting the local clubs in and around Dundee. Hope to see you there! To learn more, please visit us at <http://longlakepreservation.org/car-show.php>.

The clubs will be accepting greatly appreciated donations. The funds generated will be used to continue with the clubs goals that benefit the community. You can learn more about the club, its goals, and fund raising events at [www.dundeesportsmensclub.com](http://www.dundeesportsmensclub.com) or [www.longlakepreservation.org](http://www.longlakepreservation.org).

# HOLIDAY HAPPENINGS AROUND THE KETTLE MORAINE

The holidays are always a great time of the year and this is no different around the Kettle Moraine State Forest and surrounding communities. Lots of fun activities can be found.

## HALLOWEEN

**Halloween Fall Fest** — The fun starts in October with Halloween. The state forest is hosting a Halloween Fall Fest. Celebrate all the fun of fall at the first annual Halloween Fall Fest and celebrate the creatures of the night!

From 3 p.m.-6 p.m., check out the tools and equipment used by DNR wardens and rangers. Carve a pumpkin with your most clever design, which will be judged on theme and creativity at 5:30 p.m. Enter the costume contest at 6 p.m. Meet Smokey Bear.

Traverse the trail through the autumn woods (lighted after dark) where you will encounter stations highlighting nocturnal animals. Join the fun around a roaring fire while enjoying tasty treats from local food truck vendors and toe-tapping live music.

In the event of severe weather, the event will be canceled. Bring the whole family for a grand fall day of fun-filled activities.

**Trick or Treat** — Every community in the area will have Trick or Treating for the kids at Halloween. Many in the area will be held on either Saturday, Oct. 30, or Sunday, Oct. 31, but you will need to double-check with each municipality to

confirm the correct day and time.

## CHRISTMAS

**West Bend Christmas Parade** — The City of West Bend hosts its Christmas parade on Sunday, Nov. 28, at 5 p.m. Enjoy the second oldest Christmas Parade in Wisconsin as it winds its way from Regner Park through historic Downtown West Bend to Badger Middle School. A West Bend tradition, for more information please visit [www.westbendchristmasparade.com](http://www.westbendchristmasparade.com)

**Kewaskum Holiday Parade** — The Village of Kewaskum hosts a Christmas parade every year. The event will take place on Sunday, Dec. 5, at 5 p.m.

It will have many floats, music and treats for the kids. The parade culminates in the lighting ceremony for the village Christmas tree.

**Dundee Mill & Park Love Light Tree** — The Dundee Mill & Park hosts a Love Light Ceremony every year. The event is usually the second or third Saturday in December. The mill opens at 3 p.m., with the tree lighting ceremony at 4 p.m. Check with the Dundee Mill and Park for a specific date.

Before the event, you can purchase "Love Lights" in memory or honor of a loved one, yourself, or victim of our country's turmoil. These lights will be lit throughout the holiday season outside of the mill.

Tours will be given during the event. All proceeds raised at this and the many other events throughout the year will go towards painting the Mill in the

next year.

**Breakfast with Santa** — A Breakfast with Santa is held every year in the Village of Eden. It will be held this year on Saturday, Dec. 18.

Kids can meet Santa at the Helena Feed Mill, corner of Highways 45 and B, at 8:30 a.m. and walk with him to the Eden Fire Station. At the station, the entire family can enjoy breakfast and the children can talk to Santa and have their picture taken with him.

