K.H.S. F.F.A. Receives Three-star Rating at Nationals

The Kewaskum High School (KHS) Future Farmers of America (FFA) chapter has been recognized in the 2022 National Chapter Award Program from the National FFA Organization, as the group received a three-star gold-chapter rating, which places it in the top three percent of all chapters in the nation.

The national FFA program recognizes outstanding groups from throughout the country that actively implement the mission and strategies of the organization.

To be considered for this honor, many hours of outside work are required by the group president and its members.

“Last year’s FFA president, Samantha Fischer, had to submit a form that included all of our community events, FFA events, fundraisers and everything that we do as a group,” explained the new 2022-2023 president, Adrianna Cherubini.

Fisher is now a KHS graduate, and the group is grateful for her dedication to this project during her senior year.

At the FFA State Convention in June, Kewaskum was awarded a gold-level recognition, which is the highest honor a chapter can receive at this level.

“[Receiving the gold recognition] made us eligible to, then, go on to the national level. We made a few revisions to our original application before attending,” explained Shelly Oelhafen, FFA faculty advisor.

At the national level, the Kewaskum FFA went on to receive the highest level of recognition, yet again. The group was awarded a three-star rating, and it is believed to be the first time in school his-

Honoring a Civil War Veteran

ANNE TRAUTNER
JOURNALIST

For more than a century, Seth Porter Church has been buried at Gage Cemetery in the Town of Auburn. But until this year, there was no stone to mark his grave.

Church, who had spent much of his life serving the United States, was born on Jan. 29, 1820, and died on Feb. 3, 1901. He was a veteran of three wars, having served in the United States Army during the Seminole, Mexican-American and Civil wars.

On Sunday, Oct. 2, a small crowd gathered at the cemetery as a memorial service was held to dedicate the headstone and to remember Church’s years of service to his country.

Dressed in Civil War uniforms, members of the Old Abe Camp 8 of the Sons of Union Veterans of the Civil War led the service. The service was adapted from the 1917 Service for the Use of the Grand Army of the Republic that was used to dedicate a headstone for a Civil War veteran.

“Our whole organization is based around honoring these veterans. We don’t want to forget what they did,” said Kim Heltemes, a member of the Sons of Union Veterans of the Civil War.

Finding the Grave

Diane Krell started volunteering her time at Gage Cemetery about five years ago. She was a member of the Cemeterians and worked to restore headstones.

Campbellsport School District Partners with Big Brothers Big Sisters

BIG BROTHERS BIG SISTERS
OF FOND DU LAC COUNTY

This year, Big Brothers Big Sisters (BBBS) of Fond du Lac County is expanding its school-based mentoring program into the Campbellsport School District.

The school-based program matches caring adult mentors (Bigs) with elementary students (Littles). Matches get together once a week at an elementary school to play board games, read, draw, shoot hoops, do homework or eat lunch.

These simple things can make a big difference in the life of a child.

“Littles look forward to meeting their Bigs each week,” said BBBS School-Based Program Coordinator Lisa Warntjes. “Teachers say they

see students come back from their time with their Bigs filled with confidence, a huge smile, ready to learn and eager to succeed.”

School-based matches oftentimes transition to community-based after getting to know each other. Community-based matches meet up after school or on the weekends twice a month to do activities together like sports, hiking, crafts, games or even just running errands.

“What child couldn’t benefit from another positive friend and role model in their corner?” asked Warntjes.

BBBS serves youth in Fond du Lac and Northern Dodge Counties. After a successful

Tightly Packed Worlds

Dear Reader,

Throughout our life's journey, we each live in a succession of tightly packed worlds. We experience these worlds one at a time, entering, staying a while, and departing to the next one.

Kids live in a tightly packed world. School, a bicycle, woods to explore, and a park to play in with a handful of adventurous friends could be the full scope of that world. High school is another tightly packed world – classes, plays, chess, sports, and a slow initiation into dating are all a part of it.

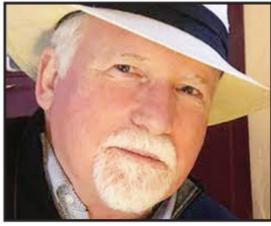

Then we go to college, or directly to the workforce depending on one's path. Those years can be fun-filled with the joy of young adulthood in all its experimental, experiential glory. In each of these worlds, the people and events seem larger than life – because they are our life, all of it, at least for that time.

Then, perhaps reluctantly, we move to a new world of weighty responsibilities, such as starting a family, caring for elderly loved ones, and trying to make a contribution to society. That can be a tough awakening, as we discover that sometimes it is a dog-eat-dog world, with success going to the fittest... or the luckiest.

Finally, we retreat to the last tightly packed world of being old. It's been said that aging is not for the faint heart. If we have prepared well for it, the ride can be peaceful and serene. If we have not, it's a grinding and gnashing of teeth until death do we all part into final oblivion.

G.A. SCHEINOH
CONTRIBUTOR

You know how it goes. It's another of those things a person says they'll get around to... someday. Once you graduate from high school, life intrudes. Choices aren't always clear cut.

Every annum the event is pushed ahead to next year. There are always plenty of excuses. I've got something else planned, the weather is nasty – rainy, wet, cold. As par the normal course during autumn. Or one simply forgets.

But 2022 was to be different. A sunny Friday afternoon with temps approaching 70 degrees meant at least the weather wouldn't be the obstacle it often has been. Something about the word Homecoming beckons almost irresistibly to a former alum of Campbellsport High. Once a Cougar, always a Cougar.

So the dwindling end of September found me

gathered in the bleachers alongside O'Brien Field with what seemed to be 98.9% of the residents of the village. The parking lots spilled over. Right along with a standing room only, boisterous fan base.

A youngish crowd mostly. Though a few of us elders mingled amongst them. Not sure if they too were alumni. Or just parents, perhaps even grandparents of the players on the gridiron.

The year I finally returned witnessed a rout. Our Cougars took an early drubbing at the hands and flying feet of St. Mary Springs. The Ledgers punched through the CHS defensive line repeatedly. By half time, the score stood 21-7.

The Cougars courageously rallied to put one more touchdown on the board in the second half. The Ledgers offense took over, pounded in three more touchdowns. Alas time was not on the home team's side. Both squads left the field as the clock ran out; final score 42-13.

Hopefully, the loss isn't too disheartening. Especially for seniors, who played their last Homecoming game. Our boys gave it their best. Nobody can fault them for that.

Don't Rush to Judgement Urges County Board Chair

JEFF SCHLEIF, SUPERVISOR DIST. 18
COUNTY BOARD CHAIR

A few nights ago, I attended a function in which County Executive Schoemann and Sheriff Schulteis presented a number of facts and background concerning the upcoming anti-crime referendum. All of the information was backed up by documents passed out that evening.

I would guess that most of you have an opinion one way or the other on the referendum by now, but I would urge you not to rush to judgment.

There will be a series of town hall meetings in mid-October in which the County Executive and Sheriff will present the data and field questions. I urge you to attend one or more of these so you

have all of the information that led to the decision to go to referendum on this issue. This is a big decision that you all must make. A two-page summary and the complete plan can be found on the Sheriff's Office website main page under 'Quick Links' at washcowisco.gov/departments/sheriff_office.

Please read all of the information carefully. There are several components. First, up to date crime data, second, the areas of the sheriff's department that the proposed changes will affect, and finally, real data on how your taxes may be affected. There is a great deal to read and digest, but when you do so, you will be able to make your own decision on this matter.

Thank You.

Plant Alliums This Fall to Add Variety and Beauty to Your Garden

MELINDA MYERS
CONTRIBUTOR

Take your garden to new heights with alliums. This ornamental member of the onion family provides welcome color as spring bulbs fade and before summer perennials fill our gardens with colorful blooms.

Most people have seen pictures of the giant allium but there are many other options of flower sizes and heights suitable for any size and style garden. Most allium flowers are globe shaped and all are made of tiny florets. They make great cut flowers, the pollinators love them, and deer tend to leave them be.

Plan for months of color by including a variety of alliums that bloom from late spring through early summer. Longfield Gardens' Planning Guide for Alliums (Longfield-gardens.com) showcases the various alliums, their size and bloom time to help you plan. Add alliums to the zone four to eight garden in fall when planting your other spring flowering bulbs like tulips and daffodils.

Dress up the front of a flowerbed or rock garden with Allium karataviense. It may be small in stature at only eight to ten inches tall, but the broad grey-green leaves and five-inch round, silvery-pink flowers provide big impact in the late spring garden.

Add years of spring beauty with Purple Sensation. Its shimmering four-inch diameter, violet-purple flowers are held above the leaves on 24 to 30" tall stems. It provides nice height and vibrant color to the early season garden. You will enjoy these alliums and their offspring for years to come.

For something uniquely different add Allium bulgaricum, also known as Nectaroscordum bul-

Purple Sensation allium livens up the early season garden with its violet-purple, four-inch diameter flowers.

garicum, to perennial and informal gardens. The cluster of drooping cream and burgundy bell-shaped flowers are followed by seedpods that lift themselves skyward. This provides an interesting vertical accent in the garden.

Gladiator and Globemaster are sure to have passersby and visitors stopping to take a second look at your garden. Mix them in amongst perennials and add to mixed borders. Gladiator has blue-violet, six-inch diameter flowers that are smaller than Globemaster but Gladiator blooms earlier and stands a foot taller and the leaves are long lasting. Both are sure to grab your attention and that of pollinators.

Stretch your enjoyment into early summer with Ambassador. Its dense five- to six-inch, violet-blue flowers are a deeper color than most alliums. What's even more impressive is these large flowers are atop four- to five-foot stems. Like the other alliums, bees and butterflies love it.

It's no surprise that Allium christophii is a favorite among gardeners. The eight- to ten-inch di-

ameter, violet-pink flowers have spikey florets and a silvery sheen that makes them look like globes in the garden. Though this allium is only 12-18" tall, it has a big presence in the garden and is very long-lasting.

Allium schubertii produces even larger, 12" diameter flowers on stems of a similar height. Some of the star-like florets are closer to the center of the flower than others and this makes the blossom appear to be expanding, like fireworks in the garden. Save some of the seedheads and use them in dried flower arrangements.

The flowers of heirloom Allium atropurpureum are dome-shaped rather than round. Their dramatic, dark burgundy color and upright stature add structure to the garden. They are also long-lasting cut flowers.

End the season with Drumstick allium. The egg-shaped flowers are raspberry on top and green on the bottom with long slender stems. They are perfect grow-through plants and good companions for ornamental grasses.

Add a variety of alliums to your garden this fall and enjoy the added color, texture, and height this group of plants provide. You and the pollinators will be glad you did.

Kewaskum High School's October Students of the Month

Brianna Boegel

My name is Brianna Boegel and I'm honored to have been given this opportunity. Throughout high school, I've focused on my academics and music. I've been involved in NHS, Junior Class Officers, high school musicals, and figure skating.

My two biggest accomplishments are being accepted into the WSMA high school state band, and going to state solo and ensemble every year of high school. I'm planning on going to either Concordia University or the University of Notre Dame to major in accounting or business management with a minor in general music.

Morgan Adams

Morgan Adams is the daughter of Kim and Ed Adams, and the sister of Kennedy Adams. She has stayed involved in her school through her academics, extracurriculars, and her connections in the community.

Brianna Boegel

Morgan Adams

Morgan has maintained a 4.0 grade point average while taking many different advanced and college courses. With this, she has received high honor roll each year, earning three academic letters.

Outside of school, she participates in many different extracurriculars, including Student Council, Key Club, Spanish Club, Academic Bowl, Peers 4 Peers, HOSA, basketball, and soccer. As a junior, Morgan was also accepted into the National Honors Society. She values her involvement and leadership in athletics, specifically soccer and basketball. Last year, Morgan received 2nd-Team All-Conference

honors in basketball while helping the team reach its third regional championship in a row. Morgan also has been an active member of her community, volunteering with many different organizations.

After high school, she looks to further her academic career by majoring in biology. Although still unsure of what school she will attend, Morgan is interested in UW-Madison, Marquette, and the University of Michigan. Depending on her choice of school, she may also play basketball at the collegiate level. Once she has earned her degree, her dream is to go to dental school and eventually open her own clinic.

September Students of the Month

CAMPBELLSPORT SCHOOL DISTRICT

Campbellsport High School is proud to announce their “Students of the Month” for the month of September. All high school students are eligible for this honor. Teachers make their selections based upon attitude, effort, character, interest, and achievement, as exhibited in the classroom and school community. Students are nominated by their teachers and then chosen by department.

Administration, faculty, and staff are committed to developing future leaders in our community. We want to honor those who are striving each and every day to be those future leaders who demonstrate this by their positive actions and behaviors.

Congratulations to Amy Kissinger, Jamie Reilly, and Isabelle Sperfslage for being exemplary role models and being selected as the CHS Students of the Month in September.

Amy Kissinger has been off to a great start in English 11. She is an active participant in class discussions and is always willing to stand up for what she believes. It is extremely admirable. She’s been an avid reader, excelling in areas such as vocabulary and comprehension. I look forward to Amy’s continued

success!

Jamie Reilly is a Spanish VI student this year and I am proud to nominate her for Student of the Month. During Jamie’s freshman year, she, along with other students, told me that she wanted to continue on to Spanish VI. She was worried that due to the schedule change from the block to the 8 period day, she wouldn’t be able to achieve this goal and I told her that if she was that interested, we could make it work. All the other students that wanted to take Spanish VI ended up not getting that far due to time constraints and their workloads, but Jamie (and one other classmate) are the only two students in the last year that Spanish VI is being offered. She did it and I am extremely proud of her! Jamie’s determination is one of the things that I most admire about her. She challenges herself and will not let anything distract her from achieving each and every goal she has set. I appreciate all the hard work that she has put into every Spanish class that she has taken and her effort has paid off because Jamie can comfortably “wing” every speech or presentation that we do and she had the second highest college Spanish placement test score of our entire group of

students last year as a Junior (a Senior has the highest score, and Jamie wasn’t too far off that mark). I have had the privilege of working with Jamie since she was a freshman and I’ve had the opportunity to see her grow into the phenomenal person that she is today. She is super smart, calm (at least outwardly), kind, respectful, funny, thoughtful, and a natural leader. She excels in so many areas and has been a huge asset to Campbellsport High School. Jamie is definitely someone to look up to and I am so glad I’ve got to work with and learn from her for all four years of her high school career. ¡Eres la mejor Jada!

The Science Department nominates Isabelle Sperfslage for Student of the Month. Isabelle has shown great initiative in the first month of school. She participates in all class discussions with enthusiasm. Isabelle isn’t afraid to ask questions and come work on Biology during her study hall. She is a leader in the classroom and exhibits an excellent work ethic that other students can look up to. She manages to keep up with all schoolwork while actively participating in extracurricular activities. For these reasons, we nominate Isabelle for September Student of the Month.

CIVIL WAR from page 1

She would dig out the stones and bases, clean them, and make them look like new.

She felt a special connection to Gage Cemetery. After all, her great-great grandparents and her great-grandfather are buried there.

"I knew there was a relation between John Pitt and his wife and my great-great grandfather Carl Degner. I thought maybe there were more relations I wasn't aware of, so I started researching each person in the cemetery, a little genealogy piece on each one." Krell said.

In her research of different families, she came across the name Seth Porter Church. She recognized that name from cemetery records.

"So, of course, I had to do more research," Krell said.

She found out about Seth Porter's life and located his grave.

She wanted him to have a proper grave marker. But she wasn't sure who to contact.

She first contacted the American Legion in Kewaskum, then in Fond du Lac. She was given contact information for the Old Abe Camp #8, Sons of Union Veterans of the Civil War.

Then she obtained paperwork from the Town of Auburn, which operates the cemetery, to get permission to mark the grave. The Sons of Union Veterans of the Civil War then ordered a headstone, which was installed on May 14.

Gage Cemetery

The first person to be buried in Gage Cemetery was Flora Flint, who was buried on Oct. 8, 1854.

According to Krell's notes, Gage Cemetery was surveyed on July 13, 1865, by Lathrop Ellis, a county surveyor. He platted out 168 plots, consisting of seven rows of lots, going east to west.

One sheet of paper states, "Original members of the Cemetery were mostly Oddfellows of which C.D. Gage was the most influential, donating the land and paying for the surveyor as well as a board fence to enclose it."

"When this fence became decayed and falling apart, and animals were in effect digging up remains, the Cemetery Association was formed on June 10 of 1882 to maintain the cemetery. They would have an annual meeting," Krell said.

Charles D. Gage, and his wife, Mary, officially sold the cemetery to the Gage Cemetery Association on July 8, 1882.

The last person to be buried in the cemetery was Charles R. Schmidt, 81, on Jan. 23, 1966.

Caring for History

Krell continues to work on the cemetery to properly care for graves. Not only does she restore headstones, but she digs out the stones that surround the grave to create curbing for flower beds to cover the grave.

"My goal is to try to make it look pretty," she

said. "I want it to be like a sanctuary, a pretty place to visit."

She is not the first person to work on Gage Cemetery. About 40 years ago, Boy Scouts worked to clean up the cemetery.

Then, about 20 years ago, Cookie Minz and Carol Butzke began volunteering their time to maintain Gage Cemetery. They met at the cemetery every Wednesday.

"We were out here on our hands and knees, poking with screwdrivers trying to uncover these stones," Minz said. "Carol had the idea to look down the rows, and that is where we would poke

Sarah Angela Turner

With deep sorrow, the family of Sarah Angela Turner shares that she died on September 30, 2022, at Misericordia Home in Chicago surrounded by her beloved family.

Sarah Angela Turner was born on December 27, 1997, in Milwaukee, the daughter of Jason Turner and Angela Turner (nee Dornbrook). Sarah grew up in Shorewood and Whitefish Bay, attending Atwater and Lake Bluff elementary schools and Shorewood Intermediate School, as well as Whitefish Bay High School. After graduating from high school, Sarah attended college in the Bethesda Program at Concordia University and lived on campus in the dorms.

She worked at Stein's Garden Center, New Castle Place, and the Milwaukee County Zoo.

Sarah was the youngest of four children. When she was born, her siblings, Alexa, John, and Michael were delighted to meet little Sarah, who was fascinating, unique, and blessed from day one. These four children formed an amazing bond and are forever connected in the deepest places of their hearts.

Sarah's parents were humbled and overjoyed. From the start, Sarah's mom became her most loving, strong, and passionate advocate, paving the way for Sarah and making sure she had every opportunity in life. Sarah's dad was her biggest fan, always reminding Sarah that she was his "number one." Sarah loved to hear him say it.

Sarah entered this world quietly and gracefully, and her family soon learned that Sarah's life would be different, filled with experiences that most people never have to face. Congenital heart issues, speech challenges, learning differences, and other unique attributes were part of Sarah's life from the beginning. Her life experiences became ours, and we learned, grieved, celebrated, and grew right along with her.

Gentle as she was, Sarah soon began to show the world her strength, courage, and tenacity, all of which were bolstered by her sense of faith in God and complete devotion to her family. There was nothing Sarah liked more than when her whole family was together. It mattered little what the family was doing, only that they were doing it together.

Because of her own experiences, Sarah was a champion for the underdog, underserved, and overlooked. Whether it was time spent listening to someone who was sick or lonely, or simply bringing a smile to someone's face, Sarah had great empathy for those who were vulnerable. And it was not enough for Sarah that she alone had empathy, she challenged others to join her, reminding them to pay attention to those in need.

Sarah was talented. She could play piano by ear, keying complex pieces of music simply by listening to them and replicating the notes on her piano. She also played violin and performed in New York City at Carnegie Hall with her high school orchestra mates. Sarah could sing with beautiful tone and pitch and even performed at Summerfest and the Miramar Theatre in Milwaukee.