## EASTER

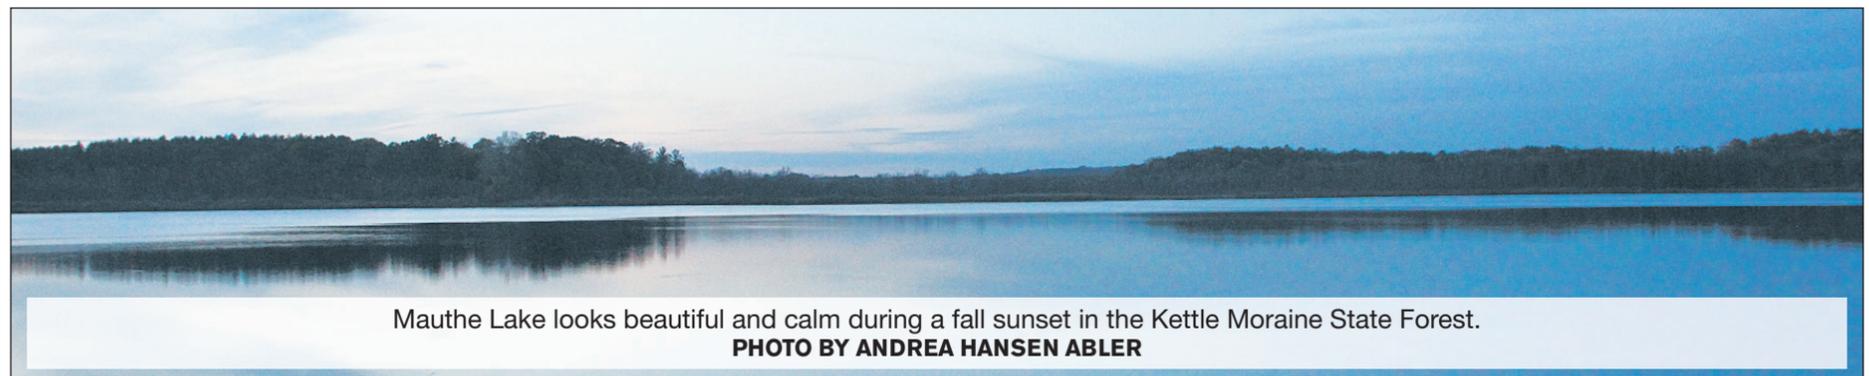

**Dundee Mill & Park Easter Egg Hunt** — Every year on the Saturday before Easter, the Dundee Mill & Park hosts an Easter Egg Hunt on its grounds. In 2021, it will be held on Saturday, April 16, at 1 p.m.

Children can come out to the Mill and look throughout the park for hidden eggs.

**Campbellsport Easter Bag Hunt** — The Campbellsport Area Chamber of Commerce hosts an Easter Bag hunt every year on the Saturday before Easter. This year it will be held on Saturday, April 16, at 1 p.m.

Children of all ages can meet in the National Exchange Bank parking lot. They will receive an egg with a number on it and then will walk around to the businesses in town to find the one who has his/her bag of goodies.

*\*Because of the ongoing Coronavirus pandemic, please double-check on these activities before heading to one of them. Some events might be modified because of COVID.*

Mauthe Lake looks beautiful and calm during a fall sunset in the Kettle Moraine State Forest.

# TRAILS IN THE KETTLE MORAINE

One of the great things about the Kettle Moraine State Forest-Northern Unit is the many trails that are available within the forest. You can walk, bike, picnic, ride horses and have a lot of fun on these trails.

There are several miles of hiking trails within the forest. The Ice Age National Scenic Trail travels for 31 miles through the length of the forest. Hiking is also available at the Greenbush recreation area (13.5 miles), New Fane loop system trails (7.7 miles), Zillmer loop area (11.4 miles), Butler Lake loop (3 miles), Parnell Tower loop (3.5 miles), Tamarack loop (2 miles) and the Lake to Lake Bike Trail (6.5 miles).

Pets are allowed on all hiking trails except the nature trails, as long as they are on a leash eight feet or shorter at all times.

■ **Butler Lake Loop:** On Butler Lake Road, 1.5 miles east of the Long Lake Recreation Area, the Butler Lake Trail winds more than three miles through the 158-acre Butler Lake and Flynn's Spring State Natural Area.

A portion of the loop trail is shared with the Ice Age Trail. Interpretive displays are set at the base of the esker and overlook Butler Lake. A picnic table, grill and drinking water are at the trail head.

■ **Greenbush Recreation Area Trails:** On Kettle Moraine Drive, 2.5 miles north of State Highway 67, the Greenbush recreation area has two trail systems: four loops of challenging mountain bike trails totaling nine miles, interwoven with five loops of hiking trails totaling 13.5 miles.

Hikers and off-road mountain bikers share this multiple-use trail system in season. For safety reasons, these trails are use-specific: hiking is not allowed on the bike trails and biking is not allowed on the hiking trails.

A heated picnic shelter, picnic tables, grill, drinking water and vault toilets are near the trail head. There is also access to the Ice Age Trail.

A state trail pass is required for all bike riders and skiers age 16 and over.

■ **Ice Age National Scenic Trail:** About 31 miles of the Ice Age National Scenic Trail travels

The Parnell Tower is a popular place to visit in the Kettle Moraine State Forest. There are miles of walking trails around the tower to enjoy.  
PHOTO BY ANDREA HANSEN ABLER

the length of the forest. The moderate to difficult course follows sinuous eskers and tumbled moraines descending into bogs and deep kettles.

Five rustic backpack shelters are reservable for camping along the trail. The Ice Age Trail includes various portions of other forest trails.

The Ice Age Trail is a National Scenic Trail located entirely within Wisconsin. The trail is also one of 42 designated Wisconsin State Trails, and the only one specifically designated as a "State Scenic Trail." From Interstate State Park on the Minnesota border to Potawatomi State Park on Lake Michigan, the Ice Age Trail winds for more than 1,000 miles, following the edge of the last continental glacier in Wisconsin.

One of only 11 National Scenic Trails, the Ice Age Trail is intended to be a premier hiking trail and conservation resource for silent sport and outdoor enthusiasts. The trail traverses some of Wisconsin's most scenic landscapes and helps tell the story of the last Ice Age by highlighting Wisconsin's unique glacial features.

■ **Lake to Lake Bike Trail:** This 6.5-mile limestone surfaced trail connects the Mauthe and Long Lake recreation areas and passes by the village of Dundee.

This gentle trail winds through hardwood forests, prairies, conifer plantations, and lowland swamps. The trail includes a boardwalk over low areas east of Dundee Mountain.

■ **Moraine Nature Trail:** This 0.75 mile, easy nature-trail loop begins at the Ice Age Visitor Center. A self-guided booklet links to the numbered posts along the trail and identifies the common trees of the Kettle Moraine.

Picnic tables are available at the trail head. Pets are not allowed on this trail.

■ **New Fane Loop System:** On County Line Road, 1.5 miles east of Kettle Moraine Drive, the New Fane area has two trail systems: four loops of moderately-challenging mountain bike trails totaling 5.5 miles, interwoven with four loops of hiking trails totaling 7.7 miles. A short connector trail allows access to the Ice Age Trail (bikes are not al-

Connecting People & Wildlife

**Mon-Fri 9am - 4pm Weekends 10am-4pm**

# TRAILS IN THE KETTLE MORAINE

lowed on the connector trail).

Hikers and off-road mountain bikers share this multiple-use trail system in season. For safety reasons, these trails are use-specific; hiking is not allowed on the bike trails and biking is not allowed on the hiking trails.

An open-air reservable shelter is located near the trail head and drinking water and vault toilets are available year-round. A state trail pass is required for all bike riders age 16 and over.

■ **Parnell Tower Loop:** On County Highway U, one-quarter mile west of County Highway A, the Parnell Tower Trail begins its 3.5-mile loop with a series of steps leading to the highest point of elevation in the forest. There a 60-foot observation tower rises above the treetops for a birds-eye view of the glacial landscape.

The trail follows the Ice Age Trail near a rustic backpack shelter reservable for camping. Picnic tables, grills, drinking water and vault toilets are adjacent to the trailhead.

■ **Spruce Lake Bog Trail:** This 0.25-mile, easy boardwalk trail takes visitors through a unique open-lake bog community to Spruce Lake. This site was designated as a National Natural Landmark by the National Park Service and one can expect to see sundews, pitcher plants and other rare plant species.

Visitors are requested to stay on the boardwalk, due to the fragile nature of the habitat and the presence of poison sumac.

■ **Summit Trail:** Accessed from the Long Lake Campgrounds (upper 900s loop), the Summit trail is a one-mile nature trail loop which scales Dundee Mountain. Glacial geology interpretive signs mark this challenging trail to the top of the highest kame in the forest, with panoramic views of the Campbellsport drumlins and other ice age topography.

Pets are not allowed on this trail.

■ **Tamarack Loop:** This trail can be accessed near the forest headquarters off County G or from the Mauthe Lake recreation area off County GGG. This two-mile nature trail is entirely within the

Mauthe Lake looks beautiful and calm during a fall sunset in the Kettle Moraine State Forest.

PHOTO BY ANDREA HANSEN ABLER

Mauthe Lake Refuge and loops around the lake.

This area is closed to hunting and pets are prohibited on the trail. Flush toilets are available year-round on the headquarter's side.

■ **Wade House Access Trail:** A 1.7-mile linear trail that connects the Old Wade House State Historical site in Greenbush to the Ice Age Trail. The trail travels through hardwood forests, a meadow and the Kettle Moraine Red Oaks State Natural Area.

Limited parking is available at the Wade House parking lot (no overnight parking). Walk one block east on Washington Street to the trail head.

■ **Zillmer Loop System:** On County Highway SS, one-quarter mile west of County Highway G, the Zillmer Trail Area consists of four loop trails for a total of 11 miles. The south trail head has a heated shelter, vault toilets, picnic tables, grills and drinking water.

Visitors can also access the trail from the Ice Age Visitor Center. A rustic backpack shelter is reservable for camping along the trail from April through November.

■ **Bridle Trails:** Equestrians enjoy 41 miles of

bridle trail which are traditionally open late April through mid November depending on trail conditions. The main bridle trail winds the linear length of the forest of 33 miles. Two loop trails, Crooked and Forest Lake, provide shorter routes totaling seven miles.