A Special Olympics athlete, Sarah was active in bowling, basketball, track, and snowshoeing, having won many awards for her performance. More importantly, she formed deep friendships with her fellow athletes, friendships that exist even today.

In December of 2017, Sarah's life changed forever. She contracted a virus she could not fight off and sustained a brain injury as a result. Sarah could no longer walk, talk, feed herself, and more. She was completely dependent on others for care. Our family was blessed to have found Misericordia Home in Chicago. Sarah lived at Misericordia and was cared for around the clock by dedicated staff and volunteers.

Once again, her grace and humility did not falter as she lived this new phase in her life's journey. Even in the absence of being able to use words and gestures, Sarah continued to make a difference. Her Aunt Michele often reminded her, "Sarah, you are changing the world just by living your life, by being yourself. Because of you and your example, people around you learn to have greater empathy. They become more loving and less self interested, and, in turn, the world becomes a better place."

During this time, Sarah experienced wonderful blessings. In 2019, Sarah became an aunt to Lillian Grace and in 2021 to Cecelia Mae. In addition, Sarah enjoyed the loyal friendship of Matthew Van Erden, her special friend from college, who sent letters and photos every month for the past five years.

She is survived by her father, Jason Turner; her mother, Angela (Kevin Kolb) Turner; siblings, Alexa (Barrett) Warnke-Serwe, John Turner, Michael (Carley) Turner, as well as Kevin's children, Lara, Michael, and Nina Kolb. Sarah is further survived by her grandparents, Daniel and Debbie Dornbrook; nieces, Lillian Grace and Cecelia Mae Warnke-Serwe; aunts and uncles, Brian and Michele Serwe, Mike and Liz Turner, Nanci Turner Steveson, Craig and Kathleen Turner, Jamie and Dayna Turner, and Ashley Turner, as well as ten Turner cousins and Jennifer Turner. She is also survived by her special caregiver, Michelle Hays and childhood playmates, Mirabel and Silas Hays.

Sarah will be greatly missed and was preceded in death by her devoted grandparents, Rita Mae Luedtke and Mike and Elizabeth Turner.

Visitation for Sarah will be Saturday, Oct. 8, from 9:30 to 11:30 a.m. at Feerick Funeral Home, 2025 E. Capitol Drive, Shorewood, followed by a Mass of Christian Burial at 12 p.m. St. Robert Catholic Church, 4019 N. Farwell Avenue, Shorewood. Eulogy will take place prior to Mass. A celebration of life reception will immediately follow Mass and provide an opportunity for family and friends to gather and share food and stories. Private burial will be held for the family at St. Matthew's Catholic Cemetery in Campbellsport.

The family extends a special thank you to the nurses and staff of Misericordia Home who have provided exceptional care to Sarah, as well as kind support to our family.

Memorials in honor of Sarah A. Turner may be made to Misericordia Home, 6300 N. Ridge Avenue, Chicago, IL 60660 <https://www.misericordia.com>.

Thank you

To everyone who attended or contributed to the recent benefit in Kewaskum for Eric Schledweiler, your support and generosity is appreciated more than you can ever know.

Thank you from the bottom of my heart.

Inland Trout Fishing Season Closes Oct. 15

WIS. DEPT. OF NATURAL RESOURCES

The Wisconsin Department of Natural Resources (DNR) reminds anglers that the 2022 general inland trout and salmon fishing season will close Oct. 15.

Anglers will no longer be able to fish inland streams, springs and spring ponds for trout or salmon. However, trout and salmon can still be harvested from most inland lakes or ponds.

Exceptions by county can be found in the 2022-2023 Guide to Wisconsin Trout Fishing Regulations at widnr.widen.net/s/jmju2gw278/troutregs-

[full2223press](http://full2223press.wisconsin.gov/topic/wisconsin.gov/topic/), or use the DNR's Trout Regulations and Opportunities User Tool (T.R.O.U.T) at dnr.wisconsin.gov/topic/

or use Fishing/trout/TROUT.html to find trout fishing locations.

The general inland trout season will re-open May 6, 2023.

5 Years Ago October 5, 2017

Members of the Campbellsport Board of Education approved the hiring of Jenni Tamblingson as the new Eden Elementary School principal. A specific start date is not yet known. Former EES principal Melinda Myers handed in her resignation to the district about two weeks before school started. In the interim, other administrators have been filling in at EES.

Also at the school board meeting, Joe Van Handel from CD Smith Construction gave the board an update on the construction project at the middle/high school building. He stated that everything is still on schedule and most of the foundation for the new portion has been completed. Precast walls for the gymnasium will start going up this week.

Camp Dundee is quickly becoming a talked about stop in the Northern Kettle Moraine State Forest. The bar/restaurant is located in downtown Dundee. Unique definitely describes the new Camp Dundee as there are four canoes that sit in front and on the side of the building that act as planters and there are three attached to the building.

Gordon Haberman presented the Flag of Honor, which honors all of those who were lost in the September 11, 2001, terrorist attacks on America, to the Campbellsport Wildcats. The Wildcats will use the special flag as part of their pre-game ceremonies. Haberman's daughter was one of the people killed in the World Trade Center attack.

St. Matthew's Catholic School has started a student council committee. The group will help plan school activities and service projects for the community. Lexi Vercauteren is the president, Billy Schrauth is the vice president, and Rebecca Volz is the secretary. Faculty advisors for the student council are Mrs. Dotzler and Mrs. Erickson.

Next Gen Personal Finance is on a mission to bring effective financial education to all U.S. high school classrooms. It recently released a report on the state of financial education. Campbellsport High School is leading the way in the mission to bring financial education to all American students.

Campbellsport Middle School has announced its September Students of the Month. They include sixth graders Jeremy James Ksioszk and Lauren Herbst, seventh graders Ella Goebel and Zach Patzer, and eighth graders Emily Mayer and Josh Bath.

An announcement was made that Campbellsport High School received the Working in Support of Education Blue Star School recognition for the 2016-17 school year. Campbellsport was one of only seven schools in Wisconsin to achieve Blue Star School status. To be recognized as a Blue Star School, 75 percent or higher of the students in personal finance class must pass the test and have either a majority of students on a given grade level take the test or have the students who took the test achieve an average of 85 percent or higher.

Five Cougars earned medals in the girls race at the Slinger Owl Cross Country Invitational on September 28. Finishers included Calla Loehr, 13th place, with her season best time of 21:40; Lily Lindgren, 23rd, in 22:58; Kaitlynn Sabish, 30th, in 23:52 (season best); Missy Gilles, 34th, 24:42; Sarah Scannell, 35th, 24:45; Chloe Koth, 41st, 26:24; and Andrea Yahr, 42nd, 26:53. Campbellsport's boys results included Ike Grahl, 16th, 19:00; Sam Grahl (career-best), 23rd, 19:44; Connor Hamm, 27th, 20:09; Jared Engel, season best 20:43, 37th; and Cole Kreis, 60th, 25:59.

Campbellsport's soccer team lost a heart-breaking 1-0 game to Ripon on September 28.

Royal J. Carey, 90, Campbellsport, passed away September 20.

15 Years Ago October 11, 2007

The Campbellsport Fire Department's new Honor Guard attended the annual State Firefighters Memorial held October 6 in Wisconsin Rapids. Campbellsport was proudly represented by members Perry Wahnschaffe, Lester Simon, Matt Simon, and Jim Simon; along with honor guard members Jeff Lindsley, Don Stoffel, Connie Meyer, Ron Reese, and Dave Schelhaass.

A series of six speakers will be presenting head to toe health topics at St. Joseph Convent in Campbellsport during October and November. First will be Dr. Ann Schlaefer on October 11, presenting Seeing Eye to Eye.

Campbellsport Elementary School students presented Robin Hood on October 6.

Hannah Hartman, a fifth grade student, was chosen as St. Matthew's School's Student of the Month.

Waucousta Lutheran Grade School students have been enjoying the beautiful fall weather while increasing their physical fitness by walking a quarter mile path that was laid out around the school grounds. Students walked 127 miles in four days last week and 138 miles in three days the previous week.

Winning the biggest pumpkin contest in the senior division this past weekend at the Empire Farmers Market was the Steve and Barb Konen Family of Eden. Their pumpkin weighed 344 pounds.

The Cougar soccer team suffered a heartbreaking 1-0 loss to New Holstein on October 4. Coach Jim Schmidt said it was a really good game, except for the final score as he said the Cougars made one mistake and a good team will make you pay for that mistake.

At the 37th running of the Cougar Invitational, the Campbellsport boys finished sixth and the girls eighth.

On the road at Waupun last Friday, the football Cougars lost 19-7.

Koy Walsh and Tristan Schill will be traveling to Marshfield on October 13 to compete in the State Punt, Pass and Kick competition. Each boy took second place in this division at the competition held September 30.

A daughter, Emma Josephine, was born September 27 to Andrew and Lisa Manderscheid of St. Cloud. A daughter, Ayla Rose, was born September 23 to Seamus and Jodi Garvey of Campbellsport. A daughter, Flor Rosas, was born September 24 to Leonardo Rosas and Deidra Garibo of Eden.

Randall Mark Gaffney, 49, Fond du Lac, passed away October 1. Margaret M. Bernhagen, 85, Campbellsport, passed away October 2.

On Friday, Oct. 3, the Old Campbellsport Public Library will open its doors for the last time. The library has been at the current location for 44 years. Because this building holds many memories for many people, everyone is welcome to stop at the library on October 3 for one last opportunity to check out books before they are move to the new library.

The third annual tailgate party, part of the Homecoming activities, is scheduled for October 3. Students, parents, and alumni are invited to participate in the festivities that will begin at 6 p.m. and continue until the start of the football game at 7:30 p.m.

The Campbellsport FFA will be hosting its annual Crops Show on October 18 at St. Mary's School in Eden. Awards will be presented, with a fund-raising auction following. The funds will be used for a new greenhouse and the Pat and Marilyn O'Brien Ag Scholarship Fund.