A state trail pass is required for riders 16 and older. See the current conditions page on the DNR website and/or call ahead to check trail conditions and to make sure trails are open.

■ **Eisenbahn Trail:** The Eisenbahn Trail, which opened in 2006, runs from West Bend, in Washington County, to Eden in Fond du Lac County. The trail is on an old railroad track. It is paved through West Bend and unpaved the rest of the way.

The trail has kiosks placed along the way. These serve as markers for information on the area. Trail users can also rest on benches placed by various service organizations.

*\*Pets allowed on designated trails and must be on a leash (no longer than eight feet long).*

■ **Snowmobile Trails:** The state forest has a 60-mile network of snowmobile trails which join to county and private trails connecting to adjoining towns and villages. Trails are groomed by four local snowmobile clubs under contract with the state forest. These snowmobile clubs are Northern Kettle Moraine Crooked Trails, Greenbush Trail Blazers, Kewaskum Sno-

Chiefs, and New Fane Kettle Riders.

See the current conditions page on the DNR website and/or call (920) 892-7455 to check trail conditions and to make sure trails are open.

Note: Any person who is born on or after January 1, 1985, and who has reached the age of 12, must have completed and received a snowmobile safety certificate in order to operate a snowmobile in Wisconsin. The certificate must be carried while operating the snowmobile, and displayed to a law enforcement officer upon demand. A parent, guardian, or person 18 years old or older must accompany any child under age 12 on the same snowmobile when operating on public areas.

# EDUCATIONAL CALENDAR

■ **Friday, September 3** — Sensational Seeds Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. From as tiny as a dust fleck to larger than a softball, seeds come in all shapes and sizes. Unearth how seeds help plants to grow and thrive. This hour of nature fun awaits three- to six-year olds with accompanying adults.

■ **Saturday, September 4** — Saturday Morning Secret Finders at the picnic shelters at the Mauthe Lake and Long Lake recreation areas, 10 a.m.-11 a.m. Calling all youth to discover secrets of nature by participating in the Wisconsin Explorer program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8 and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from the books.

■ **Saturday, September 4** — Marvelous Mammals Drop-In at the Beach at the Mauthe Lake recreation area beach, 1 p.m.-4 p.m. What do humans have in common with bears, bats, mice and deer? We're all mammals! Find out what characteristics mammals share and how they're adapted for survival. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

■ **Saturday, September 4** — Celestial Sights of the Summer Sky Summer Saturday Evening Event at the Ice Age Visitor Center, 7:30 p.m.-8:30 p.m. Lazy summer nights are perfect for stargazing, but there's more up there than meets the eye! With Jeff Setzer, Northern Cross Science Foundation member, discover how to find fantastic planets, amazing stellar nurseries and spectacular star clusters in the summer sky during this family-oriented presentation. Learn how to use a basic star chart (provided free at the event) and then put your new knowledge into action by looking through large telescopes (weather permitting). This program is best for everyone over 12 years old.

■ **Saturday, September 4** — Summer Star Gazing Summer Saturday Evening Event at the Ice Age Visitor Center, 8:45 p.m.-11 p.m. Look through a telescope or binoculars to bring into focus the wonders of the night sky. With the help of experienced night sky observers from the Northern Cross Science Foundation, spy distant planets, dumb-bell nebulas, globular clusters and so much more. The program will be held only if the skies are clear. This program is best for anyone more than 8 years old. Drop in any time and stay as long as you like.

■ **Sunday, September 5** — Marvelous Mammals Drop-In at the Beach at the Long Lake recreation area south beach, 12 p.m.-3 p.m. What do humans have in common with bears, bats, mice and deer? We're all mammals! Find out what characteristics mammals share and how they're adapted for survival. Everyone is invited to drop in for a few minutes or

Hiking the trails of the Kettle Moraine State Forest is a very popular activity during the fall months. As the leaves change colors, it is a beautiful time to take a hike on any of the miles of trails in the forest. Forest naturalist Jackie Scharfenberg was leading this group on one of the trails.

PHOTO BY ANDREA HANSEN ABLER

more than an hour for some nature fun. Adults are encouraged to participate with their children.

■ **Wednesday, September 8** — Trail Trekkers meet at the Butler Lake Trailhead (located at W8831 Butler Lake Road, Cascade, one mile east of Long Lake Recreation Area), 6 p.m.-7:45 p.m. Come for a lovely 3.1-mile walk along the Butler Lake Trail. Make sure to wear good footwear and bring drinking water and insect repellent.

■ **Thursday, September 9** — Wild Edible and Poisonous Mushrooms An Evening with Nature Program at the Ice Age Visitor Center, 7 p.m.-8:30 p.m. Many wild mushrooms are edible, others are deadly poisonous, and still others are unique curiosities of the fungus world. Join Alan D. Parker, Ph.D., Professor Emeritus at UWM-Waukesha, as he shares his vast knowledge and beautiful images of Wisconsin fungi. This program is most appropriate for people over the age of 12 years.

■ **Saturday, September 11** — Weed Warriors, Girl Scouts Love State Parks Event at the Ice Age Visitor Center, 9 a.m.-11:30 a.m. or 12:30 p.m.-3 p.m. Calling all Weed Warriors to battle against invasive shrubs around the Ice Age Visitor Center! Learn why non-native invasive plants pose a grave threat to our native plant communities and then head out to commence hand-to-hand combat with the invaders. Wear appropriate clothes for the weather/outdoor work and bring your favorite gardening gloves. Drink, snacks and tools provided. Call (920) 533-8322 to register by September 9. This event is best for folks over 12 years old and open to the public.

■ **Saturday, September 11** — Get Outdoors Play Day, Girl Scouts Love State Parks Event at the Mauthe Lake recreation area picnic shelter, 12 p.m.-3 p.m. Bring the whole troop for a day of nature and outdoor fun! Try your hand at tracking animals, honing your fishing skills, taking the eco-explorer challenge, learning campfire skills, tying knots, preparing for outdoor adventures, creating a useful bandana, and more. Everyone is invited to drop in for a few minutes or more than an hour. Adults are encouraged to participate with their children. Public is welcome to attend.

■ **Wednesday, September 15** — Trail Trekkers meet at Ice Age Visitor Center, 6 p.m.-7:45 p.m. Enjoy a brisk three-mile walk along the north half of the Zillmer Trails. Make sure to wear good footwear and bring drinking water and insect repellent.

■ **Friday, September 17** — Soaring Hawks Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. High above hawks soar through the sky with a keen eye looking down towards the earth. Join us as we explore the high-flying lives of hawks. This hour of nature fun awaits three- to six-year olds with accompanying adults.

■ **Saturday, September 18** — Secret Lives of Trees Exploring Nature Program at the Ice Age Visitor Center, 10 a.m.-11:30 a.m. Uncover the secrets of trees from what animals live in them to how they change colors in the fall. This program is best for families/groups with children between the ages of six and 12 years.

■ **Wednesday, September 22** — Trail Trekkers meet at the Zillmer Trailhead Parking Lot (located at W833 County Road SS, Campbellsport - between Hwy 67 and County Road G near New Prospect), 6 p.m.-7:45 p.m. Unwind with a 1.8- or three-mile hike along the Zillmer Green or Red Loop. Make sure to wear good footwear and bring drinking water and insect repellent.

■ **Saturday, September 25** — Ask the Naturalist at the

Parnell Tower (located at W7876 County Road U, Plymouth, between Hwy 67 and County Road A), 12 a.m.-3 p.m. After or before traversing the rugged Parnell Trail or climbing the 60-foot observation tower, ask the naturalist your questions about the area's unique glacial geology, diverse natural communities, tremendous trees as well as other plants, and amazing wildlife.

■ **Sunday, September 26** — Ask the Naturalist at the Parnell Tower (located at W7876 County Road U, Plymouth, between Hwy 67 and County Road A), 12 a.m.-3 p.m. After or before traversing the rugged Parnell Trail or climbing the 60-foot observation tower, ask the naturalist your questions about the area's unique glacial geology, diverse natural communities, tremendous trees as well as other plants, and amazing wildlife.

■ **Wednesday, September 29** — Trail Trekkers meet at the Mauthe Lake Recreation Area Beach (located at N1490 County Road GGG, Campbellsport, south of County Road SS near New Prospect), 6 p.m.-7:45 p.m. Join us for a refreshing two-mile stroll around Mauthe Lake on the Tamarack Trail. Make sure to wear good footwear and bring drinking water and insect repellent.

■ **Friday, October 1** — Night Eyes Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Red, yellow, green, and white eyes: whose eyes do we see at night? Join us as we find out what animals' eyes are open while ours are closed. This hour of nature fun awaits three- to six-year olds with accompanying adults.

■ **Saturday, October 2** — Ask the Naturalist at the Parnell Tower (located at W7876 County Road U, Plymouth, between Hwy 67 and County Road A), 12 a.m.-3 p.m. After or before traversing the rugged Parnell Trail or climbing the 60-foot observation tower, ask the naturalist your questions about the area's unique glacial geology, diverse natural communities, tremendous trees as well as other plants, and amazing wildlife.