October 27 through 31 is the Campbellsport Chamber of Commerce customer appreciation

week. The Halloween Caper on October 30 is part of the planned activities. The Caper is sponsored jointly by the Village of Campbellsport, the CHS FFA and FFA Alumni, and the Chamber of Commerce.

What a difference a year makes. Last year, the Cougars lost the football game to Lomira 38-7 even though Campbellsport had gone into that game as the favorite. The Cougars were the underdog going into this year's contest and won the game 15-10. After two consecutive fumbles by the Cougars had led to a 10-7 deficit, Campbellsport put together a 69-yard drive which culminated on a three-yard touchdown dive on fourth down by Dan Mueller. The Cougar offense garnered 300 offensive yards and held the Lions to 132 total yards.

Kim Walloch notched her third individual conference win in a row, finishing in 15:58 at the Mayville Golf Course. Kelly Klein placed seventh in 17:01. Finishing 10th with a time of 17:20 was Chris Berner. Shannon Kleine was 13th in 17:32. Rounding out the places and times were Jenny Wiesner, 18th in 17:52; Sarah Theisen, 25th in 18:41; and Jodie Schladweiler, 34th in 19:21.

Campbellsport's Jesse Muench and Mike Meilahn finished fifth and sixth at the Flyway Conference Meet at Mayville. Muench finished in 18:20 and Meilahn had a personal record 18:26. Nick Martiny placed 21st in 19:24; Scott Rademann was 18th in 19:21; Jake Anders, 30th, in 19:53; and Luke Tennis, 34th in 20:33; Ben Discher, 42nd in 21:09; and Jerimiah Weyer, 49th in 23:07.

Game one against the Markesan Hornets was an easy 15-4 win for the Campbellsport volleyball team. The Hornets controlled game two by the score of 15-5. In the decisive game three, the Cougars prevailed 15-0 as Stacy Campagna collected five service kills and served 19 for 19.

Margaret M. Hughes, 88, formerly of Campbellsport, passed away September 24.

Governor Scott Walker visited Spiros Industries in Kohlsville on October 9. About 20 students from Moraine Park Technical College and area high schools joined Walker on the tour of the local plant. The event helped introduce students to the possibilities that the manufacturing world offers. Spiros Industries was established as a springs manufacturer in 1994. Jim Maronde, David Loomans and Dennis Backhaus started the company with three machines, no orders, and a dream. There are now 65 machines and the company employs 50 people.

The Kewaskum School Board unanimously approved spending up to \$1.4 million for upgrades to the Doc Mitchell Athletic Complex. The project will include putting artificial turf on the football field, as well as resurfacing the track and adding bleachers to both sides of the field.

Kewaskum Police Chief Tom Bishop spoke at an Assembly committee hearing in support of a proposed bill that would create a state policy for when body camera video can be made public. The bill, which was sponsored by State Rep. Jesse Kremer, would allow much of the footage to be withheld if the video is from a location where there is an expectation of privacy.

Margaret McFadden has resigned from the Kewaskum Public Library Board; and Village President Kevin Scheunemann has asked Connie Zemlicka to resign from the library board as well. Scheunemann said Zemlicka wants to defend herself before the village board. A village president in Wisconsin can remove anyone from the library board and does not need to give a reason; however, Scheunemann said the problem stems from the fact the two serve on both the library board and the library foundation board. Village Trustee Dave Spenner, who represents the village board on the library board, said the resignations are an effort to keep a diverse library board. McFadden was the president of the library board and had served on the board for 21 years. Zemlicka has been on the board for at least 15 years and serves as the library board treasurer.

The Kewaskum Elementary School PTO earned 20 percent of sales and all the tips collected at the Kewaskum McDonald's on October 3. The total of \$751.20 will help pay for new playground equipment.

Little Folks School House is turning 20 years old.

A 22-0 victory over Berlin on October 6 gave the Indians the East Central Conference title. Kewaskum did not lose a conference game this season.

The golf season came to an end for the Kewaskum-Campbellsport Kew-Cats at Sectionals. The team just missed its goal of finishing better than it did in Regionals (397) with a 399. But Coach Amy Uhlig was pleased that the girls had advanced to Sectionals.

Kewaskum's tennis season came to an end at the Division 2 Brown Deer Tennis Tournament, which was the sub-sectional.

Behind the first and third place finishes of Justin Reck and Andrew Carlton, respectively, the Indian boys cross country team placed fifth in the Cougar Invite. With the sixth place of Maela Olla and eighth place of Alyssa Butz, the girls team placed fourth.

Despite not being as sharp as they usually are, the volleyball Indians beat Berlin 25-23, 25-14, 15-25, and 25-16. This win gives Kewaskum a 4-2 record in conference and 19-5 overall record.

Leah Wilde, a Kewaskum High School alum, recently won the Northern Athletics Collegiate Conference Women's Golf Championship at

Concordia University Wisconsin. She was the medalist and a part of the team title.

Harold Mapes, Jr., 87, West Bend, passed away October 5. Kim T. Peterson, 79, Kewaskum, passed away October 4.

Clifford Rose, who was KHS principal and superintendent, is credited with helping to design and assist getting the high school built in the 1950s. Betty Heyde and Robert Rose, children of Clifford, toured the Rose Library recently.

The Town of Farmington will hold a public meeting on October 16 to discuss a plan to upgrade Highway X in the township. A number of town residents are not pleased with the plan proposed by the Washington County Highway Committee. There are three options available. The first is to have the county bring the road to town standards, replace the bridges and then turn the road over to the township. The second is the township getting a \$700,000 check from the county - the amount budgeted for the repairs - and the town getting ownership of the road and being responsible for repaving and replacing a bridge. The third is to do nothing, letting the county proceed with its plan.

Contractors at the site of the new Aurora Clinic being built on Fond du Lac in Kewaskum have begun preparing the site for construction. Village of Kewaskum Zoning Administrator Chad Cook stated that a building permit was issued October 8. Site work began Tuesday.

Town of Wayne officials approved a request from residents living on Wayne Center Drive who asked the board to reduce the speed limit on the road. The request was approved at the township's monthly meeting September 19. The speed limit will be dropped from 55 mph to 45 mph.

The village's only motel has someone new changing the sheets and taking reservations. After eight years, former village residents Wayne and Sue Devener have sold the 11-unit Bonne Belle. Gino Giudice, new to Kewaskum, is the man behind the now bustling motel. Giudice decided to leave his career as an aviation mechanic, but he's no stranger to the motel business. His parents were in the motel industry for 25 years.

Kewaskum's volleyball team was spectacular at the Cedar Grove-Belgium Tournament held September 29. With a 10-1 record, the Lady Indians captured the title. Kewaskum defeated Cedar Grove-Belgium, Mayville and Kewaunee. Against Kenosha Bradford, the Indians won the first set, lost the second 29-27, then won the third.

Beating Sheboygan Falls 28-0 kept the football team's record perfect (5-0 in Eastern Wisconsin Conference play and 7-0 overall).

A daughter, Grace Nicole, was born September 23 to Jessica and William Loser of Kewaskum.

Francis G. Gilboy, 88, Kewaskum, passed away October 2. Margaret M. Bernhagen, 85, Campbellsport, passed away October 2. Audrey J. Vorpahl, 75, Columbus, passed away September 30. Helen M. Gruber, 96, passed away October 7.

The Kewaskum Area Chamber of Commerce invites everyone to the eighth annual Kettle Kountry Kolors Family Fun Festival of Entertainment this Saturday and Sunday. There were several individual articles telling readers the special things that would be a part of the event. There was an article explaining all of the food choices to tempt the appetite. Chris Jenkins, founder of The Dream Tree, Inc. in Brookfield will give a presentation that includes combining theater, song, science, sign language and educa-

tion. There will be a Bucksinner Encampment, a children's activity tent, a huge craft festival, music, entertainment, and more. A weaving workshop is a new feature.

Reading At Home had a kick-off at Kewaskum Elementary School. Fifth graders performed a play called Three Curious Pigs, which was written by staff members Mrs. Schulist and Reading Specialist Mrs. Lucey. The R.A.H. program encourages students to read to or with their parents.

A son, Zachary John, was born September 18 to Rick and Darcie Heberer of Kewaskum.

On a vote of 4-2, members of the village board on Monday gave their approval to a preliminary plat for a 14-lot subdivision located along a proposed extension of Stark Street, north of Main. According to the plans, the extended street will end in a cul-de-sac. Developers are Jan Rosenthal and Howard Zemlicka of Kewaskum. One of the nay votes was from Cyril Wietor, and he voted against the item because he wanted a continuous street instead of the cul-de-sac.

Members attending the organizational meeting of the Kewaskum Area Chamber of Commerce selected the following directors: Paul Behring, Dieter Bombien, Mike Coulter, Mark Rodenkirch, Jack Jadro, Jerry Kiefer, Leroy Bier, Desmond Smith, Gerald Stollenwerk, Roger Strack, Jerry Zimmer, and Ken Weddig. Selected as officers were Bombien as president, Rodenkirch as vice president, and Weddig as secretary-treasurer. The board also adopted resolutions to file incorporation papers and affiliate with the State Chamber of Commerce.

The King And I, a Rodgers and Hammerstein hit musical, has been selected as the play production to be given at Kewaskum High School this year. It will be directed by Clyde Brehm. Major roles are being played by Dana Acker, Maggie Roeder, Debbie Schowalter, Beth Faber, Robin Bier, Mike Schall, Rick Zarling, and Glennis Buduhn.

In an uphill defensive struggle last Friday, the Indians came from behind to shade Slinger 6-3, and send a large Homecoming crowd home happy.

Math P. Volm, 82, Kewaskum, passed away October 5. Catherine Reggel, 81, passed away October 3. Clara Backhaus, 63, Campbellsport, passed away September 30. Rev. Earl Goeden, 46, passed away October 3. Kenneth Jaeger, 60, Campbellsport, passed away October 3.

Hike The Mammoth Challenge In October

WIS. DEPT. OF NATURAL RESOURCES

This October, our friends at the Ice Age Trail Alliance invite you to take the Mammoth Hike Challenge. Hike, run, walk or backpack 42 miles on the Ice Age Trail and visit three Trail Communities to earn a limited-edition patch and certificate.