■ **Sunday, October 3** — Ask the Naturalist at the Parnell Tower (located at W7876 County Road U, Plymouth, between Hwy 67 and County Road A), 12 a.m.-3 p.m. After or before traversing the rugged Parnell Trail or climbing the 60-foot observation tower, ask the naturalist your questions about the area's unique glacial geology, diverse natural communities, tremendous trees as well as other plants, and amazing wildlife.

■ **Saturday, October 9** — Ask the Naturalist at the Parnell Tower (located at W7876 County Road U, Plymouth, between Hwy 67 and County Road A), 12 a.m.-3 p.m. After or before traversing the rugged Parnell Trail or climbing the 60-foot observation tower, ask the naturalist your questions about the area's unique glacial geology, diverse natural communities, tremendous trees as well as other plants, and amazing wildlife.

■ **Sunday, October 10** — Ask the Naturalist at the Parnell Tower (located at W7876 County Road U, Plymouth, between Hwy 67 and County Road A), 12 a.m.-3 p.m. After or before traversing the rugged Parnell Trail or climbing the 60-foot observation tower, ask the naturalist your questions about the area's unique glacial geology, diverse natural communities, tremendous trees as well as other plants, and amazing wildlife.

■ **Thursday, October 14** — Nuts in Wisconsin An Evening with Nature Program at the Ice Age Visitor Center, 7 p.m.-8:30 p.m. Beware! The nuts are dropping! With Jackie Scharfenberg, forest naturalist, and Adam Zirbel, DNR forester, find out about the variety of Wisconsin trees and shrubs that produce edible nuts and where they grow. After the presentation try a variety of nuts and nut-filled treats. This program is most appropriate for people over the age of 12 years.

■ **Friday, October 15** — Dam Builders Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Timber! Another tree crashes to the ground. Beavers are nature's dam builders and they are hard at work. Learn what "equipment" beavers possess to do their jobs so well. This hour of nature fun awaits three- to six-year olds with accompanying adults.

■ **Saturday, October 16** — Halloween Fall Fest at the Mauthe Lake recreation area, 3 p.m.-9 p.m. Celebrate all the fun of fall at our first annual Halloween Fall Fest where we will celebrate the creatures of the night! From 3:00-6:00 check out the tools and equipment used by DNR wardens and rangers. Carve a pumpkin with your most clever design, which will be judged on theme and creativity at 5:30. Enter the costume contest at 6 p.m. Meet Smokey Bear. Traverse the trail through the autumn woods (lighted after dark) where you will encounter stations highlighting nocturnal animals. Join the fun around a roaring fire while enjoying tasty treats from local food truck vendors and toe-tapping live music. In the event of severe weather, the event will be canceled. Bring the whole family for a grand fall day of fun-filled activities.

# EDUCATIONAL CALENDAR

■ **Saturday, October 23** — Myth Busters Exploring Nature Program at the Ice Age Visitor Center, 10 a.m.-11:30 a.m. Do bats fly into your hair? Can owls turn their heads completely around? Are warts caused by toads? Let's bust these nature myths and more! This program is best for families/groups with children between the ages of six and 12 years.

■ **Saturday, October 30** — Halloween Party with Nature's Unhuggables at the Ice Age Visitor Center, 10 a.m.-12 p.m. Join the Halloween fun and learn a thing or two about nature's unhuggable animals. Create crafts, play games, meet some unhuggables and most of all have a terrific time! This program is best for families/groups with children between the ages of four and 10 years old.

■ **Friday, November 5** — Hop Away Rabbit Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. A fox is coming! Hop away rabbit, hop away home! We'll investigate the world of rabbits to learn how they live in the wild. This hour of nature fun awaits three- to six-year olds with accompanying adults.

■ **Thursday, November 11** — Friends of the Kettle Moraine's Create a Winter Wreath at the Zillmer Trail shelter, 1 p.m.-3:30 p.m. or 6 p.m.-8:30 p.m. Using a variety of natural materials, create a beautiful wreath and swag that will enhance your home's winter decor. To register for a session, call (920) 533-8322 or email friendsofthekettlemoraine@gmail.com by November 8. Space is limited. This program is best for people over 12 years old. Cost: \$20.00/person; fee payable to the Friends of the Kettle Moraine.

■ **Saturday, November 13** — CSI – Northern Unit Exploring Nature Program at the Ice Age Visitor Center, 10 a.m.-11:30 a.m. Become a nature detective! By examining scat, bones and other evidence, we will figure out what animals were involved and determine what happened in a variety of nature "crime scenes." This program is best for families/groups with children between the ages of 6 and 12 years.