Did you know that the Ice Age State and National Scenic Trail crosses through several state park properties, and begins and ends at two state parks?

No matter which way you start or finish, you're at a state park.

The western terminus of the 1,200-mile trail is in Interstate State Park in Polk County, while the eastern terminus is at Potawatomi State Park in Door County. The trail traces the edge of the glaciers' advance about 10,000 years ago because of the repeated glacial freezing and melting that occurred during that time. The basic features defining the route of the Ice Age Trail are the Kettle Moraine of eastern Wisconsin and extending westward along the most recent terminal moraine.

The Ice Age Trail provides recreational opportunities for thousands of visitors each year and expands the interpretation of Wisconsin's unique glacial geology to dozens of communities along its route. In fact, the trail passes through 142 Wisconsin communities in 30 counties. Some communities have elected to become official "Trail Communities" - look for an Ice Age Trail Community sign on your way into town.

The Ice Age Trail is managed cooperatively by the DNR, the National Park Service and the Ice Age Trail Alliance. The trail passes through public and private land; please be respectful and stay on the trail, especially when on private land. The trail is a work in progress: more than 600 miles are marked segments, while another 500 miles are unmarked routes.

Now that you're oriented to the Ice Age Trail, challenge yourself this fall, whether participating in the Mammoth Challenge or simply enjoying the trail:

- Explore new-to-you segments.
- Enjoy vibrant fall colors (see the Ice Age Trail Alliance Fall Colors map or the Fall Color Report from Travel Wisconsin).
- Spend family time on the trail.
- Slow down, unplug and tune in.
- Listen more and talk less.
- Watch a sunrise or sunset while on the trail.
- Find one or two new ways to enjoy the trail on your quest toward 42 miles.

Log your miles over days, weekends, weeks or one big adventure. You have the entire month of October to do it. Registration for the challenge is free. All are welcome to participate.

There is no fee to use the Ice Age Trail.

Please note that parking at state parks, forests and recreation areas requires a valid admission sticker. Biking is only allowed on segments of the trail where it follows state trails; please watch for signs. Leashed dogs are welcome on the Ice Age Trail.

CIVIL WAR from page 6

our screwdrivers. Then we would take little shovels to uncover the stones."

Minz and Butzke researched different people in the cemetery. They made copies of what may have been the original plot map, drawn on a piece of cardboard that was folded in half.

"We would write and write so we would have everybody's names. It was a labor of love," Minz said.

"We have hundreds of pages about everyone who is buried here," Butzke added.

Krell now uses those pages for her research, adding information as she goes.

About 16 years ago, Minz and Butzke found paperwork on Norman Sischo, another Civil War veteran who is buried at Gage Cemetery. Like Church, his grave was unmarked, so the Sons of

Union Veterans of the Civil War held a ceremony, complete with a cannon, to properly dedicate a headstone.

"He has an Indian child buried next to him, but we never found any information on the Indian child," Minz said.

Krell plans to continue to beautify the cemetery. She would like to have markers for all the babies who are buried there.

"I just think it is a shame. There are a lot of babies buried here, and nobody knew they were here," Krell said. "I just hate to see people forgotten."

"There is a lot of history here," Minz said. "These people need to be remembered because they are the ones who first came here from other countries. They cleared the land; they worked really hard. They need to be remembered."

tory the group earned the honor.

In receiving this honor, the Kewaskum FFA chapter exemplified that it improves operations using the National Quality FFA Chapter Standards. Among other strengths, the group contains a Program of Activities that emphasizes growing leaders, building communities and strengthening agriculture. Chapters are also rewarded for providing educational experiences for the entire membership, which Kewaskum FFA does.

“We are very proud of our FFA students and all the accomplishments that they’ve had. I’ve always been amazed by the tremendous amount of work that they do during the year and all the ways that they have contributed to our community,” said Dr. Mark Bazata, Kewaskum School District Superintendent.

Chapters that received star ratings during judging this summer will be recognized at the 95th National FFA Convention and Expo, Oct 26-29, in Indianapolis. At this event, this year’s FFA president, Cherubini, will get to walk across the stage to represent Kewaskum.

“We have always been active as a group, and we finally had the right person (Fischer) to fill out the application for this award. It is an honor to be recognized, and we plan to continue to stay just as involved,” concluded Oelhafen.

Saturday, Oct. 15, 3-8 p.m. at the Mauthe Lake Recreation Area (located at N1490 County Road GGG, Campbellsport - south of County Road G near New Prospect). Celebrate all the fun of fall and nature’s spineless wonders! Check out the tools and equipment used by DNR wardens and rangers. Carve a pumpkin with your most clever design. Enter the costume contest. Meet Smokey Bear. Traverse through the autumn woods (illuminated after dark) where you will encounter stations highlighting menagerie of forest animals. Last group goes out at 7:30 p.m. Join the fun around a roaring fire while enjoying toe-tapping live music of Paddygrass or a campfire sing-along. Food available for purchase from local food truck vendors. Sponsored by the Friends of the Kettle

Moraine. A Wisconsin State Park vehicle admission sticker is required.

What’s For Lunch? Nature Storytime

Friday, Oct. 21, 9:30-10:30 a.m. at the Ice Age Visitor Center (N2875 Hwy 67, Campbellsport – half mile west of Dundee). You may have a hamburger for lunch, but what do the animals eat? Find out what is on the lunch menu for the wild animals of the Kettle Moraine. This hour of nature fun awaits 3- to 6-year-olds with accompanying adults.

Nature’s Unloved Exploring Nature Program

Saturday, Oct. 22, 10-11:30 a.m. at the Ice Age Visitor Center (N2875 Hwy 67, Campbellsport – half mile west of Dundee). Unearth intriguing facts about some of nature’s unloved critters including bats, skunks, slugs and spiders. You may just go away liking them or at least appreciating their role in nature. This program is best for families/groups with children between the ages of 6 and 12 years.

Creatures of the Night Exploring Nature Program

Saturday, Oct. 29, 10-11:30 a.m. at the Ice Age Visitor Center (N2875 Hwy 67, Campbellsport – half mile west of Dundee). Whoo’s awake during the hours of darkness? Join us as we delve into the world of nocturnal animals. This program is best for families/groups with children between the ages of 6 and 12 years.

Greetings from the Campbellsport Library!
 The library is excited to announce that we will be hosting our first ever BOOOOOKTACULAR HALLOWEEN Event! Join us on Friday, Oct. 28, from 10 a.m. until 6 p.m. for a day of Halloween fun. The day will kick off at 10 a.m., as we host Magician Glen Gerard. He will perform a fun Halloween magic show that is sure to delight everyone. Beginning at 11:30 a.m., we will have two face painters here as well as Jean the Balloon Lady. The balloon artist is provided by the Campbellsport Chamber of Commerce. All patrons 18 and younger who wear a costume to the library will be entered into a drawing to win a prize, prizes sponsored by Piggly Wiggly. The day will also feature crafts, story time, and a selfie booth sponsored by SLS photography. Cookie treats will be available at the library on a first come first serve basis, one per customer and will be provided by Blue Door Coffee Company. Check out the Campbellsport library Facebook event page for a full list of events and times.

Tinker Tuesdays

From 3:45 to 5:45 p.m., children and young adults can stop in to build with Legos, Zoob, straw builders, and other manipulatives. Any children's books that are checked out (up to 10) will earn two Lego pieces to be added to our in-house Lego tower. Our goal for the month is to have a tower that is more than 6-feet tall. You can help us reach this goal by checking out books and adding your pieces to our tower. Come join in the fun all September long! We will post a picture of the tower here at the end of the month so watch to see if we reach our goal.

Story Time is Back at the Library!

Children ages 3-6 are invited to join Ms. Azra

at the library for story hour every Wednesday from 10:30-11:30 a.m. Children will enjoy reading stories, making crafts, and participating in other themed week activities. Story hour offers the opportunity for young children to socialize with others and also encourages growth in language development, motor skills, and helps to promote a love of learning. Children and families are welcome to stay after story hour to play and explore at the library.

The themes for the first month of story hour are as follows:

- October 11 – Ghosts
- October 18 – Monsters
- October 25 – Halloween

Monday Movie of the Month – “Where the Crawdads Sing”

The Monday Movie of the Month for October will be “Where the Crawdads Sing” on Monday, Oct. 24. Abandoned by her family, Kya Clark, otherwise known to the townspeople of Barkley Cove as the Marsh Girl, is mysterious and wild. “Where the Crawdads Sing” is a coming-of-age story of a young girl raised by the marshlands of the south in the 1950s. When the town hotshot is found dead, and inexplicably linked to Kya, the Marsh Girl is the prime suspect in his murder case. If you enjoyed the book you will love the movie. Popcorn will be provided.

Afternoon Book Club

The Campbellsport Public Library hosts an afternoon book club every third Tuesday of the month at 1 p.m. New members are welcome to join any time, and books are available at our library for checkout each month. The book club book for October 18, is *Little Fires Everywhere* by Celeste Ng. *Little Fires Everywhere* follows “the intertwined fates of the picture-perfect Richardson family and an enigmatic mother and daughter who upend their lives. The story explores the weight of secrets, the nature of art and identity, the ferocious pull of motherhood – and the danger in believing that following the rules can avert disaster.”

Storywalk® Throughout the Month of October

Enjoy reading *Leaf Man* by Lois Ehlert while walking through Kewaskum's downtown. Start at the library by picking up a map at participating businesses. Follow the numbered path while reading the book displayed in storefront windows throughout the village. Complete the codes and return the map to the library for a special bookmark.

At the Movies – “Rear Window” (1954)

On Wednesday, Oct. 12, at 3 p.m. “Rear Window” will be shown in collaboration with Kewaskum Public Library, Kewaskum Schools and the Kewaskum Area Arts Council. View classic films on the big screen. Presented by retired teacher, James Westphal, films will be shown in the high school theater and are free to the public.

Volunteers Needed!

Are you looking to give back? Have extra time in your day that you would like to fill? If so, come into the library and complete a volunteer application. A variety of opportunities are available from helping with programs to keeping the library neat and tidy. Volunteers must be 13 years of age or older and will need to sign a code of conduct. Adults will need to undergo a background check.

LORI KREIS
 KEWASKUM LIBRARIAN

During COVID-19 we were unable to hold in-person programming and I wanted to find a way to engage families in a healthy activity that promoted physical activity, literacy, and fun. I researched the ever so popular StoryWalk® to find a way to make it work with us. If you are unfamiliar with the activity, a StoryWalk® is an outdoor reading adventure where you follow and read the pages of a book while on a walk. Usually these are done in parks and the pages are large, laminated, and affixed to wooden stakes in the ground.

While Kewaskum does have beautiful parks that would be a great location for a StoryWalk® adventure, I thought that involving the businesses, some that suffered during the pandemic, would be a nice idea. With some brainstorming ses-

sions, buy in from the local businesses, and a lot of hard work in a short amount of time, our first StoryWalk® began.

The StoryWalk® project was started in 2007 to encourage healthy living for families that would not put a financial burden on them. Anne Ferguson of Vermont introduced the idea to the Vermont Art Council and with minimal start up fee, she selected a path in a local park and it was very well received. Ferguson did not realize it would be so popular and within 10 years, her StoryWalk® idea was being used in all 50 states and in a dozen countries throughout the world.

Here at Kewaskum Public Library we faced some challenges when planning our first StoryWalk® but you learn from your mistakes. This month, we are hosting our third StoryWalk® using one of our favorite books, *Leaf Man* by the late Lois Ehlert. Some new businesses are participating this year and as usual, the story begins at the library. Stop at the library and pick up a map of businesses where each stop is numbered in reading order. All pages should be viewable from the sidewalk in business storefronts. Fill in the answer sheet on the back of the map while reading and walking along. Bring in a completed sheet for

a special bookmark.

I do want to proudly mention that our StoryWalk® was recognized by the state two years ago when they filmed portions of it for a

night, but we just didn't execute the game plan the way we wanted."

Campbellsport has two more conference games left. This week, the Cougars will be away to play Laconia on Oct. 7, and come home for their final game against Lomira on Oct. 14.

Wondra says the team is going to learn from Friday's game against Springs and continue to work hard and improve these last few weeks in preparation for the last games of the regular season.

Friday's game at Laconia High School in Rosendale begins at 7 p.m.

Upcoming Roots and Branches Seminars Slated

Roots and Branches is presenting two seminars this month in West Bend – “Microgreens” and “A Half-Century of Outdoor Wisconsin.”

“Microgreens”

Matt Susnick of Lone Duck Farm will be the featured presenter at “Microgreens,” a free program, on Wednesday, Oct. 12, at 7 p.m., in West Bend City Hall (1115 S. Main St.).

Lone Duck farm is a small family farm in West Bend where the family has been growing and selling aquaponic produce and microgreens throughout southeast Wisconsin for the past 10 years.

Matt will have microgreens, kits and seeds available for purchase. Registration is available online at www.rootsbranches.org.

“A Half-Century of Outdoor Wisconsin”

“A Half-Century of Outdoor Wisconsin” with Dan Small will

be presented on Tuesday, Oct. 18, at 7 p.m., at the Historic West Bend Theatre (125 N. Main St.) Cost is \$10 with advance registration available online at www.rootsbranches.org. The event includes a cash bar and special raffle.

Small was the host/producer of “Outdoor Wisconsin,” a production of Milwaukee PBS, from its premiere in November 1984 until 2020. He will be speaking about his Wisconsin adventures and about the out-takes that never aired.

Small currently produces and hosts a weekly radio show, “Outdoors Radio with Dan Small”, which airs on 22 broadcast stations throughout Wisconsin and Minnesota and as a podcast.

Questions may be directed to Roots and Branches by calling 262-335-5083 or emailing rootsandbranches@ci.west-bend.wi.us.

KHS TENNIS

from page 21

more momentum to win the second set 6-2.

Liz Erdmann, Kewaskum's number two singles player, has

been steady all season and didn't let up in her regular season finale. The sophomore earned a 6-0, 6-3 triumph over senior Victoria Logan. Erdmann's victory

was her eighth in her last nine matches. She finished the regular season 11-5, and 8-1 in the Eastern Wisconsin Conference.

Kewaskum's number three and four singles players rolled to decisive victories. Both Lauren Ford at number three and Mackenzie Steiner at number four left the court with 6-0 wins. Ford's win was her second straight, and Steiner's was her third in a row to close out the regular season.

With the victory, Kewaskum finished with a 6-3 record in the Eastern Wisconsin Conference, good for fourth place in the ten-team league.

The Indians' overall dual meet record finishes at 8-7. Following the final dual meet, the girls started preparing for WIAA subsectionals.

The coaches would like to congratulate all our dedicated, hard-working players.

Many of our girls regularly stay late after practice to further improve their game, showing a love of the sport and great dedication to the team. It's also been typical after matches for the players to wait for other courts to open up, then go back out and play more until dark.

The season has been fun and rewarding, and the girls have shown great sportsmanship along the way. The support of parents, families, friends, school administration and maintenance staff is also very much appreciated!

Stop Scammers with Credit Check

By law, everybody can obtain three free credit reports each year at AnnualCreditReport.com. It is important to check your report regularly to make sure it is accurate and up to date. Scammers often desire to open credit in your name. By regularly monitoring your credit report, you can prevent scammers from using your credit profile to their benefit. If you find any errors on your report, you can have those errors removed by contacting the credit reporting agency (TransUnion, Experian, or Equifax).

Due to impacts on financial security resulting from the pandemic in early 2020, the three credit reporting agencies made free weekly credit checks available to all. This program has been extended through December 31. "We are really fortunate to have the opportunity to access our free credit reports weekly right now," states Amy Mangan-Fischer, Fond du Lac Human Development and

Relationships educator. "Checking your report is a great way to protect yourself by quickly spotting any evidence of fraud or identity theft."

The "Check Your Free Credit Report: 2/2, 6/6, 10/10" campaign from the University of Wisconsin-Madison Division of Extension wants to make it easier to remember to order your free credit reports. You can sign up to receive calendar reminders by visiting this site and clicking on 2/2, 6/6, and 10/10: <https://finances.extension.wisc.edu/programs/check-your-free-credit-report-campaign/>.

More information on credit reports, is available by contacting Fond du Lac County Extension Office at 920-929-3170, at <https://fonddulac.extension.wisc.edu>, or by emailing Amy Mangan-Fischer at amy.manganfischer@wisc.edu.

Fond du Lac D.A.R. Chapter Offers Free New Member Workshop

Do you know your American roots and your family's role in America's history? Do you have an ancestor who fought in or supported the American Revolution? Do you want to be effective in

your community and help preserve America's heritage? The Fond du Lac Chapter of the "National Society of the Daughters of the American Revolution" (DAR), a local non-profit service organization, will conduct a New Member Workshop on Saturday, Nov. 12,

at the Fond du Lac Public Library, 32 Sheboygan St., beginning at 10 a.m., in the McLane Meeting Room located on the lower level.

The upcoming event is free and open to the public and will also include an overview of DAR and what the service society does. To register for the event, or get more information about the workshop or DAR, please contact Cindy McLaughlin, chapter regent, at 920-456-9051, or mclaughlinc@firstweber.com.

DAR is a nonprofit, nonpolitical volunteer women's ser-

vice organization dedicated to promoting historic preservation, education, and patriotism, founded in 1890, and incorporated by an Act of Congress. The Fond du Lac Chapter began in 1900, and annually grants its "DAR Good Citizen" award. Any woman 18 years or older, regardless of race, religion, or ethnic background, who can prove lineal descent from a patriot of the American Revolution, is eligible for membership in DAR.

Attendees are asked to bring documentation of their lineage, family histories, or family trees. DAR members will also be on hand to assist. The wearing of masks is not required.

On the importance of tracing lineage, Esther Pietrowski, chapter treasurer, says "Tracing your lineage is valuable because it preserves your family's heritage. And joining DAR means a chance to give back in so many ways: honoring veterans, supporting literacy and education, celebrating our nation's history."

SOCCER ROUNDUP from page 22

Hayden Johnson and one from Eli Steinbauer.

That is how the half ended even though there were numerous chances from both squads.

With the weather deteriorating, the second half began with the Indians still controlling the pace of play.

The young men from Kewaskum were utilizing a lot of switching of the field play with small give and goes to build up attacking play as they worked on in training the week leading up to the game. With some new tactical

strategies and positioning the team fell out of shape a couple of times but regained their form quickly.

Mayville was frustrated chasing the ball and began arguing amongst themselves which made Kewaskum's job a little easier to get the victory. A few really good chances that did not materialize were all the Indians could create in the half though, which saw the game end the same as the first half, 2-0.

Sept. 29

The Winneconne Wolves Men's Soccer team picked a bad night to

make the trip to Kewaskum.

The Indians put together their best game of the year against a big physical team.

The passing and ability to control the interior part of the midfield while pushing up the field into attacking situations was the best the team had performed all season.

With a bit more creativity and a little less "homerun" balls that always seem to be too fast to catch up to, especially on the speedy turf at Doc Mitchell stadium, Kewaskum found success attacking half of the field most of the game.

More freedom on the attacking end with the objective of getting shots off earlier to soften up the defense and get them off balance and out of shape created a wonderful goal from Denali Fellenz.

On an out of bounds, a perfectly placed throw in from Austin Loehr allowed Fellenz to run onto the ball a few yards outside the penalty area and take the ball off the bounce and blast it past the Winneconne keeper.

Continued pressure and very aggressive play from the interior midfield of Luciano Olla, Hayden Johnson and Eli Steinbauer had goalie Carter Curtin pretty bored in the net for the Indians.

The first half ended with Kewaskum nervously holding a 1-0 lead.