■ **Friday, November 19** — Stocking Up for Winter Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. The days are growing shorter and the temperature is dropping. Come learn what some animals stock up to get through the hardships of winter. This hour of nature fun awaits three- to six-year olds with accompanying adults.

■ **Friday, December 3** — Birds at My Feeder Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Even on the coldest days of winter, a bird feeder can be flurry of activity. Discover what birds may visit your feeder and what they like to eat. This hour of nature fun awaits three- to six-year olds with accompanying adults.

■ **Thursday, December 9** — Wisconsin's Winter Birds and How to Attract Them An Evening with Nature Program at the Ice Age Visitor Center, 7-8:30 p.m. Birds bring excitement to a barren winter day. With Bill Volkert, Naturalist, learn what birds spend their winters in Wisconsin and ways to attract them to your yard. This program is most appropriate for people over the age of 12 years.

■ **Saturday, December 11** — Nature Crafts Exploring Nature Program at the Ice Age Visitor Center, 10 a.m.-12 p.m. Let your creativity flow! Using supplies found in nature, we will create a variety of crafts including flower magnets, nature candles, and evergreen wrapping paper. To ensure plenty of supplies, call (920) 533-8322 by December 9. This program is best for families/groups with children between the ages of six and 12 years.

■ **Friday, December 17** — Look! Look Again! Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Sometimes it takes a double look to see an animal standing right in front of us. Uncover how creatures of all kinds use camouflage to survive. This hour of nature fun awaits three- to six-year olds with accompanying adults.

■ **Tuesday, December 21** — Winter Solstice Night Hike at the Zillmer Trail shelter, 6:30 p.m.-8 p.m. Gather around the fire as we share traditions of the longest night of the year. We will then travel through the dark woods to find out what animals are awake and braving the cold of a winter night. This program is best for families with children over six years old.

■ **Friday, January 7** — Seasons Go Round Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Winter, spring, summer, fall... Every year the seasons go round and round. Learn about why we have four seasons in Wisconsin. This hour of nature fun awaits three- to six-year olds with accompanying adults.

■ **Saturday, January 8** — Snowshoe Adventure Exploring Nature Program at the Greenbush Group Camp Shelter (located at N5854 Kettle Moraine Drive, Glenbeulah, between Hwy 67 and County Road T), 10 a.m.-11:30 a.m. Learn the ancient skill of snowshoeing and then venture along the trails at Greenbush. Snowshoes provided for those who need them. To register call (920) 533-8322 by January 6. This program is best for people over 8 years old.

■ **Thursday, January 13** — An Evening with Nature Program at the Ice Age Visitor Center, 7 p.m.-8 p.m. The topic of this program has not been confirmed yet. This program is most appropriate for people over the age of 12 years.

■ **Saturday, January 15** — Get Outdoors! Learn to Ice Fish at the Mauthe Lake recreation area picnic shelter, 12:30 p.m.-2:30 p.m. Learn the tricks of winter fishing with some experienced ice anglers. We will start inside the Mauthe Lake picnic shelter for a presentation on safety tips, and appropriate gear and tackle. Then it's off to Mauthe Lake to try our best at luring those fish out of the water. Equipment, tackle, and bait will be provided. This program is best for people over six years old. To register, call (920) 533-8322 by January 13. Special surprises await all who pre-register. No fishing license needed as it's Free Fishing Weekend, but a Wisconsin State Park System vehicle admission sticker is required.

■ **Monday, January 17** — Full Moon Walk at the Forest Headquarters, 6:30 p.m.-8 p.m. Traverse the two-mile trail around Mauthe Lake under the light of a full moon. Dress for the weather including snow boots. This walk is best for people over the age of eight years old.

■ **Friday, January 21** — Whooo's Awake? Owls! Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Listen! Whoo, whoo, who, who, who! The owls are awake while we sleep. Discover remarkable facts about these nighttime hunters. This hour of nature fun awaits three- to six-year olds with accompanying adults.

■ **Friday, February 4** — Wake Up Groundhog! Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Learn if groundhogs can really predict the coming of spring and other tidbits about their lives. This hour of nature fun awaits three- to six-year olds with accompanying adults.

■ **Saturday, February 5** — Candlelight Ski/Hike at the Zillmer Trail Area, 5:30 p.m.-8:30 p.m. Cross-country ski or hike in the Kettle Moraine State Forest-Northern Unit by candlelight. At the bonfire join fellow hikers and skiers for hot drinks and snacks provided by the Friends of the Kettle Moraine. The trail is perfect for novice skiers with no steep hills or sharp turns. The Zillmer shelter building will be open, lit, and heated.