After an extended halftime which saw the Kewaskum young men honor their parents – who really make the season possible – the Indians only needed two minutes to get a second goal, which came from freshman winger Charlie Gambino where he was able to run by the outside back of Winneconne onto a tremendously delivered ball from junior captain Hayden Johnson.

Gambino was one-on-one with

the goalie and blasted a bullet right over the keeper.

Less than seven minutes later had freshman midfielder Eli Steinbauer on the end of a little heel flick pass in close quarters from Hayden Johnson, where he took a couple precise touches and punched into the near post side of goal.

At this point of the game the Indians were flying pretty high sitting on a 3-0 lead and got a bit of an adrenaline rush which got them playing a bit looser and trying a little too aggressively to find that fourth goal.

It never came, and with 10 minutes left, Kewaskum got sloppy in the back line of the defense which rewarded Winneconne with an awkward but effective goal.

The final minutes had Kewaskum working hard holding off some more advancing play from the Wolves and were able to keep them at bay.

The final was only 3-1.

As the season comes to the final couple of weeks before the state playoffs, Kewaskum is hopefully hitting its stride. A tough week of road games with two previously played teams in Winnebago Lutheran Academy (WLA) and Ripon High School will have Kewaskum testing their level of play.

WLA beat the Indians in the Kiel tournament game in mid-September while the Indians were able to defeat Ripon in the Berlin tournament way back in August.

Both outings were not full 80-minute games and indicative of how next week's contests will play out, so the Indians will have to figure both WLA and Ripon have been improving and again utilize their newly regained confidence in the team tactics to get favorable results.

GRIDIRON from page 22

Sixth Grade

The sixth grade team hung tough against a much bigger Whitefish Bay team but ended up losing 20-12 to bring their record to 3-2 on the season.

Ryland Ciriacks added two more touchdowns to his season total for the Indians offense, one in each half of the game.

On defense, Bowen Nass had an interception while Porter Reis, Lucas Zeeb and Ciriacks all played solid defensive games coming away with several tackles.

Fifth Grade

The fifth grade team played by far their toughest game of the season with the game coming down to a late fourth down stop to preserve a 19-14 win.

The victory means the fifth grad-

er remain undefeated, at 5-0, on the season.

The Indians offense had many contributors with Cole Kertscher scoring two touchdowns, including one that was more than 50-yards. Henry Ogi added the other score and also had a couple of 20-plus yard runs. Micah Peck also had several key third down runs to keep drives going. The entire offensive line also played a great game against a much larger Whitefish Bay defensive front.

On defense, Cade Wichtoski, Malahki Schneider, Henry Ogi and Cooper Norville were all recognized for their great play and helped to preserve the win for the Indians.

All four Gridiron teams will be playing at home against Cedarburg this Saturday, Oct. 8, with the eighth graders kicking things off at 9 a.m.

Come on out to cheer on the Gridiron Indians!

Kewaskum Comes Back to Beat Berlin, 24-20

The Indians scored the go-ahead touchdown on the road with 34 seconds remaining in the game to take back a share of the East Central Conference lead

COACH STEVEN TENNIES
KHS FOOTBALL

Kewaskum traveled to Berlin for the third time in four years on Friday night.

Down 0-14 after the first quarter, the visitors fought back to take home a 24-20 win and a three-way tie on top of the East Central Conference.

The two previous games between the schools both ended in overtime.

On Friday, an extra session wasn't needed, as senior quarterback Ryan Cook crossed the goalline from one-yard out with 0:34 seconds left and senior kicker Carter Curtin put the ball through the uprights for a four point lead that the Kewaskum (6-1, 4-1) defense would hold.

The visitors and their fans were sent home happy, but that is not how the game would begin.

The host Indians of Berlin (5-2, 4-1) jumped out to a two touchdown lead behind a 75-yard touchdown pass and a short touchdown run to open the scoring in the first quarter. Kewaskum would light up the scoreboard late in the second quarter, as senior tailback Dillan Steger took a 68-yard run down the visitor's sideline to the endzone. A botched snap cost Kewaskum the extra point and it was 6-14 with 3:49 to go in the first half.

After the Kewaskum defense forced a punt after three plays, Cook found junior wide out Bailey Ralph down the sideline for a big gain to set up a Curtin field goal as time expired in the first half leaving the visitors trailing 9 - 14.

Berlin would score the only points in the third quarter but a missed extra point left the door open for the visitors, as the score with 5:46 to go in the third quarter was 9-20.

At the beginning of the fourth, Cook hauled in an errant snap and rushed 38 yards to pull within 15-20. Cook would find senior fullback Nate Heller for a two-point conversion and suddenly the game was in doubt for Berlin at 17-20.

After the teams traded punts and missed fourth down attempts, Cook found Ralph again this time over the middle for a huge gain and set up the final QB sneak for the win.

The Kewaskum defense was led by senior Safety Carson Rolf who paced the team with 14 tackles.

Heller and fellow senior Derek May each added an interception while seniors Hunter Loser, Dillan Steger and Donny Zillmer found their way into the Berlin backfield and combined for eight tackles for loss.

Kewaskum is now tied for the lead of the East Central Conference with two weeks to play.

This week they host the Ripon Tigers for the annual Homecoming game. Kickoff is scheduled for 7 p.m.

K.H.S. Tennis Finishes Fourth in Conference

COACH BRAD PREDER
KHS TENNIS

On a chilly, windy afternoon, the Kewaskum High School girls' tennis team stayed warm by earning a 6-1 victory over the Roncalli/Two Rivers co-op team.

The meet was held at Two Rivers High School on Tuesday, Sept. 27.

Kewaskum's doubles teams all came out victorious in the team's regular season finale. The number one doubles team of senior Isabelle Thomas and junior Rowyn Wiedmeyer continued their strong season with a 6-4, 6-0 win over Madison Budysz and Kylie Kakes. Kewaskum's top tandem finished the regular season with an overall record of 12-4, and an impressive 7-2 mark in Eastern Wisconsin Conference play.

Juniors Audrey Grensavitch and Katelyn Blank were victorious at number two doubles for Kewaskum, defeating Ember Cisler and Andrea Rodriguez 6-1, 6-0. Audrey and Katelyn finished the regular season 9-7 overall, and 6-3 in conference play.

At number three doubles, seniors Jade Johnson and Rylie Dwyer wrapped up the regular season in style, with a 6-1, 6-4 win over Anna Sosa and Marta Pavone. Johnson and Dwyer stepped up their game late in the season, earning victories in the final two meets.

The closest match of the day came at number one singles, with Kewaskum senior Molly Freund taking on Madison Lamers. Freund battled hard against Lamers, a talented sophomore, but couldn't quite take control. Lamers took the first set 6-4, and then gained a little

ROUNDUP: Gridiron Returns with One Win in Whitefish Bay

KEWASKUM GRIDIRON

The Kewaskum Gridiron Indians were in action on Saturday, Oct. 1, with all teams traveling to Milwaukee County's North Shore to face Whitefish Bay.

The eighth, seventh and sixth grade teams all suffered close defeats, while the fifth grade team came away with a close win to remain undefeated.

Eighth Grade

The eighth graders got off to a slow start, falling behind 20-0, but then battled back only to fall a little short while suffering a tough 20-14 loss to Whitefish Bay.

The loss brought their record to 3-2 on the season.

The Indians offense wasn't able to get anything going in the first half, and Whitefish Bay was able to convert for two touchdowns to take a 12-0 lead at halftime.

Whitefish Bay added another score in the third quarter to bump the lead to 20-0 into the fourth.

The Indians defense came up with a great goal line stand, and then the offense was able to move the ball for a 98-yard touchdown drive with a big 46-yard run by Eli Ogi followed by Kyle Haim connected with Kingston Grisolono for a 38-yard touchdown pass.

The Indians William Koch intercepted a Whitefish Bay pass on the next possession, and then Haim found Anthony Coleman for a 28-yard touchdown pass to bring the Indians within six points at 20-14 but, unfortunately, the Indians rally ran out of time.

Haim finished 6/16 for 110 yards passing on the day with the two scores to Grisolono and Coleman.

On defense, Ogi forced a fumble that was recovered by Kage Weseman. Koch came away with two interceptions and Coleman added one as well. Carson Anderson, Marcus Perondi, Ben Weller and Grisolono all contributed tackles for losses on the day as well for the defense.

Seventh Grade

The seventh grade team played a hard-fought defensive battle, but the Indians, unfortunately, were defeated, 12-6, against Whitefish Bay.

The seventh grade Gridiron team is now 3-1-1 on the season.

Jace Wichtoski scored the Indians lone touchdown on a kickoff return.

The Indians defense played great in the second half, led by Carter Unger, Easton Derge and Evan Soyk who all made several standout defensive plays. Camden Petermann and AJ Droese each added interceptions for the team.

ROUNDUP: Kewaskum Youth Soccer

KYSO COACHES

Sept. 26

On Monday Sept. 26 the U12 Flash team played against Brownsville.

The weather was very cold and cloudy but the Flash team held it down.

In the first half there was lots of back and forth on goal and alot of amazing stops from Erin michlig.

Logan Honeyage made the first goal of the game.

In the second half Brownsville scored putting the score at a tie.

Brycen Hedstrom was goalie for the second half and had alot of great stops make sure the Brownsville didn't score much.

Great defense by the whole team.

The final score remained at 1-1.

Sept. 27

On Tuesday Sept. 27 the Flash team played against Richfield Thunder.

During the first half Logan Honeyager scored a goal.

There was lots of great defense by the Flash team and tons of hustle.

Declan Heimerman and Ben Wright both made a goal.

Will Alles played a great game and showed lots of effort.

Kylinn Remmildard played an amazing great game and was very aggressive and went after the ball portraying an amazing effort.

Game 1: The U9 Kewaskum Sharks took on the Slinger Jam on the gorgeous afternoon of October 1st in Slinger.

The Sharks were quick to score on the Jam. Parker Hug led the way with a perfect shot assisted by Laila Roethle. Benson Stahl ended the first quarter with a trifecta of three goals, giving the Sharks the lead of 4-0.