■ **Saturday, February 5** — Winter Star Gazing at the Ice Age Visitor Center, 5:30 p.m.-8:30 p.m. Look through a telescope or binoculars to bring into focus the wonders of the night sky. With the help of knowledgeable night sky observers from the Northern Cross Science Foundation, spy distant planets, dumb-bell nebulas, globular clusters and so much more. The program will be held only if the skies are clear. This program is best for anyone more than 8 years old. Drop in any time and stay as long as you like.

■ **Friday, January 10** — An Evening with Nature Program at the Ice Age Visitor Center, 7 p.m.-8 p.m. The topic of this program has not been confirmed yet. This program is most appropriate for people over the age of 12 years.

■ **Saturday, February 12** — Tracking on Snowshoes Exploring Nature Program at the Ice Age Visitor Center, 10 a.m.-2 p.m. By just looking at a track, we can figure out what animal passed through the area. Master some of the tricks of tracking animals in winter and figure out the stories of their snowy adventures as we travel by snowshoe. To register call (920) 533-8322 by February 10. This program is best for people over eight years old.

■ **Wednesday, February 16** — Full Moon Walk at Forest Headquarters, 6:30 p.m.-8 p.m. Traverse the two-mile trail around Mauthe Lake under the light of a full moon. Dress for the weather including snow boots. This walk is best for people over the age of eight years old.

■ **Friday, February 18** — Whose Tracks are These? Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Come explore with us the woods and fields for animal tracks. We'll even figure out a few tricks to determine whose tracks they are. This hour of nature fun awaits three- to six-year olds with accompanying adults.

■ **Friday, March 4** — Loud-mouth Jays Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Screech! Chatter, chatter! The blue jays announce their presence to the world. Help us to decipher what the jays are trying to say. This hour of nature fun awaits three- to six-year olds with accompanying adults.)

■ **Friday, March 10** — An Evening with Nature Program at the Ice Age Visitor Center, 7 p.m.-8 p.m. The topic of this program has not been confirmed yet. This program is most appropriate for people over the age of 12 years.

■ **Thursday, March 12** — Bugling Cranes Exploring Nature Program at the Ice Age Visitor Center, 10 a.m.-11:30 a.m. With loud bugling calls, sandhill cranes announce their arrival back to Wisconsin in late winter. Discover many fascinating facts about these large ancient birds. This program is

best for people over the age of eight years old.

■ **Friday, March 18** — Rat-a-tat-tat, Who's There? Woodpeckers Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Why do woodpeckers peck trees? What are they looking for? We'll find out the answers to these questions and a lot more about woodpeckers. This hour of nature fun awaits three- to six-year olds with accompanying adults.

■ **Friday, April 1** — April Showers Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Drip, drop, pitter-pat. April showers fall to the ground. We'll find out just how these rains help awaken the spring flowers. This hour of nature fun awaits 3- to 6-year olds with accompanying adults.

■ **Saturday, April 9** — Upscaled Art Exploring Nature Program at the Ice Age Visitor Center, 10 a.m.-12 p.m. Don't throw that away! It can be turned into a work of art! Come create inner tube rubber stamps, paper bead necklaces, and other unique projects from throw away materials. This program is best for families/groups with children between the ages of six and 12 years. To register, call (920) 533-8322 by April 7.

■ **Thursday, April 14** — An Evening with Nature Program at the Ice Age Visitor Center, 7 p.m.-8 p.m. The topic of this program has not been confirmed yet. This program is most appropriate for people over the age of 12 years.

■ **Friday, April 15** — Shhhh! Listen Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. It's amazing what we can discover when we are quiet and listen. Join us for a listening walk through the fields and forest. This hour of nature fun awaits 3- to 6-year olds with accompanying adults.

■ **Friday, April 22** — Spring Symphony Night Hike at the Zillmer Trail area, 7:30 p.m.-9 p.m. Nature awakens from its long winter slumber with a symphony of sound. Journey through the darkening spring woods to locate the members of the spring choir. This hike is most appropriate for adults and children over the age of six years.

■ **Saturday, April 23** — Earth Week Litter Pick Up at meet at the forest headquarters (located at N1765 County Road G, Campbellsport, which is south of County Road SS near New Prospect), 8:30 a.m.-12 p.m. Help give the Kettle Moraine Scenic Drive and additional forest locations a spring cleaning. Join others for a morning of camaraderie and litter pick up. Community groups are encouraged to participate. Bring your own gloves. Garbage bags will be provided. Meet at the Forest Headquarters off County Road G to get your road/area assignment. After cleaning up, return to the Headquarters for snacks and refreshments. To register groups, call (262) 626-2116.

*We're hitching up the wagons & taking you to the pumpkin fields at*