The Sharks continued their aggressive play in the second quarter. Parker Hug scored three more goals on the Jam, and Benson added an additional shot to the back of the net.

Harper Kenworthy played some strong defense, keeping the ball out of Shark territory.

Aubrey Lefeber was a force to be reckoned with and kept the ball moving up the field.

The Sharks lead 8-0 at the half. Benson Stahl scored early in the third quarter, followed by a goal shot by Logan Watzlawick.

The Sharks worked hard to control the ball and made some great passes up the field.

Benson Stahl scored the lone goal of the fourth quarter, ending the game with a 11-0 Shark victory.

Great teamwork, Sharks!

Game 2: The U10 Girls Phoenix team played a great defensive game against the Slinger Rockets.

Coralee Flood scored the first goal of the game with an assist from Edlynn Edwards.

Aubrey Long and Veronica Goetzinger did well protecting the net.

The game finished tied, 2-2.

ROUNDUP: K.H.S. Soccer Regains Confidence

COACH CHUCK GROVER KHS SOCCER

Sept. 21

Plymouth came out aggressive and in full attack mode for their senior and parents' night.

A score in the first 61 seconds forced Kewaskum into scramble mode and some key personnel missing in the defensive backfield for the Indians made stopping the Panthers much tougher.

After the second goal came less than four minutes later, it seemed to take all the wind out of the sails of the Kewaskum athletes. After the first 40 minutes, it saw the Indians down 7-0.

Plymouth never was really tested in the first half defensively by keeping the ball on Kewaskum's half for 99% of the half.

The one or two chances the Indians did find themselves on Plymouths side of the field, they could not create any quality scoring opportunities. Two shots, that weren't that scary for Plymouth, was all Kewaskum could muster in the first half.

The second half did not get any better for Kewaskum. Plymouth did change up some

of their tactics that did not see them score goals at the rate they did in the first half but still were able to put two more into the visitor's net.

By that point, the Indians were so deflated that the effort was gone from the team. It was a difficult result to take for Kewaskum, as the team felt that they should be able to compete at the top of the conference.

In what really felt like a statement game for Plymouth, and the fact that Kewaskum let the moment of playing the top team in the East Central Conference get to them, the Indians beat themselves more than Plymouth beat them.

An emotional 9-0 defeat had the team rethinking their commitment to the season, but a captain meeting on Wednesday enabled them to refocus and have a good week of training. With Random Lake canceling the game scheduled for Saturday, which gave the team some time off over the weekend to decompress.

A strong finish to the season could still have the Indians finish towards the top of the conference table as Winneconne, Ripon

and Kettle Moraine Lutheran, for the last regular season game, are still on the schedule.

The team would like to thank all the family, friends and fans who continue to demonstrate respect in their support of the players.

Sept. 27

The Kewaskum men's soccer team get off their little losing streak with a 2-0 victory in Mayville.

On a cool rainy evening, the Indians got off to a slow start that gave the Cardinals an early boost of confidence.

With that boost, Mayville got the first couple of chances at goal-scoring opportunities. Fortunately, they were unable to get their strikes on goal.

Once the Indians got settled in, they were in control for the rest of the game. Controlled passing and a bit better aggressiveness on defense had the Indians controlling the midfield on both halves of the field.

The first half rewarded Kewaskum with two goals both from senior captain Denali Fellenz, one assisted from

Campbellsport Runs at Portage Invitational

COACH MIKE KUILBERT
CHS CROSS COUNTRY

Campbellsport competed for the first time in the Portage Invitational Cross Country Meet.

The races were held at Wyona Park in Wyocena last Tuesday, Sept. 27.

The Campbellsport varsity boys had a good showing in the fourteen school meet which featured two Division one schools and an Appleton Xavier team that is ranked fourth in the State in Division two.

The Cougars (127) took 3rd place behind DeForest (35) and Xavier (71). Pardeeville (136) took 4th, Portage (150) 5th, Lodi (171) 6th, Waunakee (197) 7th, Berlin (230) 8th, Poynette (231) 9th, Omro (233) 10th, Columbus (358) 11th, Ripon (309) 12th, and Wautoma (324) 13th. Randolph/Cambria/Friesland had an incomplete team.

DeForest had all seven of their varsity runners in the top twenty to easily outdistance the field. Meanwhile, the Cougars had two runners in the top fifteen.

Logan Nolan ran with the top group of runners right from the start. The sophomore took home

10th place with a season best 17:31.

Brody Nolan used a strong finish kick to pass three runners in the final stretch to take 12th place. He ran a career best time of 17:34.

Sawyer Dirmeier and Aydan Meilahn raced to the finish line only seconds apart. Dirmeier crossed the finish line in 26th with an 18:24. Meilahn was 27th in a season best 18:28. Jon Thelen had a time of 19:27 and finished in 52nd place.

Aydryan Meilahn returned after an injury to run one of his best times ever. He was 59th in 19:45.

Trent Dieckman returned to action after missing a meet due to illness and took 66th place in 20:18.

Owen Blevins had the best run for the CHS JV team finishing 25th in 20:09.

Cougar Girls

In the girls' varsity race, Xavier took first place with only 23 points.

DeForest was runner-up with 48 followed by Waunakee (106), Berlin (132), Poynette (147), Wautoma (170), Lodi (174), Ripon (187), Omro (222), Campbellsport (254), and Columbus (255). Portage,

Pardeeville, and Randolph/Cambria/Friesland did not field complete teams.

The Cougars continue to run short-handed with several runners out with injuries, but are working hard and have been steadily improving their times from meet to meet.

Lydia Toshner and Sienna Hewitt finished nearly side-by-side in 37th and 38th. Both runners had season best times. Toshner ran the 5,000-meter course in 22:49, and Hewitt finished in 22:50.

For the sixth meet in a row, Izzy Sperfslage set a new personal best time. She crossed the finish line in 66th in 25:17.

Emily Ohme ran a 25:23 and finished in 68th place. Katrina Ohme took 77th in a career best 28:14.

Hannah Thelen ran her best time of the season finishing 80th in 28:52.

Campbellsport will host its 51st Cougar Invitational on Oct. 6. The meet will be held at the Campbellsport Elementary School. The high school varsity/JV girls' race will start at 4:25 p.m., and the high school boys' varsity/JV race will begin around 5:10 p.m.

MARK WALTERS
COLUMNIST

I am in one of the most go-for-it periods of my adult life.

Last night, I bear hunted for the 10th day in-a-row. I am harvesting as much food as I possibly can from my gardens and then I have this job where I travel in the outdoors, do field work, and come up with a story each week.

I hope you enjoy this week's column as much as I did; including the time in the canoe, the tree and at my camp.

SAT., SEPT. 17

HIGH: 81. LOW: 51.

Here is the plan:

Wake up at my home near Necedah. Run my bear baits in the northern Juneau County area. Drive from City Point on Highway 54 to Interstate 94 and head to Durand on the Chippewa River. Build a camp, paddle my canoe on the backwaters of the Chippewa, set out three trail cameras, put up a stand and hunt deer with my compound bow (for what is the first time I have ever bow hunted this early in the season). Hunt through Monday morning, break camp, drive same route, run bear baits, hunt black bear and get home well after dark.

Folks, I am a lean, mean, worn-out fighting machine, but I

would rather die moving than sitting around.

So, camp is built; tree stands, climbing sticks, trail cameras and compound bow are loaded in the canoe, and I am at peace.

I get to sit in a tree and watch the world with the potential of pulling my bow back on a deer.

My main goal for a kill is a big, fat doe. In all honesty, I do not want to be done with my buck tag, but, of course, I would be if a really big buck came within 25-yards of my tree (that's my maximum range).

So, the area that I am

hunting is hip-boot/wader country, and I have a ridge line on one side of me that is very steep, marsh in front of me and a flooded forest on the other side of the marsh.

At 6 a.m., I see a large deer on the other side of the tags, it is a doe that is about as large as a doe can get. After about half-an-hour, I see a front leg and pull my bow back at a deer that is at 20-yards and one step away from me, letting an arrow fly.

My quarry senses something and holds up.

I cannot hold my bow back much longer

but carrying five gallons buckets of granola for 155 days in the woods has built my endurance.

The doe steps forward, I release my arrow, and it goes through both shoulders. Even though it only made it 20-yards, I can only hear it but know that its time in the marsh is over.

I climb down from my tree, take a look at what is the largest doe I have ever harvested, drag it to my canoe, have one heck-of-a-time getting it in my canoe and paddle in the dark back to camp in a very good mood.

for supper.

My sleeping bag is in a waterproof canoe pack, and when I take it out, it is soaking wet and smells. I remember that the last time I used it, I slept in my boat, it rained and I packed it wet and forgot to dry it.

I say to hell with this, sleep in it and am paddling the canoe five hours later.

No more deer action and no bear on the hunt home.

Live until your heart quits beating!

Sunset

Just before midnight, the job is done. I am going to bed and too tired

Ledgers Harpoon Homecoming for Cougars

CLARICE CASE
JOURNALIST

The Campbellsport Cougars just couldn't claw their way to a win and put an end to the Saint Mary's Springs Academy Ledger's undefeated streak when the two Flyway foes faced off on Friday, Sept. 30, in what was Campbellsport's annual homecoming game.

Springs (7-0, 4-0) scored one touchdown in the first quarter.

Before Campbellsport (4-3, 3-2) could answer, Mitchell McCarty was sacked, which forced a turnover.

The score after one was 7-0.

With 10:44 left in the second quarter, the Ledgers scored again, and the Cougars were forced to punt dur-

The score at halftime was 21-7.

The third quarter was quiet for Campbellsport.

On the other side, Springs scored two more touchdowns, essentially securing its lead.

The score was 35-7 at the end of the third.

Timm ran for an eight-yard touchdown with 7:56 left in the game, but Springs scored once more with three-and-a-half-minutes left.

Ultimately, the final score was 42-13.

"Friday night didn't go as we had hoped," said Head Coach Todd Wondra. "I thought we had a decent week of practice leading up to Friday
